Website for online submission :<https://tntenders.gov.in>

Service Provider: National Informatics Centre

INSTRUCTIONS FOR ONLINE BID SUBMISSION:

The bidders are required to submit soft copies of their bids electronically on the TAMILNADU GOVERNMENT E PROCUREMENT Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the TAMILNADU GOVERNMENT E PROCUREMENT Portal to prepare their bids in accordance with the requirements and submitting their bids online on the TAMILNADU GOVERNMENT E-PROCUREMENT Portal. More useful information for submitting online bids on the TAMILNADU GOVERNMENT PROCUREMENT Portal may be obtained at: **[https: //tntenders.gov.in](https://tntenders.gov.in)**

A. REGISTRATION:

Bidders are required to enroll on the e-Procurement module of the Tamil Nadu Government E procurement Portal (URL: **<https://tntenders.gov.in/nicgep/app>**)

- 1) By clicking on the link "**Online bidder Enrollment**" on the TAMILNADU GOVERNMENT E -PROCUREMENT Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the TAMILNADU E PROCUREMENT Portal.
- 4) Upon enrolment, the bidders will be required to **register their valid Digital Signature Certificate (DSC)** (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify /nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID/password and the password of the DSC / e-Token.

B. SEARCHING FOR TENDER DOCUMENTS:

- 1) There are various search options built-in in the TAMILNADU GOVERNMENT E PROCUREMENT Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the TAMILNADU GOVERNMENT E-PROCUREMENT Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the TAMILNADU GOVERNMENT E-PROCUREMENT Portal to intimate the bidders through SMS/e-mail in case there is any corrigendum issued to the tender documents.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

C. PREPARATION OF BIDS:

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with Black and White option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.
- 5) The completed bid comprising scanned copy of the proof for the payment of EMD or exemption from payment of EMD and necessary technical and commercial documents should be uploaded on the website along with signed and scanned copies of requisite certificates, mentioned in the different sections in the tender document, with necessary attestation wherever called for, in the tender.

D. ELECTRONIC SUBMISSION OF BIDS:

The bidder shall submit online the requirements under qualification criteria and technical documents required and SCHEDULE OF PRICE /BOQ vide SCHEDULE-A. All the documents are required to be signed digitally by the bidder. After electronic online bid submission, the system generates a unique bid reference number which is time stamped. This shall be treated as acknowledgment of bid submission.

E. PROCEDURE FOR SUBMISSION OF BIDS:

- 1) Bidder should log- in to the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "Online" to pay the tender fee/EMD as applicable and enter details of the instrument.

i. The online payment gateway has been enabled for TNPDC in TN Tenders portal (www.tntenders.gov.in). All the payments for the tenders like **EMD/e-BG** will be carried out by the Bidders only through online payment mode.

Note: As the internet banking process (NEFT/RTGS) may take some time for confirming the receipt of EMD, bidders may be planned in such a way to pay the EMD accordingly to avoid any delay on bank confirmation. After getting success status of EMD payment only, the bidder can submit the bid.

ii. The bidder has to submit the tender document online well in advance before the prescribed time to avoid any delay or problem during the submission process. If there is any delay, due to other issues, bidder only responsible.

4) Bidder should prepare the EMD as per the instructions specified in the tender document.

5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by the bidder. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder etc). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

6) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys.

8) The uploaded bid documents become readable only after the tender opening by the authorized bid openers.

9) Upon the successful and timely submission of bids (ie after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

11) In all cases, bidder should use their own ID and Password along with Digital Signature certificate at the time of submission of their bid.

12) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.

13) The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.

14) All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply.

15) It is mandatory that all the bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.

16) TNPDCCL reserves the right to cancel or reject or accept or withdraw or extend the tender in full or in part as the case may be without assigning any reason thereof.

17) The server time shall be treated as final and binding. Bids recorded in the server before the bid closing time will only be treated as valid bid. Bidders are, therefore, advised to submit their bids well before the closing time of e-tender. If any bid reaches the server after the bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained. The **Tender Inviting Authority (TIA)** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

18) Bidders are advised to exercise caution in quoting their bids in e-tender and e-reverse auction as the case may be to avoid any mistake. Bids once submitted can't be recalled.

19) Any order resulting from this bidding process shall be governed by the terms and conditions mentioned in the tender documents.

20) No deviation to the technical and commercial terms & conditions are allowed.

21) Bidders are not required to sign in each page of the tender specification. Instead bidders are required to sign a declaration document as specified in Schedule-K of the specification.

22) Department or Service Provider is not responsible for any failure such as a bad internet connection or power failure outside of their control. The bidder is responsible to ensure they have sufficient time to submit an electronic bid prior to closing date and time including the payment of any fees including the Bid security and getting e-receipt. In case of a failure in the system within the control of the service provider that may affect a bidding process, the contracting authority on his sole discretion will postpone the closing time at least 24 hours from the time of system recovery to allow bidders sufficient time to submit their bids.

23) The TNPDCCL may, at its discretion, extend the deadline for the submission of bids by amending the bidding document, in which case all rights and obligations of TNPDCCL and bidders subject to the previous deadline shall thereafter be subject to the deadline extended.

Late Bids: The Electronic bidding system would not allow any late submission of bids after due date and time as per server time.

Modification and withdrawal of bids:

1) Bidders may modify their bids online before the deadline for submission of bids.

2) In case a bidder intends to modify his bid online before the deadline, the bidder need not make any additional payment towards the cost of bid processing. For bid modification and consequential re-submission, the bidder is not required to withdraw his bid submitted earlier. Modification and consequential re-submission of bids is allowed any number of times. The last modified bid submitted by the bidder within the bid submission time shall be considered as the bid. For this purpose, modification/withdrawal by other means will not be accepted. The bidder may withdraw his bid by uploading his request before the deadline for submission of bids, however, if the bid is withdrawn, the re-submission of the bid is not allowed.

3) No bid may be modified after the deadline for submission of Bids.

F. ASSISTANCE TO BIDDERS:

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to TAMIL NADU GOVERNMENT E PROCUREMENT Portal in general may be directed to the 24x7 TAMIL NADU GOVERNMENT E PROCUREMENT Portal Help desk.

The validity of e BG can be extended by the bidders by requesting the issuing bank using the challan generated in tender portal. Issuing bank upon receiving request from bidders will extend the validity of e BG and the same will be displayed in tender portal.

2. PEMD Holder of TANGEDCO:

The Tenderers who are having valid Permanent EMD with TANGEDCO for an amount as 20 Lakhs and above are exempted from payment of Earnest Money Deposit and are eligible to participate in the tender.

Undertaking in lieu of EMD should be uploaded as per Schedule G. **Firms who have PEMD less than that specified above are not eligible to participate on the basis of the PEMD deposited by them even for lesser quantity and value.** Scanned copy of proof of PEMD shall be uploaded along with the tender.

If the Tenderer desires to become a Permanent E.M.D. holder, he is advised to deposit the required amount with the TNPDCCL as Permanent E.M.D. well in advance, obtain a certificate from the Financial Controller/Purchase. **PEMD of TANTRANSCO will not be considered for TNPDCCL Tenders.**

2.2 The EMD does not carry any interest.

2.3 The Small scale Industrial units outside Tamil Nadu registered with Udyam shall pay EMD amount as discussed in above para no.1 and 2.

- 2.4 The SSI units located outside of the State of Tamil Nadu are not eligible for exemption from the payment of EMD in TNPDCCL tenders against Udyam Registration Certificate even though registered in Udayam Portal for tendered items. **The offers of the tenderers (ie) the SSI units located outside of the State of the Tamil Nadu will be summarily rejected if EMD amount is not paid by them.**

3.0 **EXEMPTION FOR PAYMENT OF EARNEST MONEY DEPOSIT (EMD):**

- 3.1 The following categories of Industries are exempted from payment of EMD :

- i. Micro and Small Enterprises located within the state of Tamil Nadu are exempted from payment of Earnest Money Deposit against the production of a copy of "UDYAM Registration Certificate"(clearly mentioning the 5 digit NIC code) or any other valid registration certificate/Proof as notified by the Govt of India in respect of the items manufactured by them for participation in the tenders floated by TNPDCCL.
- ii. Department of the Government of Tamil Nadu.
- iii. Undertaking and Corporations owned by the Government of Tamil Nadu
- iv. Labour Contract Co-operative societies of Tamil Nadu

- 3.2 Micro/SSI units having provisional registration certificate are not eligible for exemption.

- 3.3 The bidders who are exempted from payment of EMD(SSSI units) shall upload an undertaking in a non-judicial stamp paper of value not less than Rs.500/- in lieu of EMD as per Schedule F.

The original undertaking shall be submitted to the office of the CE/D/Vil-lupuram after opening of tender if their bids are accepted.

- 3.4 The tenderer is deemed to accept to pay the amount equivalent to EMD immediately when a demand is raised by the Board against the tender without any demur in the event of the following:

- i. If he withdraws his tender or backs out after acceptance of the tender or fails to remit the Security Deposit.
- ii. If he revises any of the terms quoted during the validity period.
- iii. If he violates any of the conditions of the tender specification.

4.0 Government of India, Ministry of MSME Notification:

- 4.1 Government of India, Ministry of MSME, vide notification No:S.O.1364 (E) dated 21.3.2025 has notified certain composite criteria for classifying the enterprises as Micro, Small and Medium enterprises and insisted Udyam Registration in "Udyam Registration Portal" to obtain an e-certificate viz Udyam Registration Certificate. Calculation of turnover, calculation of investment, Registration of existing Enterprises and Updation and transition period in classification
- 4.2 An enterprises shall be classified as a micro, small or medium enterprises on the basis of the following criteria, namely:
- i) A micro enterprise, where the investment in plant and machinery or equipment does not exceed Rs.2.5 crore rupees and turnover does not exceed Rs.10 crore rupees;
 - ii) A small enterprise, where the investment in plant and machinery or equipment does not exceed Rs.25 crore rupees and turnover does not exceed Rs.100 crore rupees; and
 - iii) A medium enterprise. Where the investment in plant and machinery or equipment does not exceed Rs.125 crore rupees and turnover does not exceed Rs.500 crore rupees.

4.1 Registration of existing enterprises:

i) All the existing enterprises shall register under Udyam Registration.

ii) An enterprise registered with any other organization under the Ministry of Micro, Small and Medium Enterprises shall also register itself under Udyam registration.

4.4. If it is found at a later stage that the bidder has availed EMD exemption by hiding facts, it will be construed that such a bidder has not complied with the EMD requirements, as mentioned in Section III, Clause 1 and suitable action deemed fit will be taken including summarily rejection of the offer, blacklisting /banning the firm from participating in future TNPDC/L/TANTRANSCO tenders.

4.5 Others Viz Central and other State Government Departments/Undertakings and other corporations other than those in Tamil Nadu shall have to pay Earnest Money Deposit and Security deposit cum performance guarantee. The MSME units with Micro and Small Category who have registered under UDYAM Portal for the tendered item (clearly mentioning the 5 digit NIC code) shall upload attested Photocopy of UDAYAM Registration Certificate as a proof of eligibility for exemption from payment of EMD.

4.6 The State Government , Public sector Undertakings who are exempted from the payment of EMD should also pay as penalty an amount equivalent to the amount fixed as security deposit in the event of non-fulfillment of non-observance of any of the conditions stipulated in the contract.

4.7 The firm registered in Udyam portal under MEDIUM Scale is not eligible for exemption of EMD

4.8 The tenderers shall upload the audited copy of Profit and Loss account/Balance Sheet certified by a Chartered accountant along with the proof for exemption from payment of EMD in order to ensure the SSI Status of the firm based on the Annual Turnover and the investment held in Plant and Machinery for extending exemption from paying EMD. If the plant and Machinery value

certified by the Chartered accountant differs from the plant and Machinery Value from Udyam registration certificate, the higher value will be taken for accounting Plant and Machinery value. Based on that the category of the enterprises will be defined and EMD Exemption will be considered.

5. REFUND OF EMD:

- i. The Earnest Money Deposit will be refunded automatically to the unsuccessful tenderers after intimation of the rejection/non-acceptance of their tender (ie) after technical evaluation.
- ii. The Earnest Money Deposit will be refunded automatically to the eligible tenderer who have not received the detailed Purchase Order ie after issue of Award of contract.
- iii. The Earnest Money Deposit will be settlement of TNPDCCL account in the case of successful tenderer on receipt of detailed Purchase Order and will not carry any interest.

6. The following should be uploaded by the Vendor during submission of Techno-commercial bid for payment of EMD failing which the offer will be SUMMARILY REJECTED.

- i. The proof for Online payment of EMD.
- ii. The proof of PEMD with TANGEDCO. Undertaking in lieu of EMD as per Schedule F
- iii. The proof of exemption of EMD with documents in support of investment held in plant and machinery and Annual turnover and undertaking in lieu of EMD as per Schedule F.

