General Administration & Services

Memorandum (Permanent) No.85524/A17/A171/2001-2, (Secretariat Branch), dated 29.11.2001.

Sub: Medical Aid - Special Surgery/Treatment - Financial Assistance to pensioners of the Board under Tamil Nadu Electricity Board Pensioners Health Fund - Lapse of application for want of funds in a year - Consideration of lapsed applications to the subsequent year - Amendment - Issued.

Ref: (Per.) B.P. (FB) No.23, (SB), dt. 2.4.1997.

Following the orders of the Government in Board's (Per.) B.P. (FB) No.23, (SB), dated 2.4.1997, the Board had issued orders constituting a fund called "Tamil Nadu Electricity Board Pensioners Health Fund" to provide financial assistance to the pensioners of the Board for undergoing Specialised surgeries/ treatments specified therein.

2. It was also ordered among other things that:

" (6) PROCEDURE FOR RELEASE OF ASSISTANCE

(6) (a) X X X X X X X X X

(6) (b) "The Chief Internal Audit Officer shall scrutinise all the applications received upto 28th February of each year and place before the Committee constituted with the following officers:-

Accounts Member	-	Chairman of the Committee.
Chief Internal Audit Officer	-	Member of the Committee (Convener).
Chief Medical Officer	-	Member of the Committee.

As per decision of the Committee, the Chief Internal Audit Officer will sanction the assistance by the middle of March every year. Other applications for which funds are not available will lapse. They cannot renew their application afresh from 1st March onwards. This payment will be given only after the treatment/ surgery is over and no advance payment will be granted under this scheme.

3. The Chief Internal Audit Officer informed that out of 70 claim applications placed before the Pensioners Health Fund Scheme Committee Meeting only 42 applications were considered and 28 applications lapsed for want of funds. In order to avoid discrimination in the sanction of financial assistance under Health Fund Scheme between the serving employees and the retired employees, the Pensioners Health Fund Scheme Committee suggested to issue necessary amendment to Rule 6 (b) of Annexure to (Per.) B.P. (FB) No.23, (SB), dt. 2.4.1997 to the effect that the pending applications for which funds are not available will not lapse and that they will be carried over to the next year.

4. The suggestion of the Health Fund Committee for Pensioners was placed before the Board. The Board has approved the proposal for amendment to the existing orders. Accordingly, the following amendment is issued to Rule 6 (b) in Annexure - I of (Per.) B.P. (FB) No.23, (SB), dt. 2.4.1997:-

ORDER:

Based on the recommendations of the Vth Central Pay Commission, the Government of India have issued orders in the references read above sanctioning family pension to the parents and widowed/ divorced

daughters of the Central Government servants subject to the following conditions:-

- (i) For the purpose of grant of family pension the definition of 'Family' shall also include,
 - (a) Parents who were wholly dependant on the Government servant when he/she was alive provided the deceased employee had left behind neither a widow/widower nor a child.
 - (b) son/daughter including widowed/divorced daughter till he/she attains the age of 25 years or up to the date of his/her marriage/remarriage whichever is earlier.
- (ii) The income criteria in respect of the parents and widowed/divorced daughters will be Rs.2,550/- per month. The family pension will be at 30% of basic pay of the deceased employees subject to a minimum of Rs.1,275/- per month. They also will have to produce an annual certificate to the effect that their earning is not more than Rs.2,550/- per month. Further, the family pension to the widowed/divorced daughters will be admissible till they attain the age of 25 years or up to the date of her remarriage whichever is earlier.
- (iii) The family pension in respect of sons/daughters including widowed/divorced daughters will be admissible subject to the condition that the payment should be discontinued/not admissible when the eligible son/daughter starts earning a sum of Rs.2,550/- p.m. from employment in Government, the private sector, self-employment, etc.

2. The Government after careful examination have decided to adopt the above orders of Government of India in respect of the State Government servants. Accordingly, the Government issue the following orders.

Family pension shall be sanctioned to the parents and widowed/divorced daughters subject to the following conditions:

- (i) The parents were wholly dependant on the Government servant when he/she was alive.
- (ii) The Government servant has not left behind a widow/widower, eligible son or daughter or a widowed/divorced daughter who will have a prior claim to family pension in the order indicated.
- (iii) The income criteria in respect of the parents and widowed/divorced daughters will be Rs.2,550/- per month. The family pension shall be at 30% of basic pay of the deceased Government servant subject to a minimum of Rs.1,275/- per month. They will also produce an annual certificate to the effect that their earning is not more than Rs.2,550/- per month.

