For petitioner : Mr. K.V. Venkatapathy
For respondent—1 : Mr. S. Srinivasan

ORDER

The first respondent filed a suit, O.S. No. 1604 of 1990 in the District Munsif Court, Madurai Town against the second respondent herein vis., the Union Bank of India, without impleading the petitioner herein for the relief of a permanent injunction, restraining the Bank from making any payment to the petitioner on the basis of the suit bank guarantees, pending adjudication of the dispute between the petitioner and the first respondent or till 31—3—1991. Even a bare perusal of the reliefs sought for clearly shows that the petitioner was a necessary party to the suit. The suit was directly meant to prejudice the interests of the petitioner. Admittedly, there was a contract between the petitioner and the first respondent with respect to certain works the value of which is said to be Rs. 1,91,43,571/-. The first respondent had apparently furnished bank guarantee in accordance with the contract. Disputes had arisen between the petitioner and the first respondent in respect of the contract. The petitioner was apparently trying to encash the amounts under bank guarantee. To prevent such an action, the first respondent had filed the suit without impleading the petitioner. Pending disposal of the suit, Interlocutory Application, I.A. No. 1089 of 1990 was filed seeking an interim injunction.

On this application an ad-interim order was passed on 21—9—1990 in the following terms :—

"Heard the petitioner and perused the documents filed in support of the claim. The petitioner has brought out a case in prima facie, hence ad-interim injunction and notice by 23—10—90".

2. Another suit, O.S. No. 8800 of 1990 had been filed in the City Civil Court, Madras in respect of the very same contract. In the suit, reliefs had been sought for with reference to the withdrawal of certain items of work, cancellation of the contract and to preserve the original agreement between the parties. Pending disposal of the suit, four Interlocutory Applications were filed, one of which is I.A. No. 19688 of 1990 to restrain the petitioner from encashing the bank guarantees given through the second respondent bank. In this suit, however, the petitioner has been made as a party. All the four interlocutory applications were heard and finally disposed of on 28—11—1990 dismissing the applications.

3. Mr. Venkatapathy, learned counsel for the petitioner, argues that the order of injunction granted on 21—9—1990 is totally without jurisdiction and vitiated by non-application of mind with reference to Order 39 Rules 1 and 2 C.P.C. On the other hand, Mr. Srinivasan learned counsel for the first-respondent, argues that it is open to the petitioner board to implead themselves in the suit and the Interlocutory Application and make out a case for vacating the injunction before the trial court. According to Mr. Srinivasan, the petitioner cannot try to short-circuit the process by approaching this court under Article 227 of the Constitution of India. The contention of the first respondent is that the petitioner has no *locus standi* to file this Civil Revision Petition under Article 227 of the Constitution of India, as the petitioner-board is not a party to the order challenged. Dealing with this objection, Mr. Venkatapathy, learned counsel for the petitioner, relies on the judgement of the Supreme Court in BHIKOBASHANKAR v. MOHAN LAL PUNCHAND (AIR 1982 SC 865). It was pointed out in that case that whoever had an interest in the proceedings may question the order by invoking Article 227 of the Constitution of India. In RAMALINGA NAICKER v. CHENNAKRISHNA KONAR (AIR 1983 Madras, 347), S. Ratnavel Pandiyar, J., (as he then was) has held that if a party has not availed of Order 39 Rule 4, C.P.C., it would be improper to file a revision under Section 115 of C.P.C. to question an ad-interim order. That is undoubtedly the normal rule, but there is always an exception to the rule. Further, we are concerned with a revision under Article 227 of the Constitution of India. The scope and content of the power under Article 227 of the Constitution of India is certainly different from the scope and content of the power under Section 115 C.P.C. IN STATE OF MADHYA PRADESH v. BABU LAL AND OTHERS (AIR 1977 SC 1718), it has been held that a decree of a Civil Court which is totally without jurisdiction can be canvassed in proceedings under Articles 226 and 227 of the Constitution of India. In this case, I find though the trial court has purported to say that a *prima facie* case had been made out, it appears to me that the trial judge has mechanically passed the order without a real application of mind. I have already pointed out that even a bare perusal of the prayer in the suit suggests that the petitioner is a necessary party to the suit. I do not think that the trial court was justified in passing an order of interim injunction without the petitioner having been made a party. Secondly, the law relating to Order 39 Rules 1 and 2 C.P.C. in respect of a bank guarantee as laid down by the Supreme Court should have been kept in mind. Setting aside a similar order of injunction granted by the Allahabad High Court, the Supreme Court observed in U. P. CO-OPERATIVE FEDERATION LTD. v. SINGH CONSULTANTS AND ENGINEERS (P) LTD. (1988) 1 SCC 174 as follows :—

"I am of the opinion that this is not a case in which injunction should be granted. An irrecoverable commitment either in the form of confirmed bank guarantee or irrecoverable letter of credit cannot be interfered with except in case of fraud or in case of question of apprehension of irretrievable injustice has been made out. This is the well settled principle of the law in England. This is also a well settled principle of law in India, as I shall presently notice from some of the decisions of the High Court and decisions of this Court."