Exemption from payment of EMD is applicable only for SSI units located within Tamil Nadu against UDYAM Registration certificate. The SSI units located outside the State of Tamil Nadu are not eligible for exemption from payment of EMD in TNPDCCL tenders against UDYAM Registration Certificate even though registered in UDYAM portal for tendered items.

7. The Earnest Money Deposit (EMD) made by Tenderer will be forfeited

After e-tender opening if:

1. They withdraw their tender or backs out after acceptance.
2. They withdraw their tender before the expiry of validity period stipulated in the Specification or fail to remit the Security Deposit cum performance Guarantee.
3. They violate any of the provisions of these regulations contained herein.
4. They revise any of the terms quoted during the validity period.
5. The documents furnished with the offer is found to be bogus or the documents contain false particulars, the EMD paid by the tenderers will be forfeited in addition to blacklisting them for future tenders/contracts in TNPDCCL.
6. If it is found at later stage that the bidder has availed EMD exemption by hiding facts, it will be construed that such a bidder has not complied with the EMD requirements, as mentioned in Section III, Clause-I (a) and suitable action deemed fit will be taken including summarily rejection of offer, blacklisting/ banning the firm from participating in future TNPDCCL/TANTRANSCO tenders.
7. In case of any non fulfillment of or non observance of any of the conditions stipulated in the contract, the supplier/contractor shall pay an equivalent amount to EMD/SD or an amount equal to the actual loss incurred by the board whichever is less. The successful bidder/supplier shall furnish an Agreement in Non Judicial Stamp Paper of Rs.500/- in this regard.

signing the tender on behalf of the company.

- 4.4. The tenderer should furnish the GSTIN numbers in the offer.
- 4.5. Bidders are not required to sign in each page of the tender specification. Instead bidders are required to sign a declaration document as specified in **Schedule- J** of the specification.

5.0. Modifications / Clarifications to Tender Documents:

- 5.1. At any time after the commencement of e-Tender and before the closing of the event, TNPDCCL may make any changes, modifications or amendments to the tender documents and same will be intimated to the concerned Vendors through corrigendum which can be downloaded from the Vendor login.
- 5.2. In case any tenderer asks for a clarification to the tender documents before 48 hours of opening of tenders, the Chief Engineer /Distribution/Villupuram will clarify the same.
- 5.3. If any tenderer raises clarifications after the opening of the tender, the clarified reply issued by the Chief Engineer /Distribution/Villupuram, on the clarifications will be final and binding on the Tender.
- 5.4. All tender offers shall be prepared by typing or printing in the formats enclosed with this specification.
- 5.5. All information in the tender offer shall be in ENGLISH only. It shall not contain interlineations, erasures or overwriting except as necessary to correct errors made by the tenderer. Such erasures or other changes in the tender documents shall be attested by the persons signing the tender offer.

6.0. QUOTATION OF RATES:

- 6.1. Rates should be quoted in the BoQ only (Price schedule in NIC portal)
- 6.2. Offers giving lump sum price, without giving their breakup as per details required in the attached Price **Schedule-A** (BoQ) shall be liable for rejection.

7.0 PRINTED TERMS AND CONDITIONS IN TENDERS:

Supplier's printed terms and conditions will not be considered as forming part of the tender under any circumstances.

8.0 INCOMPLETE TENDERS:

Tender, which is incomplete, obscure or irregular is liable for rejection.

9.0 AMBIGUITIES IN CONDITIONS OF TENDERS:

- 10.0** In the case of ambiguous or contradictory terms / conditions mentioned in the bid, interpretation as may be advantageous to the purchaser may be taken without any reference to the Tenderer.

11.0 DISQUALIFICATION OF TENDERS:

- 11.1. The tender offer shall contain full information asked for in the accompanying schedules and elsewhere in the specification.
- 11.2. Tenderers shall bear all costs associated with the participation in the e-Tender and the

purchaser will in no case be responsible or liable for these costs.

- 11.3. No offer shall be withdrawn by the Tenderer in the interval between the deadline for submission and the expiry of the period of validity specified / extended validity of the tender offer.
- 11.4. Attempt by any tenderer to bring to bear extraneous pressure on the Tender Accepting Authority shall be sufficient reason to disqualify the tender as per Rule 27 (3) of Tamil Nadu Transparency in Tenders Rules 2000.
- 11.5. **Manufacturers and Suppliers must quote.** If the bids are received through Consortium, the same will not be considered and the bids will be rejected.
- 11.6 The Tenderers are requested to furnish the exact location of their factories with detailed postal address and pin code, contact person, Phone, Mobile, Fax Nos. etc. in their tenders so as to arrange inspection by the TNPDC, if considered necessary.

12.0 DESTINATIONS-WHERE MATERIALS ARE REQUIRED:

The prices quoted should be on FOR Destination basis for delivery anywhere in Cuddalore and Villupuram EDC.

13.0 TENDER OPENING:

13.1 OPENING OF COMMERCIAL & TECHNICAL BIDS WITHOUT PRICE (PART-I):

Tender offers except price Bid **will be opened electronically at 15.00 Hrs. on the date** notified at the Office of the Chief Engineer/Distribution/Villupuram Region/Villupuram through <https://tntenders.gov.in> in the presence of tenderer's authorized representative who may wish to be present on the date of opening.

13.2 OPENING OF THE PRICE BIDS: (PART - II)

The date and time of opening of Price Bids shall be later notified through registered e-mail to the Bidders who fulfill the BQR criteria and whose bids are found to be commercially and technically acceptable.

13.3 The Tenderer's names, prices, all discounts offered, and such other details as the TNPDC, at its discretion, may consider appropriate will be announced and recorded at the time of opening.

13.4 If the last date set for submission of e tender offers and opening date happens to be a holiday, the tenders will be received and opened on the succeeding working day without any changes in the timings.

14.0. INFORMATION REQUIRED AND CLARIFICATIONS:

- 14.1. In the process of examination, evaluation and comparison of tender offers, the TNPDC may at its discretion, ask the Tenderer for a clarification of his offers. All responses to requests for clarifications shall be in writing to the point only. No change in the price or substance of the offer shall be permitted.
- 14.2. The TNPDC will examine the tender offers to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed and whether the offers are generally in order.
- 14.3. Prior to the detailed evaluation, the TNPDC will determine the substantial responsiveness of each offer to the Bidding Documents.
- 14.4. The Tender offers shall be deemed to be under consideration immediately after they are opened and until such time official intimation of award / rejection is made by the Tender Accepting Authority to the tenderers. **The Tenderers shall not make attempts to establish unsolicited and unauthorized contact with the Tender Inviting**

Authority, Tender Accepting Authority or Tender Scrutiny Committee after the opening of the tender and prior to the notification of the award and any attempt by any tenderers to bring to bear extraneous pressures on the Tender Accepting Authority shall be sufficient reason to disqualify the tenderer.

- 14.5. After acceptance of the tender by the Tender Accepting Authority, the details will be arranged to be published in the Tender Bulletin of Tamil Nadu Government.
- 14.6. Mere submission of any Tender offer connected with these documents and Specification shall not constitute any agreement. The tenderer shall have no cause of action or claim, against the TNPDCCL for rejection of his offer. The TNPDCCL shall always be at liberty to reject or accept any offer or offers at its sole discretion and any such action will not be called into question and the Tenderer shall have no claim in that regard against the TNPDCCL.

15.0. EVALUATION AND COMPARISON OF THE TENDER OFFERS:

- 15.1. The tenders will be evaluated strictly as per the Tamil Nadu Transparency in Tenders Act, 1998 and the Tamil Nadu Transparency in Tender Rules, 2000 and its subsequent amendments till date.
- 15.2. The tender offers received will be examined to determine whether they are in complete shape, all required Data have been furnished, properly signed and generally in order and conforms to all the terms and conditions of the Specification without any deviation.
- 15.3. For the purpose of evaluation of tender offers, the following factors will be taken into account for arriving the evaluated price:
- a) The quoted price will be corrected for arithmetical errors.
 - b) In case of discrepancy between the price quoted in words and figures lowest of the two will be considered. The rate of CGST, SGST and IGST as applicable both in percentage and amount shall be indicated in the offer along with HSN code.
 - c) The evaluated price shall be arrived in compliance with the provisions of GST on the Transaction value ie. (Ex works price + P&F +Fright and Insurance) + GST. In case of import of goods would be treated as interstate supplies and would be subject to IGST in addition to applicable Customs duty.
 - d) Since GST is enacted wherein all taxes & duties are subsumed price evaluation shall be inclusive of applicable GST in all cases , i.e. even if the bidders are only within the state or bidders are within the state and outside TN.
 - e) The bidders should have registered under GST Act and furnish GSTIN.
 - f) In the event of bidder is within TN, SGST & CGST shall apply and if the bidder is outside TN, IGST shall apply.'
- 15.4. The rates quoted by the eligible lowest tenderer in the open tender shall be compared with the prevailing market rate and the rates of previous period and if the Tender Accepting Authority is of the view that the quoted rates are too high, the rates will be negotiated and the rate will be determined. All eligible bidders who accept the rate shall be enlisted.
- 15.5 **Tie Breaker:**
When more than one bidder have quoted same value during bid submission and accepted in Finance Evaluation, Evaluator is allowed to select any one combination of bidder value (ie the L1 bidder) to initiate for Financial bid resubmission of Tie Break.
- 15.6 **Online Negotiation:**
Provision to go for online negotiation has been provided for the tender evaluator. The online negotiation process in the portal is similar to the process for negotiation under tie breaker process. However, financial rebid submission can be invited from only one bidder.
- 15.7 In the event of L1 bidder offered a quantity less than the tendered quantity, the quantity

allocation will be made as per the provisions specified in the Tamil Nadu Transparency in Tender rules 2000.

15.8. As per the provisions of Tamil Nadu Transparency in Tender Rules 2000, the bidder should not alter the quantity offered in the bid during price negotiation/ matching.

15.9. The TNPDCCL also reserves the right to allocate the quantity is as per **Cl. No. 31.4** of Tamil Nadu Transparency in Tender rules, 2000.

16.0. PURCHASE PREFERENCE:

16.1. Purchase preference may be extended to the Domestic enterprises, Government departments, Public Sector Undertakings, Statutory Boards and other similar institutions as per the provisions in 30-A & 30-B of Tamil Nadu Transparency in Tender Rules 2000.

16.2. PURCHASE PREFERENCE TO DOMESTIC ENTERPRISES:

In case of procurement of goods or services, where it is possible for the procuring entity to divide the award of tenders to more than one supplier or service provider, the tender document shall clearly indicate that up to twenty five percent of the total requirement in the procurement may be awarded to domestic enterprise, not being the lowest tender, in respect of only goods manufactured or produced or services provided or rendered by them, if the following conditions are satisfied-

- (a) the lowest tender is not a domestic enterprise;
- (b) the preferential award shall extend only to the lowest tender among the domestic enterprises who are substantially responsive and technically qualified; and

(c) Such domestic enterprise is willing to match the price of the lowest tender: Provided that where the Tender Inviting Authority is of the view that in the interest of the participation of domestic enterprise in the tender to avail the above benefit, a less stringent set of technical qualification parameters are required, he shall specify a separate set of technical qualifications for domestic enterprises in the tender documents with the approval of the Government.

16.3 PURCHASE PREFERENCE TO GOVERNMENT DEPARTMENTS, PUBLIC SECTOR UNDERTAKINGS, STATUTORY BOARDS AND OTHER SIMILAR INSTITUTIONS:

In case of procurement of goods or services, where it is possible for the procuring entity to divide the award of tenders to more than one supplier or service provider, the tender document shall clearly indicate that up to forty percentage of the total requirement in the procurement may be awarded to Government departments, Public Sector Undertakings, Statutory Boards and other similar institutions as may be notified by the Government, in respect of only of goods manufactured or produced or services provided or rendered by them, if such tenderer is willing to match the price of the lowest tender."

16.4 PURCHASE PREFERENCE TO ENTERPRISE OWNED BY SCHEDULED CASTES OR SCHEDULED TRIBES:

In case of procurement of goods or services, where it is possible for the procuring entity to divide the award of tenders to more than one supplier or service provider, the tender document shall indicate that five percent of the total requirement in the procurement shall be awarded to enterprises owned by persons belonging to Scheduled Castes or Scheduled Tribes in respect of only of the goods manufactured or services rendered by it, if the following condition are satisfied, namely:

- (a) The lowest tenderer is not in enterprise owned by persons belonging to the Scheduled Castes or Scheduled Tribes and

(b) such enterprises are willing to match the price of the lowest tenderer.

