## PART-I

### NEWS & NOTES

#### I. Generation Particulars :

The generation/relief figures for September '94 were as follows :

Sl. No.	September '94	July to September '94
1. Ennore	172.030	551.277
2. Tuticorin	458.265	1398.665
3. Mettur	394.150	1229.310
TNEB Thermal	1024.445	3179.252
4. Neyveli TS I	137.936	427.211
5. Neyveli TS II	580.091	1695.406
6. Kalpakkam	150.401	428.258
7. Hydro Generation	731.213	2139.365
8. Import from NTPC	(—) 20.300	(—) 167.514
9. Net Export to Kerala	112.464	131.481
10. Import from Manali, BHEL & Private Wind Mills	12.010	47.505
11. Narimanam GTS	2.006	7.225
12. Wind Mills	3.042	14.082
13. Kadamparai (Pump Mode)	0.224	0.703
Nett TNEB consumption	2508.156	7638.606

The maximum grid demand and consumption during September '94 were 4107 MW on 20—9—'94 and 89,249 MU on 21—9—'94 respectively. The average grid consumption in September '94 was 83,605 MU per day.

#### II. Hydro Inflows :

The hydro inflows during September '94 were 443 MU against 209 MU in September '93 and against the ten year average of 272 MU. The total inflows in July to September '94 were 2447 MU against 1572 MU during the same period last year and against the ten year average of 1379 MU.

**III. Storage Position :**

The storage position in various reservoirs as on 1—10—'94 when compared to the storage on 1—10—'93 was as follows :

Sl. No.	Storage as on		Difference
	1—10—'94	1—10—'93 (Million Units)	
1. Nilgiris	1370.90	921.88	(+) 449.02
2. PAP	240.68	165.06	(+) 75.62
3. Periyar	64.94	22.24	(+) 42.70
4. Suruliyar	30.91	7.41	(+) 23.50
5. Papanasam & Servalar	15.23	0.00	(+) 15.23
6. Kodayar	93.59	77.44	(+) 16.15
<b>Total excluding</b>	<b>1816.25</b>	<b>1194.03</b>	<b>(+) 622.22</b>
<b>Mettur</b>	<b>79.75</b>	<b>11.06</b>	<b>(+) 68.69</b>
<b>Total including Mettur</b>	<b>1896.00</b>	<b>1205.09</b>	<b>(+) 690.91</b>

**IV. Performance of Thermal Stations :****(i) Tuticorin (5 x 210 MW) :**

The details of generation at Tuticorin during September '94 were as follows :

Unit	Availability Factor (%)	Generation (MU)	Plant Load Factor (%)
I (210 MW)	42.20	57.370	37.94
II (210 MW)	73.80	104.770	69.29
III (210 MW)	100.00	144.070	95.28
IV (210 MW)	97.20	141.650	93.68
V (210 MW)	9.50	10.405	6.88
<b>Station (1050 MW)</b>	<b>—</b>	<b>458.265</b>	<b>60.62</b>

(a) Unit I shut down on 22—8—'94 for annual maintenance works came back into service on 17—9—94.

(b) Unit II shut down on 24—9—'94 for annual overhaul works.

(vii)

**(ii) Ennore (2×60 MW + 3×110 MW) :**

In September '94 Ennore generated 172.030 MU with a PLF of 53.10. The unitwise details of generation was as follows :-

Unit	Availability Factor (%)	Generation (MU)	Plant Load Factor (%)
I (60 MW)	—	—	—
II (60 MW)	77.89	26.429	61.18
III (110 MW)	90.65	54.819	69.22
IV (110 MW)	85.75	46.773	59.06
V (110 MW)	73.61	44.009	55.57
Station (450 MW)	—	172.030	53.10

(a) Unit I shut down on 28—4—'94 due to generator transformer problem.

**(iii) Mettur (4 × 210 MW) :**

The details of generation at Mettur TPS during September '94 were as follows :-

Unit	Availability Factor (%)	Generation (MU)	Plant Load Factor (%)
I (210 MW)	95.19	134.050	88.66
II (210 MW)	—	—	—
III (210 MW)	91.78	131.560	87.01
IV (210 MW)	90.40	128.540	85.01
Station (840 MW)	—	394.150	65.17

(a) Unit II shut down on 14—8—'94 for annual maintenance works.

**(iv) Coal Particulars for September '94 :**

Sl. No.	Particulars	Tuticorin	Ennore	Mettur
1.	Coal linkage (in lakhs Tonnes)	4.30	2.10	3.60
2.	Coal Receipt ( " )	2.44	1.71	3.46
3.	Coal consumption ( " )	3.28	1.49	2.91
4.	Coal stock as on 30-6-'94 ( " )	1.55	0.54	1.91
5.	Coal consumption (kg/unit)	0.72	0.87	0.737

**(v) Auxiliary Consumption and Oil Consumption During August '94 :**

	Tuticorin	Ennore	Mettur
Auxiliary consumption (%)	8.10	12.20	8.91
Oil consumption (ML/Unit)	1.98	3.10	1.773

## V. TRAINING :

Following special programmes were conducted during September 1994 :—

1. One Head Draughtsman and one Accounts Supervisor deputed for the programme on "Union Management Relations" conducted by National Institute of Man Power Management and Advancement from 21—9—'94 to 25—9—'94 at Goa.
2. 6 Officers deputed for the programme on "How to engage and use IMCGS" conducted by Management Development Institute from 13—9—'94 to 15—9—'94 at New Delhi.
3. Deputation of 40 participants for the programme on Productivity by State Level Productivity Cell at Mettur Thermal Power Station was approved.
4. Deputation of 40 participants for the programme on "Productivity" by Department of Inspectorate of Factories at Ennore Thermal Power Station was approved.
5. Training Programme on "Organisational Matters" for the persons working in B.O.S.B. conducted by Staff Training College, Madras from 2—9—'94 to 8—9—'94 with a strength of 25 participants.
6. Training Programme on "Engineering Matters for Non-Engineering Personnel" conducted by Staff Training College, Madras from 12—9—'94 to 17—9—'94 with a strength of 19 participants.
7. Training Programme on "Effective Revenue Management" for officers of Accounts Personnel conducted by Staff Training College, Madras from 12—9—'94 to 22—9—'94 with a strength of 22 participants.
8. Supervisory Development Programme for Assistant Engineers conducted by Staff Training College, Madras from 23—9—'94 to 29—9—'94 with a strength of 27 participants.
9. Management Development Programme for A.E.s. conducted by Staff Training College, Madras from 19—9—'94 to 1—10—'94 with a strength of 23 participants.
10. 3 Engineers deputed to attend for 3 days Workshop on "Demand Side Load Management" from 26—9—'94 to 28—9—'94 at Bhopal conducted by CBI & P/New Delhi.
11. 20 participants in the level of EEs/AEEs/AEs deputed to for 2 weeks course on "Micro Processor and their Applications" from 12—9—'94 to 23—9—'94 at Anna University, Madras conducted by Appadurai Chair for Power Systems, Madras-25.
12. One Junior Engineer/I Grade (Mech) deputed for the 2 weeks course on Welding and Inspection from 26—9—'94 to 8—10—'94 at Trichy conducted by M/s. Bharat Heavy Electricals Ltd., Trichy.
13. One A.E./Mechl. deputed for the 31 days Training Programme on Vibration Analysis/Dynamic Balancing from 6—9—'94 to 8—9—'94 at Madras conducted by M/s. IRD Mechanalysis (P) Ltd., Madras.
14. One A.E./Cable deputed for the 3 days programme on Cable Jointing Techniques from 21—9—'94 to 23—9—'94 at Neyveli conducted by Neyveli Lignite Corporation, Neyveli.
15. One Junior Chemist deputed for 2 weeks Training Programme on "Industrial Hygiene Techniques" from 12—9—'94 to 23—9—'94 at R.L.I./Madras conducted by Regional Labour Institute, Madras-20.
16. One A.E.E./One A.E. deputed for 10 days Short-term course on Earthquake Resistant Design of Bridges from 28—9—'94 to 7—10—'94 at Roorkee Conducted by Department of Continuing Education, Roorkee.
17. One A.E.E./Mechl. deputed to for 5 days Training Programme on "Testing and Examination of Pressure Vessels from 26—9—'94 to 30—9—'94 at R.L.I./Madras conducted by Regional Labour Institute, Madras.

