5. E-tender cum auction:

The bidders shall first submit their E-tenders and then take part in the auction. when the live auction is opened during the stipulated date & time. Only **auction i.e., increased rates will be allowed in the bidding.**

6. Submission of E-tender:

6.1 The bidders shall submit their electronic-bids online by entering the required details and uploading the required documents as detailed in **clause '5' of "Terms and Conditions of Tender"**.

6.2 After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.

6.3 The bidder shall read the terms and conditions and accepts the same to proceed further to submit the electronic-bids.

6.4 The BOQ template (Price Bid Template) must not be modified /replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bid is liable to be rejected. Bidders are allowed to enter the Bidder Name and Values only.

6.5 The bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.

6.6 The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.

6.7 Only the files which are "attached" with the e-tender shall be considered during evaluation of the Bids. Files which are not attached to the e-tender shall not be considered for evaluation.

6.8 Since the uploaded documents have to be downloaded for evaluation of bid, bidders are advised to upload clear scanned copies.

6.9 There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.

6.10The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.

6.11It is important to note that, the bidder has to Click on the "Freeze Bid" Button, to ensure that he completes the Bid Submission Process. Bids which are not Frozen are considered as Incomplete/Invalid bids and

are not considered for evaluation purposes.

- 6.12** At the time of freezing the bid, the e-Procurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
- 6.13** After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
- 6.14** Upon successful submission of e-tender, the Bidder shall receive a bid acknowledgement mail from the system automatically in the registered email id/mobile No.
- 6.15** Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
- 6.16** All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized members.
- 6.17** During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer(SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
- 6.18** If after making Final Submission of e-tender and before the scheduled closing time for Bid submission, if a bidder wishes to make changes in his Bid, it can do so by clicking the **"Resubmit"** option.
- 6.19** After final submission of Bid and before the scheduled closing time for Bid submission, if a bidder wishes to withdraw his bid, it can do so by clicking the **"Withdraw Bid"** option. **By withdrawing a bid, a Bidder will lose the opportunity to re-submit his Bid against the same e-tender.**

7. Auction :

- 7.1 The date & time period of auction will be intimated through the e-procurement portal/ email after evaluation of the E-tenders.
- 7.2 The Highest (H1) price quoted in the e-tender will be fixed as the base price for the Auction. The bidding will be forward and the bidders shall quote higher rates.
- 7.3 The Lowest bidder quoted in the e-tender will be eliminated from participating in the auction process as detailed in clause 6.4 of Tender Specification.**
- 7.4 The bidders shall submit their bids in the Forward bidding as detailed in **clause**

'6' of "Terms and Conditions of Tender".

- 7.5 The bidder shall participate in the Forward bidding, only for the lots for which he has quoted BOQ. Bidding for the lots, not quoted by the bidder, will not be opened for him. The bidders who have not participated in the e-tender cannot participate in the Auction also.

8. General:

- 8.1 If there are any clarifications, the same may be obtained through the e-Procurement Portal or through the contact details given in the tender document. Bidder should take into account of the corrigendum published, if any, before submitting the bids online.

- 8.2 The **TNPDCL** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

- 8.3 The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening, Auction etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.**

- 8.4 E-tender / Auction cannot be accessed after the due date and time for bid submission.**

- 8.5 The bidder shall submit the bid documents and bid in Auction online mode only, through <https://tntenders.gov.in> portal. Offline documents will not be accepted.

- 8.6 All notices and correspondence to the bidder(s) shall be sent by email only during the process till finalization of tender with forward bidding. Hence the bidders are required to ensure that their email address provided at the time of registration is valid and updated. Bidders are also requested to ensure validity of their DSC.

- 8.7 Bidders are advised to see the web site regularly to remain updated with latest information to ensure that they do not miss out any corrigendum / addendum uploaded against the said E-tender cum Auction. **The responsibility of downloading the related corrigendum, if any, will be that of the bidders.**

- 8.8 For further assistance please go through the link "Bidders Manual Kit" in the portal.

- 8.9 During bid submission process in E-tender cum Auction, the bidder should allow to run a application JAVA ENCRYPTION APPLET (process along with screenshot available at "Bidders Manual Kit") by accepting the risk and clicking on run. If this application is not run then the bidder will not be able to save/submit his bid.