Enterprises owned by Scheduled Castes or Scheduled Tribes (SC/ST) for claiming the purchase preference as per Tender Rule 30C are:

1. The enterprises means any domestic enterprises located in Tamil Nadu owned by any person belonging to a SC/ST (or)
2. Any domestic enterprise, which is a firm or limited liability partnership, having its registered office and place of business in the state, where not less than three-fourths of the partners belong to the Scheduled Castes or Scheduled Tribes (or)
3. Any domestic enterprise, which is a company having its registered office and place of business in the State where,
 - i. More than fifty per cent of the ordinary shareholdings pertain to persons belonging to the Scheduled Castes or Scheduled Tribes; and
 - ii. The control of the company, as defined in section 2 (27) of the companies Act, 2013 (Central Act 18 of 2013) vest with persons belonging to the Scheduled Castes or Scheduled Tribes."

Note: Scheduled Castes and Scheduled Tribes shall have the meanings assigned to them respectively under clauses (24) and (25) of Articles 266 of the Constitution. "State" means State of the "Tamil Nadu".

The online registration of SSI units in Udyam Registration portal is based on self declaration. Hence in order to claim purchase preference for domestic enterprises belonging to Scheduled Castes and Scheduled Tribes, the supporting documents necessary to evidence the same in respect of each type of domestic enterprise owned by SC/ST are specified below:

In case of such domestic enterprise been a sole proprietary firm having registered in Udyam portal located within Tamil Nadu, Udyam Registration Certificate contain the social category of enterprise. However in order to ensure that no change in social category of enterprise has happened consequent of having registered in Udyam portal, an undertaking from the Sole proprietor may be insisted.

In case of such domestic enterprise is partnership firm has been registered in Udyam portal, social category of enterprise can be ascertained from the community certificate of not less than three- fourths of the partners belong to the Scheduled Castes or Scheduled Tribes along with copy of registered partnership deed. However, a certificate from chartered accountant may also be obtained certifying that no change in social category of enterprise has happened consequent of the said registered partnership deed.

In case domestic enterprise is a company having its registered office and place of business

in the State, a certificate from practicing company secretary may be obtained certifying that more than fifty per cent of the ordinary shareholdings pertain to persons belonging to the Scheduled Castes or Scheduled Tribes and the control of the company, as defined in section 2

(27) of the companies Act, 2013 Central Act 18 of 2013) vests with persons belonging to the Scheduled Castes or Scheduled Tribes and the same is duly confirmed for the purpose of submission of bid against the provisions of tender specification No.

17.0 VALIDITY:

Tender offer shall be kept valid for acceptance for period of **90 days** from the date of opening of offers. The offers with lower validity period are liable for rejection. Further, the tenderer shall agree to extend the validity of the bids without altering the substance and prices of their Bid for further periods, if any, required by the Board.

18.0 RIGHTS OF THE TNPDCCL:

18.1. Rights to reject the tenders:

18.1.1. After negotiation with the Tenderer and before passing the order accepting a tender, if the Tender Accepting Authority decides that the price quoted by such tenderer is higher by the percentage as may be prescribed over the schedule of rates or prevailing market rates, the tender shall be rejected.

18.1.2. The Tender Accepting Authority before passing the order accepting a tender, may also reject all the tenders for the reasons such as changes in the scope of procurement, lack of anticipated financial resources, court orders, accidents or calamities and other unforeseen circumstances.

18.2. Notwithstanding anything contained in this Specification, the TNPDCCL reserves the rights:

- (a) to vary the quantity finally ordered to the extent of 25% either way of the quantity indicated in the Tender document, as the quantity indicated in the schedule of requirement is approximate. The indent will be placed subsequently as and when there is requirement upto the last date of validity of contract. The purchaser reserves the right to issue any number of indents for supply of materials during the period of contract.
- (b) to split the Tendered Quantity and place orders on one or more than one firm as per the Tamil Nadu Transparency in Tender Rules 2000 since the tendered material is so vital in nature and the failure in supply would affect the public interest.
- (c) to recover losses, if any, sustained by TNPDCCL, from the supplier who pleads his inability to supply and backs out of his obligation after award of contract. The security deposit paid shall, be forfeited.
- (d) to cancel the orders for not keeping up the delivery schedule
- (e) to vary the delivery period based on the requirement and contingencies at the time of placing the Rate contract.
- (f) to accept the lowest eligible tender.
- (g) to reject any or all the tenders or cancel without assigning any reasons therefore.
- (h) to relax or waive or amend any of the conditions stipulated in the tender Specification wherever deemed necessary in the best interest of the TNPDCCL.

18.3. To cancel the order along with the forfeiture of EMD if SD cum Performance guarantee is not furnished within **30 days** from the date of receipt of PO. In that event, the award may be made to subsequent eligible tenderer. The belated payment of Security Deposit shall not be accepted.

18.4. The purchaser reserves the right to request for any additional information and also

reserves the right to reject or accept the proposal of any tenderer, if in the opinion of the purchaser, the qualification data is incomplete or in the opinion of the TNPDCCL the bidder is found not qualified to satisfactorily perform the contract.

19.0 DEVIATIONS:

19.1 The offers of the Tenderers with Deviations in Commercial terms and Technical Terms of the Tender Document are liable for rejection. Such deviations if any may be furnished in the **Schedule – B1 and B2**.

19.2 No alternate offer will be accepted.

20.0. BAR OF JURISDICTION:

Save as otherwise provided in the Tamil Nadu Transparency in Tenders Act 1998, taken by any officer or authority under this Act shall be called in question in any court, and no injunction shall be granted by any court in respect of any action taken or to be taken by such officer or authority in pursuance of any power conferred by or under this Act.

21.0 UNDERTAKING TO PAY PENALTY:

The successful bidder should furnish an undertaking in a non judicial stamp paper of Rs.500/- that they would pay an amount equivalent to EMD/SD or an amount equal to the actual loss incurred by the TNPDCCL whichever is less in the event of non-fulfillment or non observance of any of the conditions stipulated in the specification as per Schedule I.

22.0. APPEAL:

Any Tenderer aggrieved by the order passed by the Tender Accepting Authority under Section-10 of the Tamil Nadu Transparency in Tenders Act 1998 may appeal to the Government within 10 (Ten) days from the date of receipt of order.

23.0. TENDER DOCUMENT:

"All the intending e-tenderers are informed that in the event of the documents furnished with the offer being found to be bogus or the documents contain false particulars, the EMD paid by such tenderers will be forfeited in addition to blacklisting them for future tenders / contracts in TNPDCCL" and also cancelling the award of contract issued to them."

SECTION – V
COMMERCIAL

1.0 SCOPE:

The scope of supply includes manufacture, inspection, testing, packing, forwarding, insurance and delivery of the materials detailed herein, at our Central stores located at Cuddalore and Villupuram.

5.0 PLACING OF ORDERS

i) The TNPDCCL reserves the right to split and place orders for the above items on different tenderers and for revising the quantities at the time of placing of the orders. The TNPDCCL reserves the right to vary the quantity finally ordered to the extent of 25% either way of the requirement indicated in the tender documents. It is not binding on the TNPDCCL to accept the lowest or any tender.

ii) The purchase order will be issued to the successful tenderers with all TNPDCCL's terms and conditions, duly indicating the rates and the quantity to be ordered on them. The approved rates will be FIRM valid for the entire contractual period.

(iii) The quantity proposed to be ordered will be indicated in the Purchase order

6.0 PRICE:

6.1 The Tenderers are requested to quote FIRM price only.

6.2. The prices quoted shall be "unit all inclusive price".

All-inclusive price include Basic rate, Packing and Forwarding, Freight and Insurance for Delivery of the complete materials and all its accessories at TNPDCCL Stores in Villupuram Region and applicable rate of GST.

6.3. Unloading the 22 KV Polymer Composite Pin Insulator at destination stores should be done by the supplier at his own cost.

6.4. The tender offer should also contain the break up details as per Schedule A as below:

- a) Unit Ex-works price per each.
- b) Packing and Forwarding Charges per each.
- c) Freight and Insurance charges per each
- d) GST

The Freight & Insurance Charges shall be applicable for delivery to any stores of TNPDCCL in Villupuram Region. The above breakup details indicated in the Schedule-A should be clearly **entered online** in the appropriate boxes provided in the absence of which the offer shall be liable for rejection. The rates ruling on the date of e-tendering shall be specified.

6.5. All Type Tests and other test specified shall be conducted at tenderer's cost.

6.6 It is the responsibility of the tenderer to make sure about the correct rates of duty / tax leviable on the materials at the time of tendering. If the rates assumed by the Tenderers are less than the current rates prevailing at the time of tendering, the TNPDCCL will not be responsible for the mistake.

7.INPUT TAX CREDIT:

7.1. The tenderer should quote their rates taking into account the (Input Tax Credit) relief available to them on account of GST already paid.

7.2. **The benefit of Input Tax Credit (ITC) if any availed by the bidder shall be passed on to TNPDCCL while quoting the price.** Necessary GST ITC undertaking as per **SCHEDULE-H** shall be submitted by the L1 tenderer after evaluation for compliance with

section 171 of GST Act by the bidder.

- 7.3. In the event of eligible evaluated bidders submitting the declaration as NIL ITC benefit, a certificate from Chartered Accountant has to be submitted certifying the same since the bidder may be ignorant of provisions of GST Act.

7.4. **PERMANENT ACCOUNT NUMBER AND GSTIN NUMBER:**

The Tenderer shall indicate the Permanent Account No. in **Schedule 'G'** of the specification and should enclose the details of PAN issued by Government of India, Income Tax Department and **GSTIN number** of the firm with proof with the tender.

8.0. **Goods and Services Tax [GST]:**

i. Goods and Services Tax [GST] as a modern law, has been brought after Article 366(12A) of the Constitution as amended by 101st Constitutional Amendment Act, 2016. GST is an indirect tax system, commonly used by both the Central Government and the State/UT to final consumption with credit of taxes paid at previous stages available as set off. In a nutshell, only value addition will be taxed and burden of tax Governments on goods and services. GST is a destination based tax on consumption of goods and services. It is proposed to be levied at all stages right from manufacture up to be borne by the final consumer. GST has been rolled out w.e.f. 01.07.2017, across India.

ii. The GST to be levied by the Centre on intra-State supply of goods and /or services would be called the Central GST (CGST) and that to be levied by the States/ Union territory would be called the State GST (SGST)/UTGST. Similarly, Integrated GST (IGST) will be levied and administered by Centre on every inter-state supply of goods and services.

iii. Any supplier of goods and service Provider of services who makes a taxable supply with an aggregate turnover of over Rs.20 lakhs in a financial year is required to obtain GST registration. In special category states, the aggregate turnover criteria are set at Rs.10 lakhs. In simple words every business whose taxable supply of goods or services under GST (Goods and Service Tax) and whose turnover exceeds the threshold limit of Rs. 20 lakhs / 10 Lakhs as applicable will be required to register as a normal taxable person.

iv. **GST Registration Number:** TNPDCCL has migrated into GST regime on 15.06.2017 by duly uploading various mandatory data as required by the GST portal. The provisional ID issued to TNPDCCL is 33AADCT4784E1ZC. The details are also posted in TNPDCCL web portal.

v. GST Registration Number or GSTIN is 15 Digit identification number which is allotted to each applicant who applied for GST Registration.

GST Number is completely based on the Pan Number and State code.

First two digits represent the state code and another 10 digit represent the PAN number of the client, one digit represent the entity code (Like proprietorship or partnership etc), one digit is blank and last one is representing check digit.

vi. **Transaction Value:** The value of supply of goods or services or both shall be the transaction value, which is the price actually paid or payable for the said supply of goods or services or both where the supplier and the recipient of the supply are not related and the price is the sole consideration for the supply. Sec 15(1) states that value of supply of goods and service shall be the transaction value i.e. the price actually paid or payable.

The conditions for accepting the transaction value are

- a) Supplier and the recipient of the supply are not related.

Price is the sole consideration for the supply.

vii. **Composition Scheme:** Composition scheme specifies that registered person whose turnover in the preceding financial year is below certain specified limit (Currently RS.75 lakhs) may intimate the proper officer to pay in lieu of tax payable by him an amount calculated at such rate maybe specified.

Eligibility for composition scheme: Sec10(2) of the central Goods and Services Tax Act, 2017 states that the registered person shall be eligible to opt under sub-section (1), if-

- He is not engaged in the supply of services other than suppliers referred to in clause (b) of paragraph 6 of Schedule II;
- He is not engaged in making any supply of goods which are not leviable to tax under this Act;
- He is not engaged in making any inter-State outward supplies of goods;
- He is not engaged in making any supply of goods through an electronic commerce operator who is required to collect tax at source under section 52; and
- He is not a manufacturer of such goods as may be notified by the Government on the recommendations of the Council.

viii. **Supply of Service and Goods:** When there is a combined supply of many goods / services, it has to be determined whether it is a Composite supply or mixed supply of goods or services.

