Annexure –I

I. **GST as per Lr.No. Lr.No.CFC/GL/FC/Ac/DFC/AO/TAX/F.GST Clarn/D.189/20/DT.23.04.2020**

The Government vide notification no. 29/2019 dated 31.12.2019 amend the notification no. 22/2019 di 30.09.2019 and stated that if the service of renting of motor vehicle are provided by any person other than a body corporate to a body corporate, where the cost of fuel is included in the consideration charged from the service recipient and does not issue an invoice charging GST @12% to the service recipient, then the service recipient has to pay GST under RCM. Accordingly, TANGEDCO has to pay GST under RCM for availing the service of renting of motor vehicle from a person (including unregistered person) other than a body corporate who does not charge GST @ 12 %.

GST applicability on the Motor vehicle hiring service received by TANGEDCO is revised and summarized as below:

CASE 1: Motor vehicle hired from an unregistered person other than a body corporate:

GST is payable under RCM by TANGEDCO with effect from 1st October 2019 due to the above amendment. Therefore, GST under RCM payable for such hire charges from 1st October 2019. This amendment should be considered for tender evaluation, tender specification, PO terms etc.,

CASE 2: Motor vehicle hired from registered person who has earlier charged GST @ 5% till 30.09.2019 and continue to provide service:

No GST is payable to the registered person and the amount has to be paid under RCM to Government of India.

CASE 3: Motor vehicle hired from registered person who is charging GST n@12%:

GST is payable to the vehicle provider directly, based on the invoice claimed and no GST is payable on RCM. The status of vehicle contractor whether Individual, firm, company, etc., need not be verified as GST @ 12% has to be paid, if claimed by such persons.

Status of vehicle contractor:

The status of vehicle contractor decides the mode of GST commitment as directly to contractor or RCM to Govt. If the contractor is a body corporate, there is no necessity to TANGEDCO to remit through RCM route. In order to assess the status of vehicle contractor the PAN number can be taken as reference and the following may be noted;

- i) If the 4th digit of PAN is "F", it represents firm.
- ii) If the 4th digit of PAN is "P", it represents person i.e., individual.
(In both the above cases (i) & (ii), GST under RCM is payable to Government directly by TANGEDCO if they do not charge GST 12 %)
- iii) If the 4th digit of PAN is "C", it represents company. In such case, GST 5% or 12% is admissible along with their bill.

In case of a vehicle contractor being a body corporate (company), though he is unregistered persons, TANGEDCO need not pay GST under RCM.

Time of Supply:

In case of RCM, the time of supply shall be the earliest of the following dates:

- The date of payment
- The date immediately after 60 days from the date of issue of invoice by the supplier.

If it is not possible to determine the time of supply, the time of supply shall be the date of entry in the books of accounts of the recipient.

GST under RCM shall be remitted based on the " Time of Supply". So, GST under RCM applicability is based on the time of supply and not directly on the invoice date. Hence, GST shall be reported in the GST return depending on the time of supply.

II. TDS on GST is as per instruction's Lr.No.CFC/GL/FC/ Accts/DFC/AO/TAX/ F.GST/ D.120/2019/DT.10.10.2019

a) NO TDS on GST for such RCM cases:

Wherever TANGEDCO is remitting GST under RCM, the TDS provisions under GST is not applicable. For GST registered vehicle contractors being individuals/ firms, TDS under GST need not be applied, as TANGEDCO has to remit entire 5% GST under RCM directly to Govt.

For those vehicle contractors being companies, existing process of admitting GST and applying TDS on GST will continue as such.