Again, after analysing various decisions, the Supreme Court observed as follows :—

"This is not a case where irretrievable injustice would be done by enforcement of bank guarantee. This is also not a case where a strong prima facie case of fraud in entering into a transaction was made out. If that is the position, then the High Court should not have interfered with the bank guarantee."

4. I am, therefore, convinced that the order of the trial court dated 21-9-1990 is totally without jurisdiction and is liable to be set aside and it is accordingly set aside. The Civil Revision Petition is allowed. There will be no order as to costs.

Tamil Nadu Electricity Board Quarters at J.J.R. Nagar, Vyasarpadi—Provision of water supply—Water charges paid by the Board to Metro Water—Orders—Issued.

(Per.) Board's Proceedings (F.B.) No. 10 (Sectt. Branch)

Dt: 13—2—1991.
Maasi 1, Pramodhutha,
Thiruvalluvar Aandu, 2022.

Read :

Board's Memo. No. 62338/O&M Cell/89—1 dt. 21—9—89.

Proceedings :

Metro water has been supplying two lorry loads of water daily since April, 1988 to the 200 tenements of J.J.R. Nagar, Vyasarpadi. The question of supply of water through Kilpauk water works directly was discussed with the Managing Director, Metro Water. Among others the Metro water has stated that if a booster pump is installed at Basin Bridge Power House and construction of a sump is completed at J.J.R. Nagar Quarters, water supply can be effected from Kilpauk water works directly. A sum of Rs. 1.32 lakhs has also been sanctioned for the above works and the recovery of charges from the tenements for the water already supplied have been stayed.

2. Considering the hardship of the tenements, the Board had paid an approximate amount of 3.70 lakhs (Rupees Three lakhs and seventy thousand only) to the Metro water for the supply of water to J.J.R. Nagar Quarters for period ending 31—12—1990 and proposed that the above water charges may be borne by the Board and the water charges payable from 1—1—1991 may be recovered from the inmates of the quarters at J.J.R. Nagar, Vyasarpadi.

3. After careful consideration of the above proposal, the Tamil Nadu Electricity Board hereby orders that the approximate amount of Rs 3.70 lakhs paid to the Metro water for the supply of water to J.J.R. Nagar Quarters for the period ending 31—12—1990 shall be borne by the Board and ratifies the action in having paid the amount in anticipation of approval of the Board.

4. The Tamil Nadu Electricity Board also directs that the water charges payable to the Metro water from 1—1—1991 shall be recovered from the inmates of the 200 quarters of J.J.R. Nagar, Vyasarpadi.

Read:—

Board's Memo. No. 2106-H1/91-6 dated 1—2—1991.

Proceedings :

The Chief Engineer/Distribution/Trichy has raised certain clarifications to whether the land tax for the lands acquired by the Board, for erection of Sub-Stations and construction of buildings in rural areas can be paid and whether the interest for the delay in payment of tax can also be paid as demanded by the Revenue authorities.

2. The Legal Cell has opined that the Tamil Nadu Urban Land Tax Act 1966 and Tamil Nadu District Municipality Act 1970 do not grant any exemption in favour of Tamil Nadu Electricity Board from payment of Urban Land Tax and Property Tax as and when demands are made by the respective authorities but no interest need be paid on such taxes. The Legal Cell has further suggested that the Revenue Department/Government may be consulted with regard to exemption, if any, granted in the case of Tamil Nadu Electricity Board from Payment of such taxes.

3. The Chief Engineer Distribution/Trichy has requested that the Superintending Engineers, may be delegated with powers for payment of Land Tax for the lands owned by the Board in rural areas as and when demands are made by the Revenue authorities.

4. The Tamil Nadu Electricity Board, after careful consideration of the matter, directs that the Superintending Engineers of Operation and Maintenance circles be delegated with Powers, for Payment of Land Tax for the lands owned by the Board in rural areas also as in the case of payment of Urban Land Tax. The Superintending Engineers are also informed that in case payment of interest, if any, is demanded by the Revenue Department/Government, the same need not be paid but waiver of such interest should be sought for.

5. The Superintending Engineers of Operation and Maintenance Circles are directed to adhere to the above instructions and act accordingly.

Office Memorandum No. Q/TK/461/9/90, dated 26—10—90 of Ministry of External Affairs, Government of India, New Delhi.

Sub: Provisions regarding receipt/acceptance of gifts, from foreign dignitaries/sources—Clarification regarding.

The Foreign Contribution (Regulation) Act and the Foreign Contribution (Acceptance or Retention of gifts or presentations) Regulations, govern the acceptance, by any person, of any gift/presentation, made to him from any foreign source including foreign dignitaries, and the conditions for its retention.

