8.7) PAYMENT:

At the end of each month, the contractor shall submit a statement in triplicate (as may be prescribed in this regard) detailing his claims for the service rendered during that month to the EE/ Civil/ETPS Exp. Proj. for arranging payment. However payment will be arranged subject to the ceiling limit fixed for every month as per B.P's in force. **The cost of the diesel only will be paid at the prevailing market rate based on the accepted performance factor worked out even if the contractor provided petrol vehicle.**

8.8) CONTRACTOR'S FAILURE:

If the contractor fails to fulfill the terms and conditions of the contract or unable to continue the work, the Board has got the right to engage other agency for the work and the resultant excess expenditure, if any incurred by the Board will be recovered. The contract will be terminated if the tenderer withdraws or does not provide a vehicle after the receipt of acceptance order from this office. In either case, the EMD/ SD will be forfeited.

8.9) DISCIPLINE:

The driver of the vehicle should observe strict discipline and decorum while on duty. He should possess valid transport vehicle driving license.

8.10) CONTRACTOR'S RESPONSIBILITY:

The contractor shall be responsible for the safe operation of the vehicle. For any loss damages to the vehicle or to the equipments transported through the vehicle or to personal traveling, due to the carelessness of the driver or any other cause, Board will not take any responsibility on this account and the contractor will be responsible and shall compensate for such damages or loss caused. In case the contractor fails to pay within a reasonable time the Board may settle the claims and arrange to recover the same from the contractor.

8.11) The contractor should see that the trip sheets are written daily and got attested by the Officer nominated for the purpose.

8.12) In case the K.M. reading is not recorded due to defect in system, then the K.M. assessed by the Officer who is actually utilizing the vehicle will be final, however, the defect should be rectified immediately on the day itself soon after the trip is over.

8.13) WORKING HOURS:

The vehicle should be available for the said 12hrs for all days including holiday if necessary during contract period. Hire charges will be paid only for the days of usage of vehicle by Board.

8.14) The contractor shall be responsible for any violation of the provisions of the contract by him or by the driver.

8.15) The vehicle shall be readily available, if called on holidays or for extra hour's engagement, when necessity arises. No extra claim will be admitted, if the vehicle is not hired on holidays and other occasions when the vehicle is not required. This may be specifically noted.

8.16) It is the responsibility of the contractor to display a Board placed with the words "ON CONTRACT WITH TNPGL" in the wind shield and shall see that no pointing with words "ELECTRICITY BOARD " is marked either in the windshield or any part of the body of the vehicle. This shall be strictly adhered.

8.17) It is the responsibility of the contractor to make available copy of new / renewed insurance policy and copy of T permit.

9.0) ACCIDENTS AND DAMAGES:

9.1) In case of any accident caused to any person including the contractor's and Board's workmen or damage to any property/ equipments in the course of the execution of the contract, the contractor will be solely held responsible for payment of compensation, medical aid etc.,

9.2) The contractor shall be solely responsible for any accident to his employee or the public from any cause whatsoever and he shall indemnify the TNPGL against damage to property or injury to person resulting from any such accidents and shall take all steps to ensure insurance charges against all such claims.

10.0) SATISFACTORY COMPLETION OF THE CONTRACT:

If the contractor fails to execute the work satisfactorily as per the contract entered fails to execute the work satisfactorily in this office will be forfeited. The contract may be terminated by the Chief Engineer concerned at any time in the interim period.

11.0) LIQUIDATED DAMAGES:

If the contractor fails to deliver the vehicle for replacement of the defective vehicle within 30 minutes of the breakdown of the vehicle, TNPGL shall recover from the contractor, liquidated damages as given below:

- 11.1) Proportionate hire charges/ hour will be recovered for non – supply period in the event of the vehicle supplied during the day and breakdown occurs.
- 11.2) If the vehicle is not at all provided in a day penalty shall be levied at the awarded rates / day apart from non-claiming of payment for the particular day.
- 11.3) During the break down of hired vehicle, necessary substitute vehicle is to be provided. If the officer feels that the substitute vehicle provided by the contractor is not in good condition, Penalty will be imposed by the officer concerned.
- 11.4) Liquidated damages shall not exceed 10% of the contract value in total.
- 11.5) If the vehicle is not provided during extra hours on demand, a penalty of Rs.200/- will be imposed per occasion.

