- (ii) (Permanent) B.P. (FB) No. 23 (Secretariat Branch) dt. 4-5-94.

Proceedings :

Representations have been received, that on application of the provisions in Regulation 4(1) of the Tamil Nadu Electricity Board Revised Scales of Pay (Officers) Regulations, 1994, an employee, on his appointment to the service in the Board for the first time on or after 1-12-92 and before 30-4-94 gets a higher fixation of pay in the revised pay scale, than a person who was already in the service of the Board on 1-12-92 and then appointed by internal selection to the same post (as that of the direct recruit) during that period 1-12-92 to 30-4-94. To redress this anomalous position, it is requested that in addition to the various dates of option permitted under the Note in Regulation 7(1) of the Tamil Nadu Electricity Board Revised Scales of Pay (Officers) Regulations, 1994, "the date of appointment to a post by internal selection" may also be included. The request was examined in detail.

2. The Tamil Nadu Electricity Board directs that the employees who are covered by the Board's Proceedings first cited and subsequently appointed as Officer category covered by the Board's Proceedings second cited and who were in service on 1-12-92 shall be permitted to exercise option to come over to the Revised Scales of pay 1994, on the date of appointment to an officer's post by internal selection also if such date falls between 1-12-92 and 30-4-94.

3. If an employee who has already exercised option in any other manner and wants to revise the option with reference to the orders in para 2 above, he shall be permitted to exercise a revised option within two months from the date of this order.

4. In exercise of the powers conferred under Section 79(c) of the Electricity (Supply) Act, 1948, the Tamil Nadu Electricity Board makes the following amendment to the Tamil Nadu Electricity Board Revised Scales of Pay (Officers) Regulations 1994.

AMENDMENT

In the Note under Regulation 7(i) of the Tamil Nadu Electricity Board Revised Scales of Pay (Officers) Regulations, 1994 the words "date of appointment to a post by internal selection", shall be inserted between the words "movement to selection grade" and "during the period".

Sub: Medical Reimbursement—Treatment taken in Private Hospital—Counter signature of the Dean of the Government Hospital need not be insisted—instructions—Issued.

Ref: (1) B. P. Ms. No. 884 (SB) dt. 6-6-78.
(2) B. P. Ms. (Ch) No. 58 (SB) dt. 3-3-88.
(3) Memo. (P) No. 84147/N2/94-1 dt. 6-12-94.
(4) From the Director of Medical Education Chepauk, Letter No. L.Dis. No. 89240/A2/2/94 dt. 18-11-94.

In the Board's Proceedings first cited, a form of application for claiming the reimbursement of medical expenses has been introduced. In that form, a certificate, which should be got scrutinised by Dean, District Medical Officer/Superintendent of the Government Hospitals, has also been incorporated. Of late, some of the Board employees, who took treatment in Private Hospitals, have stated that the Dean/District Medical Officer/Superintendent of the Government Hospitals refused to sign in the application. Therefore, the matter was referred to the Director of Medical Education and he has stated that the counter signature of the Dean of the Government Hospital on the claim papers pertaining to treatment in Private Hospitals is not being insisted upon by his office.

2. In continuation of the Board's memo. 3rd cited, it is informed that the countersignature of the Dean/District Medical Officer/Superintendent of the Government Hospitals on the claim papers made by the Board employees pertaining to the treatment in Private Hospitals need not be insisted upon.

Memo. No. 5720/DTS/A5/95, (Technical Branch), dt. 13—1—95.

Sub : Training—Imparting training for Assistant Engineers at entry level and revision of existing procedure—Finalisation of working procedure—Approval—Accorded.

Ref : (Per.) B.P. (FB) No. 194, (T.B.), dt. 3—9—93.

In continuation to the B.P. cited, approval is hereby accorded for the following working procedures to be adopted for training of Assistant Engineers at entry level step by step.

1. After recruitment, the Assistant Engineers will be reporting to allotted Distribution/Generation Circles. The Circles concerned will take care of all establishment matters, Pay & Allowances, etc. pertaining to the individuals during the entire 6 months training period. All formalities for acceptance of joining report, opening of service records, payment of Tour advance etc. will be completed during the first 15 days at circle level.