2. However, the Act and the Regulations, cited above, cover only the gifts/presentations which have been made to a person in his capacity "as a member of any Indian delegation". As such, the gifts, which are received by any Government servant otherwise than in his capacity as member of Indian delegations, do not come under the purview of the Act and Regulations, but are to be governed by the provisions made in Rule 13 of the CCS (Conduct) Rules, 1964, the relevant provisions of IFS (Conduct and Discipline) Rules, and similar provisions in various Service Conduct Rules.

3. It has been observed that all cases of gifts, received from foreign dignitaries etc., by Government servants are referred to the Toshakhana in the Ministry of External Affairs, irrespective of the occasions, on which such gifts/presentations have been made. It is, therefore, clarified that the question of acceptance/retention of gifts received by Government servants from foreign sources/dignitaries, otherwise than as member of Indian delegation is to be considered by the controlling Ministries/Departments of the Government of India, etc., under the relevant provisions of Conduct Rules, in consultation with the Toshakhana, in the Ministry of External

Affairs, New Delhi wherever necessary. Only gifts/presentations, the receipt of which is governed under Foreign Contribution (Regulation) Act and Foreign Contribution (Acceptance or Retention of Gifts/presentations) Regulations need be sent to the Toshakhana in the Ministry of External Affairs for consideration.

4. The above clarifications may please be brought to the notice of all concerned.

ESTABLISHMENT—Tamil Nadu Electricity Board—Gas Turbine Project at Basin Bridge, Madras—Shifting of the post of General Superintendent/Stores Inspection—Orders issued.

(Per.) B.P. (Ch.) No. 28

(Secretariat Branch)

Dated the 16th February 1991.

Proceedings:

A 120 MW Gas Turbine Project will be established at Basin Bridge, Madras at an estimated cost of Rs. 123 Crores and it has been cleared by the Planning Commission, Government of India. The Power Station is scheduled for commissioning between September, 1992 and March, 1993. It has been suggested that the post of General Superintendent/Stores Inspection at Headquarters can be better utilised by transferring it to the Gas Turbine Project.

2. After careful consideration, it is hereby ordered that the post of General Superintendent Stores Inspection at Headquarters shall be shifted to Basin Bridge, Madras to head the Gas Turbine Project along with the following staff:—

(i) Steno-Typist	One
(ii) Office Helper	One

3. Consequent on the shifting, the post of General Superintendent / Stores Inspection shall be re-designated as "General Superintendent, Basin Bridge Gas Turbine Project". He will be in over all charge of the works relating to Gas Turbine Project. He will be under the control of Chief Engineer, North Madras Thermal Power Project.

4. This order will take immediate effect.

Memorandum No. 4138/P2/91—1 (Secretariat Branch) Dated 16—2—1991.

Sub : Economy in expenditure on Travel Expenses—Instructions issued—Communicated.

With a view to effect economy in the expenditure connected with payment of Travelling Allowance, the Chief Engineers, Superintending Engineers and other Officers of the Board are requested to issue suitable instructions to their subordinate Officers to strictly adhere to the following economy measures to Travel Expenses:—

- (i) Frequent transfers of staff and Officers under their control may be avoided to the maximum extent so that the huge expenditure on Transfer Travelling Allowance could be reduced.
- (ii) The number of tours performed by the Officers and staff under their control may be restricted to a minimum number of days.

- (iii) The performance of the tours may be admitted only in cases of absolute necessity. The staff performing tours merely for carrying tapals from Headquarters to other places may be curtailed.
- (iv) So far as travel by Air is concerned, the Heads of Departments can exercise their discretion as to who, among those eligible for Air travel will be permitted to travel by Air, since the Air fares are being raised by about 25 per cent every year. The others, eventhough eligible, can be asked to travel by train in view of economy.
- (v) Whenever Meetings are convened at the Circle level only concerned Officers should attend without any supporting staff for the Meeting.
- (vi) Number of Meetings may be restricted. A clear planning may be done to convene the Meeting with subordinates to avoid wasteful trips.

ESTABLISHMENT—Tamil Nadu Electricity Board—Tuticorin Thermal Power Station—Creation of one post of "Officer on Special Duty" in the rank of Chief Engineer / Electrical—Orders issued.

(Per.) B.P. (F.B.) No. 11

(Secretariat Branch)

Dated : 18-2-1991.
Maasi, 6 Pramothutha,
Thiruvalluvar Andu, 2022.

Proceedings :

The present Chief Engineer / Tuticorin Thermal Power Station is due to retire from service of the Board on 31-3-1991 on superannuation. It has been proposed that in view of the complexities of thermal stations the next incumbent to be posted as Chief Engineer / Tuticorin Thermal Power Station should undergo training as an "Under Study" for a reasonable period before he joins the post.

2. After careful consideration, the Tamil Nadu Electricity Board hereby orders that ONE post of "Officer on Special Duty" in the grade of Chief Engineer / Electrical (Scale Rs. 5100-175 5975) shall be created for a period of about one and half months upto 31-3-1991. Memorandum No. 056848/304/Adm. Br./I. R 1 (3)/90—1 dt. 22—2—91.

Sub : Establishment—Class III Service—Utilisation of Surplus Assessors—
payment of Pro—rata wages—Clarification—Issued.

