## PART—I

### NEWS & NOTES

#### I. Generation Particulars :

The generation / relief figures for July '93 are as follows :-

Sl. No.	July '93 (Figs. in Million units)
1. Ennore	186.450
2. Tuticorin	423.160
3. Mettur	447.920
<b>TNEB Thermal</b>	<b>1057.530</b>
4. Neyveli TS I	149.450
5. Neyveli TS II	570.843
6. Kalpekkam	171.965
7. Hydro Generation	447.598
8. Import from NTPC	(—) 9.726
9. Net Export to Kerala	70.090
10. Import from Manali & BHEL	0.460
11. Narimanam G.T.S.	5.228
12. Windmills	12.145
<b>Net TNEB consumption</b>	<b>2335.403</b>

The maximum grid demand and consumption during July '93 were 3676 MW on 30—7—1993 and 78.484 MU on 16—7—1993 respectively. The average grid consumption in July '93 was 75.336 MU per day.

#### II. Hydro Inflows :

The Hydro inflows in July '93 were 739 MU against 1124 MU in July '92 and against the ten year average of 795 MU.

**III. Storage Position :**

The Storage position in various reservoirs as on 1—8—'93 when compared to the storage on 1—8—'92 was as follows:—

Sl. No.	Group	Storage as on		Difference
		1—8—'93	1—8—'92	
(Figs. in Million Units)				
1.	Nilgiris	779.78	1380.33	(—) 600.55
2.	PAP	147.77	251.06	(—) 103.29
3.	Periyar	59.66	125.78	(—) 66.12
4.	Suruliyar	9.01	15.92	(—) 6.91
5.	Papanasam & Servalar	11.75	19.48	(—) 7.73
6.	Kodayar	91.05	122.05	(—) 31.00
Total excluding Mettur		1099.02	1914.62	(—) 815.60
7.	Mettur	22.82	133.73	(—) 110.91
Total including Mettur		1121.84	2048.35	(—) 926.51

**IV. Performance of Thermal Stations :****(i) Tuticorin (5 × 210 MW) :**

The details of generation at Tuticorin during July '93 were as follows:—

Unit	Availability Factor (%)	Generation in M.U.	Plant Load Factor (%)
I (210 MW)	92.5	136.520	87.38
II (210 MW)	92.5	130.030	83.22
III (210 MW)	48.4	69.570	44.53
IV (210 MW)	—	87.040	55.71
V (210 MW)	—	—	—
Station (1050 MW)	—	423.160	67.71

NOTE : Unit V generation is not taken into account in the station PLF.

**(ii) Ennore (2 × 60 MW + 3 × 110 MW) :**

In July '93 Ennore generated 136.450 MU with a PLF of 55.69%. The unitwise generation was as follows :—

Unit	Availability Factor (%)	Generation in M.U.	Plant Load Factor (%)
I (60 MW)	29.91	10.907	24.43
II (60 MW)	93.41	36.600	81.99
III (110 MW)	65.90	35.065	42.85
IV (110 MW)	95.11	60.231	73.60
V (110 MW)	70.99	43.647	53.33
Station (450 MW)	—	186.450	55.69

(a) Unit I shut down on 27—11—'92 due to Generator Transformer failure came back into service on 24—7—93.

**(iii) Mettur (4 × 210 MW) :**

The unitwise generation at Mettur during July '93 was as follows :—

Unit	Availability Factor (%)	Generation in M.U.	Plant Load Factor (%)
I (210 MW)	67.94	93.410	59.78
II (210 MW)	100.00	142.360	91.12
III (210 MW)	87.84	124.700	79.81
IV (210 MW)	59.92	87.450	55.97
Station (840 MW)	—	447.920	71.67

**(iv) Coal Particulars:**

Sl. No.	Particulars	Tuticorin	Ennore	Mettur
1.	Coal linkage (in Lakhs Tonnes)	3.30	2.00	2.70
2.	Coal receipt ( -do- )	2.98	1.23	3.37
3.	Coal consumption ( -do- )	3.05	1.84	3.47
4.	Coal stock as on 31—7—'93 ( -do- )	1.40	0.56	1.02
5.	Coal consumption ( Kg/unit )	0.72	0.99	0.774

**(v) Auxiliary consumption and oil consumption for July '93 :**

	Tuticorin	Ennore	Mettur
Auxiliary consumption (%)	8.10	12.40	8.89
Oil consumption (ML/Unit)	3.05	3.90	0.663

## **V. Training :**

### **The following special programmes were conducted during July '93:**

1. Training Programme on "Engineering matters for Non-Engineers" conducted at Staff Training College/Madras from 12-7-'93 to 17-7-'93 with a strength of 25 participants.
2. Training programme on "Supervisory Skills Development" for Junior Engineers I Grade conducted at Staff Training College/Madras from 2-7-'93 to 31-7-'93 with a strength of 30 participants.
3. Industrial Relations programme for Management Personnel & Union Representatives conducted from 19-7-'93 to 23-7-'93 with a strength of 16 participants.
4. 2 Assistant Engineers & 2 Junior Engineers deputed for the Programme on "Continuous Work Improvement Key to Productivity Culture" conducted by GVN & GVN HRD Consultants at Hotel Connemara, Madras on 21-7-'93 & 22-7-'93.
5. 2 Selection Grade Assistants deputed for the programme on "Sales Tax" conducted by Management Study Centre on 10-7-'93 at Madras.
6. 1 Adm. Supervisor & 2 Foreman deputed for the programme on "Role of Trade Unions in the Context of Changing Scenario" conducted by National Productivity Council from 28-7-'93 to 30-7-'93 at New Delhi.
7. 1 Executive Engineer, 1 Asst. Executive Engineer & 2 Personal Assistants deputed for the programme on productivity Management conducted by Anna Institute of Management from 28-7-'93 to 30-7-'93 at Madras.
8. 6 Engineers deputed for the training programme on "Instrumentation & Control" conducted by M/s. Tata Honeywell Limited, Pune from 5-7-'93 to 16-7-'93.
9. 28 Senior Engineers of Board deputed for the training programme on Computer application conducted by Anna Institute of Management from 12-7-'93 to 16-7-'93.
10. 20 Engineers of Board deputed for the training course on "High Voltage Testing Techniques" conducted by Appadurai Chair of Power Systems, Anna University from 26-7-'93 to 30-7-'93.

## **VI. Refund of development charges in the case of HT/LT Applicants who back out :**

In B.P. (FB) No. 135, Technical Branch dt. 2-7-'93 detailed instructions have been issued in regard to refund of development charges in the case of HT/LT applicants who back out at a later stage.

## **VII. Delegation of Powers :**

In B.P. (FB) No. 83, Secretariat Branch dt. 8-7-'93 the Board has delegated full powers to Executive Engineers of O & M Divisions in Distribution Circles to sanction estimates for replacement of failed distribution transformers.

## **VIII. HT Industries - Cofinancing :**

In B.P. (FB) No. 143, Technical Branch dt. 6-7-'93 the Board has cancelled the orders issued to collect the cofinancing charges for HT industries whose specific consumption is more than 2000 Units per Tonne of finished product and for demands above 5000 KVA and ordered that these applications may be processed as in the case of any other HT industrial application.

## **IX. Grant of Ex-gratia Payment to families of deceased employees covered under CPF/ Non-pensionable cadres :**

In B.P. (CH) No. 151, Secretariat Branch dt. 3-7-'93 the Board has granted an ex-gratia payment of Rs. 150/- p.m. with effect from 31-12-'90 or from the day following the date of death of the employee whichever is later to widows/widowers or dependant children of the deceased employees covered under CPF/Non-Pensionable cadre who retired prior to 1-7-'86 and not covered by family pension scheme.

**X. Reimbursement of Life Membership fee of Institution of Engineers (India):**

In B.P. (CH) No. 158, Technical Branch dt. 6—7—'93, the Board has ordered reimbursement of the Life Membership fees of Institution of Engineers (India) to the Engineers of the Board.

**XI. Approval of Tenders:**

In Govt.'s Lr. No. 2935/BPE/92—1 dt. 22—2—'93 the Government has clarified that the approval of Government for tenders costing more than Rupees one crore should be obtained in all cases of purchases from priority institutions also (Vide Memo. No. SE/MM. I/EES/A3/F. Tender/D. 480/93 dt. 13—7—'93).

**XII. Supply to Construction activities:**

In Memo. No. IEMC/EE/T/AEE/AE-2/Construction Purposes/CRO4240/93 dt. 14—7—'93 it has been clarified that following should be the billing procedure for supply to construction activities.

- |                                      |   |  |
|--------------------------------------|---|--|
| (a) New constructions                | — | LT IX + 25% extra as temporary supply  |
| (b) Extensions in existing buildings | — | LT IX + 25% extra till the construction period and on completion of constructions, appropriate tariff. |

**XIII. Request Transfers:**

In Memo. No. 120/Adm. Br./IR 1(3)/92—1 dt. 20—7—'93 the Board has ordered that request transfer applications can be made only after completion of one year stay in a particular station.

**XIV. Payment of E.M.D. and S.D.:**

In B.P. (FB) No. 20, Accounts Branch dt. 30—6—'93 the Board has ordered that Central and other State Government Departments should pay E.M.D., and S.D., in respect of tenders submitted by them and exemption will apply only to Small Scale Industries Units registered in Tamil Nadu, Departments of Government of Tamil Nadu, Undertakings and Corporations owned by Government of Tamil Nadu.

**XV. HT Industries - More than one supply in the same premises:**

In B.P. (FB) No. 166, Technical Branch dt. 31—7—'93 the Board has amended Clause 8.02 of the Terms & Conditions of supply to the effect that existing HT consumers who want to avail a separate service for their expansion of industrial activities within a door number/sub-door number (in the same premises), a new service connection shall be given.

## B. VIJAYARAGHAVAN

### AN OFFICER AND GENTLEMAN

In his own words, he was "perhaps the-most obnoxious Chairman that the TNEB has ever had from the labour point of view. But I can say with some amount of confidence that I was able to achieve something there. I left TNEB in 1988, but some of the people from there come to see me even today".

There can be no greater compliment for an officer than the fact that in the very organisation where he instilled some degree of strict discipline, he is looked upon as a sort of demi-god even today.

B. Vijayaraghavan retired from the Indian Administrative Service earlier this week after a stint of 36 years. He admits that the IAS today may not have the same kind of charm or challenges it had when he joined it in 1957. "But even today if I had to make a choice, I would opt for it, because of the tremendous opportunities and satisfaction it can give you for doing good to the public".

With an impeccable service record behind him and an enviable reputation for integrity, he is one of those rare administrators who not only left his mark on every important portfolio he held, but who is also able to say candidly on the eve of retirement, "I have no reason to feel frustrated or cynical. All the governments in Tamil Nadu, irrespective of the party in power, treated me decently . . . despite all the provocations that I have given..."

In the last phrase lies a tale. Vijayaraghavan's straightforward approach and refusal to indulge in any hanky-panky must have often led many a politician to tear at his hair. But he was always able to have his way and there were no two ways about that!

Way back in 1957, he joined the service "because I couldn't have got anything better given my kind of skills and background". Coming from a semi-rural background, and completing B.A. in Economics in Palghat, he did M.A. in Economics at Madras Christian College. "I had no knowledge of what the IAS was, and it was only a senior who had taken the exam and cleared it, who gave me the confidence to attempt it, or else I would not have had the courage to write it. One thing about the IAS in those days—and I hope this is true even today—was that you could get in without any influence".

Describing his stint in administration as "in parts exciting and in parts challenging", he says, "Whatever jobs I have held, irrespective of whatever ratings they had—important or not important—I found them to be full of opportunities. I have never been a seeker of jobs and I have been able to make something of every job I held. I firmly believe that no job is small or big. May be there are some jobs which do not require all your ability. But if that is what the government wants you to do, you jolly well do it. But in addition to your work, you should have some other interest in life, or else some of the jobs you get can leave you totally frustrated".

He himself has an abiding passion for natural history, reading and music (Carnatic). So on the day he retired he left for Coimbatore, and thence to Top Slip "to study the nesting habits of the Great Indian Horn bill". And among the things he looks forward to is "reading all the books I've always wanted to read, starting with some of the children's classics which I missed out on as a child".

Though avidly interested in English and Malayalam literature, "I was not able to do serious and sustained reading—I don't mean casual or desultory reading—because there was no time". But now he hopes to catch up.

Vijayaraghavan considers his 66 month stint in the TNEB where he introduced the pension scheme for its one lakh employees as "most rewarding and full of challenges, because your work literally impinges on the safety and convenience of over 60 lakh consumers and the entire public at large. This is a department where you encounter administrative problems not seen elsewhere. It is the most challenging job in any state, calling for administrative skills of diverse nature, with the kinds of pulls and pressures a job like that is subject to. There was never a dull moment here... literally".

As for his assignment as Special Officer to the Sarkaria Commission (which went into the corruption charges against the DMK regime), he says he enjoyed the experience though nothing came out of it. "And it was not meant to... as it was a mere political exercise".

Coming to the politician versus bureaucrat syndrome, he says the trend of the right people not getting the right opportunities is becoming worse day by day. "Officers with the attitude and a mind frame to help the public are not being given the right opportunities. They are being side-lined. I'm not talking about Tamil Nadu in particular... but all the states and the Centre too. This trend is becoming more pronounced. The political executive wants not professionalism in a civil servant... he wants manipulators and fixers."

Asked to comment on political appointments to various public undertakings, he said wryly, "Everybody knows the political compulsions for this... so why make a virtue out of a necessity by blaming the poor bureaucrats?"

—Compiled from Indian Express dt. 6—6—93 by P. PALANIVELAYUTHAN, Retired Chief Engineer, T.N.E.B., Madras-30.

# GENERAL ADMN. & SERVICES

## PART-II

### General Administration & Services

Memorandum No. 5158/DTS/A6/93-1, (Technical Branch), Dated 29-6-1993.

Sub: Enhancement of rates of stipend payable to Graduate/Technician Apprentices engaged under the Apprentices Act 1961 (Amended in 1973 & 1986) Effective from 20-4-93 — Regarding.