(a) **COMPOSITE SUPPLY:** A composite supply is one where all the goods or services or a combination has to be supplied together i.e., naturally bundled and there would be a Principal Supply that could be identified (Ex. Supply of Machinery with packaging, insurance and freight – the principal supply is machinery). In this case, the rate of principal supply will be applied on entire value.

(b) **MIXED SUPPLY:** A mixed supply is one where the goods or services or a combination thereof which could be individually supplied (like Pizza and Coke) but sold together at a single price. In this case, the highest rate to the good in that mix is applied on all the goods.

The GST shall be applicable at appropriate prevailing rates as notified by GST Act. In the event of delay in execution of contract, the GST rate prevailing on the scheduled period or on the actual date of execution, whichever is less only will be admitted.

The bidders should have registered under GST Act and furnish GSTIN. In the event of contractor is within TN, SGST & CGST shall apply and if the contractor is outside TN, IGST shall apply.

9.0 Goods and Services Tax:

9.1 The Goods and Services Tax will be paid extra as applicable. The amount of CGST, SGST, and IGST as applicable shall be indicated in percentage payable and amount separately in the tender offer.

9.2 The TNPDCCL has been registered as a dealer under GST Act 2017
(Registration No. 33AADCT4784E1ZC)

In case of delayed delivery, the GST prevailing on the date of despatch or on the last day of the contractual delivery period whichever is LESS will be admitted. For both the cases, the supplier shall furnish documentary evidence while submitting the bills for payment.

It is the responsibility of the tenderer to make sure about the correct rates of duty leviable on the material at the time of tendering. If the rates assumed by the Tenderer are less than the current rates prevailing at the time of tendering, the TNPDCCL Ltd will not be responsible for the mistake. If the rates assumed by the tenderer are higher than the current rates prevailing at the time of tendering, the GST prevailing at the time of tendering will only be paid.

9.3 Any increase in GST consequent to the suppliers coming into different duty slab during the

execution of the contract shall have to be taken into account and the all inclusive firm price shall be quoted accordingly by the Tenderers. Any Variation in GST due to statutory Variation within the contract delivery date shall be considered by the TNPDC Ltd.

9.4 In case of delayed delivery, the GST prevailed on the date of actual delivery applicable on the date of contractual date of delivery whichever is less shall be admitted.

9.5. The following certificates have to be furnished for admittance of claim of GST.

i) Certified that the transaction in which the GST has been claimed and has been / will be included in the return submitted/to be submitted to the Tax authorities for assessment of the GST and the amount of GST claimed from the purchaser has been/will be paid to the Tax Authorities.

ii) Certified that the goods on which the GST has been charged/ have not been exempted under GST Act or the rules made there under and the charges on account of GST on these goods are correct, under provisions of relevant Act or rules made there under.

iii) Certified that we shall indemnify the TNPDC, in case it is found later on that wrong or incorrect payment has been received on account of GST paid by us.

iv) Certified that we are registered as dealer under the GST Act and our Registration No. isunder GST ACT our registration no. is

v) Certified that GST credit availed by me has been taken into account in the rates quoted. NOTE: The successful tenderer should submit the previous year copies of GST along with their tender for scrutiny of their financial soundness.

The tenderer should enclose with the tender, an attested copy of valid certificate of GST for the previous year from the appropriate Tax Authorities.

9.6 GST@18% shall be applicable on forfeiture of Security Deposit (SD) and shall be recovered additionally from the supplier/contractor.

9.7 **GSTR-2A** of TNPDC will be verified to ensure the remittance of GST to Govt., by the supplier in respect of this PO. If the GST remitted by the supplier is found lesser than that claimed from TNPDC, the excess GST paid by TNPDC will be recovered from the supplier, duly adhering regular procedures. The supplier is requested to file the GST returns promptly to avoid delay in processing/payment of invoices. In case of non-filing of GSTR1 by supplier, the SD, EMD and other payments, if any, due to the supplier may be withheld.

9.8 GST – E-Way Bill:

The Government of Tamil Nadu had notified that e-way bill is required to be generated for intra-state movement (within the state of Tamil Nadu) for consignment value exceeding Rs.1,00,000 with effect from 2nd June 2018. It may kindly be noted that E-Way bill on interstate movement of goods had been introduced with effect from 1st April 2018 and is required to be generated for movement of goods having consignment value exceeding Rs.50,000. (please refer webpage portal <http://ewaybillgst.gov.in>. for procedure and generation of E-way bill).

9.9 E-Invoices:

TNPDC cannot avail input tax credit from suppliers whose turnover exceeds Rs.10 crores without an e-invoiced debit note or e-invoiced credit note. E-invoice is a system in which B2B in-invoices are authenticated electronically by GSTN for further use on the common GST portal. Under the electronic invoicing system, an identification number will be issued against every invoice by the

Invoice Registration Portal (IRP) to be managed by the GST Network(GSTN). The bidder who are having annual turnover exceeding Rs.10 Crores who participated in this tenders shall claim payment by raising e-invoice only on the placement of purchase orders if any.

9.10:HSN/SAC code to be included along with Bid amount.

9.11:TDS under GST as per Section 51 of the CGST Act,2017:

The Central Government vide Notification No.50/2018 dt:13.09.18 has notified 1st day of October, 2018 as the date from which the Provision of Tax Deducted at Source (TDS) under GST as per Section 51 of the CGST Act, 2017 shall come into force.

Accordingly, Tax **at the rate of 2 % ((i.e CGST 1 % and SGST 1%) or (IGST 2%) from the payment made or credited to the supplier** (i.e deductee) of taxable goods or services or both where **the total value of taxable supply, under a contract exceeds two lakhs and fifty thousand rupees. i.e Rs.2,50,000/- from the invoices raised by suppliers or service providers will be deducted from 1st Oct 2018.This TDS under GST has to be remitted at the time of payment or accounting in the books of accounts whichever is earlier.**

1) The GST on TDS Regn No: of Cuddalore EDC is 33CHET11968F1DZ.

2) The GST on TDS Regn No of Villupuram EDC is 33CHET1207B1DE.

Once the taxable value of contract exceeds Rs.2,50,000/- then each and every invoice on that contract shall be subject to TDS under GST, irrespective of value of each invoice.

Taxable supply means supply of goods or services or both which is leviable to tax under GST. Thus, TDS under GST is to be deducted only for the taxable supply of goods or services or both and not on exempt supply (supply of any goods or services or both which attracts nil rate of tax or which may be wholly exempt from tax under section 11 of CGST/SGST acts or under section 6 of the (IGST Act) and non taxable supply.

Similarly, TDS under GST rate need not be applied on GST component in the invoice. **TDS under GST is also applicable for suppliers/contractors registered under composition scheme also.**

10. INCOME TAX:

Income tax will be recovered from the contractors every running bill at the prevailing rate of tax in force with amendments issued from time to time as per income tax act.

11. Provision of Section -194Q of IT Act:

1. Any person, being a buyer, who is responsible for paying any sum to any resident for purchase of goods of value (or) aggregate value exceeding Rs.50 lakhs in any previous year, shall, at the time of credit of such sum to the account of the seller (or) at the time of payment, whichever is earlier, shall deduct an amount equal to 0.1% of such sum exceeding Rs.50 Lakhs as TDS under Section-194Q of IT Act. The supplier of goods is required to furnish the PAN to TAN
2. TNPDCIL for making the payment. In case the suppliers do not have PAN, TNPDCIL is required to deduct tax at higher rate as per the provisions of section 206AA. In case of specified person i.e., Any person who has not filed Income Tax return for two previous years immediately before the previous year in which TDS is required to be deducted and the time limit for filing of income tax return u/s 139(1) of the Income Tax Act, 1961 has expired provided the total TDS & TCS in INR is Rs.50,000 (or) more in each of the two previous years the TDS rate u/s 194Q will apply at higher rate u/s.206AB.
2. The provisions of this section shall not apply to the transactions on which tax is deductible under any other provisions of the Income Tax Act 1961 and also on the transactions in which Tax is collectible under the provisions of Section 206C.
3. On purchase of goods/materials, TNPDCIL shall have the primary and foremost obligation to

deduct Tax at source and no tax shall be collected on such transaction u/s.206C (1H). TDS u/s 194Q is also applicable on the Advance paid for purchase of goods.

4. The above provisions comes into effect from 01.07.2021 onwards and hence no TCS under Section 206C (1H) has to be paid by TNPDCCL on purchase of Goods. Accordingly, TNPDCCL will deduct TDS under section 194Q on all the purchase of goods exceeding the threshold limit i.e. aggregate credit (or) payment exceeds Rs.50 Lakhs. It is mandatory for vendor to submit the declaration format in **Schedule-G** to determine the applicability of TDS rate u/s 206 AB.
5. The supplier shall collect (reduced to 0.075% upto 31.03.2021) from TNPDCCL on sale of goods as per section 206C (1H) of IT Act 1961, introduced by Finance Act 2020. **Recovery of TCS and remittance as per the act is the responsibility of the supplier.**

Certificate of TCS in the form 27D as per section 206C(5) of Income Tax Act 1961 has to be issued to TNPDCCL. The PAN No. of TNPDCCL is AADCT478E. However the TCS will be applied only if consideration for sale of any goods exceeded Rs.50 Lakhs in any financial year. If PAN and Aadhar not linked, TDS & TCS at the higher rate prevailing time to time will be deducted from your bills as follows:

Sl No	Nature of payments	Section	TDS rate for other than Specified person	Threshold limit (in Rs.)	TDS rate if PAN furnished but Income Tax return not filed for AY 2022-23 (Specified person- u/s.206AB)	TDS rate if PAN not furnished and Income Tax return not filed for AY 2022-23[u/s.206AB(s pecified person) with 206AA]/ PAN not linked with Aadhar
1	Purchase of goods(w.e.f 01.07.2021) (TCS u/s.206C(1H) will not apply in TDS is applicable under this section)	194Q	0.1%	50,00,000	5%	5%

12. INSURANCE

Contracting firms shall arrange insurance for the equipment and all its accessories being supplied by them, through any of the Nationalised Insurance Companies. The equipment shall be insured to cover transport (from Warehouse) and 60 days storage risk at site. The damages, if any, during transit will be reported within 30 days of receipt of materials. It will be the responsibility of the supplier to replace the defective/damaged materials and make good the shortages and other losses in transit, free of cost, lodge and recover claim from Insurance, Under-writers/Carriers.

13. PACKING AND FORWARDING:

13.1 The equipment and all its accessories shall be securely packed and despatched, freight paid, duly insured, at supplier's risk and cost. The packing may be in accordance with the manufacturer's standard practice. The supplier is responsible for ascertaining the facilities that exist for Road Transport to site.

Each package shall be clearly marked and contain detailed packing list, such as gross weight, net weight etc. The supplier is solely responsible for any loss or damage during transport. **The despatch of materials shall be only after the approval of test certificates by the TNPDCCL .**

13.2 Each consignment shall be accompanied by a detailed packing list containing the following information.

- a) Name of the consignee.
- b) Details of consignment
- c) Destination
- d) Total weight of consignment
- e) Handling and unpacking instructions.
- f) Bill of material indicating contents of each package.

13.3 The supplier shall ensure that the bill of material is approved by the purchaser before despatch.

13.4 The supplier is responsible to make sure about the facilities that exist for Road and Rail transport to site, the maximum packages which can be conveyed by the railways and crane lift available at the destination railway station. The supplier is also responsible for any loss or damage during transport and storage for 60 days.

14.0. PAYMENT:

14.1. **Payment will be made to the suppliers by NEFT/RTGS / Bank transfer as detailed below. The bank charges involved in making payment will be to the account of the tenderer/supplier.**

14.2. Payments will not be made for materials damaged during transit. All defective materials shall be replaced by the supplier free of charge.

14.3. The payment will be made directly to the supplier based on submission of claims to the accounts branch of EDCs against passing of bills by concerned Superintending Engineer/EDCs.

14.4. **For the materials delivered within contractual delivery period :**

100% of the All-inclusive price (including GST) of the materials of each consignment will be paid **within a reasonable time** from the date of receipt of materials at site and bills with required documents for passing the bills by the Superintending Engineer/ EDCs concerned,

based on the copy of the SRB received from the respective consignee EDC Stores after deducting recoveries, if any. The invoice in duplicate shall be sent to the office of the Superintending Engineer / EDCs concerned, for passing the bills.

For the delay in payment TNPDCCL will not pay any interest on any account.

14.5. For the materials delivered beyond the contractual delivery period if accepted by the purchaser :

100% payment of the all-inclusive price (including GST) of the materials of each consignment will be paid **within a reasonable time** from the date of receipt of materials at site and bills with required documents for passing the bills by the Superintending Engineer/ EDCs concerned, based on the copy of the SRB received from the respective consignee EDC Stores after deducting L.D. and other recoveries, if any. The invoice in duplicate shall be sent to the office of the Superintending Engineer / EDCs concerned, for passing the bills.