- 8.10 In all cases, bidders should use their own ID and Password along with Digital

Signature at the time of submission of their bid.

- 8.11 During the entire E-tender cum Auction process, the bidders will remain completely anonymous to one another and also to everybody else.
- 8.12 The e-tender / Bidding floor shall remain open from the pre-announced date & time and for as much duration as mentioned.
- 8.13 All electronic bids submitted during the E-tender cum Auction process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the TNPDCCL will form a binding contract between TNPDCCL and the Bidder.
- 8.14 It is mandatory that all the bids are submitted with Digital Signature Certificate otherwise the same will not be accepted by the system.
- 8.15 TNPDCCL reserves the right to cancel or reject or accept or withdraw or extend the tender cum auction in full or in part as the case may be without assigning any reason thereof.
- 8.16 The server time shall be treated as final and binding. Bids recorded in the server before the bid closing time will only be treated as valid bid. Bidders are, therefore, advised to submit their bids well before the closing time of e-tender/auction. If any bid reaches the server after the bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained.
- 8.17 Bidders are advised to exercise caution in quoting their bids in e-tender auction to avoid any mistake. Bids once submitted can't be recalled after bid closing time.
- 8.18 Any order resulting from this bidding process shall be governed by the terms and conditions mentioned in the NIT.
- 8.19 Bidders are not required to sign in each page of the tender specification & upload. Instead bidders are required to fill up and sign the Tender Declaration Form given below & upload the same.**

5.5 The tender Declaration form should be submitted only in the prescribed form enclosed.

5.6 The Tenderers are at liberty to quote for any lot, which they propose to purchase. Hence it is not compulsory that they should quote for all the lots given in the tender form abstract.

5.7 For Battery and Dirty Oil Lot: If the tenderer is proposed to quote for Batteries, then he shall be a registered recycler with Tamil Nadu Pollution Control Board/Ministry of Environment and forest Government of India. The tenderer shall enclose necessary proof for the same, otherwise their offer for battery lot will not be considered.

5.8 The Tender will be opened electronically at the Office of the Chief Engineer / Distribution / Villupuram Region/ Villupuram on the due date and time. In case, the due date for opening the Tenders happens to be a holiday, the tender will be opened on the immediate succeeding working day without change in the timings indicated.

6. Auction:

- 6.1** The date & time period of Forward bidding will be intimated through the e-procurement portal/ email after evaluation of the E-tenders.
- 6.2** The Highest (H1) price quoted in the e-tender will be fixed as the base price for the Auction. The bidding will be forward and the bidders shall quote higher rates.
- 6.3** The bidder shall participate in the Auction, only for the lots for which he has quoted in the e-tender. Bidding for the lots, not quoted by the bidder in e-

tender, will not be opened for him. The bidders who have not participated in the e-tender cannot participate in the Auction also.

6.4 Elimination of Bidder:

If minimum four bidders have quoted in the e-tender for a lot, then the lowest bidder quoted in the e-tender will be eliminated from participating in the auction process.

In the above case, if there are two lowest bidder quoted same rate in the e-tender, the bidder who have submitted their offer later in the e-procurement portal will be eliminated from participating in the auction process.

TNPDCL has the right to allow any number of bidders to participate in Auction by eliminating the lowest bidders for each lot.

6.5 Bidding Parameters:

The following parameters will be defined for the Auction:

6.5.1 Bidding Start Time: The Date & Time from which the Auction starts.

6.5.2 Bidding End Time: The Date & Time at which the Auction ends.

6.5.3 Increment value: The bidder shall increase the price only in multiples of the stipulated increment value .

6.5.4 Increment % : The bidder shall increase the value only upto the increment %

Example 1: If Increment value : Rs. 100/- , Increment % : 50 % & H1 rate: Rs.600/-

1st Bid : The maximum rate that can be quoted is Rs.900/- (600 +300 (50% of Rs.600)). Hence the bidder shall quote Rs. 700, 800 (or) 900. Assume the 1st bid value is Rs.900/-

2nd Bid : The maximum rate that can be quoted next is Rs.1300/- (900 +450 (50% of Rs.900)). Rs. 1350/- will not be accepted as the increment value is Rs.100/-. Hence the bidder shall quote Rs. 1000, 1100, 1200 (or) 1300.