Ref : Adm. Br. Circular Memo. No. 031333/210. CC— 3(1)/90—1
dated 21—3—1990.

In the circular Memorandum cited Instructions regarding utilisation of surplus Assessors in the Distribution Circles to the extent of vacancies etc. were issued, so as to avoid payment of pro—rata wages to the Assessors for attending to the works excess over norms in distribution Circles. It was also instructed therein that any payment that ought to be done after 1—4—90 except in deficit areas should have prior approval of the Chairman.

2. Certain Chief Engineers of Distribution Regions and Superintending Engineers of Distribution Circles have sought for clarification on payment of Pro—rata wages to the Assessors for attending the work excess over norms in the following circumstances.

- (i) Whether pro—rata wages become payable due to reduced No. of working days for Assessment work on account of intervening—holidays.
- (ii) Due to the extended period of collection, the available days for Assessment will be less than seven days normally required and in such cases whether payment of pro—rata wages may be paid.
- (iii) Whether pro—rata wages may be allowed for agricultural services, which are to be treated as excess over norms as per settlement.
- (iv) Whenever any Assessor proceed on leave, the Assessment work has to be entrusted to other Assessor in addition to his regular work (when the Leave-Reserve Assessors etc. have already been deployed) in which case, payment of Pro-rata wages may have to be paid.
- (v) After taking into account, the additional Assessors required as on 1—1—90 and surplus Assessors available, still there are excess service over and above norms in certain sections for attending to which pro-rata wages may have to be paid.
- (vi) Since new service connections are effected after 1—1—90, which result in exceeding limit in some sections payment of pro-rata wages is necessitated.

3. The matter has been examined and the following instructions are issued :-

- (i) Regarding items (i) & (ii) under para 2 above a copy of Administrative Branch Letter No. 030944/138/Adm. Br. /IR 1(3)/90—1 dated 26—5—90 issued to the Chief Engineer/Distribution/Madras Region in which necessary clarification has been issued is enclosed for guidance and necessary action by the other Chief Engineers/Distribution Regions and Superintending Engineers of Distribution Circles.
- (ii) As regards item (iii) under para 2, since the Government have issued orders for free supply of Electricity to all the Agricultural pumpsets, the question of payment of pro—rata wages hereafter may not arise. For the part periods, the Pro—rata wages may be paid as per settlement, if no surplus Assessors could be deployed.
- (iii) In regard to item (iv) under para 2, if Leave Reserve Assessors and surplus Assessors are not available and the regular Assessor could not attend to such services due to proceeding on leave, Pro—rata wages shall be paid to the Assessor attending to the such services in addition to his regular work
- (iv) Regarding items (v) and (vi) under para 2, in areas where there are surplus Assessors available and where due to the situation where even after deployment surplus Assessors against the existing and anticipated vacancies in certain

sections as on 1-1-90 and against the new service connections effected after 1-1-90, exists with excess services over and above the norms, Pro-rata wages shall be paid for attending to such excess services in such sections.

4. In all the cases referred to above, necessary action may be taken for payment of Pro-rata wages by the Superintending Engineers without referring to Headquarters.

Sub: Assessment and Permanent Receipt—Preparation in the month of January and February—Claiming of Pro-rata wages—Reg.

Ref: Your Lr. No. CED/MS/AO/F2/FCB/D. 163/90, dt. 7-2-90 addressed to the C.F.C./Revenue.

With reference to your letter under reference, an extract of remarks of the Chief Financial Controller/Revenue in the above matter is furnished below for necessary action.

"According to the orders issued in Administrative Branch Circular Memo. No. 031333/210/CC-3(1)/90-1 dated 21-03-90 there should be no payment of pro-rata wages to the Assessors for attending to excess services over and above the norms from 1-4-90 where there are surplus Assessors in a Circle and the surplus Assessors may be utilised to avoid payment of pro-rata wages. The point raised by the Superintending Engineer/Kancheepuram is towards payment of pro-rata wages to the Assessors when the number of working days in a month is limited and less than 10 days due to more holidays in a month like January and due to less No. of days in February in such cases also, the surplus Assessors if available in a Circle can be utilised so as to avoid payment of pro-rata wages to the extent feasible. Otherwise, the pro-rata wages in such cases may be paid to the Assessors when there is no surplus Assessors and the work could not be got completed within the time available without payment of pro-rata wages.

While considering Pro-rata wages to the Assessors the preparation of P. Rs. and Collection Statement etc., cannot be segregated from Assessment work and it is a package deal wherein the last three working days has been earmarked for preparation of pre-receipts and the rest of the working days after 16th to be treated as Assessment period."