3. The Government also direct that in the case of sons/daughters including widowed/divorced daughters, family pension shall be sanctioned till he/she attains the age of 25 years or up to the date of his/her marriage/remarriage whichever is earlier. The family pension in respect of sons/daughters including widowed/divorced daughters shall be discontinued/not admissible when the eligible son/daughter starts earning a sum of Rs.2,550/- from employment in States or Central Govt. or Government Undertaking or Corporation or Autonomous Body or local fund or private employment or self-employment, etc.

4. These orders shall take effect from the date of issue. Past cases already settled need not be re-opened. The existing family pensioners shall be permitted to draw family pension irrespective of the income criteria. As and when the turn of next eligible person comes up for payment of family pension, the income limit as prescribed in this G.O. shall be applied.

5. Necessary amendments to the Tamil Nadu Pension Rules, 1978 will be issued separately.

Holidays - Tamil Nadu Electricity Board - Holidays for employees of the Tamil Nadu Electricity Board for the Calendar Year 2002 - Orders - Issued.

(Permanent) B.P. (Ch.) No.305

(Secretariat Branch)

Dated the 18th December, 2001,
Maargazhi 3, Vishu Aandu,
Thiruvalluvar Aandu 2032.

Proceedings:-

The Tamil Nadu Electricity Board directs that the employees of the Board on time scale of pay be granted holidays during the year 2002 as detailed in the Annexure.

2. The number of holidays allowed will not be a precedent for future years. If any one of the occasions mentioned in the Annexure, for which a holiday is declared, happens to fall on normal holiday like Sunday in the future year, no substituted holiday on that account will be allowed. Besides, the Tamil Nadu Electricity Board shall also follow any other order that may be issued by the Government of Tamil Nadu declaring holidays on special occasions and compensatory working days in lieu thereof, during the year 2002.

3. The monthly rated employees of the Boards may also have a holiday on Sundays or any other day in the week in lieu of Sundays.

4. The Tamil Nadu Electricity Board also directs that the employees of the Board in a particular Office or other unit, who have been allowed a holiday on Second Saturday of each month during the previous years may be granted a holiday on the Second Saturday of each month during the year 2002 also, if they continue to work in the same office or unit in the year 2002.

5. The Board further directs that in addition to the holidays mentioned in the Annexure, the Telugu New Year's Day on 13th April 2002 and Tamil New Year's Day and the Birth day of Dr. B.R. Ambedkar on 14th April 2002, which fall on Second Saturday and Sunday, shall be the holidays for the shift operation staff for whom that day is not a holiday.

(By Order of the Chairman)

G. Gnanaselvam,
Secretary.

- 4) From the CE/PUSHEP Lr.No.6264/664/Adm.I/A2/2001, dated 4.6.2001.

Proceedings:-

In (Per.) B.P. (FB) No.58, (SB), dated 17.8.96, orders have been issued that the officers and staff of the Project and the General Construction Circle are entitled for the commissioning incentive subject to the conditions that the employees were stationed at project site and were on duty for not less than 300 days.

2. The Chief Engineer/Pykara Ultimate Stage Hydro Electric Project has stated that 1x30 MW Kundah Hydro Electric Power Station-VI (Parsons' Valley Power House-VI Project, Emerald), which was scheduled for commissioning during 4/98, subsequently revised as 9/99, was finally commissioned on 20.3.2000 and that the annual generation of power was more than the targetted amount of generation. He has, therefore, requested to sanction the 'Commissioning Incentive' as per the above orders.

3. After careful consideration, it is hereby ordered that an 'incentive' of one month pay plus dearness allowance relating to the month of commissioning of the Parsons' Valley Power House-VI Project (1x30 MW), with a 10% cut for the delayed commissioning, be granted to the officers and staff who are eligible to receive the same as per the conditions stipulated in (Per.) B.P. (FB) No.58, (SB), dated 17.8.96.