6.5.5 Elapse Time: The time within which if a bid is submitted, the bidding end time will be automatically extended.

6.5.6 Auto Extension Time: The time up to which the Auction time will be extended, if a bid is submitted within the 'Elapse Time'.

Example2: If Bidding End Time: 2 P.M, Elapse Time: 5 Min & Auto Extension Time : 10 Min

If a bidder submits his bid during the last 5 Min (Elapse Time) ie., 1.55-2.00 P.M , the bidding end time will be automatically extended up to 2.10 P.M. If no bid is submitted during the Elapse Time, the Auction floor will be closed.

7.1 In case of unsuccessful tenderers, the EMD will be refunded to them immediately through <https://www.tntenders.gov.in>.

- 7.2** The Earnest Money Deposit paid by successful Tenderer will be adjusted in the sale process of such successful Tenderers.
- 7.3** The tenderer has to furnish the GST Registration certificate in the tender. **The offers without the GST registration certificate of the tenderer will not be accepted and it is liable for rejection.**

- 8.1 The TNPDCCL reserves the right:
- i) To accept the highest (or) any eligible Tender.
 - ii) To reject any or all the Tenders without assigning any reasons thereof whatsoever.
 - iii) To revise or retain the quantities of any or all the items covered by this specification at any time and release the balance for sale even when the successful Tenderer are clearing the materials. Under such circumstances, the cost of materials collected in excess will be refunded to the successful Tenderer without interest.
 - iv) To reduce the quantities to be sold, if necessary, during the pendency of the Tender.

9. After freezing the Auction, the highest offer is identified for issue of sale orders, if the rates are acceptable and approved by the competent authority.

10. The successful tenderer shall pay the EMD for 5% of the price (H1) quoted in Auction after deducting the EMD already paid for the respective lots, within 7 days from the date of intimation, for issue of sale order. If the difference in EMD is not paid within the stipulated time or the successful Tenderer backs out, EMD amount already paid will be forfeited without further reference to him. The backed out tenderer shall also pay the difference in EMD to TANGEDCO failing which he will be banned from participating in future tenders. No plea for non-remittance of the difference in EMD in time will be entertained.

11. The sale orders will be issued to the successful tenderer on receipt of the difference in EMD within the stipulated time and the successful Tenderers are requested to remit the sale amount to the respective circles on receipt of sale confirmation order.

12. The time limit for payment shall be 21 days from the date of receipt of sale order and materials shall be lifted within 15 days from the date of receipt of release order. If the materials are not lifted fully, ground rent at the rate of Rs.100/- Per Lot for counting items / per M.T. for weighting items or part thereof per day will be levied upto a maximum period of 15 days from the expiry date of lifting the materials.

13. Granting of extension time for payment of sale amount.

Delayed payment of sale value will not be accepted. For delayed payment, interest at **22% per annum (with applicable GST&IT)** shall be collected, if approved by competent authority. **(In unavoidable circumstances Superintending Engineer may grant extension of time upto 30 days from the due date of payment of sale price and the Chief Engineer may**

grant further extension of time upto 30 days thereafter subject to collection of penal interest @22% per annum only when there is no declining trend in the market. BLTC may grant any further extension of time subject to levy of penal interest @22% per annum. However, the interest for the delayed period shall be calculated on the basis of actual days of delay).

14.INSPECTION:

- a. The materials can be inspected by those who are interested in the purchase as per the terms and conditions of this specification on any working day, during working hours. The Officers, who are in charge of the premises where the materials offered for sale are available, will permit such inspection.
- b. The inspection of the materials will be permitted only on production of specification copy to the Officer in charge of the Stores in the working days (9AM to 4 PM).
- c. The Successful tenderers will not be permitted to bring dealers or merchants for inspection of materials for further examination of materials in the Stores/ premises, once the Tenders are finalized.