Proceedings

The proposal of the Superintending Engineer, Periyar Electricity Distribution Circle, recommended by the Chief Engineer/Distribution/Coimbatore, for opening a 'NAESEY' Snack

Kiosk outside premises of Superintending Engineer/Periyar Electricity Distribution Circle Office Buildings (within the compound of Superintending Engineer's office) at Erode has been examined. After careful consideration the Tamil Nadu Electricity Board approves the proposals to open a 'NAESEY' Sanck Kiosk outside the premises of Periyar Electricity Distribution Circle Buildings (i.e. within the compound of Superintending Engineers office) at Erode subject to the following conditions :

1. The surroundings of the Kiosk should be kept clean and tidy.
2. The utensils, cups and saucers etc., should be cleaned and washed in the boiling water.
3. Sufficient number of dust bins of bigger size should be provided for the collection of food wastes including leaves, papers etc.,
4. Weight/Volume of the dishes with rate should be intimated for according approval by the Chief Engineer/Distribution, Coimbatore.
5. Good quality of Tea, Coffee, other drinks and dishes should be maintained and supplied and no other items prohibited should be sold.
6. It should be ensured that one of the staff of the 'NAESEY' supervises the arrangements periodically.
7. All Tea/Coffee vendors of 'NAESEY' if permitted to serve Tea/Coffee within the office premises should be provided with Uniforms and wear badges which should be neat.
8. Monthly rent of Rs. 10/- per Kiosk has to be paid before 2nd of every month.
9. Only Kiosk shed provided by them should be erected. No other extra temporary shed or semi-permanent/permanent extensions should be attached to the Kiosk.
10. No electricity will be supplied as the Kiosk should run only in the day time between 8.00 A.M. to 6.00 P.M. during the working days. Coffee Bar should be closed on all Board Holidays.
11. The Tamil Nadu Electricity Board reserves the right to terminate the arrangements without assigning any reasons therefor, after giving one month notice.
12. The permission accorded shall be valid for only one year.

Memorandum No. 12016—A2/91—1, (Secretariat Branch) Dated the 26th February, 1991.

Sub : Establishment—Tamil Nadu Electricity Board—Filing of copies of orders of punishment and orders of appeal in the Personal File—Instructions—Issued—Reiterated.

Ref : (i) O. O. No. 902, Dated : 10—5—1983

(ii) U. O Note No. 34969—A1,87—1, dt. 12—6—89

(iii) Memo. (Per) No. 82236/O & M Cell (4)/89—1, dt. 9—2—90

Instructions have been issued by the Board from time to time regarding the filing of copies of orders of punishment and orders on appeal in the Personal File of official concerned.

2. During the meeting of the Departmental Promotion Committee constituted for screening the cases of officers suitable for promotion as Deputy Financial Controllers, the members observed that although information about the punishment imposed is furnished by the concerned Superintending Engineers, no copies of orders of such punishment in respect of certain Accounts Officers have been made available in the Personal File of the official concerned. Even in the cases of Assistant Executive Engineers who are to be considered for promotion as Executive Engineers, in a few cases, copies of final orders of D.Ps. are not added to the Personal File. As a result of this lapse, the nature of charge for which punishment was imposed could not be assessed. It is highly irregular.

3. Adding of copies of final orders of D.P. instituted against an employee should necessarily be added to Personal File as it is a vital record. Even when the punishment order is modified on appeal or any court order obtained for acquittal etc., copies should necessarily go to the Personal File.

4. At present the Personal Files of all Class I and II Officers are being maintained in Secretariat Branch and Administrative Branch respectively.

5. It is therefore reiterated that as and when orders imposing punishments on delinquent officers or orders on appeal (whether the punishment is upheld or set aside or modified) are issued, the competent authorities should ensure that the copies of such orders are marked to concerned officers of the Secretariat Branch or Administrative Branch as the case may be for adding them with the Personal File of the official concerned. Failure to adhere to the instructions will be viewed seriously and action as deemed fit will be taken against the erring officials.

Secretary.

Ref : Govt. of Tamil Nadu Finance (Allowances I) Dept., G.O. Ms. No. 1137, dt. 1—11—90.

The Government of Tamil Nadu have given certain instructions in the G.O. cited, to all the heads of departments with regard to obtaining nominations from the G. P. F. subscribers, as in a large number of final withdrawal cases, the subscribers have either not filed their nominations for G.P.F. or having filed nominations, did not revise them after their marriage and in the absence of such nominations, results on the need to compulsorily produce legal heirship certificate which in turn leads to considerable delay for the settlement of G.P.F. claims in respect of death cases.

Since the Board is also following the rules and regulations of Government with regard to G.P.F., the instructions of Government given below may be followed in the case of Board employees towards the settlement of G.P.F. claims.

1. Nominations should be obtained as soon as the subscribers are admitted to G.P.F.
2. Nominations should be reviewed once in five years.
3. All columns in the nomination forms should be checked before admission.
4. Nominations should be detached from the Service Books and sent along with final withdrawal application in respect of deceased subscribers to the Funds sections of the System/Circles and to Board Office Audit Branch in respect of Head Quarters offices.