4. It is also ordered that the pay for the incentive shall include all special pays. In the case of officers and staff who are eligible for the incentive but left the project/power station prior to March 2000, 'incentive' shall be arrived at on the basis of admissible pay plus dearness allowance for the month in which they left the project/power station.

5. On perusal of the details of staff pertaining to General Contruction Circle/Coimbatore, who were directly associated with the project, it is found that none of them has worked in the project for 300 days and has not satisfied the conditions stipulated for the grant of 'incentive'. Therefore, no staff from General Construction Circle/Coimbatore will be eligible for the 'commissioning incentive' sanctioned in para-3 above.

6. The expenditure sanctioned in para-3 above is debitable to "T.N.E.B. Funds - Revenue Expenditure I - Hydro Electric Scheme - Parsons' Valley Power House-VI Project - 75.Employees Cost - 75.502 Exgratia Payment".

Tender Regulations - Adoption of Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 - Ordered.

(Per.) B.P. (FB) No.19

(Accounts Branch)

Dated 29.11.2001,

Read:

1. G.O.Ms.No.445, Finance (Salaries) Dept., dt. 26.9.2000.
2. G.O.Ms.No.446, Finance (Salaries) Dept., dt. 26.9.2000.
3. Item No.14 of Minutes of the 849th Meeting of the Board held on 20.11.2001.

Proceedings:-

The Tamil Nadu Transparency in Tenders Act 1998 and the Tamil Nadu Transparency in Tenders Rules 2000 have come into effect from 1.10.2000.

As per Section 2 (e) of the Tamil Nadu Transparency in Tenders Act 1998 read with schedule to the Act, the provision of these Act and Rules shall apply to TNEB since it is a statutory Board formed by Govt. of Tamil Nadu.

The TNEB has been following the provisions of TNEB Tender Regulations 1991 approved in Per.B.P. (FB) No.17, Accounts Branch, dated 5.8.1991 with subsequent amendments.

Sec.23 of the Tamil Nadu Transparency in Tenders Act 1998 states that all the existing rules, regulations and departmental codes, manuals, orders shall so far as they are not inconsistent with the provisions of the Act and Rules made thereunder, continue in force.

The Board in its 839th Meeting held on 18.12.2000 considered various provisions of the Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 and decided to amend Board's Tender Regulations 1991 in order to make it consistent with Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 in respect of certain provisions and address the Government to adopt the existing procedures available in Board's Tender Regulations 1991 in respect of certain other provisions. Accordingly Circular Memo.No.X/DFC/T/AO/T/D.28/229/2001, dated 7.4.2001 was issued. The Government was also addressed in letter No.X/DFC/T/AO/T/D.28/303/2000, dt.25.01.2001, to approve the modifications.

The Government in letter No.5631/C3/2001-2, dt.24.7.2001 have informed that it is binding on the Tamil Nadu Electricity Board to follow the Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000. The Government in their letter (Ms.) No.58, dt. 23.8.2001 have informed that the deviations proposed cannot be accepted. Hence, the matter was again placed before the Board.

Board in its 849th Meeting held on 20.11.2001, after careful consideration, has approved

- (i) to adopt the Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tender Rules 2000.
- (ii) to follow the provision in the existing TNEB T.R. 1991 which are not inconsistent with the provision of Tamil Nadu Transparency in Tenders Act and Rules with suitable modification as per Section 23 of the Tamil Nadu Transparency in Tenders Act 1998.
- (iii) to delete the regulation in T.R. 1991 which are inconsistent with Tamil Nadu Transparency in Tender Act and Rules and
- (iv) to follow the delegation of powers under Table I to XII annexed to the TNEB T.R.1991 by the competent authority under Sec.7.1 and 7.2 of the Act 1998.

The following orders are issued.

- (i) The provisions of Tamil Nadu Transparency in Tenders Act 1998 in Tamil Nadu Transparency in Tenders Rule 2000 should be adopted into for all the procurement of materials/services/award of works/contract.

- (ii) The provisions in Tender Regulations 1991 which are not inconsistent with Tamil Nadu Transparency in Tenders Act 1998 and the Tamil Nadu Transparency in Tenders Rules 2000 as furnished in Annexure-I shall be followed in conformity with item (i) above.
- (iii) The provisions of Tender Regulations 1991 which are inconsistent with Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 as furnished in Annexure-II shall not be followed.

The above orders shall be followed for all procurement of materials/execution of works/service contracts with immediate effect.