Ref: Director of Training/BOAT(S.R.)/Madras Lr.No.F.No BAT/SRD/£.31/93, dt. 1-6-93.

The Government of India have enhanced the minimum rates of stipend payable to the Graduate/Technician Apprentices engaged under Apprentices Act 1961. (Amended in 1973 & 1986) as follows:

1. Engineering Graduates	...	Rs. 1120/- p.m. (for post Institutional Training)
2. Sandwich course students from Degree Institutions	...	Rs. 800/- p.m.
3. Diploma Holders	...	Rs. 800/- p.m. (for post Institutional Training)
4. Sandwich course students from Diploma Institutions	...	Rs. 640/- p.m.

Revised rates of stipend are effective from 20-4-1993. The Board of Apprenticeship Training/Madras in the reference cited has requested to take necessary action to enhance the stipend to the revised minimum rates prescribed by the Government of India, as it is a statutory obligation on the part of the Establishment. The reimbursement of Central Government share would be limited to 50% of the rates prescribed above (i.e.) the reimbursement would be limited to Rs. 560/- p.m. in respect of Graduate Apprentices, Rs. 400/- p.m. in respect of Technician Apprentices and Sandwich course student from Degree Institution, and Rs. 320/- p.m. in respect of Sandwich course student from Diploma Institution.

The Director of Training (Board of Apprenticeship Training) Southern Region has also stated that the contract of Apprenticeship already executed by the Apprentices who were on Training on 20-4-93 and beyond the revised rates of stipend would be applicable to them automatically with effect from 20-4-93 and there is no need to alter the contract for this purpose. However in respect of the Apprentices engaged after 20-4-93, the revised rates of stipend should be incorporated appropriately in the Contract executed.

After careful consideration, the Tamil Nadu Electricity Board approves the payment of stipend to the Apprentices at the revised minimum rates prescribed by the Government of India in para (1) above with effect from 20-4-93. Accordingly the Superintending Engineers are requested to arrange to claim and make payment of stipend at the revised rates and the arrears of 50% to be reimbursed by the Government of India may also be claimed with Board of Apprenticeship Training/Southern Region/Madras thereon simultaneously.

(By Order of the Chairman)

R. Venkataraman,  
Chief Engineer/Chairman's Office.

DRUGS and medicines—Procurement of drugs and medicines for Government Medical Institutions—Purchase Policy—Orders of Government—Applicability to Board—Orders—Issued.

(Per) B. P. (Ch.) No. 154

(Technical Branch)

Dated 2-7-1993,  
Aani, 18, Srimuga,  
Thiruvalluvar Aandu-2024.

Read ;

1. (P) B. P. (Ch.) No. 13, (Tech. Br.), dt. 20-1-1992.
2. G. O. Ms. No. 578, Health, Indian Medicine and Homeopathy and Family Welfare Department Dated 30-3-1990.

**Proceedings :**

In (P) B. P. (FB.) No. 13 (Tech. Br.) dt. 20-1-92, the Board had adopted the orders issued by the Government in G. O. Ms. No. 330 Fin. (BPE) Dept. dt. 3-5-91. In this G. O. a System of giving purchase preference to Institutions/Public Sector Undertakings for Purchase of Stores, etc., by Government Departments/State Public Sector Undertakings/Boards had been evolved. Institutional priority as prescribed should be given for purchase of Stores, servicing and repairing.

2. According to the orders in para 12 of G. O. Ms. No. 330 Fin (BPE) Dept. dt. 3-5-91 adopted by the Board, in the case of purchase of drugs, the orders issued in G. O. Ms. No. 578 Health Indian Medicines Homeopathy and Family Welfare Department dt. 30-3-90 would continue to be operative.

3. A copy of G. O. Ms. No. 578 Health Indian Medicines Homeopathy and Family Welfare Department dt. 30-3-90 is annexed to this order. In the T. N. E. B. mostly drugs and Medicines are being purchased from public Sector Undertakings like I.D.P.L., H.A.L., T.D.P.L., etc. for the requirements of the Board's Dispensaries and if drugs and medicines are not available in such Institutions. Public Sector Undertakings, they are purchased from outside. In practice it is noticed that the above principle is not followed in some cases. The T.N.E.B. directs that the orders issued by the Government, in G. O. Ms. No. 578 Health, Indian Medicines, Homeopathy and Family Welfare Department, dt. 30-3-90 (Annexure) be followed strictly for the purchase of drugs and medicines for the Dispensaries by the T.N.E. Board. In the place of Central Purchase Committee mentioned in the G. O., Chief Engineer/Materials Management in consultation with the Chief Medical Officer/Tamil Nadu Electricity Board/Madras, and after getting the approval of the Chairman will be issuing purchase orders for the purchase of drugs medicines for all the Dispensaries of the Tamil Nadu Electricity Board.

(By Order of the Chairman)

#### Order ;

In G.O. Ms. No. 584 Health dated 4—4—81, Government accepted the recommendation for purchasing drugs and medicines for Government Hospitals and Dispensaries through a common centralised purchase system assisted by a Central Purchase Committee. According to the present policy for purchase of drugs and medicines the drugs which could be supplied by the Public Sector/Joint Sector undertakings may be purchased from them. Drugs not manufactured by the Public/Joint Sector undertakings shall be bought from the Small Scale Industrial Units manufacturing drugs in this State, only through SIDCO. In the case of drugs and other medicines not manufactured by public/joint sector undertakings and Small Scale Industrial Units, purchase should be made following the open tender procedures.

2. An Export Committee was constituted to go into the existing purchase policy and suggest suitable purchase policy. The Committee made its recommendations on purchase policy, price revision of drugs, purchase of surgical appliances, quality control, hospital and pharmacy control, clearance of bills etc. A discussion was held with the members of the Committee with regard to the Committee's recommendations.

3. The Government have carefully considered the Committee's recommendations and direct that...

- (i) the existing system purchase of drugs and medicines by a common centralised purchase system assisted by the Central Purchase Committee shall be continued.
- (ii) drugs and medicines should be indented by a Governmental agency i.e., the Central Purchase Committee which will place orders for the total requirements of drugs and medicines for the State based on past usage. This Committee shall in the first instance make 75% of allotment of drugs and medicines to all Government Medical Institutions and the balance 25% shall be distributed depending upon the need and requirement of the concerned institutions.

- (iii) Drugs and medicines shall be purchased in the following order of priority :
- (1) Public sector undertakings whose units are situated within Tamil Nadu ;
  - (2) Public sector undertakings whose units are situated outside Tamil Nadu and Joint Sector Undertakings whose units are situated within Tamil Nadu ;
  - (3) Small Scale Industrial Units located in Tamil Nadu through SIDCO; and
  - (4) Private Sector manufacturing units.
- (iv) In respect of items (1) and (2) in para 3 (iii) above, rates may be called for in keeping with the BICP/DICO/DGS & D rates and public/joint sector undertakings should be negotiated to match the lowest rate.
- In respect of item (3) in para 3 (iii) above, tenders may be called for from among the Small Scale Industrial Units.
- In respect of item (4) in para 3 (iii) above, tenders may be called for from private sector manufacturing units and 10% price preference shall be given to private sector manufacturing units in Tamil Nadu in relation to other private sector units outside the State.
- (v) 3% commission now charged by SIDCO shall be dispensed with and absorbed in the total cost.
  - (vi) Public/Joint Sector undertakings shall not sell drugs and medicines in the open market at a price lesser than that offered to Government.
  - (vii) Strict standards of quality should be maintained in supply.
  - (viii) Periodical quality control tests should be done in the drugs and medicines supplied to Government Medical Institutions by the State Drugs Controller ;
  - (ix) The Public/Joint Sector undertakings, Small Scale Industrial Units private firms, should directly supply drugs and medicines manufactured by them only, and shall not effect supply through agents. The bills sent by the agents for settlement shall not be honoured.
  - (x) A systems study of requirements, indenting, procedure for purchase, distribution and supply of drugs required by Government Medical Institutions should be made quickly.
  - (xi) The Medical Officers of all Government Medical Institutions should familiarise themselves with the indenting and purchase procedures of drugs and medicines.
  - (xii) All purchases from Small Scale Industrial Units must be with a clear Good Manufacturing Practice Certificate.

4. Orders on other recommendations of the Committee will be issued separately.

5. This order issues with the concurrence of the Finance Department...Vide its U.O. No. 441/FS/P/90, dated 29-1-90.

(By Order of the Governor)

Yasmin Ahmed,  
Commissioner & Secretary to Govt.

Memo. No. 097436/IR4(3)/92-4, (Administrative Branch) dt. 6-7-93.

- Sub : North Madras Thermal Power Project—Athipattu Camp site—Construction of Hindu Temple, Church and Mosque—Allotment of vacant land—Permission—Regarding.
- Ref : From the CE/NMTPP Lr. No. CE/SE/CII/NMTPP/TS2/JE2/F. ATP QRS/D1288/92 dt. 21-8-92.

The Chief Engineer/North Madras Thermal Power Project is informed that the proposal contained in his letter cited for Allotment of Board's land at Athipattu Camp in North Madras Thermal Power Project for construction of Hindu Temple, Church and Mosque is not accepted.

(2) It is further informed that any request or application for land or facilities for any religious or semi-religious purposes will not be considered in future also.

(By Order of the Chairman)

N. R. Sankaran,  
Chief Engineer/Personnel.

Memorandum No. 31200/SS1/93-1, (Secretariat Branch) dated 6-7-93.

- Sub : Disciplinary Proceedings initiated against employees of the Board based on report of Vigilance Cell and Directorate of Vigilance and Anti Corruption—Expeditious disposal of Disciplinary Proceedings cases Instructions—Issued,

- Ref : i. C. E. (G1) Circular M. 462/M3/77-3 dated 24-9-77.  
ii. I. G. P. Vigilance D. O. Lr. No. 14668/SS1/81-1 dated 29-8-81.  
iii. Vigilance Cell Lr. No. 583/SS1/82-1 dated 12-1-82.  
iv. Memo. No. 11476/SS1/82-11 dated 31-8-82.  
v. Board's Memo, No. 20311/SS1/83-1 dated 12-8-83.  
vi. B. P. Ms. Ch. No. 142 (SB) dated 13-4-87.  
vii. I. G. P. Vig. Lr. No. 43501/SS2/90-1 dated 30-11-90.  
viii. I. G. P. Vig. Memo. No. 43222/SS1/90-1 dated 31-12-90.  
ix. Circular Memo. 83352/O & M Cell (2)/90-1 (S.B.) dated 3-1-91.

In an enquiry conducted by Vigilance Cell, Tamil Nadu Electricity Board or by the Directorate of Vigilance and Anti Corruption, if the allegations against employees of the Board are substantiated, the Chief Engineer/ Superintending Engineer or the head of office concerned is required to initiate departmental action on the erring staff and the matter is followed up by Vigilance Cell.

2. In B. P. Ms. Ch. No. 142 (S. B.) dated 13-4-87 a time limit has been prescribed for disposal of Disciplinary Proceedings cases. In the references cited instructions have been issued to the effect that copies of orders of suspension, copies of Memo. calling for explanation, copy of charge Memo, copy of final orders issued and enquiry officers findings and monthly report on each Disciplinary Proceedings case indicating the stage in which such Disciplinary Proceeding stands, should be sent in the prescribed proforma, indicating clearly Vigilance Cell reference numbers and date. All Chief Engineers and Superintending Engineers, have been requested to ensure speedy action on Disciplinary Proceedings and to monitor the Disciplinary Proceedings cases at their meetings and they have been informed that the responsibility in acknowledging and sending prompt replies to Vigilance Cell rests with the Administrative Officers and Others. A register was prescribed for this purpose for sending prompt replies to Vigilance Cell which register was required to be checked by the Inspection teams during inspections. The Chief Engineers and Superintending Engineers were also informed about instances of misplaced sympathy and uncalled for lenience in cases where grave charges involving moral turpitude like demand and receipt of bribe etc., have been proved and also about employees who repeatedly come to adverse notice.

3. It is observed that inspite of all the above mentioned instructions, disciplinary proceeding cases initiated based on references from Vigilance Cell and that of Directorate of Vigilance and Anti Corruption are not disposed expeditiously and cases are diluted due to huge time gap and delinquent is let-off or a very lenient punishment is awarded. If such things are allowed to continue, the image of the Board with public will get spoiled and there will also be frustration among honest employees of the Board.

4. All the Chief Engineers, Superintending Engineers and head of officers are advised to effectively follow the instructions mentioned above in true spirit and expedite disciplinary proceedings cases and send reports at every stage to Vigilance Cell promptly.

(By Order of the Chairman)

P. Kalimuthu,  
Inspector General of Police/Vigilance.

Institution of Engineers (India)—Life Membership fee—Reimbursement of Life Membership fee to the Engineers of Tamil Nadu Electricity Board Orders—Issued.

(Permanent) B. P. (Ch.) No. 158,

(Technical Branch)

Dated 6—7—1993.

Aani 22, Sriruga,  
Thiruvalluvar Aandu 2024.

Read :

Note File No. 12224/DTS/A1/93 of Director of Training.

**Proceedings :**

The Institution of Engineers (India) is a society of Engineers dedicated to promote, advance and accelerate the art, science and practice of Engineering and direct its great resources to harness nature for the benefit of the nation. It brings engineers in contact with each other, with leaders in education, industry and other spheres and with the technological development around. The membership of the institution consists of qualified engineers not only belonging to the country but to other countries as well.

2. Under Corporate membership, the institution offers the following membership to service engineers.

- (1) Fellow of Institution of Engineers.
- (2) Member of Institution of Engineers.
- (3) Associate member of Institution of engineers.

3. Tamil Nadu Electricity Board is a professional oriented engineering industry. It is advisable that the engineers serving the Board may be given encouragement to associate with the Institution of Engineers (India). This will facilitate (i) enhancement of professional stature by corporate followship and continuing education, (ii) professional fulfilment and development of leadership skills (iii) updating of information on every major advancement in Engineering of current interest (iv) flow of research results and programme of external bodies thus helping expansion of professional knowledge.