(ix)

18. One E.E./One A.E.E. deputed for 2 days Workshop on "Private Power in India" held on 29-9-'94 & 30-9-'94 at Hotel Park Sheraton, Madras conducted by the Belgundi Group, Bombay.
19. 3 Engineers deputed for 3 days Workshop on Demand Side Load Management conducted by CBIP at Bhopal from 26-9-'94 to 28-9-'94.
20. 2 E.Es./2 A.E.Es. deputed for one day workshop on fluidised Bed Boiler Scope and Application for Enhancing Energy Efficiency" on 23-9-'94 at Hotel Cannemara, Madras conducted by M/s. National Productivity Council Madras.
21. 1 S.E./1 E.E./1 A.E.E./1 A.E./Civil deputed for one day Workshop on Detailing for Multi-Storeyed RCC Structures on 28-9-'94 at College of Engineering, Anna University, Madras-25 conducted by Building Technology Centre, Madras-25.
22. 5 A.E.Es./1 J.E. I Gr. deputed for 5 days Training Programme Power Distribution System Automation and Load Management from 19-9-'94 to 23-9-'94 at Hyderabad conducted by C.I.R.E./Hyderabad.
23. 1 A.A.O./4 A.Os./1 D.F.C. deputed for 5 days Training Programme on Revenue Cash Flow Management from 26-9-'94 to 30-9-'94 at Hyderabad conducted by C.I.R.E./Hyderabad.
24. One C.E./R & D deputed for 9 days course on Project Planning, Monotory and Control Systems from 22-9-'94 to 30-9-'94 at New Delhi conducted by ISTD in Colloboration with Planning Commission, Government of India, New Delhi.
25. Chairman, T.N.E.B., participated in the 10th International "CEPSI" Conference on Electricity Power of the 21st Century" held in Christ Church, New Zealand from 19th to 23rd Sep. '94.
26. One A.E.E. duputed for training in U.K. under Colombo Plan during 94-95 in Environmental Impact and Auditing from 19-9-'94 to 25-11-'94 with further post course attachment for 2 weeks.
27. Chairman, Member (Gen.) & Member (Distn) attended the Second International Conference on Power Generation & Distribution held in Kuala Lumpur during 5th to 8th Sept. '94 and 2 A.E.Es. also attended the conference for presentation of papers.

#### VI. PAYMENT OF EX-GRATIA TO MEET FUNERAL EXPENSES-ENHANCEMENT OF PAY LIMIT :

In B.P. (Ch) No. 246, Secretariat Branch dt. 7-9-'94 the Board has enhanced the pay limit for payment of ex-gratia grant to meet funeral expenses from Rs. 1700/- to Rs. 1900/- per month.

#### VII. HOUSE RENT ALLOWANCE-ENLARGING THE SCOPE :

In B.P. (Ch) No. 247, Secretariat Branch, dt. 13-9-'94 the Board has enlarged the scope for payment of HRA as below from 1-4-'94.

32 KMs in Grade I (a) places  
16 KMs in Grade I (b) places  
8 KMs in Grade II places

#### VIII. ENGAGING AMBULANCE VAN FOR TRANSPORT OF PATIENTS FROM HOSPITAL TO RESIDENCE :

In B.P. No. 245, Secretariat Branch, dt. 2-9-'94 the Board has permitted engaging of Ambulance van from Hospital to residence after discharge in certain cases and the charges paid will be reimbursed to employees.

(x)

The following are the details of Posts Created, Upgraded, Abolished & Downgraded during the month of September, 1994.

Olney Aaron,  
Chief Engineer/Personnel.

### Posts Created

Sl. No.	Details of Board's Order	Name of the Circle	Name of the Post	No. of Posts	Purpose for which the Posts were Created	Remarks

## **SPORTS ACTIVITIES OF TAMIL NADU ELECTRICITY BOARD BALL BADMINTON**

The IX All India Senior Invitation Ball Badminton Tournament was conducted by Youngsters Sports Association at Mayor Radhakrishnan Stadium, Egmore, Madras-8 from 23—7—94 to 25—7—94. Totally 12 teams were participated in the above tournament.

The above tournament was conducted on League-cum-Knockout basis. In the League matches T.N.E.B. beat H.C.L. 29-22, 28-29, 29-15 and T.N.E.B. beat S.V. Mills 29-15, 29-14 and entered Quarter-Finals. In the Quarter-finals, T.N.E.B. beat Syndicate Bank, Manipal 29-17, 24-29, 29-15 and entered Semi-finals. In the Semi-finals, T.N.E.B. beat Southern Railway the most powerful team in Tamil Nadu State by 17-29, 29-22, 29-5. In the Finals, T.N.E.B. beat Hindustan Cables Ltd., Hyderabad, last year holder by 29-25 and 29-15 and lifted the Trophy.

The T.N.E.B. Ball Badminton Team has played very well and its performance was extraordinary. This is the first time that the T.N.E.B. Ball Badminton won such major tournament after a long time.

**P. S. KANNIAN,**  
Deputy Director of Sports,  
T.N.E.B.

**The T.N.E.B. Ball Badminton Team which won the Rajiv Gandhi Memorial All India Senior Invitation Ball Badminton Tournament held at Madras from 23—7—94 to 25 - 7—94.**

## **SPORTS ACTIVITIES OF TAMIL NADU ELECTRICITY BOARD HOCKEY**

The XXI All India Electricity Board Hockey Tournament was conducted by Tamil Nadu Electricity Board at V.O.C. Stadium, Palayamkottai, Tirunelveli from 21—8—94 to 24—8—94 in a grand manner in addition to the All India Elec. Board Athletic Meet already conducted by T.N.E.B. at Madras from 24—3—94 to 26—3—94.

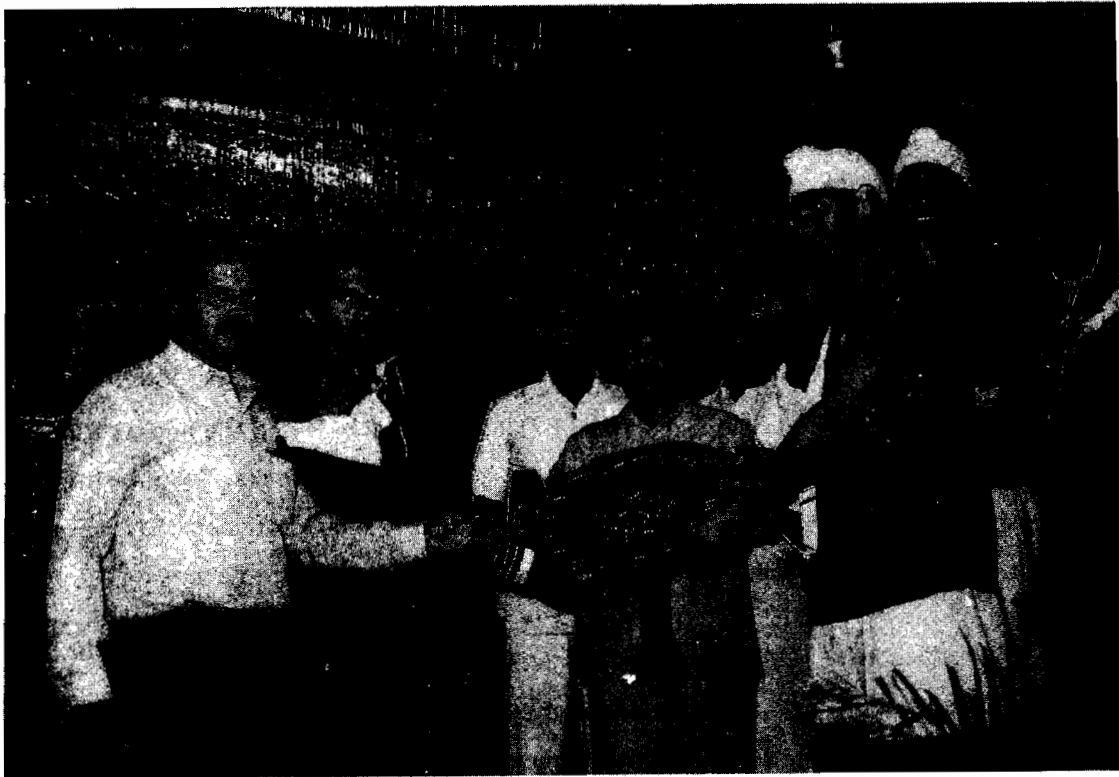

Six teams have participated in the above tournament.

