Circular Memorandum No. 42467—P1/95—1, (Secretariat Branch) Dated 1st July 1997.

Sub : Establishment—Recruitment—Furnishing false information—Institution of Departmental Proceedings—Instruction issued.

The Government examined a question as to whether a Government servant could be discharged from service, if it is found out later that the Government servant was not qualified or eligible for his initial recruitment in service.

2. The Government have issued instructions that a Government servant who was not qualified or eligible in terms of recruitment rules etc., for the initial recruitment in service but has secured employment by furnishing false information or producing a false certificate in order to secure an appointment should not be retained in service. The Board has also decided to issue similar instructions in respect of Board's employees.

3. Under Regulations 106(d) of TNEB Service Regulations a person appointed or promoted temporarily shall be liable to be terminated by the appointing authority at any time without notice and without any reason being assigned. So also under regulations (95)(f)(3) if the appointing authority decided that the probationer is not suitable for such membership, it shall unless the period of probation is extended discharge him from the service after giving him reasonable opportunity of showing cause against the action proposed to be taken in regard to him. The Standing Orders applicable to non-clerical workmen as well as clerical workmen specify that giving false information regarding name, father's name, qualification, age or previous service, or any other information connected with the employment at the time of employment or at any other time during service, as a misconduct.

4. In view of the rules position set out above, it is hereby ordered that an employee of the Board who was not qualified or eligible in terms of recruitment rules for the initial recruitment in service but has secured employment by furnishing false information or producing a false certificate in order to secure appointment or at any other time during his service, should not be retained in service. If he is an approved probationer or a permanent employee, disciplinary action shall be taken following the procedures prescribed under Discipline & Appeal Regulations or respective Standing Orders. If the charge is proved, the employee shall be removed or dismissed from service. Besides, such discharge, termination, removal or dismissal from service, he shall also be liable for prosecution.

5. In view of the above, appointing authorities are instructed to strictly scrutinise the information and documents furnished by the employees at the time of initial appointment and initiate disciplinary proceedings under Board's Regulations.

Memorandum No.19321—P1. 96—1 (Secretariat Branch) Dated the 3rd July 1997.

Sub : Disciplinary Proceedings—Initiation of Proceedings under Regulation 8(b) of Tamil Nadu Electricity Board Employees' Discipline & Appeal Regulations—Model form for Framing Charges—Guidelines—Issued.

Ref : Board's Memo. No. 20653/P1/93-1, dt, 24—7—93.

Having regard to the fact that the choice of rule 17 (a) or 17 (b) of the Tamil Nadu Civil Services (Discipline & Appeal) Rules under which disciplinary proceedings are to be initiated is very important, the Government have issued instructions in the Government Circular No.14353/Per.N/93-1, dt.11—3—93 that the disciplinary authority should frame charges under Rule 17 (b) of the said Rules, only when it is of the firm view that the charges, if framed and proved, would result in the imposition of any of the major penalties namely, dismissal from service, removal from service, compulsory retirement or reduction to a lower rank in the seniority list, or to a lower post or time scale. The Government consider that cases of indiscipline, moral turpitude corruption, bigamous marriage, unauthorised absence, etc. would attract action under 17 (b) of the said Rules and that for the delinquencies other than the above, simple show cause notice under rule 17 (a) would be quite adequate instead of framing specific charges under rule 17 (b) unless a major punishment is really warranted. (A model form of such a show cause Notice for use in 17 (a) proceedings has been given in Annexure-IV to the Government Circular dated.11—3—93).

2. The Board has communicated the above instructions of the Government in the Board's Memo. cited (copy enclosed for reference) to all the disciplinary authorities of the Board for strict adherence as provisions similar to Rules 17 (a) & 17 (b) of Tamil Nadu Civil Services (Discipline and Appeal) Rules referred to in the Government instructions are contained in sub-regulations (a) and (b) of Regulation 8 of the Tamil Nadu Electricity Board Employees' Discipline & Appeal Regulations.

3. In order to maintain uniformity and to avoid defects a model format for framing of charge memo under Regulation 8(b) of the Tamil Nadu Electricity Board Employees' Discipline & Appeal Regulations has been prepared and is annexed to this Memo. All the disciplinary authorities are requested to follow the model format while framing charges under Regulation 8 (b) of the Tamil Nadu Electricity Board Employees' Discipline & Appeal Regulations.

4. While framing the charges such verbal modification as might be necessitated by the special requirements of individual cases may be made provided the salient points are not omitted.

If the written statement of defence is not received within the stipulated time, it will be presumed that he/she has nothing to offer in his/her defence and further action will be pursued.

3. He/She is informed that an oral inquiry will be held and oral evidence shall be heard only in respect of such charges as are not admitted by him/her. He/She should, therefore, specifically admit or deny each charge.

4. Thiru./Tmt/Selvi.....is further informed that if he/she does not submit his/her written statement of defence on or before the date specified in paragraph 2 above or does not appear in person before the inquiring authority or otherwise fails or refuses to comply with the provisions of the Tamil Nadu Electricity Board Employees' Discipline & Appeal Regulations/Standing Orders or the orders or directions issued in pursuance of the said regulation/ standing orders the inquiring authority may hold the inquiry against him ex-parte.

5. Attention of Thiru/Tmt/Selvi.....is invited to Regulation 23 of the Tamil Nadu Electricity Board Employees' Conduct Regulations, under which no Board employee shall bring or attempt to bring any political or outside influence to bear upon any superior authority to further his interest in respect of matters pertaining to his service under the Board. If any representation is received on his/her behalf from another person in respect of any matter dealt with in these proceedings it will be presumed that Thiru./Tmt/Selvi.....is aware of such a representation and that it has been made at his/her instance and action will be taken against him/her for violation of Regulation 23 of the Tamil Nadu Electricity Board Employee's Conduct Regulations.