The name & date of joining of Assistant Engineers should be reported by Superintending Engineers of Circles to Director of Training immediately on joining. The Chief Engineer/Research & Development will issue orders fixing the dates and period of training centres at Madras, Ennore, Madurai and Kuthiraika:medu.

2. The new recruits will undergo training in each of the following centres by rotation :—

1. Staff Training College/Madras	—	3 weeks
2. Thermal Training Institute/Madras	—	2 weeks
3. Transmission and Sub-Station Training Institute/Madurai	—	3 weeks
4. Hydro Training Institute/Kuthiraikalmedu	—	2 weeks

The training at Staff Training College will also cover the aspects on the usage of computer for H.T. Billing etc.

The training at Hydro & Thermal Training Institutes will also include visits to a Hydro/Thermal Station.

A transit time of 2 or 3 days will be allowed to trainees for moving from one Institute to another **except** for movement from Staff Training College to Thermal Training Institute/Madras and vice versa. Training schedule for Staff Training College & Thermal Training Institute should be programmed accordingly.

3. After completion of the training at the above four training institutes, the newly recruited Assistant Engineers will be sent for further training to various fields as detailed below as per the direction of concerned Chief Engineer. The Superintending Engineers/Distribution/Generation Circles etc. will issue necessary orders in advance for the continuance of training, fixing dates duration and place of training and the officers, to whom to report for such training preferably in the following order :—

Name of Field	Duration
1. Section Office (O & M)	2 weeks
2. Construction Section (Works of Distn. Circle)	1 week
3. Sub-Station	2 weeks
4. Sub-Division office (O & M)	1 week
5. O & M Division office & Revenue Unit	2 weeks
6. Central Office & Stores (Purchase, Accounts & Stores)	1 week
7. Head office (Region/Circle) (on Technical & Administrative works)	1 week
8. M. R. T.	1 & half week
9. Special Maintenance	1 & half week

4. The concerned Superintending Engineers in the field will select a nodal officer in the rank of Assistant Executive Engineer for trainees under their control. Assistant Executive Engineers having aptitude in imparting field training to the newly recruited Assistant Engineers may be chosen as nodal officers. The service of Engineers already trained in Engineering Staff College of India, Hyderabad on "Training for Trainers" vide (Rt) B.P. (Ch.) No. 22 (T.B.) dt. 20—1—94 may also be utilised.

5. During the six months training, the newly recruited Assistant Engineers will maintain a diary detailing the datewise training undergone with the field observations made, equipments handled, test procedures studied and study visits made etc. Also, studies have to be conducted as per a work book and recordings made therein by Assistant Engineers during the field training then and there and submitted to the controlling Officers. The training centres and nodal officers will review the individual's diary and work book periodically. The concerned officers under whom the trainees are reporting for training will sign the diary with designation seal for the entire 6 months of training then and there. The report and tour programme will be sent to nodal officers by the trainees.

6. Director of Training will prepare and give a well prepared Brochure to all the newly recruited Assistant Engineers detailing completely what the trainees are expected to cover in the 6 months of training.

Final assessment will be done at the Regional Centres at the end of the training programme for 3 days with the following evaluation committee members :—

1. Regional Chief Engineers.
2. Superintending Engineers concerned.
3. One Deputy Director/Training.

7. The performance assessment reports given by the four training centres, the diaries and work books will be taken into consideration for final evaluation. The final assessment report of the committee shall be sent to Chief Engineer/Research & Development by Regional Chief Engineers for consolidation of the list of Assistant Engineers who have successfully undergone the training and for sending a report to Chief Engineer/Personnel for taking further action.

8. The Director of Training may arrange for the supply of following :—

- (i) Brochures about the whole training programme.
- (ii) Diaries (Book for the whole training).
- (iii) Performance Assessment report forms.
- (iv) Work book for the field training.
- (v) Learning sequence forms.

Director of Training will arrange a programme of the above pattern with all Deputy Directors and field officers. Directorate of training may arrange for issue of working instructions for the training programme on the above basis.

9. All Deputy Directors may prepare the course materials, Work books, diary formats etc. well in advance. Deputy Directors may evolve proposals towards expenditure on stationery, course materials, supply of tea and snacks, payment of honorarium for guest lecturers and get approval well in advance.