For the delay in payment TNPDCCL will not pay any interest on any account.

14.6. In case of delay in supply for tenders with Firm price. the materials will be accepted subject to the following conditions

- (a) There should be no declining trend in prices.
- (b) If there is any declination, payment will be released as per the latest purchase order rates or lowest rates obtained during the recent tenders opened subject to levy of liquidated damage for belated supplies.
- (c) TNPDCCL reserves the right to accept or reject the delayed supplies without assigning any reason there for and take action as per the other terms and conditions of this specification.

14.7. 100% payments will be made only on receipt of the supplier's bills in duplicate and passing of bills by the Superintending Engineer / EDCs concerned after **approval / acceptance of the following:**

14.8 Acceptance / Approval of PO issuing Authority (Chief Engineer /Distribution/Villupuram)

- (a) Security Deposit for 5% value of the order.
- (b) GST Registration Certificate.
- (c) Undertaking towards jurisdiction for legal proceedings
- (d) Guarantee Certificate for the ordered quantity
- (e) *Undertaking towards Input tax credit benefit passed on to TNPDCCL and Chartered Account Certificate for the above declaration.*
- (f) *Undertaking to pay penalty in the event of non fulfillment or Non observance of any conditions stipulated in Specification as per schedule J.*

14.9. Acceptance of Bill Passing Authority: (SE / EDCs)

(a) Invoices/Bills

(b) e-way bill as per GST norms for the transport of material.

14. The supplier should despatch only after getting despatch instructions/Purchase order from the Chief Engineer /Distribution/Villupuram. If the supplier despatches the materials without the prior approval of the purchaser, then the purchaser shall not be responsible for any demurrage or wharfage or both and only the supplier should bear any expenditure arising out of such unapproved despatches.

16.0 SECURITY DEPOSIT:-

The successful tenderer will have to pay the Security Deposit as detailed below:

- 16.0. The successful tenderer/ Supplier will have to furnish 5% of the Purchase order value (All inclusive price) as Security Deposit in the form of Electronic Mode of Payment or DD / Banker's Cheque / Irrevocable Bank guarantee **within 30 days** from the date of receipt of Purchase order. If the successful tenderer / supplier fails to remit the amount / furnish the Security Deposit cum Performance Guarantee within the above stipulated time, the EMD paid by the tenderer / supplier shall be forfeited and Purchase Order will be canceled without any further reference and award may be made to the L2 tenderer.

Irrevocable Bank Guarantee will be accepted towards payment of Security deposit cum Performance guarantee for the value of purchase order exceeding Rs.10 Lakhs. The above BG should be a single irrevocable Bank Guarantee of **5% of the purchase order value and valid for a continuous period of 36 months from the anticipated date of receipt of last consignment of goods / materials at site in good condition.** In case of delay in supply, the Guarantee should be extended suitably.

- 16.1. The Security Deposit will not carry any interest.
- 16.2. The Security Deposit will be returned /refunded to the supplier after the expiry of the guarantee period ensuring that defects/ damages during the guarantee period are rectified /replaced. If the purchaser incurs any loss or damages on account of breach of any of the clauses or any other amount arising out of the contract becomes payable by the supplier to the purchaser, then the purchaser will in addition to such other dues that he shall have under law, appropriate the whole or part of the security deposit and such amount that is appropriated will not be refunded to the supplier.
- 16.3. If the performance period of the supplied material over and some quantity of within guarantee period defective materials are still pending for want of repair/replacement then fresh BG equal to the cost of such defective material is to be furnished by the vendor for

releasing original SD cum PBG by TNPDC (purchaser).

16.4. In case of the requirement arising for extension of the Bank Guarantee, the extended Bank Guarantee shall have to be submitted to TNPDC within the date of expiry of the existing Bank Guarantee. In case of failure to submit such extended Bank Guarantee within the due date (expiry date), TNPDC shall invoke the Bank Guarantee by addressing the Bank directly.

16.6 The Security deposit cum performance guarantee will not carry any interest.

16.7 It is the responsibility of the successful tenderer to extend the BG towards SD cum Performance Guarantee suitably till the completion of Guarantee period.

17.0 DELIVERY

The delivery period for delivering the materials at our Stores, shall be clearly stated in the tender.

17.1. The delivery schedule is as follows:

Inspection call	Within 30 days from the date of receipt of Purchase order
Bulk supply	Within 30 days from the date of receipt of despatch instruction

17.2. The delivery period will not normally be extended. Hence all efforts shall be taken to deliver the materials within contractual delivery period.

17.3. The above delivery shall be guaranteed by you under liquidated damages clause governed by this specification.

17.4 The date of actual receipt of materials will be reckoned as the date of delivery for the liquidated damage purpose. The date of receipt of last component of the main equipment will be reckoned as the date of delivery for the purpose of calculation of liquidated damage for delay in delivery, when the main equipment and accessories are delivered in piece meal.

17.5. If any other delivery period is indicated by the tenderer in their offer, their offer is liable for rejection.

17.6 The TNPDC is at liberty to alter the delivery rate to suit its need as and when necessity arises, during the pendency of the contract.

18. GUARANTEE:

The materials shall be guaranteed for satisfactory operation and good workmanship at least for a period of **36 months** from the date of receipt of last consignment of materials at site in good condition. Any defect noticed during this period shall be rectified by the supplier free of charge to the TNPDC.

Any defects noticed during this period shall be rectified free of cost to the TNPDCCL within **30 Days (Thirty Days)** from the date of intimation of defect/ failure. Irrespective of number of failures and repairs, the suppliers are responsible for replacement of defective materials till the completion of guarantee period.

A written guarantee guaranteeing the TNPDCCL against defects in the materials supplied, either in materials or workmanship, should be furnished preferably along with the initial bill payment. The guarantee shall be operative for a period of **36 months** from the date of last consignment of materials at site in good condition.

Any defects or failure occurring within the guarantee period shall be replaced free of cost within **30 Days (Thirty Days)** on receipt of intimation from the purchaser on such defects or failures. If they are not replaced within this period the contractor shall pay the liquidated damages as per the liquidated damages clause in the contract for the delay from the date of receipt of intimation for the defects or failures. A guarantee certificate in the above form shall be submitted along with the bills themselves. Any expenditure incurred in the transportation of material for rectification or replacement will be to the suppliers account.

The tenderers who quote from outside Tamil Nadu may indicate whether any service centers are available inside Tamil Nadu, so as to rectify/ repair the materials that are defective/failed within guarantee period without delay.

The incidental expenses, transport and freight charges for the replacement of defective materials within the guarantee period may also be borne by the supplier.

The tenderers shall guarantee among the other following things :

Quality and Strength of materials used.

Safe electrical and mechanical stresses on all parts of the equipments/ materials under all specified conditions.

Performance figures given by the tenderers in the Schedule of Guaranteed technical particulars and technical requirements of the tender.

19.0 LOSS OR DAMAGE:

19.1 External damages and/or shortages that are prima facie, the results of rough handling in transit or due to defective packing will be intimated within one month from the date of receipt of the materials at site. Internal defects, damages or shortages of integral parts, which cannot ordinarily be detected on a superficial visual examination, though due to bad handling in transit or defective packing, would be intimated within 2 months from the date of receipt of materials. In either case, the defective materials shall be replaced/rectified by the supplier, free of cost as per the Clause of Replacement of Defective/Damaged materials of this specification.

19.2. If during the period of supply, it is found that goods already supplied are defective in material or workmanship or do not conform to specification or are unsuitable for the purpose for which they are purchased, then it will be open to the purchaser either to reject the goods or repudiate the entire contract and claim such loss that the purchaser may suffer on that account or require the supplier to replace the defective goods, free of cost.

19.3. Similarly, if during the guarantee period any of the goods found to be defective in

materials or workmanship or do not conform to specification, it will be open to the purchaser either to repudiate the entire contract and claim damages or accept such parts of the goods that are satisfactory and require the supplier to replace the balance or to claim compensation for the entire loss sustained by the purchaser on that account.

19.4. In the event of supplies being received damaged or any shortages at the destination stations, the cost of such materials, Excise duty and Sales Tax (if payable) and other charges payable thereof will be paid only proportionate to the value of materials received in good condition, unless the damaged goods or short supplies are made good free of cost by the suppliers.

19.5. For all legal purposes, the materials shall be deemed to pass into the TNPDC's ownership at the destination Stores, where they are to be delivered and accepted.

20.0. LIQUIDATED DAMAGES:

20.1 The delivery as specified should be guaranteed by the supplier under the Liquidated Damages Clauses given below:

20.2 If the supplier fails to deliver the materials within the time specified in the P.O or any extension thereof, the purchaser shall recover from the supplier as liquidated damages, a sum of half a percent (0.5%) of the All-inclusive price of the undelivered Materials for each completed week of delay. The total liquidated damages shall not exceed ten percent (10%) of the All-inclusive price of the materials so delayed.

The actual date of delivery of materials with all its accessories at destination stores will be reckoned as date of delivery for this purpose. Liquidated damages will also be recovered for the quantity not supplied as is done for the belated supply.

It is the responsibility of the suppliers to arrange for inspection, despatch etc. in time to keep up the delivery schedule.

20.3 If supplies to be rendered against the P.O. are made by the supplier beyond the period of delivery stipulated in the order and if they are accepted by the TNPDC, such acceptance is without prejudice to the TNPDC's rights to levy liquidated damages for the delay in supply.

20.4 The TNPDC will also be at liberty to cancel the order if the supply is not made as per the delivery schedule specified in the P.O., notwithstanding its rights to claim liquidated damages for the belated supplies and quantity outstanding to be supplied as on the date of cancellation.

20.5 The suppliers are liable to pay the amount of loss sustained by the TNPDC in the event of non-execution of orders, if any placed on them either in full or part to the satisfaction of the TNPDC under the terms and conditions of contract and in the event of placing orders for such quantities on some others at a higher price.

20.6 Tenderers not giving clear and specific acceptance to the above clauses are liable for rejection.

20.7 If there is any downward trend in prices on account of belated supplies, the tenderers have to accept the same with the levy of liquidated damages, for belated supplies.

20.8 The defaulting contractors will be liable to pay to the TNPDC in addition to

Liquidated Damages for delay, the actual difference in price wherever TNPDC orders the delayed quantity to be supplied by other agencies at a higher cost.

20.9 Wherever the supplier does not commence supply as agreed to, EMD/SD paid by him should be forfeited in terms of the PO contract and his name black listed after due notice. His bad performance should be recorded for reference in future ordering.

20.10 If there is any downward trend in prices on account of belated supplies, the supplier has to accept the same with the levy of LD for belated supplies.

21. FORCE MAJEURE:

The supplier shall not be liable for delay in performing his obligations resulting directly or from any force majeure conditions herein defined as:

- (a) Any cause which is beyond the reasonable control of the supplier or purchaser as the case may be
- (b) Natural phenomena, such as flood, drought, earthquakes and epidemics.
- (c) Act of any Govt. Authority domestic or foreign such as wars declared or undeclared quarantines, embargoes licensing control on production or distribution restriction.
- (d) Accidents and disruptions such as fire, explosion, increase in power cut with respect of date of tender opening, breakdown of essential machinery or equipments etc.
- (e) Strikes, Slow down, and lockouts.
- (f) Failure or delay in the supplier's source of supply due to force majeure causes enumerated at 'b' to 'e' above shall be considered, provided the supplier produce the documentary evidence to show that there were no other alternative source of supply available to him or if available the lead time required was likely to be longer than the duration of the force majeure at the normal source of supply. All the provisions of this clause shall apply whether the disruption cause is total or partial in its effect upon the ability of the supplier to perform.

Note: The cause of force majeure condition will be taken into consideration only if the Supplier within 15 days from the occurrence of such delay notifies. The purchaser shall verify the facts and grant such extension as the facts justified, for extension due to force majeure conditions, the supplier shall submit his representation with documentary evidence for scrutiny by the purchaser and the decision of the purchaser shall be binding on the firm

Provided that if the performance in whole or part by the supplier on any obligation under this contract is prevented or delayed by reasons of any eventuality for a period exceeding 60 days, the board may at its option terminate the contract by a notice in writing.

The power cut shall be not be considered under force majeure condition. The period of extension shall be decided only by the authority who placed the order, after verifying the evidence for the cause of delay.

22. REPLACEMENT OF DEFECTIVE/DAMAGED MATERIALS:

22.1. Notwithstanding anything contained in the above liquidated damages clause when the whole or part of the materials supplied by the supplier are found to be defective/damaged or are not in conformity with the specification or sample, such defects or damages in the materials supplied shall be rectified within two months from the date of intimation of defect/damage either at the point of destination or at the supplier's works, at the cost of supplier, against proper security and acknowledgement. In the alternative, the defective or damaged materials shall be replaced at free of cost within two months from the date of receipt of the intimation from the purchaser of such defects or damages.