6. The receipt of this Memorandum may be acknowledged.

GOVERNMENT OF TAMIL NADU

PERSONNEL AND ADMINISTRATIVE REFORMS (PER. N) DEPARTMENT
 CIRCULAR No. 14353/Per. N/93—1, Dated : 11—03—1993

Sub : Disciplinary Proceedings —Initiation of proceedings under Rule 17(a) or 17(b) of Tamil Nadu Civil Services (Classification, Control & Appeal) Rules, 1953—Framing of charges—Guidelines—Issued.

Of late, it has been noticed that some of the disciplinary authorities frames charges under (Rule 17(b)) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules, 1953, in a routine manner even for minor offences which might not ultimately result in imposition of any major penalty. In order to avoid the framing of charges unnecessarily under rule 17(b) even for minor lapses and to avoid unnecessary prolonging of disciplinary cases, it is considered necessary to issue some guidelines in framing charges under the relevant rules so as to eliminate the delay in processing the disciplinary cases.

B.B.—4 (July '97)

2. The procedure to be followed in disciplinary cases against Government servants is laid down in detail in the Tamil Nadu Civil Services (Classification, Control & Appeal) Rules. The Tamil Nadu Civil Services (Classification, Control and Appeal) Rules have been framed in conformity with the provisions of Article 311 of the Constitution of India. It is absolutely necessary that the procedure as laid down in those rules and the various instructions issued thereunder are followed rigidly. Any failure to observe the proper procedure, either wilfully or through negligence, is liable to vitiate the entire proceedings rendering them null and void. Necessary instructions were also incorporated in Chapter II of the "Handbook on Disciplinary Proceedings" regarding the guidelines to be followed while framing charges.

3. Decision to charge an Officer should be taken only when full facts have been gathered and evaluated and there is non-controvertible inference and material that a misconduct has been committed. Once a decision has been taken to the effect that formal disciplinary proceedings should be instituted against the Government servant under the rules, the disciplinary authority will have to consciously decide whether proceedings should be taken under Rule 17(a) or 17(b), i.e., for imposing a minor or a major penalty. It should be borne in mind that the nature of disciplinary action and the quantum of punishment are to be commensurate with the gravity of the charges alleged to have been committed.

4. The disciplinary authorities should frame charges under rule 17(b) only when they are of the firm view that the charges, if framed and proved, would result in the imposition of any of the MAJOR PENALTIES namely, dismissal from service, removal from service, compulsory retirement or reduction to a lower rank in the seniority list or to a lower post or time-scale. The specific procedure under rule 17(b) has to be followed (from the stage of enquiry, after the receipt of the explanation) also when the second proviso to rule 17(a) is attracted. The cases of indiscipline, moral turpitude, corruption, bigamous marriages, unauthorised absence, etc., would attract action under rule 17(b) of the Tamil Nadu Civil Services (Classification, Control & Appeal) Rules. For delinquencies other than the above not involving moral turpitude, a simple show cause notice under rule 17(a) would be quite adequate instead of framing specific charges as in the case under rule 17(b), unless a major punishment is really warranted.

5. However, in order to demarcate the framing of charges under rule 17(b) and proceedings under rule 17(a) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules, the guidelines to be followed are given in the Annexures to this Circular. All the Departments of Secretariat, the Heads of Department, etc., are requested to follow the indicated guidelines in the Annexures while framing charges and ensure that the appropriate rule i.e., 17(a) or 17(b) is invoked against the erring employees and procedure prescribed under the relevant rules are observed in full without any omission so to avoid unnecessary delay etc., in processing the disciplinary cases.

6. A rough-and ready method to determine whether charges are to be framed under rule 17 (b) or show cause notice is to be issued under rule 17 (a) would be as follows :

| Test | Procedure |
|--|---------------------------------|
| (a) Is a major penalty warranted based on the gravity of the allegations? If yes, | Frame charges under Rule 17 (b) |
| (b) In all other cases | Proceed under Rule 17 (a) |

7. The receipt of this Circular may be acknowledged, and these instructions may be brought to the notice of the disciplinary authorities under your control.

Secretary to Government,

ANNEXURE—I

Guidelines for Deciding Whether Charges May be Framed Under Rule 17 (b)

Without prejudice to the generality of situations involving indiscipline, moral turpitude, corruption, etc., charges under rule 17 (b) have to be framed in the following types of cases for imposing any one of the major penalties :—

1. Cases in which there is reasonable ground to believe that a penal offence has been committed by a Government servant but the evidence forthcoming is not sufficient for prosecution in a Court of Law, e. g.,

- (a) possession of assets disproportionate to the known sources of income;
- (b) obtaining or attempting to obtain illegal gratification;
- (c) misappropriation of Government property, money or shares;
- (d) obtaining or attempting to obtain any valuable thing or pecuniary advantage without consideration or for a consideration which is not adequate, etc.

2. Falsification of Government records.

3. Irregularity or negligence in the discharge of official duties with a dishonest motive,

4. Misuse of official position for personal gain.

5. Disclosure of secret or confidential information even though it does not fall strictly within the scope of the Official Secrets Act.

6. Misappropriation of Government funds, false claims of Travelling Allowance, reimbursement of false medical bills, etc.,

Unless a major punishment is really warranted namely, dismissal from service, removal from service, compulsory retirement or reduction to a lower rank in the seniority list or to a lower post or time scale, framing of charges under rule 17 (b) is not necessary and should be avoided.

M. Ahmed,
Secretary to Government.

ANNEXURE—II

Guidelines Regarding Show-Cause Notice Under Rule 17 (a)

For the delinquencies which are not indicated in Annexure-I and in cases where moral turpitude is not involved, a simple show cause notice under rule 17 (a) would be quite adequate instead of framing specific charges. In the show cause notice, no question like "why Disciplinary action should not be taken against the Delinquent for the alleged/ reported lapse" shall be asked. Expressions like "show cause why you should not be dealt with/proceeded against under Rule 17 (a)." are unnecessary because the show cause notice is precisely dealing with/proceedings against the delinquent under Rule 17 (a). Also, any expression like "show cause why you should not be awarded a punishment under Rule 17 (a) for the above lapses" is also not correct as it presupposes that the irregularities have been proved. Some cases in which expressions like the above were used have been struck down by the Tribunal. It is enough that the delinquents are directed to submit their explanation to the lapses reported against them within a specified time limit.