1. B. P. Ms. (FB) No. 62, dated 28—5—1983.

Anti Power Theft Squad Salem Circle is functioning from 1—7—83 with head quarters at Salem having jurisdiction over fourteen Distribution Circles. The Anti Power Theft Squad Salem Circle has three APTS Divisions at Vellore, Salem and Coimbatore. In es much as the electricity distributions both in Coimbatore Corporation limit and in Pollachi municipal limits have been taken over by the Tamil Nadu Electricity Board it is considered necessary to shift the Head quarters of the Superintending Engineer/ Anti Power Theft Squad/Salem to Coimbatore in order to have very close monitoring of the field work of the Anti Power Theft Squad Staff of Coimbatore, Tiruppur and Udumalpet in particular where there are mushroom growth of Industrial activities; where there are very large number of electrical services and where there are vast scope to detect cases of theft of power and other irregularities. It is hereby ordered that the headquarters of the Anti Power Theft Squad Circle at Salem shall be shifted to Coimbatore with effect from 1—2—1995.

Sub: ESTABLISHMENT—Tamil Nadu Electricity Board—Transfer of staff—Effecting transfers on "Administrative grounds"—Reasons to be recorded—Instructions—Issued.

It has come to the notice of the Board that an Executive Engineer of the Board had effected transfers on "Administrative grounds" without edhering to any principle. He has not recorded his views in effecting such transfers and note file was also not maintained. This is not correct and this practice should be curtailed immediately.

2. Hence it is hereby instructed that while effecting transfers, the officers ordering transfers should indicate their views and reasons for ordering transfers in the "Note File" separately. If a note file has not been opened already, the same should be opened for this purpose.

3. Failure to follow these instructions will be viewed seriously.

Circular Memo. No. X/Rev/CB/F6/95—1, (Accounts Branch), dated 24—1—1995.

Sub: Electricity—payment of prorata wages to Assessors and honorarium to the Billing Assistants for excess over norms work—clarification—Regarding.

Ref: 1. B. P. Ms. No. 74 dated 29—8—87.
2. B. P. Ms. No. 5 dated 25—1—94.

In B. P. Ms. No. 5 dt. 25—1—94, the revised work norms for the Assessors and for the billing Assistants have been ordered along with the wage revision. As there was no mention about payment of prorata wages to Assessors and honorarium to Billing Assistants many Superintending Engineers have raised clarifications on the following points:—

As the new work norms have been implemented only during 8/94, 9/94(1) the basis for calculating the excess over norms upto the date of implementation of new norms to the Assessors and billing Assistants and (2) Whether the prorata wages are to be calculated based on the revised scale of pay while norms are based on old pattern.

After careful examination the following instructions are issued:—

1. Assessors : The excess over norms can be calculated based on the old norms upto the date of implementation of revised norms (i.e. upto 31—8—94) After implementation of the revised norms, the excess over yard stick shall be calculated based on the revised norms. In both the cases, for calculating the prorata wages, the pay + D.A. drawn during that particular month shall be taken into account irrespective of the fact that old norms has been adopted for calculating excess over yardstick.
2. Billing Assistants : The excess over norms can be calculated based on the old norms upto the date of implementation of revised norms (i.e. upto 31—8—94) After implementation of the revised norms the excess over yard stick shall be calculated based on the revised norms. For calculating honorarium payment, the rate of 40 paise/50 paise per service pertaining to leave vacancy/excess over yard stick shall be applicable upto 19th December 1994. As per the orders issued in B.P. No. 121 dt. 20—12—94 the revised single rate of honorarium at Re. 1/- per effective service shall be applicable with effect from 20—12—1994.

ஆணை :

எட்டாவது உலகத் தமிழ் மாநாடு இவ்வாண்டு தொடக்கத்தில் சனவரித் திங்கள் ஒன்று முதல் ஐந்து தேதி வரை தஞ்சாவூரில் சீரோடும், சிறப்போடும், கோலாகலமாகவும், விமரிசையாகவும் நடந்தது. இதை வெற்றிகரமாக நடத்தியதில், தமிழ்நாடு மின்சார வாரியத்தின் பங்கு மகத்தானது.