(By Order of the Board)

Encl.:

S. Nagalsamy,
Accounts Member.

ANNEXURE-I

Guidelines to be followed with reference to the Tamil Nadu Transparency in Tenders Act 1998, and Tamil Nadu Transparency in Tender Rules 2000 and provisions of T.R. 1991, which are not inconsistent with the Tamil Nadu Transparency in Tenders Act and Tamil Nadu Transparency in Tender Rules with suitable modifications.

1. Earnest Money Deposit:

As per the existing provision (Regulation-11) in the Tender Regulation 1991, Earnest Money Deposit must be worked out at 1% of estimated value and the maximum Earnest Money Deposit is limited to Rs.2 lakhs, whereas there is no upper limit prescribed in the Tamil Nadu Transparency in Tenders Act 1998 and Transparency in Tenders Rules 2000. Hence, the ceiling of Rs.2 lakhs in T.R. 1991 shall be deleted.

2. Security Deposit:

As per the existing provision (Regulation-12) in Tender Regulation 1991, Security Deposit equivalent to 10% of the value of the contract has to be collected, subject to a monetary ceiling of Rs.10 lakhs. Out of this 2% is payable in Cash and 8% in the form of Bank guarantee.

But, as per the Tamil Nadu Transparency in Tenders Rules 2000 the Security Deposit to be taken from the successful tenderers should not exceed 5% of the value of the orders placed without any ceiling.

Hence, the provision of Tamil Nadu Transparency in Tenders Rules shall be followed in this regard.

3. Mode of Payment of Earnest Money Deposit/Security Deposit:

As per the existing provisions in Tender Regulation 1991, the Earnest Money Deposit/Security Deposit can be remitted only by cash/Demand Draft. In respect of Security Deposit 2% value of order has to be remitted by way of Demand Draft and the balance 8% in the form of Bank Guarantee.

As per the provision in Tamil Nadu Transparency in Tenders Rules 2000 Earnest Money Deposit/Security Deposit can be remitted by way of Demand Draft/Banker's Cheque/Specified Small Savings instrument or where the procuring entity deems fit in the form of irrevocable bank guarantee.

In view of the prescriptions in Tamil Nadu Transparency in Tenders Rules 2000 the Earnest Money Deposit/Security Deposit can be accepted by way of Demand Draft/Banker's Cheque/specified small savings instrument/irrevocable bank guarantee.

4. Mobilization Advance:-

As per the Clause 24.5. of Tender Regulation 1991 mobilization advance to all tenderers is banned (as ordered in G.O. Ms. No.94 Finance (BPE) Dept. dt. 6.12.96) whereas the Tamil Nadu Transparency in Tenders Rules 2000 (Rule 14(4)(b) prescribes that mobilization advance may be paid in the case of construction or supply and installation contracts of a large nature for a value exceeding Rs.1 crore provided that such mobilization advance shall not ordinarily exceed 10% of value of order secured against irrevocable bank guarantee and shall be recoverable in the subsequent bills payable along with interest as per specific terms to be specified in Tender documents. The rules also provide for recovery of interest on the mobilization advance.

The provisions of Tamil Nadu Transparency in Tenders Rules 2000 shall be followed and mobilization advance may be restricted and considered wherever it is justified as above. The rate of interest to be charged on mobilization advance is fixed at 18% p.a.

5. Terms of Payment:-

As per existing clause 16.0 of Tender Regulations 1991, 95% of value of materials is to be paid on receipt of materials and the balance 5% within 90 days therefrom, in case of supplies received within the contractual delivery period. In case of belated supply only 90% value of materials is to be paid on receipt of materials and the balance 10% after 90 days.

In respect of Civil Works contract, 5% of the value of work done will be recovered as withheld amount.

As per the provisions of Tamil Nadu Transparency in Tenders Rules 2000 payment shall ordinarily be effected only on completion of delivery against the orders placed and the payment not exceeding 10% of the value of the contract can be withheld for effective performance of the contract.

As the Tamil Nadu Transparency in Tenders Rules 2000 prescribe that the withheld amount should not exceed 10% of value of contract, the provisions in Tender Rules 2000 shall be followed.