4. Many Engineers of Tamil Nadu Electricity Board are members of Institution of Engineers. The Institution of Engineers has been requesting the Board to reimburse the fee of the institution to Engineers so as to associate themselves with the Institution enabling the Engineers to interact, upgrade the knowledge and share their experiences.

5. After careful consideration it is hereby ordered that the Life Membership fee of Institution of Engineer (India) be reimbursed to the Engineers of Tamil Nadu Electricity Board. The Superintending Engineers concerned may reimburse the Life Membership fee based on the request of the individuals after satisfying the payment made. The fact of reimbursement of Life Membership fee may be incorporated in the Service Book of the concerned Officers.

6. The expenditure is debitable to "Tamil Nadu Electricity Board Funds—Revenue expenses—Madras Electricity Distribution Circle (Central)/Madras-2.—Account Code No. 76-151 (Administration and General expenses Fees and subscriptions)."

(By Order of the Chairman)

R. Venkataraman,  
Chief Engineer/Chairman's Office,

Memo. No. 15442—A1/93—7, (Secretariat Branch) Dated the 7th July, 1993.

Sub:— Establishment—Class I Service—Regulation provision regarding field experience for the post of Executive Engineer/Electrical—Strict implementation.

Annexure I to Regulation 92 of Tamil Nadu Electricity Board Service Regulation stipulates as follows:—

“ For promotion as Executive Engineers (Electrical), an Assistant Executive Engineer (Electrical) should possess experience as Assistant Executive Engineer (Electrical) for a total period of at least two years and as Assistant Engineer (Electrical) or Junior Engineer (Electrical) I Grade for a total period of four years, in any one or more of the following areas :

- (a) On shift duty or maintenance relating to the Generation equipments/Switchgear in Hydro/Thermal stations.
- (b) Operation and Maintenance of 230 KVSS/110 KVSS classified as Grid Sub-Stations.
- (c) Meter Relay Test/Sub-Station Erection/Transformer Erection Special Maintenance.
- (d) Transmission Line Construction & Project works.

For this purpose, one year of experience as Assistant Executive Engineer (Electrical) can be reckoned as equivalent to two years experience as Assistant Engineer (Electrical) or Junior Engineer (Electrical) I Grade, as the case may be.”

2. In the early years of implementation, as it was a new prescribed qualification, many of the Assistant Executive Engineers who were on the verge of promotion did not possess the required experience in various field and it was considered that it was not their fault and as such, the provision in the Board's Regulations was relaxed in their favour while drawing up the panels. The relaxation has been continued till 1992.

3. The Chief Engineer/Personnel who is maintaining the seniority lists of Assistant Executive Engineers/Electrical has already been requested that the senior most Assistant Executive Engineers/Electrical should be posted to the specified field areas so as to become qualified when their turn comes for promotion.

4. In June '93 while drawing up the panel, it was found that out of 60 Assistant Executive Engineers, 10 Assistant Executive Engineers have field experience shorter than the duration prescribed and 6 Assistant Executive Engineers did not have the requisite field experience. Hence, the above 16 Assistant Executive Engineers/Electrical have not been included in the panel issued in (Per.) B.P. (Ch) No. 135 (SB), dated 16—6—93.

5. The request of the Tamil Nadu Electricity Board Engineers' Association to consider the left out cases this year on compassionate grounds on condition that they complete their field experience in their new posts was examined by the Board and the Board accordingly revised the panel taking into account the list furnished by the Chief Engineer/Personnel in his Lr. No. 010363/18/E—1—3/92—19 dt. 2—7—93 in (Per.) B.P. (FB) No. 82 (SB) dt. 7—7—93 on condition that the promotion of those officers will be subject to their completing their field experience in their new posts.

6. The Chief Engineer/Personnel is informed that in future it will be the responsibility of the Assistant Executive Engineers themselves to request postings particularly in the fields in which they lack experience. He should also ensure that the Assistant Executive Engineers are posted to the specified field areas so as to become fully qualified when their turn comes for promotion and that no relaxation of the provision in regard to field experience in respect of any Assistant Executive Engineer will be entertained in future.

7. The Board has also decided that in future no exemption should be made and promoters should not be recommended by the Departmental Promotion Committee for those who do not have the required field experience.

8. Receipt of the Memo. should be acknowledged.

(By Order of the Board)

A. K. Thiyagarajan,  
Secretary.

Memo. No. SE/MM. II/EE/T/A2/F. Austerity measures/D. 5. /93, (Technical Branch) dt. 8-7-93.

Sub : Austerity in consumption of petroleum products—Consumption of fuel reduction to an extent of 20% imposed — Re-judging.

Ref : (1) Memo. No. SE/MM, II/EE/T/A2/F. Austerity measures/D. 2/92 dt. 14-5-92  
(2) Memo. No. SE/MM, II/EE/T/A2/F. Austerity measures/D. 1/93 dt. 27-4-93.

On a review of the total consumption of fuel (petrol and diesel combined) for the year 1992-93 it is seen that some of the officers have not achieved 20% reduction on the actual consumption for the year 1989-90 and some of the officers have exceeded the fuel consumption during 1992-93 over and above the actual consumption for the year 1989-90 instead of achieving 20% reduction.

Hence all the officers are requested to adhere the instructions already issued under reference (2) strictly and achieve 20% reduction of fuel during 1993-94 without fail.

(By Order of the Chairman)

M. S. Gnanamoorthy,  
Chief Engineer/Materials Management.

Secy.'s D. O. Letter No. 32108/P3/93-2, (Secretariat Branch), Dated the 8th July, 1993.

Sub : Tamil Nadu Electricity Board—Celebration of "Board's Day"—  
Institution of Medal Schemes for Tamil Nadu Electricity Board  
Employees for 1993.

Ref : Board's D. O. Lr. No. 32108/P3/93-1, dt. 22-6-93.

I am to invite your kind attention to the Board's D. O. letter cited and to request you to recommend the names of employees for awarding of Medals for the year 1993 as specified therein, before 31-7-1993, positively.

A. K. Thiyagarajan,  
Secretary.

Memo. (Permanent) No. 19069-N2/93-1, (Secretariat Branch), Dated the 13th July, 1993.

Sub : Allowances — House Rent Allowance Employees working in Uthiramerur,  
Maduranthagam and Thirukalukundram Panchayat Unions—Grant of House  
Rent Allowance at rates applicable to Chengleput Municipality (Grade II Place)—  
Orders—Amendment—issued.

2. The revised allocation of jurisdiction will come into operation from the date on which the Vigilance Officer/Vellore takes charge.

(By Order of the Chairman)

A. K. Thiyagarajan,  
Secretary.

## ANNEXURE

### JURISDICTION OF VIGILANCE UNITS

#### I. Madras Unit

1. Madras Electricity Distribution Circle (North).
2. Madras Electricity Distribution Circle (South).
3. Madras Electricity Distribution Circle (Central).
4. Madras Electricity Distribution Circle (West).
5. Chief Engineer/Distribution/Madras Region.
6. Ennore Thermal Power Station.
7. Basin Bridge Power House.
8. North Madras Thermal Power Project.
9. General Construction Circle, Madras.
10. Operation Circle, Sripurumbudur.
11. Chingleput Electricity Distribution Circle.
12. All Headquarters Offices at Madras.

**II. Vellore Unit**

1. Vellore Electricity Distribution Circle
2. Tirupattur Electricity Distribution Circle
3. Chief Engineer/Distribution/Vellore
4. Operation Circle/Tiruvalam
5. Thiruvannamalai Electricity Distribution Circle
6. Dharmapuri Electricity Distribution Circle
7. Villupuram Electricity Distribution Circle
8. Kancheepuram Electricity Distribution Circle

**III. Trichy Unit**

1. Trichy Electricity Distribution Circle (North)
2. Trichy Electricity Distribution Circle (South)
3. Chief Engineer/Distribution/Trichy
4. General Construction Circle/South/Trichy
5. Thanjavur Electricity Distribution Circle
6. Nagapattinam Quaid-E-Milleth Electricity Distribution Circle
7. Pudukottai Electricity Distribution Circle
8. Cuddalore Electricity Distribution Circle

**IV. Madurai Unit**

1. Madurai Electricity Distribution Circle/Theni Elec. Distn. Circle
2. Chief Engineer/Distribution, Madurai
3. Protection & Communication, Madurai
4. General Construction Circle, Madurai
5. Operation Circle, Madurai
6. Dindigul Anna Electricity Distribution Circle
7. Ramanathapuram Electricity Distribution Circle
8. Kanyakumari Electricity Distribution Circle
9. Tirunelveli Kattabomman Electricity Distribution Circle
10. Generation Circle/Tirunelveli
11. Kamarajar Electricity Distribution Circle
12. Chidambaranar Electricity Distribution Circle
13. Tuticorin Thermal Power Station/Tuticorin Thermal Power Project
14. Pasumpon Muthuramalinga Thevar Electricity Distribution Circle
15. Wind Energy Development Cell

**V. Coimbatore Unit**

1. Coimbatore Electricity Distribution Circle (North)
2. Coimbatore Electricity Distribution Circle (South)
3. Chief Engineer/Distribution/Coimbatore
4. Coimbatore Water Supply Project
5. General Construction Circle, Coimbatore
6. Protection & Communication, Coimbatore
7. Udumalpet Electricity Distribution Circle
8. The Nilgiris Electricity Distribution Circle
9. Generation Circle, Kundah
10. Periyar Electricity Distribution Circle
11. Generation Circle, Erode
12. Salem Electricity Distribution Circle
13. General Construction Circle, Salem
14. Mettur Electricity Distribution Circle
15. Mettur Workshop Circle
16. Mettur Thermal Power Station/Mettur Thermal Power Project
17. Kadamparai Pumped Storage Hydro Electric Project
18. Pykara Ultimate Stage Hydro Electric Project
19. Lower Mettur Hydro Electric Project

The copy of the letter received under reference is communicated for future guidance.

(By Order of the Chairman)

Encl : As above.

K. Nagarajan,  
Member (Distribution).

Copy of Lr. No. 6045/92-1 dated 1-6-1993 from Thiru K. Chandrachoodan, I.A.S., Chief Electoral Officer and Secretary to Government Public (Elections III) Department, Secretariat, Madras-600 009, addressed to The Commissioners of Madras, Coimbatore and Madurai Corporations, the Municipal Commissioners of all Municipalities. The Director of Rural Development, Madras-600 108, the Commissioner of Municipal Administration, Madras-5, The Director of Town Panchayats, Madras 600 108, All the Tamil Nadu Government Underiakings and Autonomous Bodies, The Registrar of Co-operative Societies, Madras-600 010, and Copy to The Secretary, Election Commission of India, Nirvachan Sadan, Ashoka Road, New Delhi-110 001, All Departments of Secretariat, Madras-600 009, The Commissioner, Corporation of Madras, Madras-600 003. All the District Revenue Officers, All Revenue Divisional Officers, All Tahsildars.

Sub : Elections—Prohibition of the use of Vehicles, Motor Cars etc. belonging to Local Bodies, Public Sector Undertakings etc., by the candidates during Elections.

Ref: 1. Lr. No. 15774/84-2 Public (Elections—III) Department, dt. 11-10-1984.  
2. Lr. No. 15774/84-3 Public (Elections—III) Department, dt. 20-11-1984.

In supersession of the instructions issued earlier and communicated in the letters cited the Election Commission has since decided that use of vehicles including aircrafts and helicopters belonging to Local Bodies, Corporations, Municipalities, Public Sector and Joint Sector Undertakings both under the Centre and the States, and Co-operative Societies and such Organisations for electioneering would amount to a serious Misuse of official machinery. The Election Commission has also ordered that carrying electors to the Polling Stations in any such vehicle will be an electoral offence and corrupt practice.

2. I am, therefore, to request you to ensure that the vehicles including aircrafts and helicopters belonging to Local Bodies, Corporations, Municipalities, Public Sector and Joint Sector Undertakings Co-operative Societies and such Organisations are not allowed to be used by Ministers, Members of Parliament, Members of Legislative Assembly or any candidate in any capacity for election purposes from the date of announcement of election till the date of declaration of result of elections. The use of such vehicles should be confined only for administrative purpose authorised by the State Government or official work of the Local Bodies and these instructions may be brought to the notice of all the Local Bodies and other offices under your control for strict compliance.

3. The receipt of this letter may be acknowledged.

Yours faithfully,

Sd./— x x x x  
(V. Raman)

for Chief Electoral Officer and  
Secretary to Government.

Memo. No. 452/Adm. Br./IR1(3)/93-3, (Administrative Branch), Dated 19-7-1993.

Sub : Labour-Strike proposed to be conducted on 23-6-93 — Instructions — issued — Reg.

Ref : This Office Memo. No. 452/Adm. Br./IR1(3)/93-1, dt. 15-6-93.

The Chief Engineers/Superintending Engineers are informed that the Strike proposed by some of the Unions on 23-6-93 has not actually taken place. Hence, the question of deduction of one day wage on the basis of "no work no wage" from the salary of the individuals who were otherwise absent on that day does not arise.

(By Order of the Chairman)

N. R. Sankaran,  
Chief Engineer/Personnel.

Memorandum No. 120/Adm. Br./IR1(3)/92-1, (Administrative Branch), Dated 20-7-1993.

Sub : ESTABLISHMENT—TNEB—Request transfers certain liberalised guidelines—Issued.

Ref : (1) Adm. Branch, Memo. No. 154240/1313/IR2(1)/Adm Br./88-1,  
dt. 14-12-88.

(2) Adm. Branch, Memo. No. 017363/67/Adm. Br./IR1(3)/93-1,  
dt. 17-3-93.

With referenc to the memo, 1st cited and as amended subsequently, all the employees seeking request transfer whether they have completed one year stay on duty period in their present station or **not** are permitted to apply for the request transfer at present, even though one year duty period of stay is fixed for making them eligible for consideration. Since the cases of the employees who have completed the required period of stay alone are taken up for scrutiny, there appears no need to have the applications entered in respect of those who are not eligible for the transfer. When large no. of applications are being received and entered in the register, certain difficulties are experienced for arriving at the priority, after entering the ineligible cases, resulting in avoidable delay in finalising the proposals.