2. Where it is proposed (i) to withhold increment and such withholding of increment is likely to affect the pension payable to the Government, servant, or (ii) to withhold increment without cumulative effect for a period exceeding three years or (iii) to withhold increments with cumulative effect for any period, the procedure laid down in rule 17 (b) should be followed (from the stage of enquiry), after receiving the explanation.

3. Annexure-IV contains a sample form of Show Cause Notice under Rule 17 (a).

Secretary to Government.

ANNEXURE — III**COMMON GUIDELINES TO BE FOLLOWED IN FRAMING CHARGES UNDER
RULE 17(b) AND ISSUING SHOW CAUSE NOTICE UNDER RULE 17 (a).**

(Note : In cases falling under Rule 17(a), references to "charge sheet" and "charge" hereunder shall be deemed to be references to "show cause notice" and "the irregularity leading to the show cause notice" respectively).

(1) A separate charge should be framed wherever necessary in respect of each separate transaction/event or a series of related transactions/events amounting to misconduct/misbehaviour.

(2) If the transaction/event amounts to more than one type of misconduct, then all the misconducts should be mentioned.

(3) If a transaction/event shows that the Government servant must be guilty of one misconduct or the other depending on one or the other set of circumstances, then the charge can be in the alternative.

(4) Multiplication or splitting up of charges on the basis of the same allegation should be avoided.

(5) The articles of charge should first give plain facts and then mention the nature of misconduct/misbehaviour of the accused.

(6) The wording of the charge should not appear to be an expression of opinion as to the guilt of the accused but should contain **only statement of facts**. Any statement which snags of expression of opinion and draws some positive conclusions against the Government servant should be strictly avoided in the charge sheet.

(7) A charge should not be related to a matter which had already been the subject matter of an enquiry resulting in conviction/punishment/acquittal/exoneration unless acquittal/exoneration was based on benefit of doubt by a Court or on technical consideration.

(8) A charge sheet should not refer (in the list of references as well as in the body of the memo) to the report on preliminary investigation/detailed enquiries conducted by the Directorate of Vigilance and Anti-Corruption/Police (C.I.D.) and other agencies.

(9) There is no bar to include all charges of violation of departmental rules as well as criminal offences which can be taken up departmentally, e.g., misappropriation of Government money, defalcation and theft of departmental materials, etc. In the case of departmental proceedings, reference to clauses of the Indian Penal Code should be avoided. The proceedings should be based on the failure to observe departmental rules and regulations. For instance, in the case of theft of a registered or insured article, the charge against an employee may not be theft of that article but failure to account for the article entrusted to him for custody or disposal, etc.

(10) All the facts, figures, dates, etc., included in the imputations should be carefully checked before the issue of the charge sheet as a lot of difficulties may crop up when some clerical error in these figures or dates later on comes to notice.

(11) The practice of disciplinary authorities framing extra charges like 'this shows that he is incapable' 'this shows he is not trustworthy' etc., or their variations which were the offshoots of the main charges should be avoided. For example, if there is a charge showing or implying the dishonesty of a delinquent, there is no need for another charge that the official is dishonest.

(12) There need be only a minimum number of specific provable charges directly attributable to the delinquent and not too many unwanted charges which may dilate the enquiry.

(13) Once a charge is framed and fully served that no explanation is received within the stipulated time, there is no need to frame another charge for non-submission of explanation. There is no need also to send any reminder. In such cases, necessary action should be proceeded with after considering the facts and records based on which charges were framed. For this purpose, clause is routinely added to all charge memos that if no explanation is received within the time stipulated, it will be presumed that the delinquent has no explanation to offer, and further action will be taken on the merits of the case based on available records.

(14) An officer's past record should not be taken into account in arriving at a finding as to the truth or otherwise of the charges against him. But there may be cases in which a person might have been previously punished for similar irregularity but still he has not corrected himself. If such past bad record of a person is proposed to be taken into account in determining the penalty to be imposed, it should be made the subject matter of a specific charge in the main charge sheet issued in the first instance or in the form of an additional charge sheet issued before the commencement of an enquiry in respect of the main charge sheet and the person charged should be afforded all the facilities necessary for enabling him to meet the allegation relating to past record.

Mr. Ahmed,
Secretary to Government.

Sub : MEDICAL REIMBURSEMENT claims under Medical Attendance Rules—
Procedure—Scrutiny of bills—Orders—Issued.

Ref : B. P. Ms. No. 588 (SB) dated 2—11—1981.

In the B.P. cited, orders have been issued to adopt certain procedure while sanctioning reimbursement of medical claim in order to avoid reimbursing medical claim under false pretext.

2. It has been brought to the notice of the Board that of late, medical bills are submitted by some of the employees for huge amounts after getting prescriptions from some Authorised Medical Attendant, who in-variably do not write the prescriptions in their own handwriting. Sometimes, very costly medicines are prescribed for minor ailments. At present, as there is no check or cross check of the prescriptions, all the bills have been passed without any scrutiny since the sanctioning authority has no knowledge about the genuineness of the medicines.

3. In order to have a proper check on claiming reimbursement of the medical bills, it has been decided that every medical reimbursement claim for Rs. 500/- and above should be scrutinised by the Chief Medical Officer/Tamil Nadu Electricity Board Head Quarters Dispensary, before sanction. Initially the bills submitted by the employees of the Tamil Nadu Electricity Board working in Chennai and sub-urban areas should be referred to the Chief Medical Officer for his scrutiny before sanction. Later on, this procedure will be extended to other areas also.

4. Accordingly, the following orders are issued :—

- (i) The Medical prescriptions in the printed prescribed form should be written in their own handwriting by Civil Surgeon/Authorised Medical Attendants or the Government Doctors and Chief Medical Officer and Medical Officers of the Tamil Nadu Electricity Board Dispensary along with their rubber stamp with date.
- (ii) Initially, every medical reimbursement claim preferred by the employees of the Board under the Medical Attendance Rules for the treatment taken as out-patient for Rs. 500/- and above should be forwarded by the respective sanctioning authorities of the Board in Chennai and sub-urban areas, to the Chief Medical Officer, Tamil Nadu Electricity Board Head Quarters Dispensary, for scrutiny. Based on the recommendation of the Chief Medical Officer/Tamil Nadu Electricity Board Head Quarters Dispensary, the sanctioning authority should sanction the claim.