14.A. GOODS AND SERVICE TAX :

a) Appropriate rate of GST as per the provisions of the rules & other statutory levies, if any, for scrap will be levied and the same will have to be paid extra by successful Tenderer.

b) If any revision in the rate of GST is ordered by the Government at the time of release of the materials, the rates prevailing then will be levied and collected from the successful Tenderer.

c) As per the recent changes in GST provisions, Registered persons receiving metal scrap under chapters 72 to 81 (Annexure A) shall deduct tax at source (TDS) when making payments to the seller. GST TDS @ 2%(CGST 1% & SGST 1%/IGST 2%) will have to be deducted by the GST registered scrap dealer, at the time of remitting advance amount. The scrap dealer should report such deduction in form GSTR-7 in GSTR number of respective companies (TNPDC/ TNPGL/ TNGEL) within 10th of the following month after remittance to the Government.

d) If any revision in the rate of GST is ordered by the Government at the time of payment of sale value, the rates prevailing then will be levied and collected from the successful Tenderer

15. INCOME TAX:

The tenderer should furnish their Permanent Account Number (PAN) in their offer.

15.1 The New Income Tax Act, 2025 has become effective from 01.04.2026. Certain changes have been made to the provisions relating to Tax Collected at Source (TCS) under Section 394 of the new Income Tax Act,2025, effective from 01.04.2026, as below:

1.0(i) Change in TCS rate for Sale of Scrap(Section 394):

Under the new provisions, the earlier slab based TCS rates have been replaced

with a uniform TCS rate of 2% for specified transactions. Accordingly, the TCS rate of Sale of Scrap [New section-394 (1) [Table: Sl. No.4] of IT Act, 2025 & Old Section 206C as per IT Act, 1961) has been revised from the existing rate of 1% to **2%** **with effect from 01.04.2026.**

(ii) Point of Collection of Tax at Source (Section 394):

At the time of debit of the amount payable by the buyer/licensee/lessee to their account; or

At the time of receipt of such amount from the buyer/licensee/lessee in any mode (cash, cheque, draft, or otherwise)

Whichever is earlier.

(iii) Higher Rate of Tax Collection [TCS-Section 397(2)(b)(ii)]:

If a person fails to furnish PAN, tax shall be collected at the higher of the following rates, not exceeding 20%:

(A) At twice the rate specified in the relevant provision of this Act or

(B) At the rate of 5%.

(iv). Consequences of failure to Collect Tax(Section 398):

(i) Interest @1% per month or part thereof for non-collection of TCS.

(ii) Interest for delayed remittance @1.5% p.m. from the date of actual collection of TCS till the date of remittance of tcs.

(iii) If there is a failure to collect Tax Collected at Source (TCS), a penalty shall be levied under Section 449 of the Income- Tax Act, 2005, which is equal to the amount of TCS that was required to be collected.

15.2 In case of sale of scrap by TNPDC, a declaration has to be obtained from the buyer as to whether 194Q is applicable to them. In case if section 194Q is declared as applicable to the buyer, then TNPDC should not collect TCS under section 206C(1H). However, when the buyer fails to deduct TDS under section 194Q, then TNPDC is liable to collect TCS under section 206C(1H). The formats of declaration for deduction of Tax at source under 194Q and declaration pursuant to section 206AB are to be provided to the lifters of scrap are enclosed as annexure B.

It is informed that as TNPDC has a valid PAN and filed the Income Tax returns for last two financial years, hence higher rate of TDS specified in section 206AA and section 206AB of Income Tax will not apply.

TNPDC erstwhile M/s.Tamil Nadu Generation and Distribution Corporation Limited have filed the Return of Income (ROI) under the relevant provision of the Income Tax Act, 1961 for the Assessment year 2022-23 and 2023-24 (FY 2021-22 & FY 2022-23) and shall file the ROI for Assessment year 2022-23 (Financial year 2023-24) within the due date as per the provisions of the said Act. The Permanent Account No. (PAN) of TNPDC erstwhile TANGEDCO is AADCT4784E.

Therefore, higher rate of TDS u/s. 206AA & u/s. 206AB will not apply to TNPDC erstwhile TANGEDCO.