The tournament was inaugurated by Thiru P. Kalimuthu, I.P.S., Inspector General of Police (Vigilance) on 21—8—94. The tournament was conducted on League-cum-Knockout basis.

In the Opening match, the T.N.E.B. Hockey Team defeated the mighty Punjab S.E.B. Hockey Team by 2-0. In the Semi-finals the T.N.E.B. Hockey Team beat Uttar Pradesh (last year Joint-Winners) by 2-1. The final match between T.N.E.B. and Punjab was ended in a goalless draw and both the teams have been declared as Joint-Winners.

The T.N.E.B. has been awarded the Trophy to keep it for the first six months as it was decided by the spin of coin. This is the second time consecutively that the T.N.E.B. Hockey Team has got the Joint-Winners position and fourth time the team entered finals. The final day function was presided over by Thiru P. Kalimuthu, I.P.S., Inspector General of Police (Vigilance) and Thiru A.P. Muthusamy, I.A.S., Chairman/ T.N.E.B. was the Chief Guest and he distributed away the prizes to the Winners. The T.N.E.B. Hockey Team earned very good name from the Hockey fans of Tirunelveli.

**P. S. KANNIAN,**  
Deputy Director of Sports,  
T.N.E.B.

**The Chairman, T.N.E.B. distributing Joint Winners Shield to the T.N.E.B. and P.S.E.B. during the Final day of the XXI All India Elec. Board Hockey Tournament held at Tirunelveli from 21—8—94 to 24—8—94.**

# GENERAL ADMN. & SERVICES

## PART-II

### General Administration & Services

Memorandum No. 13590—C1/94—1, (Secretariat Branch), dated the 2nd September 1994.

Sub : Establishment — Revision of Scales of pay and allowance to employees from 1—12—92—Fixation of pay in certain cases—Clarification issued.

Ref : From SE/P&A/ETPS Letter No. SE/P&A/ETPS/Adm. II/JA/F. WR/D 7/94 dated 19—2—94.

The Superintending Engineer, Purchase and Administration, Ennore Thermal Power Station has raised the following point for clarification :—

“About 250 Regular Work Establishment employees of Ennore Thermal Power Station were appointed to the upgraded post in June '92. Their annual increment in the selection grade of lower post fell on 1—10—92, and they had opted for promotion pay fixation (addition of one notional increment) in the upgraded post also on 1—10—92. Whether in the case of such workers, options for fixation of pay in the Revised Scale on 1—12—92 taking into account their pay as on 30—9—92 may be entertained and their pay fixed accordingly”.

2. According to regulation 7(i) of the Tamil Nadu Electricity Board Revised Scales of Pay (Workmen) Regulations, 1994, issued in (Permanent) B.P. (FB) No. 5 (SB) dated 25—1—94, an employee may exercise option to remain in the **existing scale** of pay until the date on which he earns his next increment in the **existing scale** of pay. An employee who had drawn an increment in the **existing scale** on 1st October 1992, may also exercise option for pay fixation in the revised scale on 1—12—92 taking into account his present emoluments as on 30—9—92. The term “existing scale” in relation to any post is defined in Regulation 2 (ii) of the Revised Scale of Pay (Workmen) Regulations, 1994, as the scale of pay admissible to such post on the 1st December 1992.

3. In view of the provisions in the wage revision order mentioned in para 2 above, the Regular Work Establishment employees mentioned in para 1 above are not entitled to exercise option for fixation of pay in the Revised scale on 1—12—92 taking into account their pay as on 30—9—92, as they had not drawn an increment in the upgraded post held by them on 1—12—92, on the 1st October 1992.

M. Subramanian,  
Secretary.

Medical Attendance — Engaging Ambulance Van for transport of patients from hospital to residence at the time of discharge — Orders issued.

(Permanent) B. P. (Ch.) No. 245

(Secretariat Branch)

Dated the 2nd September 1994.  
Aavani 17, Bhava,  
Thiruvalluvar Aandu 2025.

Read :

1. B. P. Ms. No. 2065, dated, 27—8—65.
2. B. P. Ms. No. 2349, dated, 13—12—68.
3. G. O. Ms. No. 142 (Health and Family Welfare Department) dated 28—1—84.

#### Proceedings :

In the Board's Proceedings first cited, orders were issued that the expenditure towards Ambulance charges incurred by the Board employees and other personnel entitled for free medical concessions may be reimbursed when the patient is conveyed from residence to the hospital on account

of emergency and subject to the condition that the Medical Officer who treated him furnishes a certificate to the effect that the services of an Ambulance Van was quite necessary in conveying the patient to the hospital.

2. In the Board's Proceedings second cited, the above concession was extended to cases where a patient is conveyed by Ambulance Van from one hospital to another hospital also subject to the production of a certificate, obtained from the Medical Officer concerned, to the effect that such a conveyance was quite necessary in view of the seriousness of the case.

3. The Government have, in their G. O. Ms. No. 142 (Health and Family Welfare Department) dated 28—1—84, issued orders that the Government servants and entitled persons can engage an Ambulance Van as conveyance from Government hospital to residence after discharge in certain specific cases and that the charges incurred by them would be reimbursed subject to the production of medical certificate for such necessity.

4. The Tamil Nadu Electricity Board, after careful consideration hereby directs that the Board employees and entitled persons can engage an Ambulance Van as conveyance from Government Hospital to residence after discharge in following cases:—

- (1) Maternity cases where patients are discharged from the Government Hospital on the 3rd or 5th day after delivery ;
- (2) Patients who had major operations ;
- (3) Patients treated for Orthopaedic diseases ;
- (4) Patients treated in Cardiology and Neurology Departments of the Government Hospitals. The charges incurred by them will be reimbursed subject to the production of a certificate from the Medical Officer who treats the patient, to the effect that the services of an ambulance van was necessary for conveying the patient from the Government Hospital to residence. The Medical Officer should indicate any one of the cases mentioned above as may be applicable.

5. Receipt of this orders shall be acknowledged in the slip enclosed.

(By Order of the Chairman)

M. Subramanian,  
Secretary.

● ● ●

Memo. No. 95745/C1-1/94-1, (Administrative Branch) Dated 5—9—94.

Sub : Establishment—Promotion to higher categories—relinquishment of rights—  
for promotion by the employees—instructions—issued.

- Ref: (1) Memo. No. 73855/O&M Cell/92 dated 12—11—82.  
(2) Memo. No. 08691/206/E1/3/86-1, dt. 24—6—86.  
(3) Lr. No. 600/Adm. Br./IR1(3)/91-1, dt. 25-9-91.

It is seen that whenever promotions and postings are ordered, employees who are posted to other circles are not relieved by the authorities immediately on receipt of reposting orders on some grounds or other. This enables them to bring pressure for modification of allotment which causes

much hardship and dislocation in administration. To avoid such administrative inconveniences, following instructions are issued for strict adherence in the matter :

- (1) Reposting orders shall be issued by the authorities to whom promotees are allotted, within SEVEN DAYS of receipt of allotment order.
- (2) The Officers under whom the promotee is working shall relieve the individuals without waiting for substitutes, Immediately on receipt of reposting orders.
- (3) Promotees shall join at the place of reposting within the joining time allowed.
- (4) Right to relinquish promotion given vest with the employee. In case of such option received, it should be accepted by the appointing authority viz. the Chief Engineer/ Superintending Engineer as the case may be under whom the employee is now working, irrespective of the fact that he is promoted to a higher post and allotted to a different appointing authority, within 15 days under intimation to this branch.
- (5) After the exercise is over or after completion of two months from date of allotment, whichever is earlier the Superintending Engineer/Chief Engineers shall furnish a statement, showing the details of total allottees to their circle, total joined, details of promotees opted for temporary/permanent relinquishment and order, number and date issued for accepting the same.