2. Under the above circumstances, in partial modification of the instructions contained in memo. 1st cited, the following instructions are issued for taking necessary action.

- (a) The employees who have completed one year stay on duty in their present station **alone** should send their request transfer applications (advance copy and original as the case may be). Thus the Register of request transfer will contain the entries only in respect of the employees who have completed one year stay on duty and that making entries of ineligible cases do not arise.
- (b) The Superintending Engineers concerned should forward the original request transfer applications to this Branch within 15 days from the date of receipt along with the performance report simultaneously without waiting for a reference from this Branch for that matter.

3. The Chief Engineers/Superintending Engineers are further informed that the above instructions should be followed in respect of the cases to which request transfer is considered at their level as per the delegation of powers communicated in the memo. 1st cited.

4. The receipt of this memo. may be acknowledged.

(By Order of the Chairman)

N. R. Sankaran,  
Chief Engineer/(Personnel),

Memorandum No. 35411—N1/93—2, (Secretariat Branch), dated the 20th July, 1993.

Sub: Tamil Nadu Electricity Board Employees' Family Security Fund Scheme and Tamil Nadu Electricity Board Employees' Family Security Subsidiary Scheme—Enhancement of total lumpsum payment to Rs. 60,000/- Further orders issued.

Ref: (Per.) B.P. (FB) No. 21 (SB) dated 2—2—93.

In continuation of the orders issued in the Board Proceedings cited, the following further orders are issued:-

“In case any employee died between 1—7—91 and 2—2—93 i.e. before the contribution/arrears of contribution is deducted from the pay, his/her nominee/legal heir will get the additional benefit under this scheme, provided the arrears of contribution relating to the months of recovery till the death of the deceased employee is deducted from the further amount due to the deceased employee”

2. The receipt of the Memorandum should be acknowledged.

(Secretariat Branch)

Dated 23—7—1993.

Aadi 7, Sreemuga,  
Thiruvalluvar Aandu 2024.

**Proceedings :—**

The Tamil Nadu Electricity Board hereby directs that the post of Chief Engineer/Planning be redesignated as Chief Engineer/Planning and Co-ordination with a special pay of Rs. 200/- per month.

2. The orders in para-1 above will be in force purely as a Temporary measure till such time the present incumbent Thiru K. R. Murugesan continues in the post.

(By Order of the Board)

A.K. Thiyagarajan,  
Secretary.

Memo. No. 20653/P1/93—1, (Secretariat Branch) Dated the 24th July 1993.

Sub : Disciplinary Proceedings—Initiation of proceedings under Rule 17(a) or 17(b) of Tamil Nadu Civil Services (Classification, Control & Appeal) Rules, 1953—Framing of charges—Guidelines—Issued—Communicated.

Ref : Govt. Circular No. 14353/Per.No. 93.1 dt. 11—3—1993.

The Government in their circular cited have issued certain instructions to be followed with reference to rule 17(a) or 17(b) of Tamil Nadu Civil Services (CCA) Rules.

2. Provision similar to the above mentioned provisions in the Government Rules are contained in Regulation 8(a) and (b) of the Tamil Nadu Electricity Board Employees Discipline and Appeal Regulations.

3. The instructions issued by the Government in the Circular cited are communicated to all the Officers of the Board for strict adherence.

Encl :

A. K. Thiyagarajan,  
Secretary.

**GOVERNMENT OF TAMIL NADU**

**PERSONNEL AND ADMINISTRATIVE REFORMS (PER. N) DEPARTMENT**

Circular No. 14353/Per. N/93-1 Dated 11—9—1993.

Sub : Disciplinary Proceedings—Initiation of proceedings under Rule 17(a) or 17(b) of Tamil Nadu Civil Services (Classification, Control & Appeal) Rules, 1953—Framing of charges—Guidelines—Issued.

Of late, it has been noticed that some of the disciplinary authorities frame charges under (Rule 17(b) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules, 1953, in a routine manner even for minor offences which might not ultimately result in imposition of any major penalty. In order to avoid the framing of charges unnecessarily under rule 17(b) even for minor lapses and to avoid unnecessary prolonging of disciplinary cases, it is considered necessary to issue some guidelines in framing charges under the relevant rules so as to eliminate the delay in processing the disciplinary cases.

2. The procedure to be followed in disciplinary cases against Government servants is laid down in detail in the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules. The Tamil Nadu Civil Services (Classification, Control and Appeal) Rules have been framed in conformity with the provisions of Article 311 of the Constitution of India. It is absolutely necessary that the procedure as laid down in those rules and the various instructions issued thereunder are followed rigidly. Any failure to observe the proper procedure, either wilfully or through negligence, is liable to vitiate the entire proceedings rendering them null and void. Necessary instructions were also incorporated in Chapter II of the "Handbook on Disciplinary Proceedings" regarding the guidelines to be followed while framing charges.

3. Decision to charge an Officer should be taken only when full facts have been gathered and evaluated and there is non-controvertible inference and material that a misconduct has been committed. Once a decision has been taken to the effect that formal disciplinary proceedings should be instituted against the Government servant under the rules, the disciplinary authority will have to consciously decide whether proceedings should be taken under Rule 17(a) or 17(b), i.e., for imposing a minor or a major penalty. It should be borne in mind that the nature of disciplinary action and the quantum of punishment are to be commensurate with the gravity of the charges alleged to have been committed.

4. The disciplinary authorities should frame charges under rule 17(b) only when they are of the firm view that the charges, if framed and proved, would result in the imposition of any of the **major penalties**, namely, dismissal from service, removal from service, compulsory retirement or reduction to a lower rank in the seniority list or to a lower post or time-scale. The specific procedure under rule 17(b) has to be followed (from the stage of enquiry, after the receipt of the explanation) also when the second proviso to rule 17(a) is attracted. The cases of indiscipline, moral turpitude, corruption, bigamous marriage, unauthorised absence, etc., would attract action under rule 17(b) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules. For delinquencies other than the above not involving moral turpitude, a simple show cause notice under rule 17(a) would be quite adequate instead of framing specific charges as in the case under rule 17(b), unless a major punishment is really warranted.

5. However, in order to demarcate the framing of charges under rule 17(b) and proceedings under rule 17(a) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules, the guidelines to be followed are given in the Annexures to this Circular. All the Departments of Secretariat the Heads of Department, etc., are requested to follow the guidelines indicated in the Annexures while framing charges and ensure that the appropriate rule i.e., 17(a) or 17(b) is invoked against the erring employees and the procedure prescribed under the relevant rules are observed in full without any omission so as to avoid unnecessary delay, etc., in processing the disciplinary cases.

6. A rough-and-ready method to determine whether charges are to be framed under rule 17(b) or show cause notice is to be issued under rule 17(a) would be as follows :

<b>Test</b>	<b>Procedure</b>
(a) Is a major penalty warranted based on the gravity of the allegations? If yes,	Frame charges under Rule 17(b)
(b) In all other cases	Proceed under Rule 17(a)

7. The receipt of this Circular may be acknowledged, and these instructions may be brought to the notice of the disciplinary authorities under your control.

M. Ahmed,  
Secretary to Government.

(True Copy)

Encl :

**ANNEXURE—I****Guidelines for deciding whether charges may be framed under Rule 17 (b).**

Without prejudice to the generality of situations involving indiscipline, moral turpitude, corruption, etc., charges under rule 17(b) have to be framed in the following types of cases for imposing any one of the major penalties :—

1. Cases in which there is reasonable ground to believe that a penal offence has been committed by a Government servant but the evidence forthcoming is not sufficient for prosecution in a Court of Law, e.g.,
  - (a) possession of assets disproportionate to the known sources of income;
  - (b) obtaining or attempting to obtain illegal gratification;
  - (c) misappropriation of Government property, money or shares;
  - (d) obtaining or attempting to obtain and valuable thing or pecuniary advantage without consideration or for a consideration which is not adequate. etc.
2. Falsification of Government records.
3. Irregularity or negligence in the discharge of official duties with a dishonest motive.
4. Misuse of official position for personal gain.
5. Disclosure of secret or confidential information even though it does not fall strictly within the scope of the Official Secrets Act.
6. Misappropriation of Government funds, false claims of Travelling Allowance, reimbursement of false medical bills, etc.,

Unless a major punishment is really warranted namely, dismissal from service, removal from service, compulsory retirement or reduction to a lower rank in the seniority list or to a lower post or time scale, framing of charges under rule 17(b) is **not** necessary and should be avoided.

M. Ahmed,  
Secretary to Government.

(True Copy)

**ANNEXURE—II****Guidelines regarding show-cause notice under rule 17(a)**

For the delinquencies which are not indicated in Annexure—I and in cases where moral turpitude is not involved, a simple show cause notice under rule 17(a) would be quite adequate instead of framing specific charges. In the show cause notice, no question like " why Disciplinary action should not be taken against the Delinquent for the alleged/reported lapse " shall be asked. Expressions like " show cause why you should not be dealt with/proceeded against under Rule 17(a). " are unnecessary because the show cause notice is precisely dealing with/proceeding against the delinquent under Rule 17(a). Also, any expression like " show cause why you should not be awarded a punishment under Rule 17(a) for the above lapses. " is also not correct as it presupposes that the irregularities have been proved. Some cases in which expressions like the above were used have been struck down by the Tribunal. It is enough that the delinquents are directed to **submit their explanation** to the lapses reported against them within a specified time limit.

2. Where it is proposed (i) to withhold increment and such withholding of increment is likely to affect the pension payable to the Government servant, or (ii) to withhold increment without cumulative effect for a period exceeding three years or (iii) to withhold increments with cumulative effect for any period, the procedure laid down in rule 17(b) should be followed (from the stage of enquiry), after receiving the explanation.

3. Annexure—IV contains a sample form of Show Cause notice under Rule 17(a).

M. Ahmed,  
Secretary to Government.

(True Copy)

Encl.:

**ANNEXURE—III****Common guidelines to be followed in framing charges****under Rule 17(b) and issuing show cause notice under Rule 17(a)**

(Note: In cases falling under Rule 17(a), references to "charge sheet" and "charge" hereunder shall be deemed to be references to "show cause notice" and "the irregularity leading to the show cause notice" respectively)

(1) A separate charge should be framed wherever necessary in respect of each separate transaction/event or a series of related transactions/events amounting to misconduct/misbehaviour.

(2) If the transaction/event amounts to more than one type of misconducts, then all the misconducts should be mentioned.

(3) If a transaction/event shows that the Government servant must be guilty of one misconduct or the other depending on one or the other set of circumstances, then the charge can be in the alternative.

(4) Multiplication or splitting up of charges on the basis of the same allegation should be avoided.

(5) The articles of charge should first give plain facts and then mention the nature of misconduct/misbehaviour of the accused.

(6) The wording of the charge should not appear to be an expression of opinion as to the guilt of the accused but should contain **only statement of facts**. Any statement which snatches of expression of opinion and draws some positive conclusions against the Government servant should be strictly avoided in the charge sheet.

(7) A charge should not be related to a matter which had already been the subject matter of an enquiry resulting in conviction/punishment/acquittal/exoneration **unless** acquittal/exoneration was based on benefit of doubt by a Court or on technical consideration.

(8) A charge sheet should not refer (in the list of references as well as in the body of the memo) to the report on preliminary investigation/detailed enquiries conducted by the Directorate of Vigilance and Anti-corruption/Police (C.I.D.) and other agencies.

(9) There is no bar to include all charges of violation of departmental rules as well as criminal offences which can be taken up departmentally, e.g., misappropriation of Government money, defalcation and theft of departmental materials, etc. In the case of departmental proceedings, reference to clauses of the Indian Penal Code should be avoided. The proceedings should be based on the failure to observe departmental rules and regulations. For instance, in the case of theft of a registered or insured article, the charge against an employee may not be theft of that article but failure to account for the article entrusted to him for custody or disposal, etc.

(10) All the facts, figures, dates, etc., included in the imputations should be carefully checked before the issue of the charge sheet as a lot of difficulties may crop up when some clerical error in these figures or dates later on comes to notice.

(11) The practice of disciplinary authorities framing extra charges like "this shows that he is incapable" "this shows he is not trustworthy" etc., or their variations which were the offshoots of the main charges should be avoided. For example, if there is a charge showing or implying the dishonesty of a delinquent, there is no need for another charge that the official is dishonest.

(12) There need be only a **minimum number of specific provable charges directly attributable to the delinquent** and not too many unwanted charges which may dilate the enquiry.

(13) Once a charge is framed and fully served but no explanation is received within the stipulated time, there is no need to frame another charge for non-submission of explanation. There is no need also to send any reminder. In such cases, necessary action should be proceeded with after considering the facts and records based on which charges were framed. For this purpose, a clause is routinely added to all charges memos that if no explanation is received within the time stipulated, it will be presumed that the delinquent has no explanation to offer, and further action will be taken on the merits of the case based on available records.

(14) An Officer's past record should not be taken into account in arriving at a finding as to the truth or otherwise of the charges against him. But there may be cases in which a person might have been previously punished for similar irregularity but still he has not corrected himself. If such past bad record of a person is proposed to be taken into account in determining the penalty to be imposed, it should be made the subject matter of a specific charge in the main charge sheet issued in the first instance or in the form of an additional charge sheet issued before the commencement of an enquiry in respect of the main charge sheet and the person charged should be afforded all the facilities necessary for enabling him to meet the allegation relating to past record.

M. Ahmed,  
Secretary to Government.

Establishment—Tamil Nadu Electricity Board—Creation of one post of ‘Officer on Special Duty’ in the grade of Chief Engineer for a period of five months from 1—8—93 to 31—12—93—Re-employment of Thiru K. U. Krishnan, Officer on Special Duty—Orders—Issued.