2. When the panel is prepared for promotion for Executive Engineer/Electrical such of these Assistant Executive Engineers who do not have prescribed period of experience in the special field are not being considered for promotion in the light of the B.P. cited above. At the time of considered for panel they plead for waiver of the B.P. at every occasion which is not correct.

3. In this connection, the attention of all Assistant Executive Engineers are invited to the above reference wherein it has already been instructed that it is the responsibility of the Assistant Executive Engineers/Electrical, themselves voluntarily to represent to the Chief Engineer/Personnel when they do not have sufficient experience in the special field as stipulated in the B.P. well in advance so that they shall not plead for promotion as Executive Engineer/Electrical on one reason or other.

4. The above instructions are reiterated once again for strict adherence. The responsibility caused due to Non compliance with the aforesaid instruction will rest with the individual.

5. It is also seen that when orders are issued for getting experience in the Special field, some of the Assistant Executive Engineers represent for cancellation/modification either directly or other means. All the Assistant Executive Engineers are hereby informed that such attempt to cancel/modify the transfer orders issued will result in non-getting promotion as Executive Engineer/Electrical and will be disadvantages to their future prospects.

Read :

(Per.) B. P. (Ch.) No. 237, (S. B.) Dt. 9—9—91.

Proceedings :

Following the orders of Government, orders were issued in the Board's Proceedings cited prescribing the procedure with regard to obtaining bonds from the employees of the Board deputed for training for attending Seminars/Conference/Workshops etc. within India and outside India. In the said B.P. it has been ordered, inter alia, that the Board employees deputed to attend Seminars, Conferences, Workshops, Refresher Courses, In-Service Training, Specialised training outside India at their own cost should execute a bond to serve the Board the period specified in the above Board's Proceedings and that if they fail to serve the bond period as prescribed, they should refund to the Board a sum equivalent to pay and allowances for the period they have to serve the Board under the Bond.

2. The Government have decided to revise their earlier executive orders relating to one particular aspect, namely, Government servants proceeding out of India to attend Seminars, Conferences Refresher Courses etc. at their own cost. Accordingly, the Government have ordered that no bond is necessary in respect of the Government servants going abroad at their own cost by availing Extra-ordinary Leave without Pay and Allowances to participate in Seminars, Conferences etc.

3. Following the orders of Government and in partial modification of the orders issued in the Boards Proceedings cited, the Tamil Nadu Electricity Board directs that the Board employees who go abroad to participate in Seminars, Conferences, Workshops, Refresher Courses, Inservice Training and Specialised Training at their own cost by availing Extra-ordinary Leave without Pay and Allowances need not execute the bond.

4. Necessary amendments to Tamil Nadu Electricity Board Service Regulations and Tamil Nadu Electricity Board Leave Regulations will be issued separately.

Sub : Discrepancy in entry of the Date of Birth in Service Roll—Allowing service beyond superannuation—Reg.

It is seen that number of cases are forwarded to Head Quarters, seeking Board's approval and ratification for extension of time beyond 58 years due to lack of proper periodical verification of the entries made in the Service Roll/Service Books at the appropriate time.

2. All the Chief Engineers and Superintending Engineers are requested to issue suitable strict instructions to the officers concerned to verify all the service Rolls/service Books under their Jurisdiction and get the confirmation certificate stating that there is no discrepancy in the date of birth and no for extension of employees beyond 58 years will arise in future.

3. After getting the confirmation certificate from the field officers, the Chief Engineers and Superintending Engineers are requested to send a report in this regard.

4. In spite of these exercises if it is allowed in any case it will be viewed seriously and responsibility will be fixed on the officer concerned and action will be taken.

AMENDMENT No. 6/97.

REGULATIONS—Tamil Nadu Electricity Board Service Regulations— Retirement on Superannuation— Board employees under Suspension on Charges of misconduct etc., — Retention in service beyond the date of Superannuation—Regulation 17 (f)—Amendment—Issued.

(Per.) B.P. (F.B.) No. 61

(Secretariat Branch)

Dated the 30th July 1997,
Aadi 14, Easwara,
Thiruvalluvar Aandu 2028.

Proceedings :

As per sub-regulation (f) of Regulation 17 of Tamil Nadu Electricity Board Service Regulations, an employee of the Board under suspension on a charge of misconduct should not be permitted to retire on his reaching the date of retirement, but shall be retained in service until the enquiry into the charge is concluded and final order passed thereon by the competent authority. This provision is based on FR 56 (1) (c).

2. To Invoke the power under FR 56(1) (c), the SINE QUANON is that a Government servant should have been placed under suspension already, for retaining him in service, on reaching the age of retirement. On a critical examination of the rules, the Government have observed that the concept of misconduct is not wide enough to cover all misdemeanours of Government servants. Also, a person placed under suspension, where an enquiry into grave charges against him is contemplated or is pending could not be retained in service by invoking FR 56 (1) (c).

3. The Government have, therefore, decided to amplify the ambit of the Fundamental Rule provisions under reference, so as to cover all misdemeanours, and accordingly have amended FR (1) (c) to the effect that Government servant who is under suspension on a charge of misconduct, criminal offence etc. shall not be permitted to retire on his reaching the date of retirement, but shall be retained in service until the enquiry is concluded and the final order passed thereon by the competent authority or by any higher authority. The Tamil Nadu Electricity Board has decided to adopt the said orders to the employees of the Board also.