6. Liquidated Damage and Penalty :

There is provision in the existing Tender Regulation 1991 for levy of Liquidated Damages of 0.5% of the contract Price of undelivered items/materials for each completed week of delay and the total shall not exceed 10% of the contract price of units/materials so delayed.

Tamil Nadu Transparency in Tender Rules 2000 prescribes levy of Liquidated Damages and penalty in the event of non-fulfilment of any or whole of the contract so delayed.

The existing provisions of Liquidated Damages in Tender Regulation 1991 shall be followed as it is not inconsistent with the Tamil Nadu Transparency in Tenders Rules 2000.

7. Appeal Provision :

As per Sec.11 of Tamil Nadu Transparency in Tenders Act 1998 a tenderer who is aggrieved can prefer an appeal to Government.

There is no provision in the existing Tender Regulation 1991 for appeal.

The provisions of Tamil Nadu Transparency in Tenders Act 1998 shall be followed.

8. Tender Scrutinising Committee:

As per the provisions (Rule 24) in Tamil Nadu Transparency in Tenders Rules 2000 a tender scrutiny committee may be constituted to scrutinize the tender documents, supervise opening of tenders, to carry out the preliminary examination and detailed evaluation of the tenders received and to prepare an evaluation report for the consideration of Tender Accepting Authority. The constitution of a Tender Scrutiny Committee will be obligatory in all cases where the value of the procurement exceeds limit as may be specified.

There is no provision for Tender Scrutiny Committee in the existing Tender Regulations 1991. However Regulation 4 of Tender Regulations 1991 deals with forming of/functions of Tender Committee at the Circle/Region level. In the Circle office there is one Tender Committee and in the Head Quarters office two separate tender Scrutiny Committees have been formed. One for the tenders floated by Chief Engineers under the control of Member (Distribution) and another for the tenders floated by the Chief Engineers under the control of Member (Generation).

For the Member (Generation) Tender Scrutiny Committee the following officers are nominated as Members.

- 1) Superintending Engineer under the control of concerned Chief Engineer-convenor.
- 2) Superintending Engineer/Independent Power Projects.
- 3) Deputy Financial Controller/Tender.

For the Member (Distribution) Tender Scrutiny Committee the following officers are nominated as Members.

- 1) Superintending Engineer under the control of concerned Chief Engineer-convenor.
- 2) Superintending Engineer/Planning.
- 3) Financial Controller/Purchase.

The Tender Scrutiny Committee, scrutinize the tender proposals along with the remarks of Accounts Branch and replies thereto and recommends the proposal to the Competent Authority at Head Quarters.

The above circle level Tender Committee and Head Quarters Tender Scrutinising Committee shall be deemed to be the committee mentioned in Rule 24 of Tamil Nadu Transparency in Tender Rules and they have to perform the functions mentioned in Rule 24.

9. Repeat Order/Extension Order:

As per existing Tender Regulations 1991 (Regulation 27) the Competent Authority can place Repeat order/Extension order against previous orders placed, for one year after issue of original order for meeting emergent requirement after ensuring that there is no downward trend in prices.

Whereas there is no provision for placing Repeat/Extension order in Tamil Nadu Transparency in Tenders Act 1998/Rules 2000.

Hence, the provision relating to Repeat/Extension order in Tender Regulations is deleted.

However, as per the provision under Rule 14 (9) of Tenders Rules 2000 Tender accepting authorities are permitted to vary the Quantity finally ordered to the extent of 25% of the requirement indicated in the Tender documents.

Since the Repeat order/Extension order is no more in existence, the procuring authorities shall apply the above provisions for additional quantities whenever required.

10. Ordering at Differential Prices:

Rule 31 (3) of the Tamil Nadu Transparency in Tenders Rules 2000 prescribes that in case of bidders other than the lowest evaluated bidder fail to agree to the accepted lowest price or the total quantity offered by them at the price quoted by the tenderer with lowest evaluated price is less than the required quantity the Tender Accepting Authority may place orders for remaining required quantity at different rates with different suppliers in the ascending order of evaluated price until the entire quantity required is covered.

Provided that, where different quantities have to be procured at more than one price from one or more tenderers, the Tender Accepting Authority may decide not to procure beyond a price considered economical although the entire quantity originally stated to be required in the tender documents is not ordered.

The Competent Authority shall get prior approval from Board Level Tender Committee when different rates are to be accepted by Officers in the field.