2. தஞ்சை நகரில் மின்விசை வழங்கும் பொறுப்பு தஞ்சை நகராட்சியிடம் இருந்தது. அது கடந்த 29—8—1994 அன்று தமிழ்நாடு மின்சார வாரியத்திடம் ஒப்படைக்கப்பட்டது. மின் விசை வழங்குவதில் நகரின் பல பகுதிகளில் தாழ் அழுத்தம் நிலவியது. அதனை சீராக்க முயற்சி தேவைப்பட்டது. மேலும், பல சாலைகள் விரிவாக்கப்பட இருந்தன. புதிதாக வட்டச் சாலைகள் அமைக்கப்பட இருந்தன. அதனால் மின் கம்பங்களை பெயர்த்தெடுத்து, வேறு இடங்களில் மாற்றி அமைக்க வேண்டி இருந்தது. சென்னை மாநகரில் உள்ளதுபோல் முக்கிய சாலைகளிலும் புதிய மேம்பாலம் போன்ற இடங்களிலும் சோடியம் ஆலி விளக்குகள் பொருத்த அரசு தீர்மானித்தது. இப்பணிகளை செய்து முடிக்க ரூ. 262 இலட்சம் செலவில், பல்வேறு மேம்பாட்டுப் பணிகள், போர்க்கால அடிப்படையில் மேற்கொள்ளப்பட்டன. இப்பணிகளில் ஈடுபட்ட எல்லா மின்வாரிய அலுவலர்களும், ஊழியர்களும் அல்லும் பகலும் அயராது பாடுபட்டு, குறிப்பிடப்பட்ட இலக்கை எய்தினர்.

3. மாநாட்டின் பல்வேறு நிகழ்ச்சிகள் வெவ்வேறு பகுதிகளில், ஒரே நேரத்தில் நடைபெற்றன. பல்வேறு நாடுகளைச் சார்ந்த அறிஞர் பெருமக்களும், ஆன்றோரும், சான்றோரும், அமைச்சர்களும், உயர் அதிகாரிகளும் மற்ற விருத்தினர்களும் தஞ்சாவூரில் பற்பல இடங்களில் தங்க வைக்கப்பட்டிருந்தனர். இப்பகுதிகளில் எல்லாம் தொடர்ச்சியாக, தடையேதுமின்றி மின்விசை வழங்கப்பட்டது. இதற்காக, மின்சார வாரிய பணியாளர்கள் இரவு பகலாக ஒய்வின்றி பணியாற்றினர். மேலும் தஞ்சை நகருக்கு குடிநீர் வழங்கும் திருமானூர் நீரேற்று நிலையத்திற்கும், தடையின்றி மின்விசை வழங்கப்பட்டது. இவர்களுடைய கடுமையான உழைப்பினால், மாநாட்டின்போது தஞ்சை நகர் தடையற்ற மின்சாரம் பெற்று, ஒளிமயமாக திகழ்ந்ததை பலரும் பாராட்டினார்கள்.

4. இத்தகு சிறப்புப் பணியில் கடின உழைப்போடு கடமையாற்றியவர்களை பாராட்டி, அவர்களுக்கு ஊக்கத் தொகை வழங்குவது, வாரியத்தின் மரபாக உள்ளது. எனவே, அயராது பாடுபட்டு உலகத்தமிழ் மாநாட்டிற்கு தடையின்றி மின்விசை வழங்க கடுமையாக உழைத்த 500 (ஐநூறு மட்டும்) மின்வாரிய அலுவலர்கள், ஊழியர்கள் ஒவ்வொருவருக்கும் ஊக்கத் தொகையாக ரூ. 600/- (ரூபாய் அறுநூறு மட்டும்) வழங்கும் கருத்துரு வாரியத்தின் ஒப்புதலுக்கு வைக்கப்பட்டது. வாரியம் தீர ஆராய்ந்த பின்னர், மேற்கண்ட கருத்துருவை ஏற்று ஒப்புதலளித்தது.

5. அதன்படி, தஞ்சாவூரில் நடைபெற்ற எட்டாவது உலகத்தமிழ் மாநாடு சிறப்புற நடைபெற பணியாற்றிய இணைப்பில் குறிப்பிடப்பட்டுள்ள 500 (ஐநூறு மட்டும்) பணியாளர்கள் ஒவ்வொருவருக்கும் ரூ. 600/- (ரூபாய் அறுநூறு மட்டும்) ஊக்கத் தொகையாக வழங்க, (ரூபாய் 3 லட்சங்கள் ரூபாய் மூன்று லட்சங்கள் மட்டும்) அனுமதித்து வாரியம் ஆணையிடுகிறது.