4. Accordingly, in exercise of the powers conferred by Section 79(c) of the Electricity (Supply) Act, 1948 (Central Act 54 of 1948), The Tamil Nadu Electricity Board hereby makes the following amendment to the Tamil Nadu Electricity Board Service Regulations :—

AMENDMENT

In the said Regulations in Regulation, 17, for sub-regulation (f), the following sub-regulation shall be substituted, namely :—

- (f) Notwithstanding anything contained in sub-regulation (a), an employee of the Board who is under suspension,—
- (i) on a charge of misconduct ; or
 - (ii) against whom an enquiry into grave charges of criminal misconduct or allegations of criminal misconduct is pending ; or
 - (iii) against whom an enquiry into grave charge is contemplated or is pending; or
 - (iv) against whom a complaint of criminal offence is under investigation or trial.

shall not be permitted to retire on his reaching the date of retirement, but shall be retained in service until the enquiry into the charge of misconduct or criminal misconduct or the enquiry into allegations of criminal misconduct or the enquiry into contemplated charges or disciplinary proceedings taken under Tamil Nadu Electricity Board Employees' (Discipline & Appeal) Regulations or under the respective Standing Orders applicable to the Workmen, as the case may be, in respect of item (iv) above is concluded and a final order passed thereon by the competent authority or by any higher authority.

Explanation : For the purpose of this clause, the expression 'criminal misconduct' shall have the same meaning as in Section 13 of the Prevention of Corruption Act, 1988 (Central Act 49 of 1988)".

Secretary.

Sub : Capitalisation of Interest During Construction Stage—Inclusion in project Estimates.

At present, Tamil Nadu Electricity Board is capitalising Interest During Construction based on the accepted Uniform Commercial Accounting Principles and such Interest During Construction capitalised is charged to the Capital work in Progress proportionately on actual basis after Balance sheet is finalised. It goes to add to the value of the Asset. But at present Interest During Construction is not included in the Project Estimates and Works Estimates. Our plan outlay fixed on Capital programme also does not include Interest During Construction and they are funded from Internal resources of the Board. Para 2.96 and 2.97 of the Annexure V to the Electricity (Supply) Annual Account Rules '85 states that the amount of Interest Capitalised shall be included in the cost of Assets except on the following assets.

- (1) Vehicles

The Committee on Review of Commercial Accounting in State Electricity Board's appointed by Ministry of Power, Government of India suggested that Interest During Construction actually payable should form part of project cost itself. This was taken up for consideration by the Board and the following instructions are issued.

In future, wherever the estimated period of Completion of the Project is more than one year, Project Estimate shall include Interest During Construction calculated at 15% per annum based on the anticipated drawal schedule of funds on a quarterly basis. The detailed project report itself must include the Interest During Construction. A similar provision shall be provided in the working Estimates prepared by executing authorities and sanctioned. At the time of closure of work orders for the various works carried out, Interest During Construction equivalent to 15% of Capital expenditure is also to be added to enhance the value of work including Interest During Construction.

The Report of the Committee on Review of Commercial Accounting System in State Electricity Board has also recommended that additional Interest During Construction required due to time or cost overrun, except that beyond the control of State Electricity Boards will have to be funded by State Electricity Boards, from their own resources. In order to avoid such contingencies, the project works are to be executed and completed within the scheduled period of time. The actual difference between the Interest During Construction allocated at the time of closure of work orders with reference to the provision made in the working Estimate and the Interest During Construction worked and allocated as per para 1.43 of Annexure-I of Annual Accounts Rules at the time of finalising the Balance Sheet in each year will be charged to Revenue Account residually by each Circle.

Hence, the Chief Engineers of Projects and Construction and Superintending Engineers of Circles are requested to follow the above instructions while preparing the project Estimates and works Estimates and in closing of work orders strictly in future. This will be given effect to from 1-8-97 onwards.

The receipt of this letter may be acknowledged.

- (i) B.P. Ms. No. 1074, dt. 3—7—74.
- (ii) B.P. Ms. (FB) No. 41 (SB), dt. 12—5—86.
- (iii) (Per) B.P. (FB) No. 33 (SB), dt. 20—8—90.
- (iv) (Per) B.P. (FB) No. 21 (SB), dt. 2—2—93.
- (v) G.O. Ms. No. 501, Fin (Pen) Dept., dt. 14—8—96.

Proceedings :

In the B.P. fourth cited, the Board issued orders that under the Tamil Nadu Electricity Board Family Security Fund Scheme, a monthly deduction of Rs. 30/- (Rupees thirty only) would be made from the pay of all employees till their superannuation and that in the case of death of an employee while in service, a sum of Rs. 60,000/- (Rupees sixty thousand only) would be paid to his/her nominee or legal heir. On retirement also, the employee will get back the accumulations of the monthly deducted amount with some Board's contribution. The Board has now decided, as a measure of further support and security to the employees and their families, to enhance the above lumpsum payment. based on the Government Order fifth cited.

2. The Board, accordingly, passes the following orders :

- (1) In the case of death of an employee while in service, a sum of Rs. 90,000/- (Rupees ninety thousand only) will be paid to his/her nominee, or legal heir. This payment together with the payment of Rs. 10,000/- under the Tamil Nadu Electricity Board Employees' Family Security Subsidiary Scheme will give a total benefit of Rs. 1,00,000/- (Rupees one lakh only) to the nominee or legal heir of the deceased employee,

B.B.—7 (July '97)