11. Tender Inviting/Accepting Authorities: (Regulation 3 of Tender Regulations 1991)

As per Sec. 7 (1) and 7 (2) of the Tamil Nadu Transparency in Tenders Act 1998 the procuring authority may by an order appoint an officer under its control as Tender Inviting Authority/Tender Accepting Authority.

Regulation 3 of Tender Regulations 1991 specifies the competent authorities to invite Tender and accept tenders. Regulation 3 specifies that the competent authority shall exercise the power in accepting Tender as per the powers delegated under Table I to Table XII annexed with Tender Regulations 1991.

Where the Board Level Tender Committee/Board is the authority competent to accept the tenders, the Chief Engineer concerned shall be the Tender Inviting Authority.

The competent authority under Regulation 3 are appointed as Tender Inviting Authority, under Section 7 (1) and 7 (2) of Tamil Nadu Transparency in Tenders Act 1998, and shall exercise the powers of the competent authority under Table I to Table XII annexed with Tender Regulations 1991. However, where the value of procurement/works/service exceeds Rs.5 lakhs the notice inviting tender should be sent to the Tender Bulletin Officers concerned for publication in the Tender Bulletin and the tenders if any received in response to the Tender Bulletin shall also be considered.

Regulation No.4.1 and 4.2 deals with Circle level, Regional level and Board Level Tender Committee and hence they are designated as Tender Accepting Authority.

12. Two-parts System of Tender: (Regulation 4.3 of Tender Regulations 1991)

Two Part system of tender defined in Clause 4.3 of Tender Regulations 1991 may be continued to be followed as this is only clarificatory in nature for the provisions in Rule 2 (e) of the Tamil Nadu Transparency in Tenders Rules 2000.

13. Open Tender: (Regulation 6 of Tender Regulations 1991)

The procedure enumerated in Rule 11 (Publication in Newspapers) in Chapter III of Tamil Nadu Transparency in Tenders Rules 2000 may be followed.

As the Competent Authorities are required to exercise the powers as per Tables I to XII of Annexure to Tender Regulations 1991, the provision under Section 16 (d) of the Tamil Nadu Transparency in Tenders Act 1998 need not be followed.

15. Tender Notice: (Regulation 9 of Tender Regulations 1991)

Against Clause 9.1 of Tender Regulations 1991, Rule 10 of Tamil Nadu Transparency in Tenders Rules 2000 which specifies details to be mentioned in Notice inviting tender shall be followed.

In place of Clause 9.2 of Tender Regulations 1991, Rule 20 of Tamil Nadu Transparency in Tenders Rules 2000 shall be followed which prescribes minimum time for submission of tenders.

17. Tender Specifications: (Regulation 10 of Tender Regulations 1991)

Rule 10, 13, 14, 15, 16, 17 of Tamil Nadu Transparency in Tenders Rule 2000 deals with Tender specification. These rules are applied to Board.

The available clauses from 10.1 to 10.10 under the heading Tender specification in Tender Regulations 1991 are clarificatory in nature in substantiating the provisions of Tamil Nadu Transparency in Tender Rules 2000. Therefore the Clause 10.1 to 10.10 of Tender Regulation 1991 dealing with technical and commercial specifications shall be continued to be followed.

19. Security Deposit: (Regulation 12 of Tender Regulations 1991)

The Clause 12.1 (Para 2) is clarificatory in nature and shall be continued to be followed.

Regulation 12.2 (1st para) of Tender Regulations 1991 permits collection of 2% only towards Security Deposit for civil works contract.

This is amended as not exceeding 5% as per Rule 14 (3) of Tamil Nadu Transparency in Tender Rules 2000.

In para 2 of Regulation 12.2 of Tender Regulations 1991 it has been stated that 5% of the value of the work done for civil works will be recovered from each bill as withheld amount. In para 3 it has been provided for recovery of interest for belated payment of Security Deposit.

These provisions shall be continued to be followed as they are clarificatory in nature.

20. Exemption from Payment of Earnest Money Deposit: (Regulation 13 of Tender Regulations 1991)

Regulation 13 of Tender Regulations 1991 is clarificatory in nature for the provisions under rule 14 (1) of Tamil Nadu Transparency in Tenders Rules 2000. Hence this shall be continued to be followed in view of the fact that exemptions have been provided for based on existing Government's Orders.