12.0) COMPENSATION:

In the case of accident to the vehicle, the contractor shall be responsible for arranging necessary compensation to the driver according to the workmen's compensation Act, besides arranging immediate medical aid. He shall indemnify the TNPGL against any liability whatsoever in this regard and execute a bond accordingly. In case, the contractor fails to pay the compensation within the reasonable time, the Board may settle the claim and arrange to recover the same from the contractor.

13.0) MOTOR VEHICLE TAX AND PERMIT:

The motor vehicle tax shall be paid by the tenderer and permit to run the vehicle in Chennai metropolitan area shall be obtained by the contractor.

14.0) ADDITIONAL CONDITIONS:

- 14.1) The vehicle supplied should be **diesel/Petrol driven** and in perfect running condition.
- 14.2) A spare vehicle must be substituted within half-an-hour in case of breakdown of the vehicle anywhere while on duty.
- 14.3) The contractor should make his own arrangements for the accommodation of the driver and parking of the vehicle at Head Quarters.
- 14.4) Repairing tools and stepney should be available in the vehicle.
- 14.5) The contractor shall be responsible for any violation of the provisions of the contract by him or the drivers.
- 14.6) Full Co-ordination is expected from the contractor for the smooth execution of the works entrusted.
- 14.7) No extra charges in any form should be claimed for halting outside the Head Quarters.
- 14.8) The driver must be provided with sufficient money while on long distance journey, so that breakdown repairs can be attended immediately.
- 14.9) The owner should possess T permit also to facilitate to go to out stations. The contractor shall take "T" permit for journeys.
- 14.10) The vehicles offered should be brought to site with original documents for inspection with free of cost by the tenderer.
- 14.11) Repairs, if any, to the vehicle to be hired shall be carried out by the contractor. If the substitute vehicle is not provided within half an hour of breakdown of the hired vehicles, proportionate hire charges per hour should be recovered for non supply

period. In addition on percent of the rate per day should be recovered for each hour of non –supply.

14.12) The usual Board's Tender regulations in respect of EMD, SD, LD, and Jurisdiction for legal proceedings etc. shall be followed strictly for the contract of hiring vehicles.

14.13) The Board has absolute powers to cancel the contract at any time without notice.

21.0) GOODS AND SERVICE TAX [GST]:

- i) Goods and Services Tax [GST] as a modern law, has been brought after Article 366(12A) of the Constitution as amended by 101st Constitutional Amendment Act, 2016. GST is an indirect tax system, commonly used by both the Central Government and the State/UT to final consumption with credit of taxes paid at previous stages available as set off. In a nutshell, only value addition will be taxed and burden of

-10-

tax Governments on goods and services. GST is a destination based tax on consumption of goods and services. It is proposed to be levied at all stages right from manufacture up to be borne by the final consumer. GST has been rolled out w.e.f. 01.07.2017, across India.

- ii) The GST to be levied by the Centre on intra-State supply of goods and / or services would be called the Central GST (CGST) and that to be levied by the States/ Union territory would be called the State GST (SGST)/ UTGST. Similarly, Integrated GST (IGST) will be levied and administered by Centre on every inter-state supply of goods and services.
- iii) Any supplier of goods and service Provider of services who makes a taxable supply with an aggregate turnover of over Rs.20 lakhs in a financial year is required to obtain GST registration. In special category states, the aggregate turnover criteria is set at Rs.10 lakhs. in simple words Every business whose taxable supply of goods or services under GST (Goods and Service Tax) and whose turnover exceeds the threshold limit of Rs. 20 lakh / 10 Lakh as applicable will be required to register as a normal taxable person.