- (2) The modified scheme will come into force with effect from 1—7—1996 i.e. in respect of cases of death occurring on or after 1st July 1996. A monthly subscription at the rate of Rs. 50/- will be deducted from all the employees from their pay for the month of August 97 onwards and the deduction will continue till the superannuation of the employees. The arrears of Rs. 20/- towards the difference in the rate of subscription for the 13 months from July 96 to July 97 shall be deducted along with the normal monthly deduction from August 97 onwards on the basis of one month arrears at the rate mentioned above plus one monthly subscription for the respective months. In case any employee dies before the subscription at the revised rate of Rs. 50/- (Rupees fifty only) is deducted as afore said from his/her salary for the month of August 97, his/her nominee/legal heir will get the full amount under the scheme as per the orders in these proceedings provided the amount of arrears of subscriptions for all the 13 months is deducted from the lumpsum amount payable to the deceased employee.
- (3) Repayment in retirement cases arising after issue of these Proceedings will be as per the Table given in the Annexure.
- (4) (a) In the case of retirement, the accumulations of deductions as on 31—7—97 shall be worked out on the following basis :—
- (i) For the accumulation of monthly deduction made upto August '90 with interest thereon as per the Table in the Schedule—I of B. P. Ms. No. 1074, dated 3—7—74, interest shall be paid at the rate of 3.3% p.a. from 1—9—90 till the date of superannuation.
 - (ii) The amount repayable in respect of the deductions made between September '90 and January '93 (Rs. 20/- deduction period) will be worked out and paid as per the Table of the Repayment given in the Annexure to (Per) B. P. (FB) No. 33 (SB), dated 20—8—90.
 - (iii) The amount repayable in respect of the deductions made between 1—2—93 to 30—6—96 shall be as per the Table given in the Annexure to (Per) B.P. (FB) No. 21, (SB), dated 2—2—93.
- (b) The accumulation of deductions made from 1—7—96 till the date of superannuation shall carry interest at the rate of 6.6% p.a. towards Board's contribution. The accumulation of deductions together with Board's contribution shall be as per the Table in the Annexure to these Proceedings.
3. An entry in this regard shall be made in the Service Book of the employee and change in recovery of Subscription shall be communicated to the employee suitably indicating in the pay slip by the authority who prepares the pay bill of the employee.
4. The rules and other instructions governing the Employees Family Security Fund Scheme/ Employees Family Security Subsidiary Scheme so far issued shall be applied to the scheme as modified in the se Proceedings also.

Mem. No. SE/MM. II/EET/A2/F102/D. 289/97 (T. Br.) dated 24-6-97.

Sub: Vehicles—Retreading/Recapping of tyres—Approval of firms and their rates for the year 1997—98 — Orders—Communicated.

The list of firms with approved rates for retreading/recapping of tyres under both conventional/precured process for the year 1997—98 received from the Director/Tamil Nadu Motor Vehicles Maintenance Department/Chennai-83 is enclosed.

2. The rates for retreading/recapping of various sizes of tyres in each district are shown in Annexure. The rates are nett and inclusive of repair charges, taxes and surcharges etc. and will be effective till 31-3-1998.

3. The rates approved for private tyre retreading firms are made applicable to State Transport Undertakings in the respective districts.

4. The vehicle using officers are requested to ensure that the tyre retreading works are entrusted only to approved firms at the rates approved as shown in the Annexure.

5. In places where no retreading tyre unit of the approved companies exist and for remaining sizes, the work of retreading should be entrusted to the Tyre units approved in the nearby Districts.

6. The to and fro transportation charges for entrusting the tyre for retreading/recapping will be borne by the respective tyre retreading agency.

7. To avoid any hardship to the tyre retreading firms, suitable instructions may be given to the vehicle using officers for making payment within 30 days on receipt of bills.

8. Any undue delay in completing the tyre retreading/recapping work within the stipulated time of seven days for both under Conventional and Precured process may be brought to the notice of this Department for taking suitable action against the firm.

9. The tyres retreaded shall serve the kilometres noted below :-

| | Conventional | Precured |
|--------------------------|--------------|-------------|
| 1. Tyre of light vehicle | 16,000 Kms. | 20,000 Kms. |
| 2. Tyre of Heavy vehicle | 20,000 Kms. | 25,000 Kms. |

If the performance of tyre is not satisfactory, the defect shall be rectified free of cost/proportionate cost of transport refunded by the firm.

10. No Objection Certificate from State Transport Undertakings before entrustment of tyre retreading/recapping both under Conventional/Precured with the Private Firms need not be obtained.

11. The vehicle using officers shall decide the process (Conventional/precured) for even the first retreading/recapping of tyres.

The above are communicated to the field for their information, guidance and strict adherence.

Electricity - Formation of a Committee to study in detail the Revenue Arrears in respect of Disconnected services and Theft of energy cases - Orders Issued.

Permanent B.P. (FB) No. 15.

(Accounts Branch)

Dated : 26.6.97.

Aani 12, Eswara,

Thiruvalluvar Aandu 2028.

Read: Item 12 of the Minutes of the 769th Meeting of the
TNEB held on 28.5.97.

Proceedings:

It was decided in the meeting of the Chief Engineer, Distribution that the old cases of revenue arrears (including APTS cases) of the following categories.

1. Revenue arrears pending for recovery for more than 10 years in respect of disconnected services.
2. Theft of energy cases where the compensation charges have been collected in full.
3. Theft of energy cases involving compensation charges of Rs. 1,000/- and less in each case for illegal tapping could be considered for write off/settlement after verifying that all possible action for recovery has been taken and dead end has been reached.

2. The above proposal was placed in the 769th Meeting of the Tamil Nadu Electricity Board held on 28.5.97 and a resolution has been passed under item-12 constituting a Committee consisting of the following Officers.

- 1) Inspector General of Police/Vigilance
- 2) Chief Financial Controller/Revenue
- 3) Chief Engineers (Distribution) of all Regions
- 4) Superintending Engineer/APTS
- 5) Superintending Engineer/IEMC

The Committee so constituted will study in detail the following:

- i) Revenue arrears pending for recovery for more than 10 years in respect of disconnected services.
- ii) Theft of energy cases where the compensation charges have been collected in full.
- iii) Theft of energy cases involving compensation charges of Rs. 1,000/- and less in each case for illegal tapping.

3. The committee shall submit its report and recommendation as and when necessary through Member (Distribution)/Accounts Member to the Chairman.

4. The Committee shall also inform the cases to the Board where the loss is less than Rs.1,000/- and less than 10 years. The case where the money is recovered and criminal cases dropped may also be brought before the Board for information. All other cases should be placed before the Board for approval.

(By Order of the Board)

L. Ramachandran,
Chief Financial Controller/Revenue.

Memorandum No. SE/IEMC/EE.3/AEE.1/F/HT. Instructions/D. 446/97 (Technical Branch) dt.27.6.1997.

Sub: Electricity-Procedure for disposal of H.T. applications - Regarding.

Ref: Memo. No. SE/IEMC/EE.3/AEE.1/802/91 dated 8.11.91.