(Per.) B.P. (FB) No. 92,

(Secretariat Branch)

Dated 26—7—1993,  
Aadi 10, Srimuga,  
Thiruvalluvar Aandu 2024

Read :

- (i) Board’s Memo. No. 20042/O&M I(2)/92-1, dt. 8—4—92.
- (ii) Board’s Memo. No. 47547/O&M I(2)/92-1, dt. 30—7—92.
- (iii) (Per) B.P. (FB) No. 48 (SB) dated 30—3—93.

**Proceedings :**

In the Board’s Proceedings dated 30—3—93, one Post of ‘Officer on Special Duty’ has been created for a period of four months from 1—4—93 to 31—7—93 and Thiru K. U. Krishnan, former Member (Distribution) has been appointed in that post. Thiru K. U. Krishnan, Officer on Special Duty will be completing his tenure on 31—7—93 After Noon. The sensitive subjects like Khalid Commission, Wage Revision and Workload Agreements looked after by him are now in final stages Hence it is felt that his services are essential and required for some more period beyond 31—7—93.

2. The Tamil Nadu Electricity Board after careful consideration hereby orders that one post of “Officer on Special Duty” in the grade of Chief Engineer (Scale of Rs. 5100—175—5975) shall be created for a period of five months from 1—8—93 and upto 31—12—93.

3. The Tamil Nadu Electricity Board after careful consideration hereby directs that the re-employment of Thiru K. U. Krishnan shall be extended for a further period of five months from 1—8—93 upto 31—12—93 and he will work as “Officer on Special Duty”. During his period of re-employment Thiru K. U. Krishnan, Officer on Special Duty will draw the Pay last drawn by him inclusive of his pension.

(By Order of the Board)

A. K. Thiyagarajan,  
Secretary.

U.O. Note No. 34875/SS1/93-3, (Vigilance Cell), Dated : 26-7-1993.

**Sub :** Vigilance Cell—Procedure to be followed while seeking Vigilance Clearance.

As per para 32 (f) of B.P. Ms. Ch. No. 379 (SB) dated 30-12-88 Vigilance Clearance should emanate from heads of offices and not from subordinate officers. As per para 32 (e) of the said BP where Vigilance Clearance is sought for, the service particulars of the employees concerned for the last 10 years should also be furnished.

2. It is noticed that in a number of cases Vigilance Clearance is sought by lower level officers. Besides, biodata of the officers and staff concerned are not enclosed; but they are required to be collected by Vigilance Cell from some other officers. This procedure is not proper.

3. The orders in para 32 (e) & 32 (f) of B.P. Ms. Ch. No. 379 (SB) dated 20-12-88 will be strictly followed in Vigilance Cell. Vigilance Clearance sought by lower level officers and request for Vigilance Clearance without bio data of the staff **will not be entertained** in Vigilance Cell.

ESTABLISHMENT—Tamil Nadu Electricity Board—Re-allocation of New Hydro Electric Projects among the Chief Engineer/Projects—Orders—Issued.

(Per) B.P. (Ch.) No. 183

(Secretariat Branch)

Dt. 28-7-93,  
Aadi 12, Srimuga,  
Thiruvalluvar Aandu 2024.

Read :

(Per.) B.P. CH. No. 100, Sectt. Branch, dt. 10-5-91.

**Proceedings :**

Chairman has since approved the proposal for the re-allocation of the new Hydro Electric Projects in respect of electrical and mechanical works among the Chief Engineers/Projects at Headquarters.

**I. Chief Engineer/Thermal Designs :**

All Project finalisation of specification, materials ordered and approval of drawings for electrical and mechanical works for the following.

- (a) Sathanur Hydro Electric Scheme.
- (b) Lower Bhavani Right Bank canal H.E. Scheme.
- (c) Parsons Valley Hydro Electric scheme.
- (d) Pykara Ultimate Stage H.E. Scheme.
- (e) Other future Hydro Electric Schemes.

**II. Chief Engineer/Hydro Projects/Bhavani :**

- (a) All balance works in Punachi Hydro Electric Project.
- (b) Micro Hydel Projects at Pykara, Vaigai & Lower Bhavani.

**III. Chief Engineer/Pykara Ultimate Stage H.E.P./Masinagudi :**

- (a) All balance works in Maravakandy.

For these projects, the Chief Engineers should undertake inspection of works and carry out improvement works wherever necessary and keep up the project schedule. The Chief Engineer/Hydro Projects/Chief Engineer/Pykara Ultimate Stage Hydro Electric Project shall be on the overall charge of the following projects and may continue to look after all the civil works in respect of the projects.

**Chief Engineer/Hydro Projects :**

- (a) Sathanur Hydro Electric Project.
- (b) Lower Bhavani Right Bank canal H.E. Project.

**Chief Engineer/Pykara Ultimate Stage H.E. Project :**

- (a) Parsons Hydro Electric Project.
- (b) Pykara Ultimate Stage Hydro Electric Project.

The Superintending Engineer/Hydro (Electrical) at Headquarters shall be under the technical control of Chief Engineer/Thermal Designs in respect of all the above said Hydro Electric Projects and continue to look after all electrical and mechanical equipment procurement works of the above said projects.

The orders will take immediate effect.

(By Order of the Chairman)

K. V. Manickam,  
Chief Engineer/Thermal Designs.

Memorandum No. 08962/61/S. 2/A. 1/93—7 (Administrative Branch), Dated : 29th July, 1993.

### Finance

Grant of Ex-gratia payment to families of deceased—Contributory Provident Fund/Non Pensionable establishment beneficiaries of Board—Orders issued.

(Per.) B.P. (Ch) No. 151

(Secretariat Branch)

Dated the 3rd July, 1993,  
Aani 21, Srimuga,  
Thiruvalluvar Aandu, 2024.

Read :

G.O. Ms. No. 1392, Fin. (Pen.) Department, dated 31—12—90.

#### Proceedings :

In the G.O. cited, the Government have sanctioned ex-gratia payment of Rs. 150/- per month to the widows and dependant children of the deceased Contributory Provident Fund/Non Pensionable establishment beneficiaries of State Government and certain others, who had retired from service prior to 1—1—1986 and who are not covered by the New Family Pension Rules 1964 and G.O. Ms. No. 748, Finance (PC) dated 26-5-79 with effect from 31—12—90 or from the dates following the date of death of the deceased employees whichever is later. The ex-gratia payment shall also be paid to the widows/widowers or dependant children of the Contributory Provident Fund/Non Pensionable establishment beneficiaries of State Government and the former District Board who died while in service prior to 1—1—86 with effect from 31—12—90.

2. The Board has examined the question of adopting the above orders of the Government and has decided to adopt it. The Board, accordingly, directs that the widows/widowers or dependant children of the deceased Contributory Provident Fund/Non Pensionable establishment beneficiaries of employees of the Board, who retired from service prior to 1—7—86 and who are not covered by the Tamil Nadu Electricity Board Family Pension Rules, 1964 and B.P. Ms. No. 262 dated 29—4—80, be paid ex-gratia payment of Rs. 150/- per month with effect from 31—12—90 or from the day following the date of death of the deceased employees, whichever is later. The ex-gratia payment shall also be paid to the widows/widowers or dependant children of Contributory Provident Fund/Non Pensionable beneficiaries of Board employees who died while in service prior to 1-7-86 with effect from 31-12-90. However, the ex-gratia payment payable in terms of this order shall not be admissible to the family of Contributory Provident Fund/Non Pensionable establishment beneficiaries who are already in receipt of Family Pension under Family Pension Scheme, 1971.

3. In addition, they will be eligible for Dearness Allowance on Ex-gratia payment at the following rates :—

Rates of D.A.	With effect from
Rs. 65/- per month	31—12—1990
Rs. 77/- per month	1— 1—1991
Rs. 90/- per month	1— 7—1991
Rs. 107/- per month	1— 1—1992
Rs. 125/- per month	1— 7—1992

The rate of Dearness Allowance as may be granted to retired officials of Board in future, shall also be admissible to these beneficiaries.

4. The sanction of ex-gratia payment will be subject to the following conditions :—

(1) The ex-gratia payment shall be admissible to the following members of the family for the period indicated against each :—

(i) Widow/Widower provided she/he was married to the Board employee before his retirement. The ex-gratia payment shall be tenable in her/his case for life or until her/his marriage, whichever is earlier.

**Note :** Employment/re-employment of the widow/widower will be no bar to her/his entitlement to the ex-gratia payment under these orders. However dearness allowance on the ex-gratia payment shall not be payable during the period of employment/re-employment under the Central/State Government or any body Corporate/Autonomous body/Public Sector undertaking belonging to the Central/State Government.

(ii) Sons upto the age of 25 years or until they are employed whichever is earlier.

(iii) Unmarried daughters upto the age of 25 years or until they are employed of their marriage whichever is the earliest.

(2) The ex-gratia payment shall not be payable to more than one member of the family at the same time. If the deceased being a Contributory Provident Fund/Non pensionable establishment beneficiary has left behind a widow or widower, the ex-gratia payment shall be payable to the widow or widower failing which to the eligible child. Where the sons and unmarried daughters are alive, unmarried daughters shall not be eligible for ex-gratia payment until sons become ineligible for grant of ex-gratia payment.

(3) Where the ex-gratia payment is granted under these orders to a minor, it shall be payable to the guardian on behalf of the minor.

(4) The other provisions of eligibility prescribed for family pension under the Tamil Nadu Pension Rules, 1978 though not specifically mentioned above, shall also apply for purpose of regulating grant of ex-gratia payment under these orders.

(5) Where the members of the family are in receipt of family pension under the Extra ordinary Pension Rules, the ex-gratia payment under these orders shall not be admissible.

(6) The ex-gratia payment shall not be admissible in cases where a pensioner was subscribing to Contributory Provident Fund on re-employment.

(7) The periodical certificates such as life certificate, non-employment certificate, non-marriage certificate etc. prescribed for drawal of family pension will also be required to be produced by the recipient of the ex-gratia payment to the appropriate pension disbursing authorities.

5. The following procedure shall be followed for giving effect to these orders :-

(a) The member of the family of the deceased Contributory Provident Fund/Non-pensionable Establishment Beneficiary eligible to receive ex-gratia payment in terms of these orders shall make an application in the enclosed form in quadruplicate accompanied by all the relevant documents mentioned therein to the office in which the deceased Contributory Provident Fund/Non-pensionable Establishment beneficiary last served before retirement or death while in service. In case a Circle or other Unit has been abolished or merged with another Circle or other Unit, the ex-gratia payment would have to be processed and sanctioned by the Office in which the parent Circle or other Unit of the retired employee was merged or the office which is keeping the record of the abolished office, as the case may be.

(b) It will be the responsibility of the applicant to satisfy the head of office that she/he is the widow/widower or eligible child of the Board employee concerned to receive the ex-gratia payment under these orders and establish identity by production of documents such as Contributory Provident Fund Account Slips or the letter regarding settlement of Contributory Provident Fund Account or retirement orders or such other relevant records which may be in her/his possession. In cases where no such records are available, the applicants will be required to produce one of the following documents for establishing their bonafide :-

(i) Succession certificate from a Court, or

(ii) Affidavit sworn before a Magistrate or

(iii) Affidavit of the claimant on a plain paper supported by any two documents which may be acceptable to the head of Circle or other Unit/Sanctioning authority. In addition, the widow/widower may also be required to produce an affidavit on a non-judicial stamp paper of the appropriate value applicable in the State in which she/he is residing to the effect that she/he was married to the deceased employee prior to his retirement. This may not be insisted upon if the sanctioning authority is otherwise satisfied on the basis of other evidence about the eligibility of the claimant.

- (c) The pension sanctioning authority shall verify the claim with reference to his records. For this purpose, he may, where necessary, also consult the Officer maintaining the Contributory Provident Fund, ledger of the deceased employee to ensure that the deceased employee was in fact governed by the Contributory Provident Fund Scheme. He will also ensure that duplicate claims for grant of ex-gratia payment under these orders are not sanctioned. For this purpose, where possible an endorsement to the effect that the ex-gratia payment has been sanctioned shall be recorded in the Contributory Provident Fund ledger of the deceased employee. It would be the responsibility of the pension sanctioning authority to determine the beneficiary who would be entitled to receive the ex-gratia payment as mentioned in para 2 above. The pension sanctioning authorities are authorised to disburse the ex-gratia payment to the beneficiaries by cheque or by postal money order.
- (d) On receipt of the papers from the Circle or other Units, the Chief Internal Audit Officer shall cause the payment authority to be issued. The payment authority should also indicate the amount of Dearness Allowance payable. The payment authority should follow the same channel through which the pension payment order in respect of pensionable employee is routed. The existing pension payment order form may be used for this purpose.
- (e) The ex-gratia payment may be disbursed by Cheque (or) by Postal Money Order at Board's Cost and the Money Order would be sent by the Pension sanctioning authority.

6. The expenditure shall be debited to "75.860—Ex-gratia payment to families of deceased—Contributory Provident Fund/Non Pensionable Establishment".

(By Order of the Chairman)

A. K. Thiyagarajan,  
Secretary.

Encl : As above.

(To be furnished in quadruplicate)

### FORM OF APPLICATION

To

(Head of Office in which the deceased Contributory Provident Fund/  
Non-Pensionable Establishment Beneficiary last served before his retirement/  
death while in service)

Subject: Application for the grant of ex-gratia payment to the family of the  
Board employee governed by Contributory Provident Fund Scheme/  
Non-Pensionable Establishment who retired/died  
while in service prior to 1-7-86.

Affix  
photograph.

Sir,

I hereby apply for grant of ex-gratia payment to me in terms of (Permanent) B. P. (Ch) No. 151 (SB) dated 3-7-93.

Requisite particulars are given below :—

1. Name of the applicant :
2. If the applicant is submitting the application as a guardian on behalf of a minor, the name of the minor child :
3. Full Address of the applicant :
4. Particulars of surviving widow/widowers and children of the deceased Board employee eligible for ex-gratia payment :

Sl. No.	Name	Relationship with the deceased person	Date of birth by Christian era.
1.			
2.			
3.			
4.			
5.			
6.			