If the defects or damages are not rectified or replaced within this period, the supplier shall pay a sum towards liquidated damages as per liquidated damages clause given above, for the

delay in rectification/replacement of the defects or damages from the date of receipt of intimation of the defect or damages.

22.2. If even after such rectification or replacement of the damaged or defective part, if the equipment materials ordered is not giving the satisfactory performance as per the contract, then it will be open to the purchaser either to reject the goods or repudiate the entire contract and claim such loss sustained by the TNPDCCL.

22.3 Notwithstanding any other remedies available, the purchaser shall be entitled to dispose off the defective/damaged materials in 'as is where is condition' without further notice, if the contractor/supplier fails to rectify the defect and /or replace the damaged materials and /or fails to remove the defective/damaged materials within such period as may be notified by the purchaser through notice and the sale proceeds of such disposal shall be appropriate towards the dues to the TNPDCCL such as liquidated damages, ground rent etc. as may be determined by the purchaser.

23.0 FAILURE TO EXECUTE THE CONTRACT:

Suppliers failing to execute the order placed on them to the satisfaction of the TNPDCCL under the terms and conditions set forth therein, will be liable to make good the loss sustained by the TNPDCCL, consequent to the placing of fresh orders elsewhere at higher rate, i.e. the difference between the price accepted in the contract already entered into and the price at which fresh orders have been placed. This is without prejudice to the imposition of Liquidated Damages and forfeiture of security deposit.

24.0 NON-ASSIGNMENT:

The supplier shall not assign or transfer the contract or any part thereof without the prior approval of the Purchaser.

25.0 EFFECTING OF RECOVERIES:

Any loss, arising incident to non-fulfillment of this contract or any other contract, will be recovered from the Security Deposit held or any other amount due to the supplier from the TNPDCCL.

26.0 GST REGISTRATION CERTIFICATE:

The tenderer should upload the copy of GST registration certificate in their offer.

27.0 INCOME TAX (PAN) & GSTIN NUMBER

Tenderers shall furnish their Permanent Account Number (PAN) and Tax Identification Number (TIN) in their offer or other relevant documents without fail.

28.0 PATENT RIGHTS ETC.:

The supplier shall indemnify the purchaser against all claims, actions, suits and proceedings for the infringement or alleged infringement of any patent, design or copy right protected either in the country of origin or in India by the use of any equipment supplied by the supplier, other than that for the purpose indicated by or reasonably to be inferred from the specification.

29.0 ARBITRATION:

The Board will not accept any arbitration in case of disputes arising in any respect under this contract. Any dispute arising out of this contract shall not be subject to arbitration under the

provisions of Arbitration Act 1940 in the event of any dispute between the parties.

30.0 DEVIATIONS FROM SPECIFICATION:

No deviations in commercial and Technical terms shall be acceptable.

31.0 RESPONSIBILITY

The tenderer is responsible for safe delivery of the materials at the destination stores. The tenderer should include and provide for packing and secured protection of the materials so as to avoid damages or loss in transit.

32.0 MAXIMUM WEIGHTS AND DIMENSIONS OF PACKINGS:

32.1. The supplier is responsible to make sure about the facilities that exist for Road and Rail transport to site, the maximum packages which can be conveyed by the railways and crane lift available at the destination Railway station. The supplier is also responsible for any loss or Damage during transport and storage for 60 days.

32.2. Each case or package should be clearly marked and should contain detailed packing list.

33.0. INSPECTION:

33.1. The authorized representatives of the purchaser shall have access to the supplier's or sub-vendor's works at any time during working hours, for the purpose of inspecting the manufacture of the materials and for testing the selected samples from the materials covered by this specification. The supplier or the sub-vendor shall provide facilities for the above.

33.2. Tenderers are requested to furnish in their tenders the exact location of their factory with detailed address to enable inspection by TNPDCCL if considered necessary.

33.3. Not less than 15 days advance intimation shall be given about the quantity of materials that will be ready for inspection by the TNPDCCL's Officers/ Third Agency authorized by the TNPDCCL. The arrangement for inspection shall be made by suppliers in such a way that the delivery schedule is kept up. The materials shall not be despatched without instruction from TNPDCCL.

33.4 Tender inviting authority is empowered to waive the inspection during urgent requirement of material at field.

34.0 COMPLETENESS OF TENDER:

The tender should be complete with all details of illustrative and descriptive literature and drawings. The tenderers shall furnish the complete technical details of the equipment. Information regarding the country of manufacture or origin of materials used in the manufacture of the articles should be furnished. The tenderer should include all minor accessories even though not specifically mentioned in this specification but which are essential for the completeness of the materials ordered. The tenderer shall not be eligible for any extra charges in respect of such minor accessories though not included in the tender.

35.0 INTERCHANGEABILITY:

All similar parts and removable parts of similar items shall be interchangeable with each other.

36.0 QUANTITIES:

The quantities mentioned above are only tentative. The purchaser reserves the right to revise the quantities at the time of placing the order.

37.0 CLIMATIC CONDITIONS:

The materials are for use in Tamil Nadu and should be satisfactory for operation under tropical conditions in Tamil Nadu.

- a) The ambient temperature will be within the range of + 10 Degree Centigrade to + 50 Degree Centigrade.
- b) The altitude will be less than 1000 meters.
- c) The maximum atmospheric humidity will be in the range of 95%.
- d) Average Number of thunder storm days per annum is 65.
- e) Average Number of dust storm days per annum is 5.
- f) Average Number of rainy days per annum is 65.
- g) Average annual rainfall is 100 cm.
- h) The climatic conditions are prone to wide variation in ambient condition and equipments offered under this specification shall be suitable for installation at any of the Sub-Stations in Tamil Nadu.
- i) All electrical devices shall be given tropical and fungicidal treatment.
Fog, smoke and mild acids are also present in the atmosphere.

38. REJECTION:

The owner will reject any material/equipment supplied by the contracts if during Test or service any of the following conditions arise:

- (i) Materials/Equipments including its components are proved to have been manufactured not in accordance with agreed Spec.
- (ii) Materials/Equipments fails on any Test indicated in the Technical Specification

The owner reserves the right to retain the reject equipment and take into service until the bidder replaces at no extra cost to the owner, the defective material by a new material. Alternatively the bidder shall repair or replace the equipment within a reasonable period to the satisfaction of the owner at no extra cost to the owner.

39. DEVIATION:

The offer of the tenders with deviation in Commercial Terms and Technical Terms of the tender doc are liable for rejection. Such deviation if any may be furnished in Schedule-B1 and B2

No alternate offer will be accepted.

40. ELECTRICITY RULES :

All works shall be carried out in accordance with the latest provisions of the Indian Electricity Act /Electricity Supply Act and the Indian Electricity Rules there-under unless modified by this specification.

41. MATERIALS AND WORKMANSHIP:

41.1. All materials, equipments and spare parts thereof shall be new, unused and originally coming from manufacturer's plant to the destination stores. Those including used, rebuilt or overhauled materials/equipments will not be accepted.

41.2. All the materials shall be of best class and capable of satisfactory operation in the tropics with humid atmospheric condition. Unless otherwise specified, they shall conform to the requirements of appropriate Indian Standards. Where these are not available, IEC and American/British Standards shall be followed.

41.3 The equipments should be designed to facilitate inspection and repair and to ensure satisfactory operation under atmospheric conditions prevailing at site and under sudden variations of load and voltages as may be met with under working conditions in the system including those due to faulty synchronizing and short circuits within the rating of the apparatus.

41.4 The design shall incorporate every reasonable precautions and provisions for the safety of all those concerned in the operation and maintenance of equipment.

41.5 All the equipments should operate without undue vibration and with the least practicable amount of noise.

42. RECOVERIES OF DUES:

The Corporation is empowered:

a) To recover any dues against this contract in any bills/Security Deposit/Earnest Money Deposit due to the suppliers either in this contract or any other contracts with Corporation/ TANTRANSCO/ TNEB.

b) To recover any dues against any other contract of the suppliers with Corporation/ TANTRANSCO/TNEB, with the available amount due to the suppliers against this contract.

43. PAST PERFORMANCE:

The intending tenderers shall furnish the details of various supply orders / work contracts executed by them for the past ten years as on the date of Tendering in the proforma enclosed in the Tender Specification and also the proof for having manufactured the tendered item and for their satisfactory performance. The details furnished by the tenderers shall be in complete shape and if it is found that any information is found omitted, suppressed, incomplete or incorrect, the same will be taken note of while dealing with the Tenderers in future. Tenders furnished by the tenderers without these accompanying details of their past performance are liable for rejection.

44. TEST CERTIFICATES

The test certificates in triplicate for the materials furnishing the results of the tests as per latest issue of IS/IEC shall be forwarded and got approved before the materials are despatched. In addition to the tests called for in the specification, the purchaser reserves the right of having such tests as he desires carried out at his own expenses to satisfy himself that the materials conform to the requirement of this specification. The materials may be rejected if the test results are not satisfactory.

45. TYPE TESTS :

Tenderers should furnish copy of type test certificates for the offered package in full shape as conforming to relevant IS/IEC Standards of latest issue obtained from a Government/Government recognized Laboratory/NABL accredited standard Laboratory, along with offer. The above type test certificates should accompany the drawings of the material/equipments, duly signed under seal by the Institution who had issued the type test certificate.

The above type test should have been conducted within **5 years (Five years)** as on the date of Tender opening, in a Government Laboratory/Government recognized Laboratory/ NABL accredited standard laboratory .The original type test certificates shall be furnished for verification on request. The details of type test should also be furnished in the Schedule B.

In the event of any discrepancy in the test reports i.e. any test report not acceptable due to

any design / manufacturing changes (including substitution of components) or due to non – compliance with the requirement stipulated in the Technical specification or any / all additional type tests not carried out, same shall be carried out without any additional cost implication to the purchaser.

45.RAW MATERIALS:

It is the responsibility of the tenderer to make his own arrangement to procure the necessary raw materials required for the manufacture.

46. JURISDICTION FOR LEGAL PROCEEDINGS (AFTER AWARD OF CONTRACT)

No suit or any proceedings in regard to any matter arising in respect of this contract shall be instituted in any court, save in the High Court, Chennai, District Court at Villupuram or at the sub Court at Villupuram Or District Municif court at Villupuram. It is agreed that no other court shall have jurisdiction to entertain any suit or proceedings, even though, part of the cause of action might arise within their jurisdiction. In case, any part of cause of action might arise within the jurisdiction of any of the Courts in Tamil Nadu and rest within the jurisdiction of courts outside the Tamil Nadu, then it is agreed to between the parties that such suits or proceedings shall be instituted in a Court within the State of Tamil Nadu and no other court outside the State of Tamil Nadu shall have jurisdiction even though any part of the cause of action might arise within the jurisdiction of such courts. The successful tenderer shall furnish an undertaking in a non/Judicial stamp paper of Rs.500/- agreeing to the above condition.

SECTION VI

TECHNICAL SPECIFICATION FOR 22 KV POLYMER COMPOSITE PIN INSULATORS

1.0 SCOPE:

This specification covers design, manufacture, testing and supply of composite Insulators for use in the 22 KV overhead transmission lines and substations. The composite Insulators shall be of the Long rod type Pin Insulators and will be used on lines on which the conductor will be AAA/ACSR of size up to 80 sq.mm. Al. equivalent (Raccoon).

2.0 APPLICABLE STANDARDS:

2.1 Standards:

Following Indian/International Standards, which shall mean latest revision, with amendments/changes adopted and published, unless specifically stated otherwise in the Specification, shall be referred while accessing conformity of Insulators with these specifications.

2.2 In the event of supply of Insulators conforming to standards other than specified, the Bidder shall confirm in his bid that these standards are equivalent or better to those specified. In case of award, salient features of comparison between the standards proposed by the Bidder and those specified in this document will be provided by the Supplier to establish equivalence.