15.3 Income tax to be paid by the firm at prevailing rate of tax in-force with amendment issued from time to time.

16. PAYMENTS AND DELIVERY: -

- a) The successful Bidders should remit the entire amount to the **Superintending Engineer/ CEDC/CUDDALORE** within 21 days from the date of receipt of sale order from the Chief Engineer /Distribution / Villupuram by RTGS, payable to the **TNPDC erstwhile TANGEDCO's account**

Account Name	:Superintending Engineer/ CEDC/CUDDALORE (COLLECTION)
Account No	: 1250201001099
Name of Bank	: CANARA BANK

IFSC Code No	: CNRB0001250
Branch	: Cuddalore

The Superintending Engineer/CEDC/CUDDALORE will issue the release order. The release order will be issued only on receipt of the entire amount by online.

- b) The sale order and release order will be issued to the successful Tenderer who had participated for quoted in the online e-tender. No change in name or address or transfer of sale or release order will be permitted.
If the sale order is returned due to non-availability of the address or vague address, the TNPDCCL will not be held responsible. It will be assumed that the Tenderer has backed out and is uninterested in the purchase of the items covered by this specification. Hence the Tenderers are requested to ensure proper and correct postal address in the envelope.
- c) If the entire amount is not paid by the successful Tenderer within time stipulated above or the successful Tenderer backs out, EMD amount will be forfeited without further reference to him. No plea for non-remittance of the amount in time will be entertained and partial remittance is also not permitted.
- d) The purchased materials should be removed completely by the successful Tenderer from the TNPDCCL's premises within 15 days from the date of receipt of release order and the TNPDCCL taken over.
- e) In case, the successful tenderers fail to lift the purchased materials within time limit specified above, either partly or fully, ground rent at the rate of Rs.100/- (Rupees hundred only) per MT/Lot or part thereof per day will be levied for the un lifted quantity up to a maximum period of 15 days from the expiry date for lifting the materials and collected.
- f) If the successful bidder fails to lift the purchased materials completely or partly from the TNPDCCL's Stores within 30 days from the date of receipt of release order, they will not be allowed to lift the purchased materials thereafter and the amount paid towards purchase cost of materials and the EMD paid by them will be forfeited by the TNPDCCL without further reference to them. Plea for non-clearing the purchased materials in time and request for further extension of time for lifting the materials will not be entertained. The successful Tenderer will have no claim for compensation whatsoever.
- g) The materials are for sale and delivery from TNPDCCL's premises under "As Is Where Is Condition". Selection or segregation of materials will not be permitted. The successful Tenderer should make his own arrangements for providing labour at his expenses for weighing, packing etc., of the materials.
- h) If at the release, the quantity in any of them vary from the quantity offered for sale or the quantity approved for release, the purchaser should accept only the actual quantity at the time of release.
- i) The materials will be handed over only to the successful Tenderer or to his accredited representative duly authorized and whose signature is attested by him.
- j) Removal of the materials should not in any way interfere with TNPDCCL's works that may be in progress there. The purchasers employee engaged in the removal of materials shall work subject to the TNPDCCL's rules and discipline.
- k) The TNPDCCL will not be responsible for any damage or loss that may be suffered by the successful Tenderer or his representatives in the course of removal and transport of the materials.
- l) Successful Tenderer is responsible for all acts of his employees and any

damages to the properties of the TNPDCCL or any person or public body in the course of movement of his vehicles and transport of the materials shall be made good by him. In case of accident to any staff of TNPDCCL in the course of removal and transport of materials, the successful Tenderer shall pay necessary compensation that may be awarded to the person or persons involved in the accident according to workmen's compensation act besides arranging immediate medical aid.