(By Order of the Chairman)

Olney Aaron,  
Chief Engineer (Personnel)

Lr. No. 95745/C1(1)/94-2, (Administrative Branch) dated 5-9-1994

Sub : Establishment—Temporary relinquishment of rights of promotion—  
Revocation before expiry period—Consideration.

During discussions, with the Wage Revision Committee during 7/94 and 8/94, the Unions represented that an opportunity may be given to those workmen, who earlier relinquished their rights for promotion temporarily, to revoke the same for considering them for promotion, in view of large number of promotional opportunities provided in the settlement.

2. The matter was examined in detail and it is decided to consider the request as a special case. For this purpose, issuing general circular asking for willingness from relinquished employees, need not be resorted, but it would only be sufficient that the Establishment Section review the three year cases and take out a list of such persons for considering them alongwith others, ignoring their relinquishment. The list of such persons in state cadre may be furnished in separate sheet for each category and sent to this office urgently. In the case of circle cadres, the Superintending Engineers themselves can carry out this concession subject to the employee being found otherwise qualified and suitable.

Olney Aaron,  
Chief Engineer/Personnel.

Memorandum No. 56020/E2/94—1, (Secretariat Branch), Dated 5—9—1994.

Sub : Loans and Advances—Conveyance Advance—Enhancement of monetary limit—Certain clarification—Issued.

Certain Superintending Engineers have raised some clarification in regard to sanction of motor conveyance advances. The points raised and the clarifications issued thereon are as detailed below :

Sl. No. (1)	Points raised (2)	Clarification issued (3)
1.	The mode of assigning priority to the applications.	Priority should be assigned based on the date of receipt of the application. If more than one application is received on a particular day, those applications should be arranged on the total length of service of the employees.
2.	Whether the applications received prior to the issue of the B.P. enhancing the quantum of advance may also be considered for sanction on the revised rates.	The applications received prior to the issue of B.P. may also be sanctioned the advances at the revised rates after obtaining the relevant documents. The Willingness of the applicants may be ascertained.
3.	Whether the above applicants may be asked to offer their willingness and also to produce latest quotation taking into account the original seniority.	
4.	Whether the Silver Plus and Explorer may be sanctioned the advance treating the vehicle as a Motor Cycle.	
5.	Whether the cases already sanctioned, but advance not disbursed may be revised based on the latest orders.	These vehicles have been classified as Motor Cycle. Hence the advance may be sanctioned at the rates applicable as per rules.
6.	Whether the following vehicles may be considered for sanction of the advance.	The sanction already made should not be revised.
		The advance may be sanctioned for these vehicles. In this connection the provisions in Article. 231 (b) of T.N.F.C. and the orders issued by the Board from time to time may be referred.

#### Motor Cycle

2. TVS 50 XT

M. Subramanian,  
Secretary.

Memo. No. 064131/A1/94—1, (Secretariat Branch), dated 12—9—94.

Sub : Establishment—Class I Officers – Retired from the service of the Board on 31—8—1994—AN Notification—Issued.

### NOTIFICATION

The following Officers have retired from the service of the Board on superannuation of the afternoon of 31—8—1994 A.N.

- 1) V. V. Rangachari, Superintending Engineer/Civil/Maintenance/Madurai.
- 2) R. Sundararajan, Superintending Engineer/South Arcot Vallalar Electricity Distribution Circle/Cuddalore.
- 3) M. R. Subramanian, Deputy Chief Internal Audit Officer/Tirunelveli.
- 4) Tmt. Andal, Deputy Chief Internal Audit Officer/North Madras Thermal Power Project.
- 5) M. A. Navaneethan, Stores Controller/Mettur Thermal Power Station.
- 6) M. S. Venkataraman, Executive Engineer/Civil/Kadamparai.
- 7) K. Ramaswamy, Executive Engineer/Elec. (Voluntarily Retired.)

2. Receipt of this Memo. may be acknowledged.

S. V. Madhavan,  
Deputy Secretary/Personnel.

ALLOWANCE—House Rent Allowance—Enlarging the scope for eligibility for House Rent Allowance—Orders—Issued.

(Permanent) B.P. (CH) No. 247

(Secretariat Branch)

Dated the 13th September 1994  
Aavani 28, Bhava,  
Thiruvalluvar Aandu 2025.

Read :

- (i) G.O. Ms. No. 772 Finance, (Pay all) Department Dated : 22—8—86.
- (ii) B.P. Ms. (CH) No. 463 (SB) Dated : 24—9—1986.
- (iii) G.O. Ms. No. 371 Fin. (All.) Department Dated : 2—5—1994.

### Proceeding :

Following the orders issued by the Government in the Government order third cited, the Tamil Nadu Electricity Board directs that the employees working in Grade—III places lying within the Panchayat Union area within 32 k.ms. from Grade I (a) places, 16 Kms. from Grade I (b) places and 8 kms. from Grade II places be allowed the same rates of House Rent Allowance as for the corresponding Grade—I (a) Grade—I (b) and Grade—II Towns. These orders shall take effect from 1st April 1994.

2. For compiling a list of Grade—III places in the Panchayat Unions, eligible for higher rate of House Rent Allowance, as per the orders issued in para 1 above, the Chief Engineers and Superintending Engineers are requested to send necessary details immediately.

(By Order of the Chairman)

M. Subramanian,  
Secretary.

Training—3 days training programme on "Productivity" for first level Supervisors—Proposals—Approved

(Rt) B. P. (Ch) No. 208.

(Technical Branch)

Date, 14-9-94,  
Aavani 29, Bhava,  
Thiruvalluvar Aandu 2025.

Read :

DD/STC/Madras Lr. No. D. 683/94, dt. 14-7-94.

**Proceedings :**

The Joint Chief Inspector of Factories (Productivity Cell) intends to conduct one day training programme on "Productivity" for the benefit of Supervisors/Workers in Tamil Nadu Electricity Board. Productivity is as much relevant to Electricity Board as to other manufacturing organisations. The Supervisory Staff have to acquire skills to improve the Productivity through people. Hence, a proposal has been evolved for conducting 3 days training programme on "Productivity" (incorporating the one day module offered by Joint Chief Inspector of Factories) to suit the first level officers to cover about 75 persons in the Madras Region like Assistant Engineers, Junior Engineers I Gr. etc. who are involved in factory like jobs.

After careful consideration, approval is hereby accorded for conducting 3 batches of training programme on "Productivity" and to incur an expenditure of Rs. 6,300/- (Rupees six thousand three hundred only) per batch as shown below :—

	Rs.	P.
1. Honorarium for Guest Lectures at Rs. 120/- for 1½ hrs. sessions for 6 sessions.	720	00
2. Working lunch for 3 days at Rs. 36/-per head i.e. (Rs. 36x32 persons x 3 days)	3456	00
3. Course materials, Scribbling pad, pen, certificate cover, book binding etc. (Rs. 40x30 copies)	1200	00
4. Transport charges of "Productivity Cell" officials. L. S.	500	00
5. Inaugural, & Valedictory function expenses.	150	00
6. Contingencies	274	00
	<u>6300</u>	<u>00</u>
For one batch		
For three batches	Rs. 6300x3	
	Rs. 18,900/-	

The number of participants per batch will be 25 and the course content will be followed as per the Annexure enclosed.

The Personal Assistant/Unit-II/Technical Branch is authorised to arrange for the above payment to any of the officer at Staff Training College/Madras to be nominated by Deputy Director/Staff Training College/Madras.