Sl No	Indian Standard	Title	International standard
1		Definition, test method and acceptance criteria for composite Insulators for Composite Insulators for A.C. Overhead lines above 1000 V	IEC:61109
2	IS:731	Polymer Status of overhead power line with a nominal volatge greater than 1000 V	IEC:60383
3	IS:2071	Methods of High Voltage Testing	IEC:60060-1
4	IS:2486	Specification for insulator fittings for overload power lines with a nominal voltage greater than 1000V General Reuirements and Tests Dimensional Requirements locing device.	IEC:60120 IEC:60374
5		Thermal Mechanical performance test and mechanical performance test on string Insulators units	IEC:60575
6	IS:13134	Guide for the selection of insulators in respect of polluted condition	IEC:60815
7		Characteristics of string Insulator units of the long rod type	IEC:60433
8		Hydrophobicity Clarification Guide	STRI guide 1.92/1
9		Radio interference characteristics of overhead power lines and high voltage equipment	CISPRI/18-2 Part 2
10	IS:8263	Methods of RI Test of HV Insulators	IEC:60437

11		Standard for Insulators- Composite-Distribution Dead- end type	ANSI-C29.132-2000
12	IS:4759	Hot dip zinc coatings on structural steel & other allied products	ISO:1459
13	IS:2629	Recommended practice for Hot Dip galvanization for iron and steel	ISO:1461(E)
14	IS:6745	Determination of weight of zinc coating on zinc coated Iron and steel articles	ISO:1460
15	IS:3203	Methods of testing of local thickness of electroplated coatings	ISO:2178
16	IS:2633	Testing of Uniformity of coating of zinc coated articles	
17		Standard specification for glass fibre standards	ASTM D 578-05
18		Standards specification for compositional analysis by thermo-gravimetry	ASTM D 578-05
19		Specification for refined secondary zinc	

3.0 Technical Description of Composite Insulators:

3.1 Service condition:

The polymer Insulators to be supplied shall be suitable for satisfactory continuous operation under conditions as specified below:

(i)	Maximum temperature of air in shed	51 °C
(ii)	Minimum temperature of air in shed	-3 °C
(iii)	Maximum relative humidity	95% (The humidity some time approaches saturation point)
(iv)	Minimum relative humidity	10%
(v)	Average number of dust – storm days per annum	40 days
(vi)	Average number of rainy days per annum	90 days
(vii)	Number of months of tropical monsoon conditions per annum	3 months
(viii)	Average annual rainfall	1250 mm
(ix)	Maximum wind pressure	150 Kg/Sq. mm
(x)	Altitude not exceeding	1100 meters

(The limit of ambient temperature shall be 51°C peak and 38°C average over a period of 24 hours)

3.2 The Composite Pin Insulators long rod type shall be suitable for 3 phase, 50 Hz, effectively

earthed 22 KV O/H distribution system in a moderately/heavily polluted atmosphere.

3.3 Insulators shall have sheds with good self-cleaning properties. Insulator shed profile, spacing, projection etc. and selection in respect of polluted conditions shall be generally in accordance with the recommendation of IEC-60815/IS: 13134.

3.4 The size of Composite insulator, minimum creepage distance and mechanical strength along with hardware fittings shall be as follows:

Type of composite insulator	Nominal system voltage KV(rms)	Highest System Voltage KV(rms)	Visible discharge test voltage KV(rms)	Wet power frequency withstand voltage KV (rms)	Impulse withstand voltage KV(rms)	Minimum creepage distance (mm)	Min. failing load KN	Dia. Of FRP Rod (mm)
22 KV Pin Insulator	22	24	18	75	170	700	10	33.5

3.5 Dimensional Tolerance of Composite Insulators:

The tolerances on all dimensions e.g. diameter, length and creepage distance shall be allowed as follows in line with-IEC 61109:

$\pm \{0.04 \times d + 1.5\}$ mm when $d < 300$ mm,

$\pm (0.025 \times d + 6)$ mm when $d > 300$ mm.

Where, d being the dimensions in millimeters for diameter, length or creepage distance as the case may be,

However, no negative Tolerance shall be applicable to creepage distance.

3.6 Interchangeability:

The composite Insulators including the end fitting connection shall be of standard design suitable for use with the hardware fittings of any make conforming to relevant IEC/IS standards.

3.7 Corona and RI Performance:

All surfaces shall be clean, smooth, without cuts, abrasions or projections. No part shall be subjected to excessive localized pressure. The insulator and metal parts shall be so designed and manufactured that it shall avoid local corona formation and not generate any radio interference beyond specified limit under the operating conditions.

3.8 Maintenance

The composite insulators offered shall be suitable for use of hot line maintenance technique so that usual hot line operation can be carried out with ease, speed and safety.

4.0 BASIC FEATURES:

4.1 Design and construction:

The Composite Pin Insulator shall have a core, housing & weather shed of insulating material and steel/aluminum alloy hardware components for attaching it to the support/conductor.

4.2 Core:

It shall be a glass-fiber reinforced epoxy resin rod of high strength (FRP rod). Glass fibers and

resin shall be optimized in the FRP rod. Glass fibers shall be Boron free electrically corrosion resistant (ECR) glass fiber or Boron free E-Glass and shall exhibit both high electrical integrity and high resistance to acid corrosion. The matrix of the FRP rod shall be Hydrolysis resistant. The FRP rod shall be manufactured through Pultrusion process. The FRP rod shall be void free. The diameter of FRP rod should be 33.5 mm only.

4.3 Housing (Sheath):

The FRP rod shall be covered by a seamless sheath of a silicone electrometric compound or silicone alloy compound of a thickness of 3 mm minimum.

It should protect the FRP rod against environmental influences, external pollution and humidity. It shall be extruded or directly moulded on the core and shall have chemical bonding with the FRP rod. The strength of the bond shall be greater than the tearing strength of the polymer. Sheath material in the bulk as well as in the sealing/bonding area shall be free from voids.

4.4 Weather sheds:

The composite polymer weather sheds made of silicone electrometric compound or silicon alloy compound shall be firmly bonded to the sheath, vulcanized to the sheath or molded as part of the sheath and shall be free from imperfections. It should protect the FRP rod against environment influences, external pollution and humidity. The weather sheds should have silicon content of minimum 30% by weight. The strength of the weather shed to sheath interface shall be greater than the tearing strength of the polymer. The interface, if any, between sheds and sheath (housing) shall be free from voids. The colour of the weather sheds is Grey & number of sheds 6 with alternative sheds type.

End fittings transmit the mechanical load to the core. They shall be made of spheroidal graphite cast Iron, malleable cast iron or forged steel or aluminum alloy. They shall be connected to the rod by means of a controlled compression technique. The material used in fitting shall be corrosion resistant. As the main duty of the end fitting is the transfer of mechanical load to the core, the fittings should be properly attached to the core by a coaxial or hexagonal compression process and should not damage the individual fibres or crack the core. The gap between fitting and sheath shall be sealed by a flexible silicone electrometric compound or silicone alloy compound sealant. System of attachment of end fitting to the rod shall provide superior sealing performance between housing, i.e. seamless sheath and metal connection. The sealing must be moisture proof.

The dimensions of end fittings of Insulators shall be in accordance with the standard dimensions stated in IS: 2486/IEC60120.

5.0 Workmanship:

5.1 All the materials shall be of latest design and shall conform to the best engineering practices adopted in the high voltage field. Bidders shall offer only such Insulators as are guaranteed by them to be satisfactory and suitable for continued good service in power transmission lines.

5.2 The design, manufacturing process and material control at various stages shall be such as to give maximum working load, highest mobility, best resistance to corrosion, good finish and elimination of sharp edges and corners.

5.3 The design of the Insulators shall be such that stresses due to expansion and contraction in any part of the insulator shall not lead to deterioration.

5.4 The core shall be sound and free of cracks and voids that may adversely affect the Insulators.

5.5 Weather sheds shall be uniform in quality. They shall be clean, sound, smooth and shall be free from defects and excessive flashing at parting lines.

5.6 End fittings shall be free from cracks, seams, shrinks, air holes and rough edges. End fittings should be effectively sealed to prevent moisture ingress; effectiveness of sealing system must be supported by test documents. All surfaces of the metal parts shall be perfectly smooth without projecting points or irregularities, which may cause corona. All load bearing surfaces shall be smooth and uniform so as to distribute the loading stresses uniformly.

5.7 All ferrous parts shall be hot dip galvanized to give a minimum average coating of zinc equivalent to 610 gm/Sq.m, or 87· m thickness and shall be in accordance with the requirement of IS: 4759, The zinc used for galvanizing shall be of purity 99.5% as per IS: 4699. The zinc coating shall be uniform, adherent, smooth, reasonably bright continuous and free from imperfections such as flux, ash rust stains, bulky white deposits and blisters. The galvanized metal parts shall be guaranteed to withstand at least four successive dips each lasting for one (1) minute duration under the standard preece test. The galvanizing shall be carried out only after any machining.

6.0 Equipment Marking:

6.1 Each insulator unit shall be legibly and indelibly marked with the following details as per IEC-61109:

- (a) Month & Year of manufacture and guarantee period
 - (b) Min. failing load/guaranteed mechanical strength in kilo Newton followed by the word 'KN' to facilitate easy identification.
 - (c) Manufacturer's name/Trade mark & Purchasers name.
- (TNPDC)

7.0 Bid Drawings:

7.1 The Bidder shall furnish full description and illustration of the material offered.

7.2 The Bidder shall furnish along with the bid the outline drawing (3 copies) of each insulator unit including a cross sectional view of the long rod insulator unit. The drawing shall include but not be limited to the following information:

- (a) Long rod diameter with manufacturing tolerances
- (b) Minimum Creepage distance with positive tolerance
- (c) Protected creepage distance
- (d) Eccentricity of the long rod unit
 - (i) Axial run out
 - (ii) Radial run out
- (e) Unit mechanical and electrical characteristics
- (f) Size and weight tongue & clevis
- (g) Weight of composite long rod unit.
- (h) Materials
 - (i) Identification mark
 - (ii) Manufacturer's catalogue number

7.3 After placement of award, the supplier shall submit full dimensioned manufacturing insulator drawing containing all the details in three copies to the Owner for approval.

8.0 Required Guaranteed Technical Particulars for 22 KV Polymer Composite Pin Insulators:

Sl No	Test Particulars	Values
1	Working Voltage	22 KV
2	Highest System Voltage	24 KV
3	Dry Power Frequency Withstand Volatge	85 KV
4	Wet Power Frequency Withstand Volatge	75 KV
5	Dry flashover voltage	125 KV
6	Wet flashover volatge	100 KV
7	Dry lightning Impulse withstand voltage	Positive:195 KV Negative:210 KV
8	Dry lightning Impulse flashover volatge	Positive:195 KV Negative:210 KV
9	Dia of FRP Rod	33.5 mm
10	Minimum Failing load	10 KN
11	Minimum Creepage Distance	700 mm
12	Dia of First Outer Shell (min)	150 mm
13	Dia of Second Outer shell (min)	130 mm
14	Dry arc Distance	270 mm
15	RIV at 1 MHz when energized 10 KV rms under dry condition	<100 micro volts
16	No. of weather sheds	6
17	Colour of sheds	Grey
18	Total length of the Insulator	>460 mm

9.0 Tests and Standards:

Insulators offered shall be manufactured with the same configuration & raw materials as used in the Insulators for which design & type test reports are submitted. The manufacturer shall submit a certificate for the same. The design & type test reports submitted shall not be more than 5 years old.

9.1 Design tests:

Manufacturer should submit test report for design test as per IEC-61109 (Clause-5) & its latest amendments along with the bid. Additionally following tests shall be carried out or reports for the tests shall be submitted after award of contract:

UV test: The test shall be carried out in line with clause 7.2 of ANSI C29.13.

9.2 Type Tests:

The Tenderer shall furnish detailed Type Test report of the offered composite insulators as per

IEC 61109 from NABL approved lab to prove that the composite insulators offered meet the requirements of the specifications. These type tests should have been carried out within 5 years prior to the date of opening of this tender. The following type tests shall be conducted on a suitable number of individual insulator units, components, materials or complete strings. The type test contains the following 7 Nos. of test reports should be invariably submitted along with the bid or otherwise the offers will be rejected.

Sl No	Description of type test	Ten procedure/standard
1	Dry lightning impulse withsand voltage test	As per IEC 61109
2	Wet power frequency test	As per IEC 61 109
3	Mechanical load time test	As per IEC 61 109
4	Radio Interference test	As per IEC 61109 revised
5	Recovery of Hydrophobicity test	As per Annexure -A This test may be repeated every 3 yrs by the manufacturer
6	Chemical composition test for silicon content	As per Annexure-A or any other test method acceptable to the owner
7	Brittle fracture resistance test	As per Annexure-A

9.2.1 The Manufacturer shall submit type test reports as per IEC61109 . Additional type tests required if any shall be carried out by the manufacturer, after award of contract for which no additional charges shall be payable. In case, the tests have already been carried out, the manufacturer shall submit reports for the same.

9.2.2 All the Type Tests given in Clause No. 9.2 in addition to routine & acceptance test shall be carried out on insulator along with hardware fittings wherever required.

9.3 Routine Tests:

Sl No	Description	Standard
1	Identification of marking	As per IEC:61109
2	Visual Inspection	As per IEC:61109
3	Mechanical routine test	As per IEC:61109

9.3.1 All routine tests as stipulated in the relevant standards shall be carried out and routine tests certificates shall be submitted before inspection. The routine tests will also be carried out on select samples during inspection by TNPDCCL officials. The materials may be rejected if the test results are not satisfactory.