5. Name of the deceased Board employee :
6. Date of death of the Board employee :  
(Documentary evidence to be attached) :
7. Office in which the deceased Board employee served last and the post held by him :
8. Contributory Provident Fund Account Number of the deceased Board employee (if known) :
9. Name of the Officer viz. the authority who authorised payment of the balance amount in Contributory Provident Fund Account (If known) :
10. If the Applicant is guardian his date of birth and relationship with the (i) deceased Board employee and (ii) Minor :
11. If the claimant in receipt of any family pension under the extra-ordinary Pension Rules? or Under any Rules or from any Department. :
12. List of documents/evidence attached :
  - (i) Two specimen signatures of the Applicant, duly attested (to be furnished in two separate sheets)
  - (ii) Two copies of passport size photograph of the applicant duly attested.
  - (iii) Two slips each bearing left hand thumb and finger impressions of the applicant, duly attested (Applicable where the applicant is not able to sign)
  - (iv) Descriptive Roll of the applicant duly attested, indicating (a) height and (b) personal marks, if any, on the head face etc. (specify a few conspicuous marks, not less than two, if possible)
  - (v) Certificate(s) of age duly attested showing the dates of birth of the children. The Certificate should be from the Municipal Authorities or from the Local Panchayat or from the head of a recognised school if the child is studying in such school.
  - (vi) Attested copies of retirement order, if available.
  - (vii) Death Certificate of Board employee
  - (viii) Guardianship certificate (where Applicable)
  - (ix) The Certificate to the effect that the widow/widower has not re-married.
  - (x) Non-employment certificate (in the case of children only).
  - (xi) Affidavit to the effect that the applicant (for widow/widowers only) was married to the deceased Board employee before retirement.
  - (xii) Any other document indicating that the applicant is genuine claimant (to be specified)

Signature  
Name and complete Postal address

Incentive schemes—Monthly Thermal Incentive Allowance and annual Thermal Incentive Bonus Scheme to employees of Ennore Thermal Power Station—Minimum/additional out-put—Fixation and method of calculation—Revised Schemes—Orders—Issued.

(Per.) B.P. (Ch.) No. 156,

(Secretariat Branch)

Dated the 14th July 1993.  
 Aani 30, Srimuga,  
 Thiruvalluvar Aandu 2024.  
 Read :

(1) B.P. Ms. (Ch.) No. 309 dated 7—3—78.

(2) B.P. Ms. (FB) No. 34 dated 28—4—86.

(3) From the Government of India, Ministry of Energy, Central Electricity Authority letter No. 71/41/92-SE 0/3863/91, dt. 28—5—92.

**Proceedings :**

In the Board Proceeding first cited, the Board issued orders introducing a Scheme of payment of monthly Thermal Incentive Allowance to the employees of the Ennore Thermal Power Station. The rates of the allowance are being revised as and when the Board revises the scales of pay of its employees linking the allowance to the revised pay ranges. Initially, the scheme was a temporary one which was extended from time to time and in the Board Proceeding second cited, the scheme was made permanent.

2. In July 1989, the Board and the Unions agreed to make certain changes to the original scheme with regard to minimum output for the admissibility of the allowance and also for bringing about an additional benefit of Annual Thermal Incentive Bonus to the employees of the Ennore Thermal Power Station.

3. In the letter third cited, the Government of India, Ministry of Energy, Central Electricity Authority have intimated the Regional Electricity Boards including the Tamil Nadu Electricity Board certain conditions for considering the Power Stations of the Boards for Meritorious Productivity Reward for Thermal Stations in the Country during the year 1992–1993. One of the conditions laid down by the Central Electricity Authority read as follows :

“ Power Stations of only such utility/organisation would be considered for this reward who have modified their own incentive schemes, if any, to fall in line with the philosophy of ensuring optimum availability of thermal units during peak periods and discouraging unwanted generation during off peak periods. In this connection a certificate will be required from the Chairman of the Board/Utility along with details of such scheme. ”

4. The Tamil Nadu Electricity Board has considered the question of revising the scheme of monthly Thermal Incentive Allowance applicable to the employees of the Ennore Thermal Power Station and has decided to revise the Scheme. Accordingly, the Tamil Nadu Electricity Board directs that in supersession of the orders already issued on the subject, taking into account the factors mentioned in paras 2 and 3 above, the revised Scheme of Thermal Incentive Allowance and Thermal Incentive Bonus to the employees of the Ennore Thermal Power Station shall be as mentioned in the Annexure to this order.

5. The revised Scheme shall be effective from the year 1992–1993.

(By Order of the Chairman)

A.K. Thiyagarajan,  
 Secretary.

**ANNEXURE****Thermal Incentive Allowance and Thermal Incentive Bonus to the Employees of Ennore Thermal Power Station****(1) Monthly Thermal Incentive Allowance :**

- (a) The employees of the Ennore Thermal Power Station shall be granted a monthly Thermal Incentive Allowance linked to production at flat rates for various slabs of basic pay as mentioned in Appendix-I.
- (b) The eligibility for the monthly Thermal Incentive Allowance in Ennore Thermal Power Station is subject to achievement of a minimum out-put corresponding to the annual rate of 3750 KWH/KW of installed capacity for the calendar month.
- (c) As the monthly Thermal Incentive Allowance is granted only as an incentive for production, employees will not be eligible for this incentive allowance during the following periods :
  - (i) during the periods of absence on leave other than casual leave or special casual leave or compensatory leave.
  - (ii) during the suspension.
  - (iii) when the employee is charge-sheeted for any reason, ineligibility of the allowance for a period of one month, the payment for the month being restored only if he is exonerated.

**(2) Annual Thermal Incentive Bonus :**

- (a) The annual thermal incentive bonus is for the accounting year commencing from 1st April of a year to the 31st March of the succeeding year. The employees on the rolls of the Ennore Thermal Power Station who have been on **Actual duty** (Casual leave to be treated as **Actual duty**) for 200 days in the accounting year from 1st April to 31st March of the succeeding year will be eligible to get the Annual Thermal Incentive Bonus.
  - (b) The rates of annual thermal incentive bonus for the achievement of generation level of 4050 KWH/KW and also the rates for the increase of every 50 KWH/KW over and above 4050 KWH/KW will be as indicated in Appendix-II.
  - (c) In Ennore Thermal Power Station, for extra hours approved and worked by the employees, a suitable reduction will be made from the total quantum of Annual Thermal Incentive Bonus, so that any overtime paid is deducted from the total Annual Thermal Incentive Bonus payable.
- (3) (a) The minimum out-put for the eligibility of the monthly thermal allowance, and also the output (s) for the admissibility of annual bonus shall be calculated on the basis of morning and evening peak period generation during the following hours :—  
During Summer — April to September.

<b>Morning Peak Hours</b>	<b>Evening Peak Hours</b>
05.00 to 09.00	18.00 to 22.00
During Winter — October to March	
<b>Morning Peak Hours</b>	<b>Evening Peak Hours</b>
06.00 to 10.00	17.00 to 21.00

The peak hour generation data intimated by the Power Station to the Southern Regional Electricity Board, Bangalore would form the basis for incentive benefits. The daily energy generated during the peak period shall be computed in million units based on the half hourly generation in M.W. furnished to the Southern Regional Electricity Board, Bangalore and these will be summated for each month and multiplied by three for arriving at the monthly generation. The above monthly generation figures would be further summated over the year.

- (b) The Thermal Station should carry out the instructions of the Load Despatch Centres of the Tamil Nadu Electricity Board, regarding load variations during off peak period. If any additional generation is pumped into the Grid during these off peak periods. In violation of the instructions of Load Despatch Centres of the Tamil Nadu Electricity Board, the generation of Power for that day computed as in (a) above will be deducted out of the monthly generation of the station.

Memo. No. 5158/DTS/A6/93—2, (Technical Branch), Dated 16—7—1993.

Sub: Enhancement of rates of stipend payable to Trade Apprentices—Effective from 27—2—1993—Orders—Issued.

Ref: 1. Chairman's Memo. No. 12283/DTS/A6/87—2, dated: 2—4—88.

2. Director of Employment & Training Madras Endt. No. 44964/ATSI/93, dt. 29—3—93 communicated under the Cover of letter dated 26—5—93.

The Government of India have enhanced the minimum rates of stipend payable to ITI Trade Apprentices engaged under Apprentices Act 1961 (Amended to Apprentices Rules 1962) vide Notification No. GSR 87(E) Dated: 26—2—93 published in the Gazette of India Part II Sec. 3 Sub-Section (1) on 27—2—93 as follows:

- |                                       |     |                |
|---------------------------------------|-----|----------------|
| 1. During the First year of Training  | ... | Rs. 460/- p.m. |
| 2. During the Second year of Training | ... | Rs. 530/- p.m. |
| 3. During the Third year of Training  | ... | Rs. 610/- p.m. |
| 4. During the Fourth year of Training | ... | Rs. 700/- p.m. |

2. The Revised rates of stipend are effective from 27—2—93. The Director of Employment and Training, Chepauk, Madras-5 in the reference first cited, has already communicated the enhancement of the stipend to all the Assistant Director/C.I. Centre, Principals of I.T.I. and requested to intimate all the Establishment, coming under their Jurisdiction. It has also been requested to pay the revised rates of stipends to the Apprentices whose contracts have already been registered with the Director of Employment and Training, Chepauk, Madras-5 and in respect of contracts to be sent to them for Registration the establishment may be advised to indicate the revised rates in the contract forms.

3. After careful consideration, the Tamil Nadu Electricity Board approves the payment of stipend to the ITI Trade Apprentices at the enhanced revised minimum rates prescribed by the Government of India with effect from 27—2—93. Accordingly the Superintending Engineers are requested to arrange to claim and make payment of stipend at the enhanced revised rates according to their Apprenticeship Training in Tamil Nadu Electricity Board, wherever the increased rates are applicable (i.e. during the first, second and third year of Training as the case may be) and to send a report thereon to this office.

4. Further if any, doubt arises in applying the enhanced revised minimum rates of stipend payable to any of the I.T.I. Trades, the Assistant Director of Training/R.I. Centre or the nearest Government I.T.I. Centres may be contacted for clarification in the matter.

The Superintending Engineers of Board are also requested to make necessary budget provision based on the revised rates for the number of I.T.Is. apprentices assigned for each systems/Circles.

(By Order of the Chairman)

R. Venkataraman,  
Chief Engineer/Chairman's Office.

Certain decisions taken—Orders—Issued.

Ref : Board's Memo. No. 65248/SPS/92-1. Dt. 23-10-92.

In accordance with the recommendations of the T.N.E.B. Sports and Games Committee held on 28-4-93 the following orders are issued :-

**I. Enhancement of Food Allowance to the Members of Tamil Nadu Electricity Board Teams whenever they participate in the Tournaments :**

(i) In partial modifications of the orders issued in Board's Memo. cited, each member of the Team including Marker, Incharge, Coach and Manager will be paid Rs. 30/- (Rupees Thirty only) per day per match as food allowance (instead of Rs. 25/- per day now being paid) in addition to their normal Travelling allowance and Daily allowance as admissible under the rules, whenever the Tamil Nadu Electricity Board Teams participate in the Open, Invitation tournament, League Championship and State Championship within the State and outside State.

(ii) A sum of Rs. 20/- (Rupees Twenty only) per day (instead of Rs. 15/- per day now being paid) to each member of the team will be paid as food allowance when they attend the combined practice and Coaching camp in addition to their normal Travelling allowance and Daily allowance as admissible under the rules.

**II: Sanction of incentives to Tamil Nadu Electricity Board Teams :**

Each member of the team (Players and Athletes) including Coach and incharge will be given Cash award of Rs. 1,000/- (Rupees one thousand only) for the First place (Rs. 500/- now being paid) and Cash award of Rs. 750/- (Rupees Seven hundred and fifty only) for the second place (Rs. 250/- now being paid) whenever the Tamil Nadu Electricity Board Teams got the places as mentioned above in the All India Electricity Board tournaments. This will effect from 22-3-93, final day of the XXth All India Electricity Board Kabaddi Tournament held at Madras in which the Tamil Nadu Electricity Board Kabaddi Team has won the First place.

Sub: Changes on Operational Directives of the World Bank in procurement administration.

---

I am directed to enclose a copy of letter from Adviser to our Executive Director, World Bank regarding changes in Operational Directives of the World Bank in procurement administration. These changes are prospective and would be incorporated in the legal documents of new projects.

Sd./-

ADVISER TO EXECUTIVE DIRECTOR (INDIA)  
WORLD BANK.

24th February 1993.

Dear Sir,

In order to improve procurement administration some changes in Operational Directives have been made. These relate to:—

- (i) One time adjustment of contract price when the contract award is delayed beyond the initial trial validity. This is applicable only to fixed price contracts.
- (ii) Modification of the present requirement of 'prior review' by staff of all steps for all consultants selections, irrespective of the value of the contract.

Board papers describing the changes are enclosed. These revision will be incorporated in legal documents of new projects.

Regards,

Sd./ S. G. Hoda.

Mr. M. K. Singh,  
Joint Secy. (FB), Ministry of Finance,  
Deptt. of Economic Affairs, New Delhi.

(True Copy)

**EXTENSION OF BID VALIDITY**

In Internal competitive bidding, bidders are required to keep their offers valid for a specified period to allow the borrower to examine and evaluate the offers select the lowest evaluated and obtain the necessary approvals from the competent authority and no objection from the World Bank, and bid the contract. In most cases, bids are secured by a nominal security (for example present of the bid amount) in the form of an on demand bank guarantee or similar instrument. Bid security can be forfeited if the bidder ;

- (a) withdrawn its bid during the bid validity period
- (b) changes the bid price or its terms and conditions
- (c) refused to accept an award made within the bid validity period or
- (d) upon being awarded the contract fails to submit performance security as required by the bidding.

2. When the bidding documents allow for the contract prices to be adjusted from a specified date (normally 30 days (30) before bid opening) bidders are protected by the price adjustment provisions of the contract if the implementing agency takes longer than the original bid validity period to award the contract. In the case of fixed price bids, however, bidders would have to choose between (i) refusing to grant any extension of the validity of their bids and (ii) absorbing any cost increases that might occur during such extensions (note that bidders are not allowed to increase their price as a condition of extending the validity of their bids). If those who have submitted low bids do not extend their bid validity, borrowers may argue in favour of a rebidding which would obviously delay the procurement process. If delays in bid evaluation and awarding in an agency become chronic, competition may suffer or bidders may include a speculative cushion in their bid prices.