G. O. Ms. No. 246

Dated the 30th August, 1994.

Read again :—

D. O. Letter No. 88518/80—6, Personnel and Administrative Reforms

(Per. O) Department, dated 20—2—1981 addressed to all Secretaries to Government.

Order :

As per ruling 3 under Fundamental Rule 9(6) (b), when a Government servant has compulsorily to wait for orders of postings, such period of waiting shall be treated as duty, and during such period, he shall be eligible to draw the pay plus special pay which he would draw had he continued in the post he held immediately before the period of compulsory wait or the pay plus special pay which he would draw on taking charge of the new post, whichever is less.

2. The Government had occasions to note that the proposals for compulsory wait are not settled immediately. The Public Accounts Committee, in its report for the year 1974—75 with regard to the examination of compulsory wait proposals has observed as below :

- (i) The posting orders should be issued at the appropriate time.
- (ii) As far as possible, orders of posting should be finalised atleast a month in advance for which the Heads of Departments should take responsibility.
- (iii) In cases, where such a recommendation/finalisation could not be done, the proposals should be termed as 'Most Immediate' and personal follow up, in getting orders should be made.
- (iv) It will be the duty of the Heads of Departments concerned to keep reminding the persons concerned to finalise the compulsory wait proposals time and again.

These observations of the Public Accounts Committee were communicated in the reference read above to all Secretaries to Government for strict adherence.

3. Normally officials returning from leave/deputation, transferred from a post, rendered surplus due to the wind up of a post etc., have to wait for orders of postings. In all such cases, it should be possible for the authorities to foresee such contingencies and to decide alternate postings to the officials concerned well in advance. They should realise that each day of delay in giving a posting involves payment of duty pay and allowances to a person who is not discharging any duty for that date.

4. Despite the instructions in force, Government have occasion to come across cases of abnormal delay in some cases involving more than 6 months in giving postings to departmental officials. The attention of Secretaries to Government and Heads of Departments is invited to the provisions contained in the Fundamental Rules and the guidelines issued based on the recommendations of the Public Accounts Committee set out in paras 1 and 2 above and they are requested to ensure that there is no delay in their part in giving postings to Government officials under their control, involving avoidable wasteful expenditure to the Government.

Secretary to Government.

Sub: Elec'y.—Payment of L.T. Current Consumption charges for 12/94—
Extension of due date for payment.

The due date for payment of L.T. Current Consumption charges for the assessment made during 12/94 is 15-1-95. There are four consecutive Pongal Holidays from 14-1-95 to 17-1-95 and therefore the last date for payment of L.T. Current Consumption charges of 12/94 assessment is 18-1-95 as per the terms and conditions.

2. In view of the Four consecutive holidays there will be heavy rush in the collection centres on 18-1-95. Therefore the L.T. consumers should be permitted to pay their Current Consumption charges upto and inclusive of 19-1-95 without interest. The disconnection for non payment of Current consumption charges of 12/94 assessment shall be on 20-1-95.

Salient featur's communicated—Amendment to para I(4)—Issued—Reg.

Ref: Lr. No. 1195/IEMC/EE(T)/AEE1/AE2/94-3 dt. 4-3-94.

In the letter under reference cited, it has been informed vide para I (5) to take special meter readings on 31-5-94 since the levy of compensation charges at non-linear slab rates towards Low Power Factor and the revised procedure for billing demand charges at 100% of sanctioned demand come in to effect from 1-6-94, as stated in paras I (3) & I (4) in the above reference.

However, on further examination it is noted that as per tariff notification vide G.O. (Ms) No. 35 Energy (A2) Department dt. 1-3-94.

- (a) The levy of compensation charges towards Lower Power Factor at non linear slab rates comes in to effect after 3 months from the date of G.O. (i.e.) from 1-6-94.
- and (b) 100% Demand charges will be effective from June '94 monthly readings onwards.

In view of the above, the Superintending Engineer/Electricity Distribution Circle are informed that question of adopting proportionate demand charges for June '94 bill does not arise and 100% demand charges has to be charged at notified tariff rate from the date of reading in the last week of May '94 to the last week of June '94 and only the compensation charges for Low Power Factor need be collected at the old rates up to 31-5-94 and at the new rates from 1-6-94 onwards. Wherever bill for June '94 has been issued on proportionate basis they have to be revised as above.