The instructions have been already issued vide memo. cited dated 8.11.91 delegating Powers to the Chief Engineer/Distribution of all Regions to decide themselves each case regarding priority etc. based on merits in respect of new and additional loads to H.T. applicants.

Nowadays, it is seen that approval is being sought frequently from the Headquarters for overlooking the priority for effecting supply, eventhough powers have been delegated to the Chief Engineers as mentioned above.

Therefore the following instruction is reiterated.

After the party had entered readiness, Chief Engineer/(Distribution) of all Regions are delegated with power for effecting supply to the H.T. applicants for new load/additional load by overlooking others based on the **Individual merit of the case.**

The Chief Engineers are informed to follow the above instructions judiciously and act accordingly.

S.P. Nalliannan,
Superintending Engineer/
Industrial Energy Management Cell.

Proceedings:

The Tamil Nadu Electricity Board hereby approves the proposal to extend an assistance of 100 MW (2.4 MU per day) to Kerala State Electricity Board, from the midnight of 16.6.97 for a period of 15 days by closing the 230kv Udumalpet - Idukki inter-state line. The energy transmitted to Kerala State Electricity Board over and above their eligible share including the share from the unallocated portion from the Central Generating Stations for the period from the midnight of 16.6.97 to 1.7.97 is to be taken as the energy exported to Kerala from the generation maintained by Tamil Nadu. The cost of energy shall be billed at Rs. 2.10 per unit. An amount of Rs. 5 crores shall be collected from Kerala State Electricity Board as advance payment and the energy bills settled at the end of 15th day based on actual energy exchanged.

The Board also ratifies the action of Chairman/TNEB in extending the assistance to KSEB from the midnight of 16.6.97 in anticipation of approval of TNEB.

Electricity - Government Seed Farms - Free supply of Electricity - Amendment to the Schedule to the Tamil Nadu Revision of Tariff Rates on Supply of Electricity Energy Act., 1978 - Order issued.

G.O.(Ms.) No.75

Energy (A2) Department

Dated 28.4.1997.

Read:

- 1) From the Director of Agriculture , D.O. letter No.AUP. 2/113327/95, dated 2.9.96.
- 2) G.O. Ms. No.17, Energy (A2) Department, dated 14.2.97.

Order:

In the letter first read above, the Director of Agriculture has informed that there are thirty nine Seed farms in Tamil Nadu and that the basic seeds produced in those farms are supplied to farmers for setting up

of certified seed farms. He has, therefore, requested that these Government Seed Farms may be supplied electricity free of cost as done in the case of the pumpsets of agriculturists.

2. The Government after careful consideration have decided to accept the proposal of the Director of Agriculture and accordingly direct that the thirty nine Government Seed Farms alone shall be supplied with electricity free of cost as long as the supply of power to the pumpsets of agriculturists free of cost is continued, and issue necessary amendments to the schedule to the Tamil Nadu Revision of Tariff Rates on Supply of Electricity Energy Act, 1978 (Tamil Nadu Act 1 of 1979) issued in the G.O. second read above.

3. The following Notification will be published in an Extraordinary issue of the Tamil Nadu Government Gazette dated 28th April, 1997.

Notification

In exercise of the Powers Conferred by Section 4 of the Tamil Nadu Revision of Tariff Rates on Supply of Electrical energy Act, 1978 (Tamil Nadu Act 1 of 1979), the Governor of Tamil Nadu hereby makes the following Amendment to the schedule to the said Act.

The Amendment hereby made shall come into force on the 28th April, 1997.

AMENDMENT. No.11

In the said Act, in the Schedule, under the heading "PART B-LOW TENSION SUPPLY2", under the sub-heading "LOW TENSION TARIFF - IV" for the expression "Agriculture", the following expression shall be substituted namely:-

"Agriculture and the Government Seed Farms".

Electricity - E.O.H.T./L.T. supply - Delegation of Power to revive the application Cancelled for Non-payment of EMD and Not Reporting Readiness - Amendment to include a Sub - Clause 14-12 suitably in Clause 14 of Terms and Conditions of Supply of Electricity - Issued.

Permanent B.P. (F.B.) No.134

(Technical Branch)

Dated 10.7.1997.

Aani 25, Eswara,

Thiruvalluvar Aandu 2028.

Read:

1) B.P. Ms.(F.B.) No.61, dated 24.12.88.

2) Minutes of the 770th meeting of TNEB held on 28.6.97 (Item No.32.).

Proceedings:

As per Clauses 14.01 and 14.05, the H.T./L.T. applications for extension of supply will be cancelled for Non-payment of EMD and Not Reporting of Readiness of their installation within the due date or the extended due date. There are frequent representations from such applicants to revive the application Cancelled by Condoning the delay in payment of EMD and reporting readiness.

In order to encourage the Industrial Sector growth and entrepreneurs, the Tamil Nadu Electricity Board after careful consideration approves the proposal for delegation of Power to Member (Distribution) to revive the Cancelled application if the request for revival of such application is made within the period of 6 months from the date of receipt of Cancellation letter and full Powers to the Chairman if the period is beyond 6 months.

Accordingly, in Exercise of the Power conferred by Section 49 of the Electricity (Supply) Act, 1948 Central Act LIV of 1948), the Tamil Nadu Electricity Board issues the following amendment to Terms and Conditions of Supply of Electricity Notified in B.P.(Ms.) (F.B.) No. 61 dated 24.12.88. and published in Part-VI Section 3 (b) of Tamil Nadu Government Gazette No.7 dated 21.2.96 and as amended subsequently.

Amendment

In the existing Clause 14.00 ' Earnest Money Deposit ', the following shall be added as a new Sub-Clause.

"Clause - 14-12: If an H.T./L.T. applicant seeks for revival of the application Cancelled on account of Non-payment of Earnest Money Deposit (EMD) or due to Non Reporting of Readiness within the due date or the extended due date, the following authorities are empowered to revive the application without forfeiture of the amount if any paid, provided if the request for revival of the application is made within the period as mentioned against each, from the date of receipt of Cancellation letter.