3. To address the above problem, when bids are invited on a fixed price basis, the bidding documents should include a provision that corrects the bid price when the award of the contract is delayed beyond the original period of validity to compensate for any possible cost measures that occur over the period of delay. To simplify the application of the price correction, two standard correction factors should be used; one for all foreign currency components, and the other for the local currency component. The former should be consistent with the annual increase in international prices indicated in the Index of Unit value of Manufactured Exports which is updated semi annually; and the latter with the local inflation for the country, as projected by the country Department. Both indices will be supplied by the Task Manager to the Borrower. An example of the provision to be introduced in the bidding documents will be provided by the Bank to borrowers.

4. This modification will provide an incentive for the borrower to award the contract within the bid validity period.

Copy of:

**International Bank for Reconstruction and Development  
International Development Association.**

FOR OFFICIAL USE ONLY.

From THE PRESIDENT

OCTOBER 1, 1992.

**Procurement of Goods and Services.**

1. Pursuant to a review of (a) the causes for substantial delay in the procurement process and (b) the cost effectiveness of the Bank's process for review of consultants selection, the following improvements in procurement administration are being proposed;

- (i) Provide for a one time adjustment of contract price when the contract award is delayed beyond the initial bid validity, applicable only to fixed price contracts. This procedure is expected to improve competition, result in better prices, reduce the incidence of rebidding and provide an incentive to borrowers to award contracts within the initial bid validity period. This provision will be applied for a trial period of two years, after which it would be incorporated in the procurement Guidelines, if the trial results prove satisfactory.
- (ii) Modify the present requirement of "prior Review" by staff of all steps for all consultant selection, irrespective of the value of the contract. The new procedure would eliminate prior review by staff for contracts below 100,000, except for the Terms of Reference. Such contracts account for one third in number (out of a total of approximately 1,000 per year), but only 8 per cent in value, of all consultancy contracts. The procedure will expedite the process of consultant hiring in these small value contracts entrust more responsibility to the borrower, and save staff time in review. It will also bring consultant selection supervision on par with the procedure followed for the procurement of goods and construction services. The new procedure will however, not apply to hiring of individuals, single source hiring of firms assignments of a critical nature (e.g. environment) and amendment of contracts raising the contract value above \$ 100,000 equivalent. The Consultant guidelines will be revised accordingly at the next printing/updating.

2. The attachments explain the rationale for these two actions in greater detail. Staff instructions will be issued through appendices to the Operational Directives on procurement and consultants.

3. In the absence of objection (which should be communicated to the Vice President and Secretary to Deputy Secretary by close of business on Oct. 26, 1992), the recommendations in Para 1 will be deemed approved to be so recorded in the Minutes of a subsequent meeting of the Executive Directors of the Bank and IDA.

Attachments.

Lewis T. Preston.

(True Copy)

Bid evaluation and the selection of the lowest evaluated bid should be based on the price as quoted, disregarding the above adjustments which affect only the contract price.

5. This provision will apply for a trial period of two years beginning.....1992. This requirement will be included in the Procurement Schedule of the Loan/Credit Agreement of all loans/credits negotiated during the trial period. At the end of the trial period the experience will be reviewed to decide whether the provision should be introduced in to the procurement Guidelines, in the section dealing with Extension of validity of Bids.

\* (will be completed at the time of issue of staff instructions.)

Ref : G.O. Ms. No. 330 Finance (BPE) Dept. dt. 3-5-91 vide B.P. (FB) No. 13 (Technical Branch) dt. 20-1-92.

The G.O. Ms. No. 330 Finance (BPE) Department 3-5-91 has been adopted by the Tamil Nadu Electricity Board vide B.P. (FB) No. 13 (Technical Branch) dt. 20-1-92. According to the G.O. Price preferences of 5% or 15% is to be extended to the eligible units in Tamil Nadu.

In its 563rd meeting held on 7-6-93, the Tender Committee has approved the proposal to calculate the price preference on the Ex-works price of the lowest (out side) tenderer for arriving at the limit of evaluated price admissible for units eligible for price preference.

It is to be ensured that price preference is calculated on the Ex-works price of the lowest (outside) tenderer only.

5. Circular Memo. No. SE/IEMC/EE3/AEE2/D. 389/93 dt. 30-1-93.

### Proceedings :

The Tamil Nadu Electricity Board has introduced collection of development charges in the B. P. cited (3) under reference.

In the circular memo. dt. 30-1-93 cited (5) under reference, instructions were issued regarding refund of development charges in respect of H. T. applicants who backout at a later stage. These Instructions do not cover the L. T. applicants.

The matter has been examined and the following orders are issued in regard to refund of E.M.D./Development charges in respect of H. T./L. T. applicants.

1. The present practice of demanding development charges along with E. M. D. may be dispensed with.
2. The applicant may be advised to pay the development charges on sanction of the estimate giving him 30 days time. The work should be taken up only on payment of development charges even if the party has entered his readiness.
3. The applicant should be allowed to enter his readiness after collection of E. M. D. If the party does not enter his readiness within the stipulated time including extension, the E. M. D. may be refunded after deducting Rs. 10,000/- in case of H. T. and 25% in case of L. T. as per the existing instructions.
4. If the party backs out on entering **readiness** but before taking up of work and payment of development charges, the entire E. M. D. may be forfeited both in case of H. T. and L. T.
5. If the applicant backs out before entering readiness but after payment of development charges the entire E.M.D. may be forfeited both in respect of H.T. and L. T. and development charges refunded.
6. If the party backs out after entering readiness and after payment of development charges then even if the work has not been taken up both the E. M. D. and the development charges may be forfeited as the sanction of estimate involves measurements, preparation of estimate, reservation of the load etc.

(By Order of the Board)

- Ref: 1. (Permanent) B. P. (FB) No. 65, T. B. Dt. 3—4—1992  
 2. (Permanent) B. P. (FB.) No. 147; T. B. Dt. 4—6—1992  
 3. Item 11 of the Minutes of the 669th Meeting of the T.N. E.B. held on 28-6-1993

**Proceedings :**

The Tamil Nadu Electricity Board has ordered vide the Board Proceedings cited (1) and (2) above that in case of extension of supply to H, T Industries (which consume more than 2000 units per tonne of finished product) and to H. T. Steel Industries (with demand above 5 MVA) who apply for new/additional loads, a co-finance charge of 10% of cost of creating generating capacity shall be collected at the rate of Rs. 3000/- per KVA of the sanctioned demand.

2. Representations have been received from Industries and from the Industries Department, Government of Tamil Nadu requesting the Board to reconsider the collection of the co financing charge.

3. After considering the above requests and also in view of the fact that Development charge is already being collected in T.N.E.B., the T.N.E.B. hereby orders that instructions already issued to collect the co-financing charges from such Industries be cancelled and that the applications received from H.T. Industries (whose specific consumption per tonne of finished product is more than 2000 units) and H.T. Steel Industries (who require demands above 5000 KVA) may be processed, as is being done in the case of the applications received from any other H.T. industry.

Memo. No. SE/MM. II/EET/A2/F. 102/D 5/93, (Technical Branch), dt. 6-7-93.

Sub : Retreading/Recapping of tyres approval of firm and their rates for the period from 1-4-93 to 31-3-94—Orders communicated.

The list of firms with approved rates for retreading/recapping of tyres both conventional precured for the year 1993-94 received from the Director/Tamil Nadu Motor Vehicle Maintenance Department/Madras-83 is herewith enclosed.

The vehicle using officers are requested to ensure that the tyre retreading works are entrusted to private firms at the rates approved as shown in the Annexures I & II.

In places where no retreading/recapping tyre unit of the approved companies exist, the work of retreading/recapping should be entrusted to the tyre units approved in nearby districts.

The to and fro transportation charges for entrusting the tyre for retreading/recapping will be borne by the respective tyre retreading agency.

To avoid any hardship to the retreading firm the payment may be arranged within 30 days on receipt of the bills.

Any undue delay in completing the tyre retreading/recapping work within the stipulated time of seven days for both under conventional and precured process may be brought to the notice of The Director/Tamil Nadu Motor Vehicle Maintenance Department with a copy to the Superintending Engineer/Materials Management-II for taking suitable action against the firm.

The tyres retreaded shall serve the Kilometres noted below :

	Conventional	Precured
1. Tyre of light vehicle	16,000 KMs.	20,000 KMs.
2. Tyre of Heavy vehicle	20,000 KMs.	25,000 KMs.

If the performance of the tyre is not satisfactory the defects shall be rectified at free of cost/transport or proportional cost refunded by the firms.

The rates for retreading/recapping of various sizes of tyres and repair charges in each district are shown in the Annexure I & II. The rates are NETT and inclusive of all taxes, surcharge, etc., and will be effective till 31-3-1994.

The rates approved for private tyre retreading firms are made applicable to State Transport undertakings in the respective districts.

"No objection certificate" from State Transport Undertakings before entrustment of tyre retreading/recapping both under conventional/precured process with the private firms need not be obtained.

The vehicle using officers shall decide the process (i.e. conventional/precured) for even first retreading/recapping of tyres.

The above are communicated to the field for their information/guidance and strict adherence.

M. S. Gnanamoorthy,  
Chief Engineer/Materials Management.

M(D)'s Letter No. SE/IEMC/EE3/AEE2/D. 605/93, (Technical Branch), dated 7-7-1993.

---

Sub : Electricity—Amendment to Tariff Rates—Collection of development charges—Regarding.

Ref : Lr. No. PR. 177/AEE. GI/F. Cir/93-1/dated 27-3-1993.

Adverting to the above, the Chief Engineer (Distribution), Coimbatore is clarified as follows:—

The Public water supply under Tariff II may be continued to be exempted from payment of development charges.

2. The Cottage and Tiny industries, Small power looms of Handloom Weavers, Small Gem-cutting units having a connected load not exceeding 5 HP classified as Tariff III in the latest Tariff Government Order may be treated as domestic services for the purpose of collecting development charges.

K. Nagarajan,  
Member (Distribution).

Memorandum No. SE/IEMC/EE3/AEE 2/D. 606/93 (Technical Branch), dated 7-7-'93.

---

Sub : Electricity—Extension of supply to 'Jeevan Dhara' Wells—  
Executed by TAHDCO—According special priority—  
Instructions issued—Regarding.

- Ref : (i) G.O. Ms. No. 765, Rural Development (RLEGP. I) I Department  
dated 5-12-88.
- (ii) Circular Memo. No. SE/RE&I(D)/D. 8439/89 dated 24-4-89.
- (iii) Commissioner of Rural Development letter  
Rc. No. 81994/91/12B/dated 29-1-92.

Based on the Government Orders dated 5-12-88 under reference (i), the Tamil Nadu Electricity Board has accorded overriding priority for electricity connection for 'Jeevan Dhara' Wells, vide Circular Memo. dated 24-4-89 under reference (ii).

As per the above Government Order, the Jeevan Dhara Wells were executed by Panchayat Unions and the Block Development Officers concerned were authorised to certify the beneficiaries.

Subsequently, Tamil Nadu Adi Dravidar Housing and Development Corporation is also executing 'Jeevan Dhara Wells under Jawahar Velai Vaippu Thittam under reference (iii). As the stipulation of certifying by Block Development Officers will apply only to Panchayat Unions, the Jeevan Dhara Wells executed by TAHDCO may be given overriding priority based on certification of the beneficiaries by the concerned Executive Engineer/Tamil Nadu Adi Dravidar Housing and Development Corporation.

The other instructions already issued in the memo. dated 24-4-89 under reference (ii) may be followed.

K. Nagarajan,  
Member (Distribution).

**Terms and Conditions of Supply of Electricity-Formation of Committee to examine and submit a revised Terms and Conditions of Supply of Electricity-Orders-Issued.**

---

Permanent B. P. (Ch.) No. 161,

(Technical Branch)

Dated 8-7-1993,  
Aani 24, Srimuga,  
Thiruvalluvar Aandu 2024.

Read :

- (i) B. P. Ms. (F. B.) No. 51 (Adm. Branch) dated 24-12-88.

**Proceedings :**

The Terms and Conditions of Supply of Electricity was last revised in 1989, subsequent to this, number of amendments have been issued. On some of the items, it is found not to cater (or) there are no specific provisions. In some cases, the provisions are found to be very stringent and causing lot of representations from consumers.

To review the various clauses of Terms and Conditions of Supply of Electricity and make it complete, Tamil Nadu Electricity Board hereby orders that a Committee comprising the following officers of the Board be constituted to examine the Terms and Conditions of Supply of Electricity and to submit a revised Terms and Conditions of Supply of Electricity within 3 months from the date of B.P.

- (1) Chief Engineer/Distribution/Coimbatore.
- (2) Chief Engineer/Distribution/Madurai.
- (3) Chief Engineer/Chairman's Office.
- (4) Superintending Engineer/Industrial Energy Management Cell (Convenor)

The Committee may also consult if necessary various distribution Engineers on the practical applications by sitting in the regional headquarters.

(By Order of the Chairman)

R. Venkataraman,  
Chief Engineer/Chairman's Office.

Copy communicated.

Jeyatilaka Williams,  
Chief Engineer/Non-conventional  
Energy Sources.

Copy of G.O. Ms. No. 230 (Industries (MIC. I) Department) Dated 16—6—1993.

Industries—Cogeneration of Power in Sugar Industry—Committee constituted—Recommendation of the Committee—Orders—Issued.

Read :

1. G.O. Ms. No. 724, Industries (MIC I), dated 23—12—92.
2. From the Commissioner of Sugar, D.O. No. 36429/E1/92, dt. 19—4—93.