Sub : Electricity—Replacement of burnt meters—Collection of charges for replacement of meters Levy of centage charges—Regarding.

Ref : M(D)'s Circular memo. no. SE/IEMC/EE3/AEE2/D. 581/93/dated 11—6—93.

The earlier decision to request the consumer to procure meter or charging the full meter cost even if one component becomes defective was taken due to dearth of meters. However number of consumers have represented that this imposes huge financial committment especially when the Board is not providing meters. The matter was also raised in the recent consumer protection council meeting when the Honourable Minister for Food/Co-operation/Consumer Protection wanted the Board to reconsider the Board's decision.

In the above circumstances, the matter has been reexamined and the Superintending Engineers/ Etecy. Distn. Circles are requested to follow the procedure of preparing the estimate for defective meters that was in force prior to the instructions dated 11—6—93 cited under reference. For preparation of such estimates, the following rates of meter spares may be adopted.

Sl. No.	Description of spare	Single Phase in. Rs.	Three Phase		
			Upto 30 A in Rs.	Above 30A in Rs	5A CT meter Rs.
1.	Glass	3.00	5.00	6.00	5.00
2.	Cover	30.00	37.00	58.00	37.00
3.	Dial	60.00	69.00	69.00	69.00
4.	Pressure Coil	92.00	92.00	92.00	92.00
5.	Current Coil	58.00	69.00	117.00	46.00
6.	Terminal block	60.00	80.00	100.00	80.00
7.	Base	35.00	46.00	58.00	46.00
8.	Disc.	46.00	58.00	86.00	86.00

As already instructed in the above circular, no centage charges need be collected. Further, the rates for meter spares may be included in the cost date for the year 95-96 onwards and the same may be allowed.

Secretary to Government.

Memorandum No. 7013/SE/IEMC/EE(T)/AEE. 1/AE. 2/Power loads/93-94 (Tech. Br.), Dated 30—1—95

Sub: Electricity—Application of correct tariff in the case of Predominantly power load-
Definition for Industry-Informed for follow up in the field—Regarding.

Ref: (1) Memorandum No. IEMC/EE(T)/AEE/AE, 2/Power loads/CR. 07013/93-1
dated 14—9—93.

(2) Chairman letter No. IEMC/EE(T)/AEE/AE 2/Hotels Association/CR. 09878/94
dated 21—1—94 addressed to the President, the Tamil Nadu Hotels
Associatron.

In the Memorandum cited above, it has been clarified that the Telephone Exchange, P & T
Micro Tower, Bakeries, Coffee grinding shops etc. should be charged under L. T. Tariff-IX only.

In the Chairman letter cited, under reference (2) it was informed that the request for application
of L. T. Tariff-IV (Industrial tariff) in respect of service connections given to Hotels and Restaurants is
not feasible of compliance.

In this connection lot of clarifications regarding the definition of industry has been sought
for from the field.

As per G. O. (Ms.) No. 313, P. W. (Electricity) dated 26—2—93 and as per G. O. (Ms.) No. 35.
Energy (A2) Department, dated 1—3—94, L. T. Tariff-IV is applicable to the Industries not covered
under L. T. Tariff-III.

The definition for Industries is one which buys the raw material and converts it into a usable
material examples:—

(i) Rice mills, Flour Mills and saw mills which carry out only job work and collect the
charges for the same have to be charged under L. T. Tariff-IX.

(ii) In cases where the consumers buy the raw material and convert the same into usable
value added material for sale in the market, then such services have to be charged under L. T. Tariff-IV.

(iii) Similarly in case of Coffee grinding works, when the consumer buys the coffee seeds
and utilises the power for grinding coffee seeds for conversion as a value added product and sells it in
the market, then the service may be billed under L. T. Tariff-IV.

(iv) If the service is utilised for carrying out coffee grinding as a job work, on behalf of
some other agency and collecting only charges for grinding, then the service should be billed under
L. T. Tariff-IX.

(v) In case of the factories manufacturing and selling Ice, the service may be charged
under L. T. Tariff-IV.

(vi) In regard to Cold Storage Plants, no manufacturing activity as in the case of Industries
is being carried out and as such they have to be charged under L. T. Tariff-IX.

The Superintending Engineer's of Distribution Circles are instructed to follow the
above procedure.