- i) Upto 6 months ... Member (Distribution).
- ii) Beyond 6 months ... Chairman.

The revival is subject to collection of Non - refundable fee/ Non-refundable Commitment fee as the case may be and as stated in Sub-Clause 14.01, 14.05 and 14.06."

Memo. No. CE/R&D/EE.Lab/F. 230 KV Insulators/D.534/dt. 16.7.97.

Sub: Power system - 230 KV line Insulators - Preventive maintenance -
Guidelines - Regarding.

A detailed study was carried out by the Research & Development Wing on the failure of Insulators on 230 KV lines and the following guide lines are issued regarding maintenance of insulators in 230 KV lines and substations.

1. All ordinary type insulators in the areas indicated below may be replaced with Antifog type insulators in a phased manner in view of its superior advantages.
 - (i) In all EHT lines with in 16 km from sea coast.
 - (ii) Near Chemical, Fertiliser, Cement Factories, Thermal Stations and in areas where fog, mist is seen.
2. Insulators which have served for more than 10 years, may be carefully examined for the corrosion of the cap pin and GI ball during tower to tower inspection and replaced wherever necessary.
3. Bi-monthly night patrols may be carried out in polluted areas to identify worst affected insulators from corona discharge.

4. Poor tower earthing may also cause flash overs due to voltage rise/restriking. Hence tower footing resistance may be checked wherever repeated break downs had occurred. Wherever resistance exceeds the prescribed limits, additional earthing or counterpoise earthing shall be provided.
5. Periodical cleaning and washing of Insulators may be done, which can keep the surface of Insulators clean from deposit/pollutants.
6. Defective insulators noticed during the tower to tower inspection have to be replaced with new ones then and there.
7. Long rod insulators may be provided in all locations wherever the towers are in close proximity of chemical Industries. This new innovative technology may be adopted in stages with existing lines on the basis of their performance.
8. For severe weather condition such as wind, thunder storm, desert conditions, long rod insulators can be used at suspension and tension locations on account of its higher leakage distance with superior self cleaning properties and are lighter compared to Disinsulator strings of similar voltage class. Further, due to omission of intermediate fittings, a superior design of creepage path and shed profile with excellent self cleaning performance provides improved anti-pollution performance.

Dated 26.7.97,
Aadi 10, Easwara,
Thiruvalluvar Aandu 2028.

Proceedings:

The National Informatics Centre, Government of India, New Delhi is providing VSAT services to many organisations including Karnataka Power Corporation Limited.

The Power Finance Corporation is also offering loans at concessional interest rate at 12% for the setting up of Intra State Electricity Board Network.

Tamil Nadu Electricity Board considered the proposal to set up 10 Nos. VSAT terminals at various locations in Tamil Nadu Electricity Board and to install computers at three of those proposed locations (Offices of Chief Engineer/PUSHEP, Superintending Engineer /Kundah and Chief Engineer/HP/Bhavani) where computers have not been installed.

The Tamil Nadu Electricity Board, after careful consideration, accords administrative approval for the setting up of intra State Electricity Board Network with the supply installation and commissioning of 10 Nos. VSAT terminals at different geographical locations at a total cost not exceeding Rs.53.4 lakhs and to incur the annual recurring maintenance and connectivity charges applicable from time to time (The present rates being Rs.22.2 lakhs for 10 VSATs).

The Tamil Nadu Electricity Board further accords approval for the following :

1. To call for open bids for the procurement and installation of 10 numbers VSATs at geographically different locations.
2. To provide computers through open tender at the offices of Chief Engineer/PUSHEP, Superintending Engineer/ Kundah and Chief Engineer/HP/Bhavani at a cost of Rs.5.00 lakhs.
3. For the Chief Engineer /Independent power projects to enter into a contract with National Informatics Centre for providing connectivity for the VSAT terminals at rates charged by National Informatics Centre from time to time.
4. To initiate proposals for availing loan from power Finance Corporation at concessional interest rates for the intra state Electricity Board Network project.

The Terms and Conditions of Supply of Electricity approved by the Board vide B.P. Ms.(F.B).No.61, (Adm. Branch) dated 24.12.88 and the subsequent amendment issued upto 31.8.95 which was notified in Tamil Nadu Government Gazette Part -VI Section 3 (b) dated 21.2.96 stipulates that the capacity of any individual motor should not exceed 1.5. Hp in the total connected load not exceeding 4000 watts (Including power loads) supplied by Single phase 2 wire 240 volts between phase and neutral.

In the B.P. cited under reference second, the Tamil Nadu Electricity Board has approved the proposal for the demonstration project for reduction of losses through High Voltage Distribution System using Single Phase motors of capacity more than 1.5. HP to be implemented in Perumbalal area in DharmapurI Electricity Distribution Circle under Vellore Region with one of the condition that the Terms and Conditions of Supply of Electricity are to be amended suitably for use of single Phase motors with capacity more than 1.5.H.P.

Accordingly in Exercise of the Powers conferred by Section 49 of the Electricity (Supply)Act 1948 (Central Act LIV of 1948), the Tamil Nadu Electricity Board issues the following amendment to the Terms and Conditions of Supply of Electricity notified in B.P.Ms.(F.B).No.61, dated 24.12.88 and published in Part - VI Section 3 (B) of Tamil Nadu Government Gazette No.7,dated 21.2.96 and as amended subsequently.

The amendment shall come into force with immediate effect.

Amendment

(i) Clause 4.01(a) :

Under Clause 4.01 (a), the following may be added at the end of the paragraph "However in areas where High Voltage Distribution System using Single Phase Distribution Transformers is implemented, single phase motors with capacity more than 1.5.H.P. may be connected.

(ii) Clause 9.13 :

In the Clause 9.13, an asterick mark may be given at the words "Upto 1.5. HP" in the tabulation under column "size of installation" and the following note may be added to the end of the Clause.

"NOTE :- However the capacity may exceed in areas where High Voltage Distribution System using Single Phase Distribution Transformers is implemented vide Clause 4.01(a)."

(iii) Clause 9.14 :