**ORDER :**

In the G.O. read above, the Government of Tamil Nadu have constituted a Committee with Principal Secretary to Government, Industries Department, Secretary, Public Works Department, Secretary, Finance Department, Member (Accounts), Tamil Nadu Electricity Board, Member (Generation), Tamil Nadu Electricity Board and Commissioner of Sugar as members with the following terms of reference :—

- (i) To evolve a methodology for pricing of electricity purchased by Tamil Nadu Electricity Board from Sugar Mills Cogenerating electricity.
- (ii) To establish a formula for regular revision of the price at fixed intervals to reflect changes in cost and other prices.
- (iii) To establish the mode and terms of payment by Tamil Nadu Electricity Board to the cogenerating units.
- (iv) To review the scheme of wheeling and banking to make it more effective by allowing wheeling to any party at market driven price to be mutually negotiated between the cogenerator and the end user.

2. The Committee has now given its report. The Government have considered the recommendations contained therein. Accordingly, the following orders are issued by Government :—

**(i) Price of Cogenerated Power :**

For the Power supplied to the State grid by the cogenerating sugar mills, Tamil Nadu Electricity Board shall pay a price equal to HT-I tariff charged for industrial consumers less 2% for transmission cost.

**(ii) Time limit for payment :**

The Tamil Nadu Electricity Board shall be required to make the payments for the power purchased from the cogenerating mills within 30 days of the date of receipt of invoices from the mills with a suitable rebate/surcharge for earlier/later payments. The rebate/surcharge shall be decided taking into account the prevailing bank interest rates.

**(iii) Banking and Wheeling :**

The cogenerating sugar mills shall be permitted to bank the power generated and wheel it through the Tamil Nadu Electricity Board grid for sale to other consumers at mutually agreed rates subject to approval by the Government and the Tamil Nadu Electricity Board shall charge 10% of the power for wheeling through the grid and 2% of the power for banking.

**(iv) Exemption from Electricity Generation Tax :**

Cogenerating sugar mills shall be exempted from the Electricity Generation Tax both for power consumed captively as well as power supplied to the Tamil Nadu Electricity Board and other third parties.

3. This order issues with the concurrence of Finance Department vide its U.O. No. 2150/FS/P/93, dated 26—4—93.

(By Order of the Governor)

C. Ramachandran,  
Principal Secretary to Government.

To

The Commissioner of Sugar, 474, Anna Salai, Madras-35.  
The Chairman/Tamil Nadu Electricity Board, Madras-2.

(True Copy)

**Delegation—Tamil Nadu Electricity Board—Delegation of Powers to Executive Engineers of "O & M Divisions" in Distribution Circles — Enhancement of Powers to sanction estimates for replacement of failed Distribution Transformers—Orders—Issued.**

(Per) B. P. (FB) No. 83

(Secretariat Branch)

Dated 8—7—1993,  
Aani 24, Sreemuga,  
Thiruvalluvar Aandu 2024.

Read :

- (i) B. P. Ms. (Ch) No. 128, Tech. Branch dt. 24—6—83.
- (ii) B. P. Ms. (FB) No. 55, Adm. Branch dated 26—6—87.

**Proceedings :**

The Tamil Nadu Electricity Board hereby directs that the Executive Engineers of "O & M Divisions" in Distribution Circles shall be delegated with "full powers" to sanction estimates for replacement of failed Distribution Transformers to speed up their replacement and quicken restoration of supply. Consequently, the existing "full powers" to the Superintending Engineers and Chief Engineers in the Board's Proceedings referred to above shall stand withdrawn.

(By Order of the Board)

A. K. Thiyagarajan,  
Secretary.

Memo. No. SE/MM. I/EES/A3/F. Tender/D 480/93 (Technical Branch), dt. 13—7—93.

Sub : Approval of tenders and purchase contracts—Certain clarifications.

- Ref : (1) Permanent B.P. (F.B.) No. 337, Technical Branch dated 16—12—1991.  
 (2) Per B.P. (FB) No. 2 Technical Branch dated 4—1—92.  
 (3) Letter No. 2935/BPE/92—1 dated 22—2—1993, from Secretary to Government/Finance (BPE) Department Fort St. George, Madras-9, addressed to the Chief Executive Officers of all State Public Sector Undertakings/Boards.

In continuation to the Board Proceedings first and second cited under reference, the copy of Government's letter third cited under reference, is communicated herewith for information and necessary action.

(By Order of the Chairman)

Encl :

K. Nagarajan,  
Member (Distribution).

Copy of Letter No. 2935/BPE/92—1/dated 22—2—1993 from Thiru N. Narayanan, I.A.S., Secretary to Government, Finance (BPE) Department, Government of Tamil Nadu, Fort St. George, Madras-9, addressed to the Chief Executive Officers of all State Public Sector Undertakings/Boards and copy to all Deptts. of Sectt. and Finance Dir.

Sub : Approval of tenders and purchase contracts—certain clarifications.

In G. O. Ms. No. 836, Finance (BPE) Department, dated 6—11—91 it was ordered among other things, that prior approval of the Government should be obtained by the State Public Sector Undertakings in respect of all tender for works, equipments etc., and all purchases whether by open tender or by limited tender enquiries etc., where the value of the contract exceeds Rupees one crore. The concerned Department of Secretariat have issued separate orders prescribing the above procedure to be followed by the Statutory Boards also with regard to approval of tenders and purchase contracts etc., where the value of the contract exceeds Rupees one crore. In G. O. Ms. No. 330, Finance (BPE) Department dated 3—5—91, a scheme of purchase preference to certain Institutions including the State Public Sector Undertakings in the order of Priority indicated therein, has been ordered. Now a point of clarification has been sought as to whether Orders on purchase of requirements for values over one crore intended to be placed with the priority Institutions viz., Public Sector Undertakings etc., also have to be submitted to the Government for prior approval.

2. The Government, after careful consideration clarifies that the existing procedure with regard to obtaining of Government approval on tenders and purchase contracts etc., by the Public Sector Undertakings/Boards for value exceeding Rupees one crore is equally applicable to cases of purchases from priority Institutions also and there shall be no deviation from the existing procedure.

3. The receipt of this letter may be acknowledged.

Yours faithfully,  
Sd/- 23—2—93  
for Secretary to Government.

Electricity—Collection of monthly minimum charges from H. T. consumers from the date of expiry of initial 3 months period notice — Proposal — Approved.

(Permanent) B. P. (FB) No. 152,

(Technical Branch)

Dated 13—7—1993,  
Aani 29, Srimuga,  
Thiruvalluvar Aandu 2024.

Read :

- (i) B. P. Ms, (FB) No. 61 (Adm. Br.) dated 24—12—1988, and its subsequent Amendments issued so far.
- (ii) Item No. 16 of Minutes of the 670th Meeting of Tamil Nadu Electricity Board held on 2—7—93.

**Proceedings :**

In exercise of the powers conferred by Section 49 of the Electricity (Supply) Act 1948 (Central Act LIV of 1948) the Tamil Nadu Electricity Board issues the following Amendment to the Terms and Conditions of Supply of Electricity as noticed in Board's Proceedings Ms. (FB) No. 61 (Adm. Branch) dated 24—12—88 and published in Part VI Section 3 (b) of the Tamil Nadu Government Gazette dated 1—3—1989

**AMENDMENT**

In clause 12.00 of Terms and Conditions of Supply at Electricity Under the heading "NOTICE BEFORE CONNECTION" the following text shall be added as a new clause.

12.03: "If the indenting consumer fails to avail supply after the expiry of first 3 months notice period of availability of supply he should pay the monthly minimum charges for the period from the day following the date of expiry of the first 3 months notice period till the date of availing supply."

(By Order of the Board)

R. Venkataraman,  
Chief Engineer/Chairman's Office

Memo.No. IEMC/EE/T/AEE/AE2/Construction purpose/CR 04240/93, (Technical Branch) Dt. 14-7-1993.

Sub : Electricity—Supply for building construction purposes—Reg.

Ref : (1) Member (Distribution)'s Lr. No. IEMC/EE/T/AE2/Construction Purpose/  
Tariff/CR 01655/93 dt. 7—4—93.

(2) The CE/D/Coimbatore Region Lr.No.PR 862/O&M/F. Tech. Inst./93 dt. 27-4-93.

(3) The CE/D/Trichy Region Lr.No.Tech/A3/F.14/D. 1157/93 dt. 20-5-93.

The Chief Engineer/Distribution/Coimbatore and Trichy Regions have requested for clarification in their letters cited (2) and (3) above regarding supply of electricity for building construction purposes.

The points have been examined and following clarifications are issued.

(1) The new L.T. service connections for construction of building like shopping complex, hospitals, Hotels, theatres, office complex, educational institutions, industrial complex, Housing Boards, Panchayats and the supply to construction of houses in colony area etc. temporary supply may be given under LT Tariff IX plus 25% extra.

(2) For extension of building where already a permanent service exists, the billing may be made under LT Tariff IX plus 25% extra till completion of construction works. After completion of work, appropriate tariff may be applied.

(3) For the violations noticed in the services effected already for building constructions the assessment may be restricted to the tariff of L.T. Tariff IX + 25% instead of levying compensation charges and the amount collected if not already done.

K. Nagarajan,  
Member (Distribution):

Memorandum No. 240/IEMC/EE/T/AE1/93-1 (Technical Branch), dt. 15-7-1993.

---

Sub : Electricity—Period of assessment for violation and the rate at which compensation charges to be collected—Clarification issued—Regarding.

Ref : Board's Circular Memo. No. 367/Techl. Br./SE/IEMC/PO(T)/Tariff-I(2)/88-20 dt. 15-3-1989.

The orders issued in para 4 of the Board's Circular Memo. dt. 15-3-89 are modified as below :—

In cases of violations, the compensation charges are to be levied only as per the Terms and Conditions of Supply of Electricity applicable at the time of detection of malpractice theft of energy etc.

K. Nagarajan,  
Member (Distribution).

Memo. No. CFC/Rev/AO/CB/F. Misc/D 563/93 (Accounts Branch), dt. 21-7-93.

---

Sub : Electricity—Collection of C.C. Charges and remittances made verification—Instructions issuing of.

It has been brought to the notice that in a particular case, collection was made on 1-8-91 and subsequently corrected the duplicate receipt as 6-8-91 and accounted the same in the P.C.B. remittance was made on 7-8-91.

If proper check was exercised by the Section Officer every day whether the amount collected were brought into account in the P.C.B. this sort of omissions and temporary misappropriation of Board's money could have been avoided.

The Superintending Engineers of Distribution Circles are therefore requested to arrange to assure instructions to the Section Officers to verify the duplicate copy receipts of Inspector of Assessment Collections every day to ensure that they are all accounted on the same day and remitted to Board's account as per rules.

The receipt of this may please be acknowledged.

V. Jayaraman,  
Chief Financial Controller (Revenue),

Memorandum No. 146/IEMC/EE(T)/AEE/AE.1/93—1, (Technical Branch), Dated 27—7—1993.

Sub: Electricity—Periodical Testing of meters in H.T. and L.T. services—Instructions—Regarding.

Ref: (1) Memo.No.SE/RE&I (D)/DE/SS/A1/S.323/85 (Technical Branch) dated 29-8-85.  
(2) Memo.No.SE/RE&I(D)/G.323-4/86 (Techl. Branch) dated 28-5-86.

The instructions had been issued for testing of H.T. and L.T. meters as per the periodicity specified in the references (1) and (2) cited above and the Chief Engineers (Distribution) Region would ensure that the testing of meters are carried out as per the periodicity without slippages. It is reported that the periodicity of Testing of meters has not been kept up in respect of several H.T. and C.T. connected L.T. service connections, resulting in loss of revenue to the Board such as lesser recording of actual consumptions, non-recording due to meter defect and wrong multiplication factor in respect of C.T. connected L.T. services.

The Chief Engineers (Distribution) Region and Superintending Engineer/Electricity Distribution Circles are requested to pay personal attention in this regard and ensure that the meters in H.T. and C.T. connected L.T. services are tested periodically as per the periodicity without fail. A report on the fact of testing of meters as per periodicity may also be obtained from the Executive Engineer/MRTs.

The receipt of this memo. is to be acknowledged.

K. Nagarajan,  
Member (Distribution),

Electricity—H.T. Industries—Proposal to give more than one service connection within a door number sub-door number (in the same premises) of the industries who go for expansion of their industrial activities—Incorporation of one additional para to Clause 8.02 of Terms and Conditions of Supply of Electricity—Approval –Accorded.

(Per.) B.P. (F.B.) No. 166

(Technical Branch)

Dated 31—7—1993,  
Aadi 15, Srimuga,  
Thiruvalluvar Aandu 2024

Read :

1. B.P. Ms. (F.B.) No. 61 (Administrative Branch) dated 24—12—1988 and its subsequent Amendment issued so far.
2. Minutes of the 673rd Meeting of Tamil Nadu Electricity Board held on 23—7—93 Item No. 6.

#### **Proceedings :**

In exercise of the Powers conferred by Section 49 of the Electricity (Supply) Act 1948, (Central Act. LIV of 1948) the Tamil Nadu Electricity Board issues the following Amendment to the Terms and Conditions of Supply of Electricity as notified in Board's Proceedings Ms. (F.B.) No. 61 (Adm. Branch) dated 24—12—88 and Published in Part-VI Section 3(b) of the Tamil Nadu Government Gazette dated 1—3—89.

The Government of Tamil Nadu in G.O. Ms. No. 1330, P.W. dated 17—9—92 have issued orders that the tariff concession shall be applicable to expansion of industry also to be sent up in any City, Municipality, Township or Panchayat Union limit other than the Madras Metropolitan area in which the main industry is functioning irrespective of its location but availing separate service under this tariff, provided the assets other than cash of the existing industry are not transferred and shown as the assets of expansion. In order to implement the orders of the Government, the following amendment to Terms and Conditions of Supply of Electricity is issued, which shall come into force with effect from 17—9—92.

#### **AMENDMENT**

Under Clause 8.02 of the Terms and Conditions of Supply of Electricity the following text shall be added as a fourth paragraph.

"The existing H.T. consumers who want to avail a separate service for their expanded industrial activities within a door number or sub-door number (in the same premises) a new service connection shall be given.

(By Order of the Board)

R. Venkataraman,  
Chief Engineer/Chairman's Office.