G. O. Ms. No. 741, Dated 9-7-1990.

Proceedings :

As per Rule 8 of Tamil Nadu Electricity Board House Building Advance Rules, the Death-cum-Retirement Gratuity in respect of the employees of the Board under Liberalised Pension Regulations 1960 shall be adjusted to the extent necessary towards the House Building Advance loan outstanding at the time of retirement. The Government of Tamil Nadu in the reference cited, have issued orders, delinking of House Building Advance long term advances from the settlement of pensionary benefits so as to avoid delay in the finalisation of pensionary benefits. The Board has also decided to fall in line with the above Government Order.

2. Accordingly, the Tamil Nadu Electricity Board hereby directs that the House Building Advance/Long term advances be delinked from the settlement of pensionary benefits of the Board employees at the time of retirement. The release of Mortgage deed of House/Plot and settlement of long term advances in respect of the Board employees shall be made based on the certificate from the pay disbursing Officer that the House Building Advance/Long term advances and interest payable has been recovered in full from the employee after obtaining a consent letter in the prescribed proforma stating that if there is any difference in the departmental calculation, he will repay the amount in one lumpsum to Tamil Nadu Electricity Board. If the amount is not repaid, the Board will have full right to recover the amount from the Pension in convenient instalments. The proforma of the consent letter shall be in the form annexed to the Board Proceedings.

3. This shall be applicable to those who retire/die on or after the date 9-7-90 i.e. the date on which the Government issued orders.

4. The receipt of this order should be acknowledged.

Proceedings :

Due to heavy rain and land-slip about 44 Electricity Board quarters at Geddai in Nilgiris District have collapsed. On loss of complete belongings 32 families were given interest free loan of Rs. 4,000/- in B.P. (FB) No. 43, (S. B.) dt. 30—10—90. But some of the employees have partially lost their belongings due to entry of flood water into their quarters. In order to enable these employees to rehabilitate themselves quickly and to alleviate the sufferings due to price hike of commodities at that time it has been decided to advance a loan.

In pursuance of the above decision, the Tamil Nadu Electricity Board hereby directs that an amount of Rs. 1,000/- (Rupees One thousand only) shall be advanced as a loan to each of these about 131 families. The loan shall be interest free and shall be recovered in ten monthly instalments of Rs. 100/- per month. The recovery shall commence from first March, 1991.

The Superintending Engineer/Generation/Kundah shall take necessary action for disbursement of the above loan immediately.

The expenditure is debitable to Tamil Nadu Electricity Board Funds 27-219 loans and advance to staff other advances. Advance due to natural calamities.

Sub : Electricity—TNEB—Annual Accounts and Audit Report—Placing on the table of the Legislature—Time schedule—Orders issued by Government—Regarding.

Ref : G. O. Ms. No. 1354/PWD., Dt. 5—7—90.

A copy of the G.O. cited fixing the time schedule with regard to the submission of Annual Accounts and Balance Sheet of Tamil Nadu Electricity Board to Audit and submission of the Audited Accounts and Balance Sheet of T.N.E.B. to Government for placing on the Table of the Legislature is enclosed.

To comply with the target date fixed by the Government, the following time table is fixed for adoption by the various account rendering units of the Board, as well as by the various branches of Headquarters office :—

1. Closure of March I Supplemental Account	10th May
2. Last date for receipt of Preliminary Balance Sheet from the circles at Headquarters Office	25th May
3. Consolidated Board's Preliminary Balance Sheet to be given to audit on Board's approval after considering the review and replies received thereon	30th June
4. Receipt of Accountant General's Audit comments	31st July
5. Communication of Accountant General's audit comments to the circles	5th August
6. Due date for closure of March II Supplemental Accounts	10th August
7. Submission of Revised consolidated Balance Sheet to Headquarters by the circles	15th August
8. Revised consolidated Balance Sheet along with replies to preliminary Audit comments to be given to the Accountant General on approval of Board	31st August
9. Certification by the Accountant General	15th September
10. Getting the certified Annual Accounts and Balance Sheet printed	25th September
11. Submission of the printed copies to the Government	30th September
12. Placing in the floor of the Legislature	At the convenience of the Government

In this connection, the Accounts rendering units are advised, that as soon as the audit is over by the Accountant General's audit party at the circle level, based on the Audit slips which have not been dropped and which have been accepted, the circle will proceed with the finalisation of replies therefor; and finalise the Balance Sheet and keep it ready. As soon as the audit comments received from Accountant General at Headquarters are communicated, they may be verified for corrections, if any, and submit the final Balance Sheet with replies to audit comments to the Headquarters office within the prescribed time positively.

Similarly, the various branches of Headquarters office viz. Central Payment, Funds, Resources, Coal, IAD etc. will submit their replies to audit comments of Accountant General which pertains to them, within 7 (seven) days, so as to process and finalise the Headquarters Balance Sheet well in time and to prepare the consolidated Balance Sheet of the Board including the circle figures.

In this connection, it is to be pointed out that in Circular Memo. No. 71/X/EB/90/Dt. 26—4—90 that the Public Undertakings Committee is taking a serious view of the delayed submission of Annual Accounts and Balance Sheet by the Board. Similarly, the Central Electricity Authority, Asian Development Bank and other lending Banks/Financial institutions insist on the providing a copy of the Annual Accounts and Balance Sheet of Board in time.