21. Forfeiture of Earnest Money Deposit: (Regulation 14 of Tender Regulations 1991)

Regulation 14 of Tender Regulations 1991, is clarificatory in nature for provision 30 (5) of Tamil Nadu Transparency in Tenders Rules 2000. Hence this shall be continued to be followed.

22. Prices: (Regulation 15 of T ender `egulations 1991)

Clause 15.0 of Tender Regulations 1991 deals with firm price and variable price. Under Rule 14 (8) of Tamil Nadu Transparency in Tender Rules 2000 in case of large contracts where the period of execution is likely to exceed 18 months price variation may be permitted.

Clauses 15.1, 15.2, 15.3, 15.5 of Tender Regulations 1991 are clarificatory in nature and shall be continued to be followed.

24. Registration of Contractors/Suppliers: (Regulation 17 of Tender Regulations 1991) Specifies the requirement of Registration of Contractors/Suppliers.

It may be continued as per Sec.23 of Tamil Nadu Transparency in Tender Acts 1998 in line with Rule 12 of Tamil Nadu Transparency in Tender Rules 2000.

25. Receipt of Tenders: (Regulation 18 of Tender Regulations 1991)

26. Opening of Tender: (Regulation 19 of Tender Regulations 1991)

Chapter-V Rule 18 to 23 of Tamil Nadu Transparency in Tenders Rules 2000 shall be followed for receipt of tenders and tender opening. The Regulations 18.0 and 19.0 of Tender Regulations 1991 are clarificatory in nature and shall be continued to be followed.

27. Analysis/Rejection of Tender: (Regulation 20 & 21 of Tender Regulations 1991)

Rule 25 to 30 of Tamil Nadu Transparency in Tenders Rules 2000 relating to analysis and rejection shall be followed.

Regulations 20A, 20B and 21 of Tender Regulations 1991 are clarificatory in nature for the above rules. Hence these shall be continued to be followed.

28. Negotiation: (Regulation 22 of Tender Regulations 1991)

The Rule 31 of the Tamil Nadu Transparency in Tenders Rules 2000, deals with negotiation with supplier/contractors. This shall be followed.

Regulation 22 of Tender Regulations 1991 are clarificatory in nature for substantiating the provisions of rules under Rule 31 of Tamil Nadu Transparency in Tenders Rules 2000. Hence this regulation may be continued to be followed except Regulation 22.7 and Regulation 22.9 which deals with simultaneous negotiation.

31. Acceptance and Ordering: (Regulation 25 of Tender Regulations 1991)

Rule 30 of Tamil Nadu Transparency in Tenders Rules 2000 deals with acceptance and ordering. This shall be followed.

Regulations 25.1 to 25.4 of Tender Regulations 1991 are clarificatory in nature and consistent with Tamil Nadu Transparency in Tenders Rules 2000 and therefore this shall be followed.

32. Deviation after acceptance and order: (Regulation 26 of Tender Regulations 1991)

Clause 26.0 of Tender Regulations 1991 deals with deviation after acceptance of order.

There is no provision in Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 regarding deviations after acceptance and order without involving any modification to the specification or any additional financial commitment to the Board. As the provisions available under Regulation 26 of Tender Regulations 1991 are necessary for Board and they are not inconsistent with the provisions of Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000, they shall be continued to be followed.

34. General: (Regulation 28 of Tender Regulations 1991)

Regulation 28 of Tender Regulations 1991 deals with general guidelines relating to Tender inviting and accepting which are not inconsistent with the provision of Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000. Hence this shall be continued to be followed except Regulation 28.6.

Regulation 28.6 of Tender Regulations 1991 deals with placing of trial orders on new tenderers. This provision alone need not be followed as it is inconsistent with Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000.

Consequently the orders issued in B.P. (FB) No.19, dt. 7.6.1999 (enclosed) are treated as withdrawn as instructed in Government Energy (C3) Department Lr.No.5631/C3/2001-2, dt. 24.7.2001. (copy enclosed).

35. Sale of Materials by Board: (Regulation 29 of Tender Regulations 1991)

Regulation 29 of Tender Regulations 1991 deals with sale of materials/scrap etc. by Board. The Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000 does not have provisions on this subject. Hence Clause 29.0 of Tender Regulations 1991 shall be continued to be followed as it is not covered by Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000.