The expenditure sanctioned above is debitable to T. N. E. B. Funds—Revenue expenses-76. Administration and General expenses- 76.154 Training charges—Training Programme for Board's personnel.

(By Order of the Chairman)

B. Narayanan,  
Chief Engineer/Research & Development.

**ANNEXURE****COURSE CONTENT :**

1. Organisation and its objective
2. Role of 1st level Managers
3. Discipline
4. Effective communication
5. Material Planning Inventory Control—Disposal
6. Human Relations (Motivation-Morale)
7. Employee counselling
8. Financial and cost-control
9. Work Simplifications

**ONE DAY MODULE BY PRODUCTIVITY CELL**

1. Concept of Productivity
2. Productivity & Workshop condition
3. Maintenance
4. Waste Control
5. Quiz Programme
6. Video Film on Productivity

**Circular Memo. No. 63584/O&M Cell—II (3)/94—1, (Secretariat Branch), Dated : 16—9—1994**

**Sub : OFFICE PROCEDURE—Maintenance of Files—Leaving blank spaces in Note File—Avoidance of—Instructions—Issued.**

As per para 5—19 of the Tamil Nadu Electricity Board Office Manual relating to "Note File", the notes must be written on both sides of the paper and the note will run continuously from the beginning of the file until final orders are passed.

2. It is observed that in some of the files received from various branches of Board Office, new sheets are added to the note file leaving a lot of space vacant in the previous pages. This is not correct. Leaving Blank space lends scope for insertion of matters at a later date, besides resulting in wastage of stationery.

3. The notes should be continuous and if any space is left out, a line should be drawn across the space indicating that it has been left blank intentionally.

4. The provisions relating to "Noting" laid down in Section III of Chapter V of the Tamil Nadu Electricity Board Office Manual should be scrupulously followed.

5. The heads of all Branches are requested to ensure that the above instructions are strictly followed by their Sections/Divisions.

**M. Subramanian,  
Secretary.**

Training—High Rise Building—Fire Protection Arrangement—Half-a-day training programme on Fire Fighting — Approval — Accorded.

(Routine) B. P. (Ch) No. 213,

(Technical Branch)

Dt. 21 - 9-94.

Purattasi 5, Bhava,  
Tiruvalluvar Aandu 2025.

Read :

CE/CD U. O. No. CE/CD/ST/F. 10/D. 329/94, dt. 12-8-94.

**Proceedings :**

The Chief Engineers/Civil Design has stated that the persons transferred to Multi Storeyed Building in the recent post need some exposure to the Fire Production arrangements, Fire warning, Alarms, Fire Quenching arrangements and evacuation in Fire emergencies and requested to arrange for a training programme. Accordingly a proposal has been evolved to conduct half-a-day training programme.

After careful consideration approval is hereby accorded to conduct half-a-day training programme on Fire Fighting covering about 2000 persons working in Multi Storeyed Building of Tamil Nadu Electricity Board in 20 batches at the rate of 100 persons per batch.

Sanction is also hereby accorded to incur an expenditure of Rs. 500/- (Rupees five hundreds only) per batch towards payment of honorarium and sundry expenditure as shown below:—

	Rs. P.
a. Honorarium for 2 sessions (Rs. 120 x 2)	240-00
b. Sundry expenditure towards purchase of slide, refills etc.	260-00
	<hr/>
For one batch	500-00
For 20 batches	Rs. 10,000/-

The Executive Engineer/Building is authorised to conduct the above programme and draw the amount as and when required for conducting the above programme.

The expenditure sanctioned above is debitable to "TNEB Funds—Revenue expenses — 76 Administration & General expenses — 76.154 — Training expenses — Training Programme for Board's personnel."

(By Order of the Chairman)

S. Narayanan,  
Chief Engineer/Research & Development.

Memo. No. 107918/963/Adm. Br. /IR1 (3)/94-1 (Administrative Branch) dt. 23-9-94.

Sub: Revised work norms—Sections having only one Assessor—Posting of one Inspector of Assessment — Regarding.

As per the revised work norms, in all the distribution sections, one post of Inspector of Assessment has to be superseded and in its place, one Revenue Supervisor has to be posted. In some of the sections, there may be only one Assessor and one Inspector of Assessment prior to revision of work norms. In these sections, as per the revised work norms there will be only one Revenue Supervisor and one Assessor.

2. During discussions held with various unions, the Unions pointed out that in sections where there is one Revenue Supervisor and no Inspector of Assessment asking the Revenue Supervisor to do the Inspector of Assessment's collection work etc. will not be in order. Therefore the Unions requested for giving one post of Inspector of Assessment for such sections.

3. After implementation of revised work norms, a number of Inspector of Assessment will be rendered surplus. It has been decided to utilise one such Inspector of Assessment as a temporary measure in such section till such time post of Inspector of Assessment becomes eligible for such sections through growth of service.

4. The Superintending Engineer are requested to give effect to the above immediately. The name of section where such surplus Inspector of Assessment are posted as a temporary measure, may also be intimated on or before 3-10-94.

Olney Aaron,  
Chief Engineer (Personnel).

Memorandum No. 3069—C2/90—19, (Secretariat Branch), dated the 24th September, 1994.

Sub : Employees State Insurance Act, 1948 — Exemption under Section 87 read with Section 91A of the Act in respect of Special Maintenance Repairshop, Udumalpet—Orders communicated.

3. From the Joint Regional Director, Sub Regional Office, E.S.I. Corporation, Coimbatore, Letter No. 56-60919-95 dated 14-12-93 and 1-2-94.

##### Order :

The following notification will be published in the next issue of Tamil Nadu Government Gazette :—

##### Notification

In exercise of the powers conferred by Section 87 read with Section 91-1 of the ESI Act 1948) (Central Act XXXIV of 1948) the Governor of Tamil Nadu hereby exempts the Special Maintenance repair shop, Udumalpet, Tamil Nadu Electricity, Board from the provisions of the said Act from 7-12-'88 to 6-12-'89.

1. The above exemption is subject to the following conditions, namely :—

(a) The aforesaid factory where in the employees are employed shall maintain a Register showing the names and designations of the exempted employees;

(b) Notwithstanding this exemption, the employees shall continue to receive such benefits under the said Act to which they might have become entitled to on the basis of the contributions paid prior to the date from which exemption granted by this Notification operates.

(c) The contribution for the exempted period, if already paid shall not be refunded.

2. The employer of the said factory shall submit in respect of the period during which that factory was subject to the operation of the said Act (hereinafter referred to as the said period), said returns in such form and containing such particulars as were due from it in respect of the said period under the Employees' State Insurance (General) Regulations, 1950.

3. Any Inspector appointed by the Corporation under Sub-Section (1) of Section 45 of the said Act, or other official of the Corporation authorised in this behalf, shall for the purpose of—

(i) Verifying the particulars contained in any return submitted under sub-section (1) of section 44 for the said period; or

(ii) ascertaining whether registers and records were maintained as required by the Employees' State Insurance (General) Regulations, 1950 for the said period; or

(iii) ascertaining whether the employee continues to be entitled to the benefits provided by the employer in cash and kind being benefits in consideration of which exemption is being granted under this Notification; or

(iv) ascertaining whether any of the provisions of the Act had been complied with during the period when such provisions were in force in relation to the said factory be empowered to—

(a) require the principal or immediate employer to furnish to him such information as he may consider necessary; or

(b) enter any factory, establishment, office or other premises occupied by such principal or immediate employer at any reasonable time and require any person found in charge thereof to produce to such Inspector or other official and allow him to examine such documents, books and other documents relating to the employment of persons and payment of wages or to furnish to him such information as he may consider necessary; or

(c) examine the principal or immediate employer, his agent or servant or any persons found in such factory, establishment office or other premises or any person when the said Inspector or other official has reasonable cause to believe to have been an employee; or

(d) make copies of or take extracts from any register, account book or other document maintained in such factory, establishment, office or other premises.

Memo. No. 28565/L1/94-1, (Secretariat Branch), dated 27-9-94.