1. GST Registration Number: TANGEDCO has migrated into GST regime on 15.06.2017 by duly uploading various mandatory data as required by the GST portal. The provisional ID issued to TANGEDCO is 33AADCT4784E1ZC. The details are also posted in TANGEDCO web portal. GST Registration Number or GSTIN is 15 Digit identification numbers which is allotted to each applicant who applied for GST Registration. GST Number is completely based on the Pan Number and State code. First two digits represent the state code and another 10 digit represent the PAN number of the client, one digit represent the entity code (Like proprietorship or partnership etc), one digit is blank and last one is represent check digit.
2. Transaction Value: The value of a supply of goods or services or both shall be the transaction value, which is the price actually paid or payable for the said supply of goods or services or both where the supplier and the recipient of the supply are not related and the price is the sole consideration for the supply. Sec 15(1) state that value of supply of goods and service shall be the transaction value i.e. the price actually paid or payable. The conditions for accepting the transaction value are –
 - Supplier and the recipient of the supply are not related.
 - Price is the sole consideration for the supply.
3. Composition Scheme: Composition scheme specifies that registered person whose turnover in the preceding financial year is below certain specified limit (Currently Rs. 75 lakhs) may intimate the proper officer to pay in lieu of tax payable by him an amount calculated at such rate may be specified.

Eligibility for composition scheme: Sec10 (2) of the central Goods and Services Tax Act, 2017 states that the registered person shall be eligible to opt under sub-section (1) if-

- he is not engaged in the supply of services other than supplies referred to in clause (b) of paragraph 6 of Schedule II;
- he is not engaged in making any supply of goods which are not leviable to tax under this Act;
- he is not engaged in making any inter-State outward supplies of goods.
- he is not engaged in making any supply of goods through an electronic commerce operator who is required to collect tax at source under section 52 and
- he is not a manufacturer of such goods as may be notified by the Government on the recommendations of the Council.

4. Supply of service and Goods: When there is a combined supply of many goods / services, it has to be determined whether it is a Composite supply or mixed supply of goods or services.

a) COMPOSITE SUPPLY: A composite supply is the one where all the goods or services or a combination has to be supplied together i.e., naturally bundled and there would be a Principal Supply that could be identified (Ex. Supply of Machinery with packaging, insurance and freight - the principal supply is machinery). In this case, the rate of principal supply will be applied on entire value.

(b) MIXED SUPPLY: A mixed supply is where the goods or services or the combination thereof which could be individually supplied (like Pizza and Coke) but sold together at a single price. In this case, the highest rate to the good in that mix is applied on all the goods. The GST shall be applicable at appropriate prevailing rates as notified by GST Act. In the event of delay in execution of contract, the GST rate prevailing on the scheduled period or on the actual date of execution, whichever is less only will be admitted.

The bidders should have registered under GST Act and furnish GSTIN. In the event of contractor is within TN, SGST & CGST shall apply and if the contractor is outside TN, IGST shall apply.

In price schedule, the provisions may be made as below to quote the GST.

Percentage of GST: (For bidders within TN)

SGST:

CGST:

(For bidders outside TN)

IGST:

Note: While quoting the rates the bidder shall indicate the SA code as per GST Act.'

The bidders have to furnish a declaration to effect that as per sec 171 of CGST Act (i.e. ITC benefit), any reduction in rate of tax on any supply of goods or services or the benefit of input tax credit has been passed on to TANGEDCO by way of commensurate reduction in prices and as such to declare that the bidder is extending Rs. /- % of as rebate in quoted price against input tax credit benefit.

Otherwise, it is also to declare that bidder do not have any input tax credit benefit on account of GST applicable against this job. If it is established that bidder have availed input tax credit benefit against this job, the differential tax benefit will be returned to TANGEDCO failing which TANGEDCO may take appropriate action.

22.0) All the documents copies produced by the contractor along with the tender should be attested by the gazetted officer.