- m) The weight of the materials as determined in the TNPDCCL's weighing scales is final. Bidders are advised to satisfy themselves regarding the quality and condition of the materials before tendering. The TNPDCCL is not responsible for any deterioration or loss in the materials from the date of tendering to the date of removal from the site and no representation about the quality and conditions of the materials during the above period or at the time of taking delivery or at any time thereafter will be entertained on any account.
- n) The materials which are accounted on weight basis shall be weighed in the presence of one or two TNPDCCL Officers in the departmental weighing machine or lorry weigh bridge available at the stores and the weights recorded by the weighing machine of the TNPDCCL will be final and shall be accepted by the successful Tenderer. The weighing machines are periodically maintained and certified by the competent authorities. Under no circumstances the tenderer will be permitted to weigh materials in a private weigh bridge outside the store premises.
- o) The successful Tenderer shall remove the weighed quantity then and there, under separate Gate pass for each consignment sent out through his vehicles and then only take up further weighment. No part of the weighed quantity will be allowed to be kept in the departmental premises after the weighment are done.
- p) The materials removed from the stores should not be dumped inside /outside store premises of the stores.
- q) The materials will be released only during the working day or working hours of the stores. The successful Tenderer should remove the materials from the stores premises within the working hours of the stores. The successful Tenderer should also contact the Officer in-charge of stores in advance about the availability of the Officers and arrange for vehicle and men for taking delivery of materials.
- r) The materials will be released only on production of the Release order at Stores.
- s) Any loss sustained to the TNPDCCL on account of re-sale of materials due to backing out of the successful Tenderer (defaulter), the difference between the original sale value and the re-sale value will be recovered from the defaulting Tenderer of the first sale.
- t) **To take delivery of the materials sold by TNPDCCL shall be from TANGEDCO premises and as such the generation of e-way bill and its**

accompaniment with the transporter so as to comply with the GST provision is the responsibility of the buyer/beneficiary/contractor or their transporters.

17.VALIDITY:

- a. The rate offered should be valid for 120 days from the date of opening of tender. If the approval of the offer is delayed due to any unforeseen reasons/ circumstances, the rates quoted should be valid for a further period of 60 days (i.e.) in total the rates should be valid for **180 days**.
- b. No Tenderer will be allowed to withdraw the offer within the validity of 180 days specified. If the Tender is withdrawn by the Tenderer before the expiry of the validity period, the EMD paid will be forfeited. The Tenderer cannot quote his own validity period and such tender will not be considered and liable for rejection.
- c. The sale will be from TNPDCCL stores in "As is Where is Condition" basis.

18. TENDER REGULATION TO APPLY:

The Tamil Nadu Electricity Board Tender Regulations 1978 with latest modification "Mutatis Mutandis" shall apply this Tender also.

The TNPDCCL is the competent authority and shall have the right to relax or waive any of the conditions stipulated in this specification. The Competent authority reserves the rights to decide the Tender.

Annexure – B
Declaration for application of TDS on Purchase of goods u/s 194Q
(to be obtained from the scrap buyers)

We, M/s _____, (Name of the scrap buyer) hereby confirm that our total sales/gross receipts/turnover from our business exceed Rs.10 crores, during the FY 2022-23. Accordingly, we qualify as buyer for the purpose of section 194Q of the Income Tax Act, 1961.

We confirm that, TDS as per the provisions of section 194Q is applicable on purchase of goods exceeding Rs.50 lakhs from M/s Tamil Nadu Generation and Distribution Corporation Limited during FY 2023-24. We also confirm that we will be deducting the applicable TDS @0.1% under section 194Q while remitting payment to the account of M/s Tamil Nadu Generation and Distribution Corporation Limited since TANGEDCO had filed Income Tax Returns for the Assessment year 2021-22 and 2022-23.

We are aware that as per the provision under section 206C(1H), TCS is not collectible by M/s Tamil Nadu Generation and Distribution Corporation Limited on above sales to us, where TDS under section 194Q is applicable and has been deducted by us (ie buyer). We are also aware that M/s Tamil Nadu Generation Distribution Corporation Limited, relying on our subject declaration, will not be collecting TCS under section 206C(1H) on sales to us exceeding Rs.50 Lakhs during 2023-24.

We hereby undertake to indemnify M/s Tamil Nadu Generation and Distribution Corporation Limited against any liabilities (comprising of tax amount and interest/ penalty if any) arising on account of any non-compliance on our part by way of non-deduction of TDS as per the applicable provisions of section 194 Q resulting in consequential non-collection of TCS under section 206C(1H) on the part of M/s Tamil Nadu Generation and Distribution Corporation Limited.