---

Sub : Establishment—Class I Service—Permission to avail holidays—Instructions—  
Issued.

---

It is observed that some of the senior officers of Tamil Nadu Electricity Board frequently apply for permission to avail holidays, so as to be away from their headquarters in a routine manner. All senior officers should be in their respective headquarters, while they are on duty except when they are on camp or tours. Only in the extra-ordinary circumstances, the senior officers may avail the holidays. But, this cannot be resorted to in a routine manner.

2. Therefore, the Chief Engineers and Superintending Engineers etc. are requested to ensure that the practice of availing the holidays exclusively in order to leave the headquarters during each and every holiday in a routine way, is curtailed. Only during such of the holidays which are permitted to be prefixed and/or suffixed to leave granted, the officers can leave their headquarters.

(By Order of the Chairman)

M. Subramanian,  
Secretary.

In continuation to this Office letter dated 5-9-94 cited, I request that while furnishing the names of the official, whose promotional categories are covered in workload posts and who relinquished their rights temporarily, necessary report on their suitability, as in the proforma enclosed, may also be invariably forwarded. It is seen that certain Controlling Officers have already furnished the names of such official. It is requested that they may also furnish the report of suitability of those officials, in the format enclosed.

Olney Aaron,  
Chief Engineer (Personnel),

**FORMAT**

Sl. No.

Common Seniority No.

1. Name and Designation :
2. Date of Birth :
3. Name of the station and circle now working :
4. Date of joining as.....(In case of entry level post, details of commencement/ completion of probation may be indicated) :
5. Whether posses M. G. E. Q./passed Account Test for Sub-ordinate Officers Part I, Language Test passed, in case required. :
6. Whether involved in any D. P. :
6. a) Whether any punishment has been imposed on the individual and if so, the nature of charges and nature of punishment imposed and the date of expiry of the punishment (A copy of final orders to be enclosed) :
7. If the punishment imposed is stoppage of increment the following particulars should be furnished :
  - a) Normal due date of increment :
  - b) Date of commencement of punishment :
  - c) Date of completion of punishment :
8. Whether any charges are pending against him and if so, to indicate the nature of charges in brief and its present stage. The dates of calling for explanation, framing of charges, appointment of Enquiry Officer. etc. to be furnished, :
9. Whether he is suitable for promotion.

Memo. No. 61625—E2/94—1, (Secretariat Branch), dt. 28th September 1994.

Sub : Loans and Advances—Conveyance Advance—Enhancement of monetary limit—  
Further clarification—Issued.

Ref : (i) (Pt) B.P. (F.B.) No. 47 (SB), dt. 20-7-94.

(ii) Memo. No. 56020—E2/94—1, dt. 5-9-94.

In continuation of Board's memo. second cited, further points raised in regard to sanction of conveyance advance are clarified as detailed below :

S. No. (1)	Point raised (2)	Clarification issued (3)
1.	Whether advance may be sanctioned for "Pride Scooter"	The Vehicle should first be classified with reference to the provision in article 231 (b) of TNFC Vol-I and also with reference to the orders issued by the Board from time to time. If it is eligible for sanction of the Advance, the advance may be sanctioned according to the category of the Vehicle (i.e.) Motor cycle, Scooter, Moped, irrespective of the capacity of the vehicle.
2.	Whether "Explorer" and "Bajaj M 80" may be treated as Motor Cycle.	
3.	Whether the vehicles falling within the capacity of 51CC to 79CC may be treated as Motor cycle.	
4.	Whether any cut off date may be fixed for receipt of applications due to dearth of funds	There is no need to fix any cut off date for receipt of applications. Applications which are not sanctioned may be carried over in the priority to the next year.
5.	Whether Motor conveyance advance may be sanctioned to those who availed Bi-cycle advance and remit the balance towards Bi-cycle advance before sanction of Motor conveyance advance.	It has already been clarified in memo. (p) No. 9600-N1/84—2, dt. 4-7-84, that an employee who has drawn Bicycle advance should remit the balance towards the advance if he wants to avail motor conveyance advance.

M. Subramanian,  
Secretary.

Memo. No. CH/CE/62676/94—1, (Secretariat Branch), Dated the 3rd September 1994.

---

Sub : Presentation of Articles in Seminars—Regarding.

---

It has come to the notice that a number of Officers are sending papers to various seminars including International seminars without getting proper approval for the articles. It is also noticed that some of these articles do not relate to the subject in which they are dealing and also touches of the policy matters. In some of the articles it is noticed that even such policy issues are questioned which puts the Tamil Nadu Electricity Board in an embarrassing situation especially when they deal with National/State policies. It is, therefore, necessary that all articles presented in various seminars within the Country and outside the country should be got approved by the Member (Generation)/Member (Distribution)/Accounts Member and Chairman before they are sent to the Seminars.

A. P. Muthuswami,  
Chairman.

---

Sub : H. T. Industries—Tariff concession, Tariff change from the date of meter reading taken for billing purpose—Regarding.

---

Computerised billing of H.T. services is proposed to be introduced in all the Distribution Circles. It is seen that different procedures are being adopted in the application of H.T. Tariff I in the case of new HT industrial services. To adopt a uniform procedure in this regard and also to avoid the additional work arising due to adoption of proportionate billing, the Superintending Engineers of Distribution Circles are requested to adopt the following procedures in respect of tariff change in H.T. services.

- 1) In the case of new HT industrial services, the HT tariff I will be given effect to from the date of monthly meter reading taken for billing purpose after the commencement of industrial activity (viz. trial production regular production as verified from the daily production details register maintained by the company). The concessional tariffs shall be charged as per the tariff notification from the date, the consumer is given service connection under HT Tariff I.
- 2) Any tariff change in respect to other categories of HT services will be given effect to only from the date of meter reading taken for billing purpose by taking RTR on the same day.

Superintending Engineers are requested to strictly adhere to the above instructions.

P. Suresh Chander Pal,  
Member (Distribution).

- (9) Extract of Item No. 20 of the Minutes of the 711th meeting of the Board held on 2—9—1994.

**Proceedings :**

The Tamil Nadu Electricity Board accords administrative approval to delegate the following power for registering the suppliers/contractors in respect of Tirunelveli Distribution Region :

Sl. No.	Registration Authority	Registration Officer for supplies & contracts for the Region.
1.	Chief Engineer, Distribution, Tirunelveli Region.	Superintending Engineer, Tirunelveli-Kattabomman Electricity Distribution Circle, Tirunelveli.

The Superintending Engineer will register all the firms/contractors in respect of Tirunelveli Distribution Region and even outside the Distribution region and circulate them to all Superintending Engineers of the Distribution Region concerned.

All the local firms/contractors who want to supply or execute works should register themselves with the Superintending Engineer mentioned above at the Head-Quarters of the Chief Engineer, Distribution/Tirunelveli.

The other rules and regulations and guidelines as mentioned in various Board Proceedings relating to registration of firms/contractors should be scrupulously followed.

(By Order of the Board)

A. Chinthamani,  
Chief Engineer/ Materials Management.

Circular Memorandum No. 40338/O&M Cell-I(4)/94-1, (Secretariat Branch), Dated 12-9-94.

Sub : Tamil Nadu Electricity Board—Consumer Grievances—Conducting of Public Hearings—Modified orders—Issued.

Ref : 1. Chairman Circular No. 58731/O&M Cell/84-1 dated 31-8-84.  
2. From the C.E./D/Madras Lr. No. CED/MSR/T2/GRV. Day/MTG/D. 857/94 dt. 2-5-94.

In the reference first cited, instructions were issued to conduct public hearings at Division Offices in Madras City for redressal of consumer's grievances twice a month.

2. It has been reported by the Chief Engineer/Distribution/Madras that in City, very few consumers come in person to convey their grievances during the grievance day meetings as most of the complaints are conveyed thro' telephones and get solved. The Superintending Engineers are available every day during visiting hours to receive complaints and the Public Relations Officers are following them of promptly. In view of this, it has been requested to reduce the time spent by the Superintending Engineers in conducting public hearing in the Divisional Offices. The request has been carefully examined. Though there could be no second opinion that Madras City, being the Metropolitan area, should get the maximum attention of the Superintending Engineers concerned in redressing the grievances of the electricity consumers, considering the views expressed by the Chief Engineer/Distribution/Madras, it is decided to modify the programme of grievance day meetings.

