2017, dt.16.06.2017.

It is seen from the GST web portal that the provisional GST id (allotted by the concerned commercial Tax department) of the circles (list enclosed) is operational and shows the status as migrated, activated, active pending verification, validation error, cancelled etc., (List as per Annexure A)

It is also seen that in respect of the circles mentioned in Annexure B, the VAT registration nos. are not reflected under TANGEDCO's PAN either due to PAN is not registered with the commercial tax department or PAN is wrongly reported.

It is therefore requested that the circles in Annexure A and B have to cancel the provisional GST numbers by contacting respective Commercial Tax Department of the concerned circles.