9.3.2 Every polymeric insulator shall withstand mechanical routine test at ambient temperature tensile load at RTL corresponding to at least 50% of the SML for at least 10 sec.

9.4 Acceptance (sample) Tests:

The test samples after having with stood the routine test shall be subjected to the following acceptance test.

(a)	Verfication of dimensions	:	IEC:61109
(b)	Verfication of locking system (if applicable)	:	IEC:61109
(c)	Galvanizing test	:	IS:2633/IS:6745
(d)	Verfication of the specified mechanical load	:	IEC:61109
(e)	Verfication of tightness of the interface between end fitting and insulators housing mechanical load	:	Clause 7.4 IEC:611 09, amendment 1 of 1995

9.5 Tests During Manufacture:

Following tests shall also be carried out on all components as applicable

- a) Chemical analysis of zinc used for galvanizing
- b) Chemical analysis, mechanical, metallographic test and magnetic particle inspection for malleable castings.
- c) Chemical analysis, hardness tests and magnetic particle inspection for forgings.

9.6 Co-ordination for Testing:

The Supplier shall have to co-ordinate testing of Insulators with hardware fittings to be supplied by other Supplier and shall have to guarantee overall satisfactory performance of the Insulators with the hardware fittings.

9.7 Quality assurance plan:

The successful bidder shall submit following information to the owner:

9.7.1 Test certificates of the raw materials and bought out accessories.

9.7.2 Statement giving list of important raw materials, their grades along with names of sub-suppliers for raw materials, list of standards according to which the raw materials are tested. List of tests normally carried out on raw materials in presence of bidder's representative.

9.7.3 List of manufacturing facilities available.

9.7.4 Level of automation achieved and lists of areas where manual processing exists.

9.7.5 List of areas in manufacturing process, where stage inspections are normally carried out for quality control and details of such tests and inspections.

9.7.6 List of testing equipments available with the bidder for final testing of equipment along with valid calibration reports.

9.7.7 The manufacturer shall submit Manufacturing Quality Plan (MQP) for approval & the same shall be followed during manufacture and testing,

9.7.8 The successful bidder shall submit the routine test certificates of bought out raw materials / accessories and central excise passes for raw material at the time of inspection.

9.8 Guarantee:

The materials shall be guaranteed for satisfactory operation and good Workmanship at least for a period of 36 months from the date of receipt of last consignment of materials at site in good condition. Any defect noticed during this period shall be rectified by the supplier free of charge to the TNPDC.

9.9 Test reports:

9.9.1 Copies of the Design test & Type Test conforming to relevant IS/IEC & duly signed by the tenderer should be enclosed along with the tender offer.

9.9.2 Record of routine test reports shall be maintained by the supplier at his works for periodic inspection by the owner's representative.

9.9.3 Test certificates of test during manufacture shall be maintained by the supplier. These shall be produced for verification as and when desired by purchaser.

9.9.4 Random samples of materials supplied will be tested (both, Routine & Type Tests) departmentally or through approved Govt. Laboratory at purchasers cost and for any non-conformity to relevant IS. with subsequent amendments thereof, full supplies will be rejected. The rejected materials will be taken back from department stores within 15 days from date of intimation received. If initial payment had already been made, the balance payment will be forfeited and any other losses or damages including testing charges will also be claimed. Future supplies in such cases will be accepted and paid for only after the results of the samples tested are satisfactory. In addition, the guarantee period will also be extended for subsequent supplies at the discretion of the purchaser.

10.0 Inspection:

10.1 The Owner's representative shall at all times be entitled to have access to the works and all places of manufacture, where insulator, and its component parts shall be manufactured and the representatives shall have full facilities for unrestricted inspection of the Supplier's and sub-Supplier's works, raw materials, manufacture of the material and for conducting necessary test as detailed herein.

10.2 The material for final inspection shall be offered by the Supplier only under packed condition. The Owner shall select samples at random from the packed lot for carrying out acceptance tests. The lot offered for inspection shall be homogeneous and shall contain Insulators manufactured in 3-4 consecutive weeks.

10.3 Not less than 15 days advance intimation shall be given about the quantity of materials

that will be ready for inspection to the TNPDC's Officers. The arrangement for inspection shall be made by supplier in such a way that the delivery schedule is kept up. The materials shall not be despatched without instruction from TNPDC.

10.4 Factory inspection will be done by the TNPDC's officers to assess the genuineness in manufacturing the tendered materials and to assess whether the firm has infrastructural facilities to manufacture the same.

10.5 The acceptance of any quantity of material shall in no way relieve the Supplier of his responsibility for meeting all the requirements of the specification and shall not prevent subsequent rejection, if such materials are later found to be defective.

11.0 Packing:

11.1 All insulators shall be packed in Double HDPE Bags with the material shall not normally exceed 50 Kg to avoid handling problem. The Packing shall be suitable for outdoor storage under wet climate during rainy season & protect insulator from Rats & other insects.

11.2 The packing shall be of sufficient strength to withstand rough handling during transit, storage at site and subsequent handling in the field.

11.3 Suitable cushioning, protective padding, or dunnage or spacers shall be provided to prevent damage or deformation during transit and handling.

11.4 All packing cases shall be marked legibly and correctly so as to ensure safe arrival at their destination and to avoid the possibility of goods being lost or wrongly dispatched on account of faulty packing and faulty or illegible markings. Each Double HDPE Bags will have all the markings stenciled on it in indelible ink.

11.5 The bidder shall provide instructions regarding handling and storage precautions to be taken at site.

12.0. SAMPLE CLAUSE:

Tenderers quoting against this Specification shall submit one no. sample of 22 KV Polymer Composite PIN Insulators in complete shape **before the opening of tender** as indicated below for inspection and approval.

The sample 22KV Polymer Composite PIN Insulators shall be arranged to be delivered to Office of Chief Engineer/Distribution/Villupuram before the due date (ie before 28.10.26 @3.00 PM) to the following address:

Office of the Chief Engineer/Distribution/Villupuram

No:10 Old Power House Road,

TNPDC, Villupuram

Contact No:04146-290360.

free of cost, freight and any other incidental charges prepaid and without any obligation on the part of the TNPDC for safe custody under intimation to the Chief Engineer /Distribution/Villupuram, failing which the tenders will be summarily rejected.

A label with following details shall be tagged on the sample sent.

1. TNPDC Specification Number.
2. Name or trade mark of the manufacturer.
3. Name of the tender with full address.

Sample received after the due date and time will not be accepted. **The tenders received without samples will be summarily rejected.**

In case sample material is found not conforming to the requirements as per standards, the price bid of the offer shall not be opened and the offer will be rejected.

The sample once furnished is final. However, the TNPDCCL has the right to call for fresh sample, if necessary.

If the sample furnished is superior to that specified in the specification, such sample may be accepted without any extra commitment to the TNPDCCL on that account.

It is the responsibility of the tenderer to ensure that the samples are arranged to be delivered to the office of Chief Engineer/Distribution/Villupuram before the date of opening when dispatched from outside station by Road/Rail/Air.

The TNPDCCL will not arrange for the clearance of the consignment of samples dispatched by Rail/Road/Air and the responsibility will lie with the tenderers only. The TNPDCCL cannot be insisted upon for the acceptance of the samples. The samples submitted against this enquiry should be taken back by the tenderers at their own cost after the receipt of due intimation from the TNPDCCL. Non Clearance of samples after the receipt of the intimation from TNPDCCL will be up to the tenderer's risk.

Annexure A

Tests on Polymer Insulator Units

1 RIV Test (Dry):

The insulator string along with complete hardware fittings shall have a radio interference voltage level below 100 micro volts at one MHz when subjected to 50 Hz AC voltage of 10 KV, 20 KV & 30 KV for 11 KV, 22 KV & 33 KV class insulators respectively under dry condition. The test procedure shall be in accordance with IS: 326B /I EC : 437/CISPfi 18-2.

2 Brittle Fracture Resistance Test:

Brittle fracture test shall be carried out on naked rod along with end fittings by applying '1 n HNO₃ acid' (63 g cone, HNO₃ added to 937 g water) to the rod. The rod should be held at 80% of SML for the duration of the test. The rod should not fail within the 96 hour test duration. Test arrangement should ensure continuous wetting of the rod with Nitric acid.

3 Recovery of Hydrophobicity & Corona test:

The test shall be carried out on 4mm thick samples of 5cm x 7cm

- i) The surface of selected samples shall be cleaned with isopropyl alcohol. Allow the surface to dry and spray with water. Record the Hydrophobicity classification in line with STRI guide for Hydrophobicity classification. Dry the sample surface.
- ii) The sample shall be subjected to mechanical stress by bending the sample over a ground electrode. Corona is continuously generated by applying 12 KV to a needle like electrode placed 1mm above the sample surface. The test shall be done for 100 hrs.
- iii) Immediately after the corona treatment, spray the surface with water and record the HC classification. Dry the surface and repeat the corona treatment as at clause 7 above. Note HC classification. Repeat the cycle for 1000 hrs. or until an HC of 6 or 7 is obtained. Dry the sample surface.
- iv) Allow the sample to recover and repeat hydrophobicity measurement at several time intervals. Silicone rubber should recover to HC 1 - HC 2 within 24 to 48 hours, depending on the material and the intensity of the corona treatment.

4 Chemical composition test for Silicon content:

The content of silicon in the composite polymer shall be evaluated by EDX (Energy Dispersion X-ray) Analysis or Thermo-gravimetric analysis. The test may be carried out at CPRI or any other NABL accredited laboratory.

ANNEXURE B

GUARANTEED PERFORMANCE & TECHNICAL PARTICULARS OF 22 KV POLYMER COMPOSITE PIN INSULATORS

The tenderers shall furnish the following guaranteed particulars along with the offer without which their quotations are liable to be rejected.

SL NO	DESCRIPTION	UNIT	22 kv
	Name of manufacturer and Address		
1	Insulators type and Make		
2	Standard according to which the insulators manufactured and tested		
3	Name of the material used in Manufacture of the Insulator with class/grade		
a.	Material of Core(FRP rod) I) E-glass or ECR glass ii) Boron Content		
b.	Material of housing & weather-sheds (Silicon content by weight)		
c.	Material of end fitting		
d.	Sealing compound for end fittings		
4	Colour		
5	Electrical Characteristics		
a.	Nominal system voltage		
b.	Highest system voltage		
c.	Dry Power Frequency Withstand Voltage		
d.	Wet Power Frequency Withstand Voltage		
e.	Dry flashover voltage		
f.	Wet flashover voltage		

g.	Dry lightning Impulse withstand voltage i) positive ii) negative		
h.	Dry lightning Impulse flashover voltage i) positive ii) negative		
i.	Visible discharge test voltage		
j.	RIV at 1 MHz when energized at 10 KV (rms) under dry condition		
k.	Creepage distance (minimum)		
6	Mechanical Characteristics		
a.	Minimum failing load

ANNEXURE- 1

Guidelines for releasing GST portion to suppliers / Contractors:

As per GST guidelines TNPDCCL / TANTRANSCO has to ensure the remittance of GST to Govt. made without omissions by the supplier / contractors, since GSTR 2A is getting updated regularly. Hence the following guidelines were issued to the Supplier / Contractor:

1. The Tax invoices shall have the details of rates, quantity and admissible rate of GST.
2. The suppliers shall pay the GST and file the returns under GST promptly to avoid delay in processing / payment of invoices could be avoided/ minimized. If the supplier paid the GST, their invoices would be exhibited in the GSTR-2A and the same will be taken as GST compliance of Supplier/contractor.
3. The running bills will be passed after verification of the GST paid in the previous month. In case of high value bills (say 10 lakh or above) the GSTR-2A will be verified before passing the bills.
4. In case of one and only bill against the PO/W.C, the bill will be passed after verification of GSTR-2A only.
5. The updated GSTR-2A available in the portal will be utilized in lieu of documentary proof for any GRT claim.
6. Instead of insisting for the hard copy of any document proof such as returns filed, Challons remitted, CA certificate, GSTR-3B the GSTR-2A will be verified for admitting invoices.

The Tax supplier who has availed the scheme of quarterly filing of returns (i.e when turnover is upto 150 Lakhs) the following mechanism will be adopted for passing the bills.

- i. If it is only one bill, the GST payment of the supplier's bill will be verified during PO closure.
- ii. If there are multiple bills, then
 - (a) Bills related to first 3 months i.e Initial quarter will be admitted inclusive of GST without verifying with GSTR-2A reports.
 - (b) Bills for the subsequent quarter will be passed if GST payment of bills raised on TNPDCCL in the earlier processed quarter has been updated and exhibited in GSTR-2A.

If discrepancies arises between the value shown in the GSTR-2A and the invoices available, the liability towards GST may be restricted to the lower of the above two.