3. Accordingly, it is hereby ordered that the Superintending Engineers of Distribution Circles in Madras City shall conduct public hearings in the Division Offices once in a month except in Tambaram and Ponneri Divisions. The respective Superintending Engineers should visit Tambaram and Ponneri Divisions for public hearing twice in a month. The revised programme is given in the **Annexure** to this memorandum. The Superintending Engineers should take all necessary steps to see that wide publicity is given to these arrangements so as to enable the electricity users to avail the opportunity to ventilate their grievances.

(By Order of the Chairman)

M. Subramanian,  
Secretary.

Electricity—Supply of power from Neyveli Second Thermal Power Station—Stages I and II—Revision of Generation tariff due to revision of rate of depreciation and rate of return on Equity for the period 1—4—91 to 31—3—96—Approval—Accorded.

(Per.) B.P. Ms. (FB) No. 270

(Technical Branch)

Dated 13—9—94.

Aavani 28, Bhava

Thiruvalluvar Aandu 2025

Read :

1. Per. B.P. Ms. (FB) No. 2 (Accounts Branch) Dated 21—1—92.
2. Minutes of the 711th Meeting of TNEB held on 2—9—94.

#### Proceedings :

Tamil Nadu Electricity Board had earlier approved, vide B.P. cited above, the following rates for the power purchased from Neyveli Thermal Station II—Stages I and II from 1—4—91 to 31—3—96 for operation of units upto 5800 Hrs. and above 6000 Hrs. per annum. For operation of the units above 5800 Hrs. and upto 6000 Hrs. per annum fuel cost alone is payable.

(Tariffs in Ps./KWhr.)

Period	For supplies from the operation of the station upto 5800 KWhr/ KW/year and above 6000 KWhr/KW/year.		For supplies from the operation of the station between 5800 KWhr/KW and 6000 KWhr/KW/year. (Fuel cost alone)	
	Stage I	Stage II	Stage I	Stage II
1991-92	61.00	114.00	33.91	61.82
1992-93	63.50	115.00	35.48	63.06
1993-94	65.50	116.00	37.05	64.31
1994-95	68.00	117.00	38.61	65.59
1995-96	70.00	118.00	40.16	66.84

The energy bills upto July 1994 have been paid at the above rates.

The Government of India have revised the rates of depreciation twice effective from 1—4—92 and 1—4—94 onwards vide Gazette Notification dated 23—1—92 and 29—3—94. The Government of India have also increased the rate of return on equity from 10% to 12% for the thermal power stations under NLC with effect from 27—8—93 vide Gazette Notification dated 27—8—93. Based on the above notifications, Southern Regional Electricity Board, Bangalore have constituted a Special Committee to go into the tariff structure and arrive at the generation tariff payable to NLC for their power station II under Stages I and II. The Special Committee have submitted the recommendations and the S.R.E.B. in its 111th meeting held at Pondicherry on 6—8—94 have approved the recommendations of the Special Committee for adoption.

The Tamil Nadu Electricity Board in its 711th Meeting held on 2—9—94 have approved the following tariff rates, as was approved by S. R. E. B. for the power purchased by NLC from its Thermal Station II Stages I and II.

(Tariffs in Ps./KWhr.)

Period	For supplies from the operation of the station upto 5800 KWhr./KW/year and above 6000 KWhr/KW/year.		For supplies from the operation of station between 5800 KWhr/KW & 6000 KWhr/KW/year. (Fuel cost alone)	
	Stage I	Stage II	Stage I	Stage II
1991-92	61.00	114.00	33.60	61.81
1992-93	65.58	118.76	35.54	62.95
1993-94				
1-4-93 to 26-8-93	67.58	119.76	36.90	63.95
27-8-93 to 31-3-94	69.59	122.45	36.98	64.03
1994-95	76.35	131.37	38.99	65.28
1995-96	78.35	132.37	40.35	66.28

The above rates are exclusive of any statutory duties, taxes, royalties, cess or any other levies imposed by the Central/State Governments on Lignite and/or on Generation and/or on Sale of electrical energy and shall be payable extra.

A multilateral agreement shall be entered into with NLC along with the other State Electricity Boards in the Southern Region for the power supplied from Neyveli Thermal Station II—Stages I and II and payment regularised at the revised rates for the power already purchased upto July 1994 and payment made at the revised rates from August 1994 onwards. The Government of Tamil Nadu shall be intimated of the above revised tariff rates for the period 1991-92 to 1995-96 immediately.

T. G. Ganesan,  
Chief Engineer/Planning.

(By Order of the Board)

Circular Memorandum No. 1154/SE/IEMC/EE3/AEE 2/D. 307/94, (Technical Branch), dated 15—9—1994.

Sub : Electricity—Acceptance of Single phase and Three phase meters from the prospective consumers—Revised Rates—Communicated—Regarding.

Circular Memo No. SE/EMC/EE3/AEE2/F. I. B. 6/D. 319/94, (Technical Branch), dt. 22—9—94.

Sub : Electricity—Provision of basic amenities in A.D. Colonies—Provision of Street lights  
—Collection of Development charges — Regarding.

Ref : G. O. Ms. No. 113 dt. 11—7—94.

In the G. O. cited under reference, the Government has issued orders that T. N. E. B. have to provide 10,425 street lights in 2085 A.D. Colonies before 31—3—'95 and the cost of Rs. 3.34 crores has to be borne by the T.N.E.B.

In this regard, the Chief Engineer/ Distribution/Coimbatore has informed that the District Collector/Coimbatore has stated that the cost of application, registration charges and Development charges are not payable since the scheme is to be executed by T.N.E.B.

The matter was examined and it is ordered that T.N.E.B. can bear only the cost of L.T. extension fittings and labour charges etc., but the normal cost of application fee and development charges have to be paid only by the consumer.

Hence, it is informed that the registration charges and Development charges for the provision of street lights in A.D. Colonies have to be paid by the applicant only.

P. Suresh Chander Pal,  
Member (Distribution).

Memo No. SE/IEMC/EE3/AEE1/F. Instructions/D. 289/94, (Technical Branch), dt. 22—9—94.

Sub : Proper sealing of Board's equipments—Revised instructions issued—Regarding.

Ref : M(D)'s Memo No. SE/IEMC/EE3/AEE1/D. 132/94 dt. 12/13—5—94.

The Superintending Engineers were instructed, in the Memorandum under reference cited, to ensure that in all H.T. Services the P.T. circuits are made through and the fuses made dummy.

Subsequently, the Chief Engineer/Trichy had suggested that the P.T. fuses provided in the Metering Sets may be kept in circuit for protection to the P. T. secondary winding and all other P.T. secondary fuses can be made through.

The Superintending Engineer/Periyar Electricity Distribution Circle/Erode has suggested that the fuse protection after the meter at the meter box is preferable.

After examining the above suggestions, it is now instructed that

(a) P.T. fuses in the secondary circuit of the metering set and P.Ts. in Kiosks, RMGs may be made through and fuses made dummy.

and

(b) one set of fuses may continue to be in the P.T. secondary circuit before meter in the meter box which may have fool proof enclosure to prevent malpractices, with proper locking and sealing arrangements. The doors of the metering box can have minimum of two independent sealing provisions.

The above instructions are issued in partial modification to the instructions issued under reference cited. The Superintending Engineers are requested to ensure that (a) & (b) are implemented early.

P. Suresh Chander Pal,  
Member (Distribution).

● ● ●

Memorandum No. SE/IEMC/EE3/AEE2/F. Billing 81/D. 318/94 (Technical Branch) Dated 22—9—1994.

Sub; Electricity — Change in permitted demand from the date of reading—Instruction  
—Regarding.