In the circumstances, every effort should be taken at the circle level to keep up the due dates positively so that the Government order are complied with, without any deviation and attracting adverse comments.

Receipt of this letter should be acknowledged early.

The Deputy Secretary to the Government of India, Ministry of Urban Development in a recent communication to the Government of Tamil Nadu quoting an extract of the P. A. C. of the Parliament has stated that due to delay in provision of electrical and water connections to Government Quarters in Hyderabad, there was delay in handing over the quarters, which resulted in heavy loss to exchequer. The Government of Tamil Nadu has been requested to advise suitably the local authorities for provision of electric and water connections and other civil amenities to the quarters constructed by the Central Government on priority basis.

In this connection, the attention of Chief Engineers (Distribution) of all Regions is invited to the Chairman's Circular memorandum cited wherein instructions have been issued for according special priority in extension of power supply to Government Building belonging to Central/State Government, Government Undertakings and Local Bodies. Hence, suitable instructions may be issued to all the field officers to adhere to the above instructions strictly in according special priority for extension of supply to Central/State Government Buildings.

Relco (P) Ltd., which is a Green Card holder may be given power supply on priority basis. It

is stated that as per the decision of the Ministry of Commerce, 100% Export Oriented Units holding valid Green Cards are entitled for priority treatment to get power supply. The Chairman, T.N.E.B. has stated that the Government may examine the matter of providing power supply on priority basis to 100% Export Oriented Units and Green Card holders (issued by the Govt. of India) and that if it is decided by the Government to accept the request, power supply on priority basis may be extended to those category of industries subject to the following conditions:-

- (i) the total cost of extension including the cost of distribution transformer may be paid by the applicant.
- (ii) if request is made for a separate feeder, the applicant should bear the cost of entire extension including the cost of terminal equipments and
- (iii) the ownership of the extension, though paid for by the industry will rest with the Board only and an undertaking to that effect shall be given in a stamped paper by the applicant before payment.

2. The Govt. have examined the matter and direct that the 100% Export Oriented Units and Green Card holders issued by the Govt. of India be provided power supply on priority basis subject to the conditions specified in paragraph 2 above.

Memo. No. SE/IEMC/EE3/AEE1/6057/91 (Technical Branch) Dated 20-2-1991.

Sub: Installation of portable generators by consumers—Obtaining of necessary approval—Conducting of sample checks by Assistant Executive Engineer's instructions—issued.

Ref: 1. SE/RE/G/6057-2/87/dated 29-8-87.
2. SE/RE/G/C. 6057/87/dated 13-5-87.

It has been brought to the notice that an accident was caused due to the feed back of supply from the Diesel generating set installed by a consumer in his domestic service to the Board's line. The consumer in this case has not obtained the approval for the installation of generating set and also has not obtained necessary clearance certificate.

In this connection, attention is invited to the memorandums cited under reference, wherein instructions have been issued for according approval for the installation of generating sets including portable sets installed by consumers and permitting the utilisation of generating sets on receipt of clearance from Chief Electrical Inspector to Government and on inspection of unauthorised installation of generating sets.

In order to ensure that the consumers obtain necessary approval before connecting up the generating sets especially in commercial and domestic services, surprise checks shall be conducted by the Assistant Executive Engineers of the Distribution including City and Town areas and Assistant Executive Engineers of Anti Power Theft Squad and necessary action taken in the case of unauthorised installations of Diesel Generating Sets.

During the routine inspection of services and Mass Raids, also, the above checks may be conducted by the Inspecting Officers.

Memo. No. SE/IEMC/EE3/AEE1/10623/91 (Technical Branch), dated 22-2-91.

Sub: Procedure for disposal of High Tension applications—Collection of Earnest Money Deposit—Refund in case of non-availing of supply—Instructions issued.

Ref: 1. SE/RE/G/7707/88/dated 25-6-88.
2. SE/IEMC/EE3/AEE1/7707/88-2/dated 4-5-89.

Instructions have been issued in the memorandum cited under reference on the procedure for disposal of High Tension applications.

There have been representations for refund of Security Deposit, Service connection charges etc., in cases where applicants who had paid the above charges have not availed supply, but the works are either not taken up or are under various stages of execution.

The matter has been considered and the following instructions and amendments are issued to the memorandum cited (i) under reference.

Collection of amount towards Security Deposit may be made as Earnest Money Deposit initially. This Earnest Money Deposit shall be equivalent to the Security Deposit payable for the load required. The service connection charges shall be collected after completion of extension work.

Accordingly, the following amendments are issued to the instructions in memorandum (i) cited under reference.

The following sentence may be added after the first sentence in clause 7(a).

The applicant shall also be asked to pay an Earnest Money Deposit equivalent of the Security Deposit payable, within 30 days of the communication.

Clause 8. The last sentence may be deleted.