As per Clause 18.02 of Terms and Conditions of Supply, whenever there is change in the sanctioned demand or permitted demand during the course of a month, the meter will be reset and the maximum demand charges will be regulated proportionately for the respective periods.

Based on the above ruling separate readings are taken on the date of change in the permitted load.

In order to make this procedure simplified and avoiding too many readings and resetting the following guidelines are issued.

As far as possible without causing any inconvenience to the consumer the change in the permitted demand may be done on the date of billing reading. Wherever this could not be done, the existing procedure may be continued of permitting the change in demand on any day after taking revised R. T. R.

P. Suresh Chander Pal,  
Member (Distribution).

Memorandum No. IEMC/EE3/AEE. 1/B. 112/D. 294 /94 (Technical Branch), dated 23—9—1994

Sub: Interruption to H. T. consumers during testing/failure of H. T. Metering sets—Representation—Instructions—Issued.

It has been represented by the Tamil Nadu Steel Re-Rollers Council, Salem that as and when the metering set in the H. T. service fails, the same is removed for repairs/replacement causing interruption of power supply to the Re-rollers without any advance intimation to the consumer. Hence, the following guidelines are issued for implementation with immediate effect in respect of all H. T. services.

- (a) Routine inspection/testing of the H. T. metering set may be carried out without causing interruption to the H. T. consumers. Advance intimation may be given to the H. T. consumers under proper acknowledgement for the above work if interruption of supply is involved.
- (b) During the time of inspection/testing a defective metering set if it is found that the replacing the defective/failed equipment is necessary, the supply may be made through till a healthy unit is fixed. For the period when supply is made through, computed, consumption may be worked out and billed. The above arrangement may be made even if the replacement of the equipment takes a day or more. As soon as the metering set is made alright, normal arrangement may be restored without any further loss of time.

The H. T. consumers may be informed in advance of the above rectification works if interruption of supply is involved.

P. Suresh Chander Pal,  
Member (Distribution).

ELECTRICITY—Terms and Conditions of supply of Electricity—Revision of miscellaneous charges and introduction of application of Registration fee—Approved.

(Permanent) B. P. (Ch.) No. 301

(Technical Branch)

Dated the 26th September 1994  
Purattasi 10, Bhava,  
Thiruvalluvar Aandu 2025

Read :—

1. (Permanent) B. P. (FB) No. 94, dated 30—3—94.

#### Proceedings :

Some of the field officers have raised clarification whether the registration fees has to be collected for the temporary supply and for reduction of demand/load in respect of HT/LT services. After careful examination, the following clarifications are issued.

#### I. Registration fee for the temporary supply :

The registration fee for temporary supply may be collected as applicable for L.T. Tariff IX and H. T. service as specified in item 3 and 6 of clause 9.00 of "Registration fees" in B. P. (FB) No. 94, dated 30—3—94.

#### II. Reduction of Load/Demand :

Application/Registration fees as specified in clause 9.00 "Registration fees" at the appropriate rates are also to be collected for reduction of demand in respect of H. T. services and reduction of load in respect of L. T. services.

(By Order of the Chairman)

R. Venkataraman,  
Chief Engineer/Chairman's Office.

Circular Memo. No. SE/MMI/EES/A2/F.6/D. 1025/94, (Technical Branch), dt. 27—9—94.

Sub : Sale of ferrous and non-ferrous scrap materials condemned Vehicles etc. through open tenders—Fixing of reserve price—Guide Lines issued—Reg.

Ref : (i) B. P. Ms. (Ch) No. 40 (Accounts Branch) dt. 8—11—85.

(iii) Permanent B. P. (F. B.) No. 90 (Tech. Br.) dt. 11—5—92

In accordance with the permanent B. P. 2nd cited above, twelve items of ferrous and non-ferrous materials and condemned vehicles held in stock at various Central Stores are disposed off through open tenders by the Chief Engineer/Materials Management after collecting the details from the Circle Superintending Engineers.

It is seen that the reserve price are being fixed by the Circle survey committee and thereafter approved by the Circle disposal Committee in accordance with the B. P. 1st cited. The reserve price should be fixed based on the condition of materials and the prevailing market conditions.

But large variations are found in the per unit rate of reserve prices fixed from the details furnished by various Superintending Engineers for Centralised disposal.

Therefore the following guidelines are suggested in fixing the reserve price with a view to reduce large variations in the per unit rate :—

While fixing the reserve price for surplus/obsolete/scrap materials condemned vehicles and plant and Machineries etc., the following aspects shall be taken into account.

- (i) Present condition of materials and its susceptibility for deterioration in storage in the open yard etc.
- (ii) Local market conditions.
- (iii) Rates obtained in the previous tender sale/auction for similar materials both at Head Quarters and at Circle level.
- (iv) Utility of the materials.
- (v) Labour involved in transport, retrieval of usable/effective material contents.
- (vi) Handling charges.
- (vii) Availability of such materials in the market and consequential demand.
- (viii) Market price published periodically in the newspapers/IEEMA Circulars for ferrous and non-ferrous materials.

The Chief Engineers/Superintending Engineers are requested to note that these are only broad guidelines based on which the value of materials shall be assessed to fix the reserve price.

The Chief Engineers/Superintending Engineers are requested to ensure that the reserve price is fixed (for the disposable materials) taking into account of the above mentioned aspects in order to avoid large variations.

P. Suresh Chander Pal,  
Member (Distribution.)

Circular Memo No. 54110/VC. 11/93—3, (Sectt. Branch) dated the 30th September, 1994.

Sub : Electricity—MRT Seals in HT and LT Services—Introduction of numbered seals and utilisation of sealing pliers—further instructions—Issued.

Ref : (i) Vig. Cell circular Memo No. 6661/VC7/78—82 (Secretariat Branch), dated 18—11—1983.

(ii) Circular Memo No. 54110/VC15/93—1 dated 12—8—94.

The Anti Power Theft Squad during the inspection of HT and LT Services has found that the serial number of the numbered seals, provided on the various locations of the metering equipments and meter, are not properly recorded in the consumer's and Board's meter cards on proper acknowledgements by the consumers or their representatives. The following instructions are issued to remedy the situation.

2. The serial numbers of the seals provided in the HT/LT metering arrangements should be recorded in the sealing Register with reference to the specific location of the meter viz., top right, left, bottom, KVA M.D., KW, M.D. other metering equipments AB switches and switch gears. etc. without when fail, at the time of effecting the service and as well as at the time of their replacement, as and warranted. Such replacement should be duly authenticated by the Departmental officers concerned and the consumer or his authorised representative with their dated signature/designation etc., against all these entries, without fail.

3. The above instructions should be brought to the notice of all the field officers for strict adherence and any lapse in this matter shall be viewed very seriously.

(By Order of the Chairman)

P. Kalimuthu,  
Inspector General of Police,  
Vigilance.

Copy of :

Circular Memo No. 54110/VC—15/93—1, (Sectt. Branch) Dated 12—8—1994.

Sub : Anti Power Theft Squad—Introduction of numbered Lead Seals—Provision of Terminal Cover seals in LT Services—Instructions issued—Reiterated—Regarding.

Ref : (i) VC's Circular Memo No. 6661/VC7/78—82 Sectt. Branch, dt. 18—11—83

(ii) VC's Circular Memo No. 23849/VC7/86—1 Sectt. Branch, dt. 24 - 6—86.

During an inspection by the Anti Power Theft Squad in Trichy/North and South Electricity Distribution Circles, it was noticed that still there are a number of L.T. Services where the ordinary lead seals have not yet been replaced by numbered seals though in the Vigilance Cell's Circular Memo. (i) cited above, clear instructions regarding introduction of numbered lead seals have been issued.

2. Similarly in a number of services, the Terminal Covers have not been either provided or sealed inspite of specific instructions issued in the Vigilance Cell's Circular Memo. (ii) cited above.

3. All the Superintending Engineers/Electricity Distribution Circles are requested to carry out the instructions contained in the Circular Memos. cited above on "War Footing" and send a confirmatory report after completing the work before 31—11—94 without fail.

P. Kalimuthu,  
Inspector General of Police/Vigilance.