Clause 9. The word 'Security Deposit' may be substituted by the word 'Earnest Money Deposit'

The word service connection charges occurring in the sentence may be deleted.

Clause 10. The word " Security Deposit " occurring in the sentence may be substituted by the word " Earnest Money Deposit ".

Clause 10(a) The following sentence may be added after the existing sentence.

The Earnest Money Deposit paid by the applicant shall be adjusted against Security Deposit payable after effecting supply and shall be intimated to the applicant after appropriate adjustment of accounts by the Accounts Branch in Central Office.

12. The last sentence may be read as below:—

If he does not avail supply during the 2nd notice period, the agreement shall be cancelled, Earnest Money Deposit is forfeited in addition to forfeiture of service connection charges and recovery of special guarantee if any as per clause 13.01 of T & C supply.

13. The existing sentences may be deleted and the following may be substituted:—

13. Refunds:—

(i) If the applicant requests refund of Earnest Money Deposit, before the Board's works are taken up, the Earnest Money Deposit may be refunded after retaining Rs. 10,000/— (Rupees Ten thousands only) towards incidental charges.

(ii) In case the applicant requests refund of Earnest Money Deposit (a) after the transport of the materials to the site (b) when the works are in progress, the Earnest Money Deposit may be refunded after retaining Rs. 10,000/— plus the actual expenses incurred for the transport and dismantling charges etc.,

6. Veeraraghava Textiles Private Limited, Chengai Anna District,
dated 15-11-90 and 17-11-90.

Order :

M/s. Veeraraghava Textiles Private Limited, Uthiramerur, Chengai Anna District is a running mill with an installed spindleage of 24,540 spindles. It was declared sick by Board for industrial and Financial Reconstruction and the Industrial Development of Bank of India was appointed as operating agency to prepare a rehabilitation scheme for this sick company. The Draft rehabilitation report, prepared by the operating agency was discussed on the basis of the report and the discussion on draft scheme was directed to be circulated to all concerned.

2. The Administrative Director, M/s. Veeraraghava Textiles Private Limited in his letter sixth read above, has requested the Government to sanction the reliefs/Concessions applicable in the case of new Industries located in Backward areas.

3. The Government after careful consideration, direct that the following two concessions be granted to M/s. Veeraraghava Textiles Private Limited, Uthiramerur, Chengai Anna District.

- (i) Powercut exemption for a period of 3 years only.
- (ii) Deferment of Sales Tax dues for a period of 3 years. That is, the payment of Sales Tax dues shall commence from the fourth year after the date of issue of this order and the payments shall be as detailed below:
 - (a) During the fourth year, the arrears of Sales Tax dues of the first year shall be paid alongwith the dues of fourth year.
 - (b) During the fifth year, the arrears of Sales Tax dues of the second year shall be paid alongwith the dues of fifth year.
 - (c) During the Sixth year, the arrears of Sales Tax dues of the third year shall be paid alongwith the dues of the sixth year.

4. The concessions sanctioned in paragraph 3 above will be subject to the following conditions:

- i. There must be a nominee of the Director of Handlooms and Textiles on the Board of management of the mills.
- ii. The nominee of the Director of Handlooms and Textiles should be assigned the following responsibilities:—
 - (a) He should monitor the utilisation of funds/involvement in the deferment of sales tax and ensure that the deferment is limited to genuine requirements of the mills like:
 - i. Margin Money for working Capital ;
 - ii. Payment of Statutory liabilities etc., Deferment is not available, if it is not, justified with reference to the purpose.
 - (b) He should head a sub-committee of the mills which should deal with the purchase and sales policies, with power to veto any decision of the sub-committee which may be against the interest of the mills.

5. The Director of Handlooms and Textiles shall take necessary follow-up action in this matter and send a report to Government.

6. This order issues with the concurrence of Public Works Department, Commercial Taxes and Religious Endowments Department and Finance Department vide their U.O. Nos. 225/SPWO/90-1 dated 22-8-90, 50527/FI/90-1, dated 24-2-90 and 6754/FS/P/90, dated 27-12-90.

Memo. No. SE/RE 2/D/D. 5245/91 (Technical Branch) dated 23-2-'91.

Sub: Extension of supply to Agricultural pumpsets—Temporary overlooking of priority due to non availability of Distribution Transformers—continuance upto 31-3-91—Ordered.

Ref: Memo. No. SE/RE/D/5090/90-1 dated 9-10-90.

In the memo. cited under reference, orders were issued for temporary overlooking of priority of agricultural applicants for whom power supply could not be effected due to non availability of Distribution Transformers. These orders were applicable upto 31-12-'90.

2. Since the receipt of Distribution Transformers is still hampered, the Chief Engineers (Distribution) have requested that such temporary overlooking of priority may be permitted upto 31-3-'91.

3. It is hereby ordered that cases of agricultural applicants involving erection of Distribution Transformers may be temporarily overlooked upto 31-3-'91. Supply to all the overlooked cases should be effected by 31-5-'91 and fact confirmed during June 1991.