36. Powers not specifically delegated: (Regulation 30 of Tender Regulations 1991)

Regulation 30 prescribes that powers not specifically delegated in these Regulations vest with the Board.

This provision shall be continued to be followed.

37. Adoption/Amendments: (Regulation 31 of Tender Regulations 1991)

Regulation 31.1 and 31.2 of Tender Regulations 1991 deals with the procedure to be followed for implementing Government Order/Instructions/or any change in respect of purchase etc.

This provision shall be continued to be followed.

38. Powers to Relax: (Regulation 32 of Tender Regulations 1991)

Regulation 32 of Tender Regulations 1991 provides powers to Board for relaxation/waiver etc. in any of the Regulations (Not the provisions relating to Tamil Nadu Transparency in Tenders Act 1998 and Tamil Nadu Transparency in Tenders Rules 2000).

This provision shall be continued to be followed.

ANNEXURE

Copy of D.O. No.526/TNMSC/2001, dated 21.11.2001 received from Thiru N. Vasudevan, I.A.S., Managing Director, Tamil Nadu Medical Services Corporation Ltd., 417, Pantheon Road, II Floor, Egmore, Chennai - 600 008 Ph. Off. : 8241891, Resi. : 4872823 Fax: 044-8215636 addressed to Thiru K. Gnanadesikan, I.A.S., Chairman, T.N.E.B., Elec. Avenue, Chennai - 600 002.

Dear Thiru Gnanadesikan,

Tamil Nadu Medical Services Corporation Limited is a pioneer institution serving the public through centralized purchase and distribution of drugs and other medical equipments to the various Government Medical Institutions throughout Tamil Nadu through a streamlined tender procedure system with total transparency.

This Corporation is an unique one in the purchase, storage and distribution of drugs throughout the State. It is pertinent to mention here that other States are also emulating the principles of drug purchase from Tamilnadu following the procedures adopted by this Corporation. Towards providing total health care to the general public, TNMSC is also extending diagnostic facilities to the Government Hospitals.

The Corporation is maintaining 2 Magnetic Resonance Imaging Systems (MRI) one at Government General Hospital, Chennai and the other at Government Rajaji Hospital, Madurai.

Similarly, TNMSC is maintaining 21 CT Scan Centres as per the list enclosed. The Corporation is going to instal additional 13 CT Scan Centres in various Government Hospitals in Tamilnadu.

The charges levied by the Corporation is very nominal compared to the charges levied by the private institutions. The details of the charges levied is also enclosed.

These facilities are available not only to the In-patients at the respective Hospitals, but also to the general public and the patients referred from other Hospitals.

I am sure that your Organization will be incurring lot of expenditure towards the medical expenses of your employees. You may be referring employees or they themselves may be going to private scan centres for CT/MRI Scans where they have to pay huge sum. Hence I take this opportunity to give information about the facilities available in the Government Hospitals, which may be availed by your employees.

The CT/MRI Centres are manned by fully qualified Radiologists from the Government Hospitals and the patients referred from your Organization will be attended immediately and the report handed over to them.

I request you to kindly avail this opportunity and refer your employees to utilize the facilities available in the Government Hospitals at the comparatively cheaper cost thereby your employees as well as your Organization can save lot of expenditure.

With warm regards,

Yours sincerely,
Sd./XXX

Establishment - Enhancement of Imprest Account for Resident Manager/Guest House, Tamil Nadu Electricity Board/New Delhi - Orders - Issued.

(Permanent) B.P. (Ch.) No.304

(Secretariat Branch)

Dated the 18th December, 2001,
Maarghazhi 3, Vishu Aandu,
Thiruvalluvar Aandu 2032.

Read:

(Per.) B.P. (Ch.) No.290, (SB), dated 28.11.2001.

Proceedings:-

In modification of the order issued in the B.P. cited, the Tamil Nadu Electricity Board hereby directs that the imprest amount of the Resident Manager, Guest House, New Delhi be enhanced from Rs.1,000/- to Rs.15,000/- as a special case, as the amount sanctioned is not sufficient to meet out the day-to-day expenses at New Delhi.

2. The Imprest Account should be submitted to the Chief Internal Audit Officer/Board Office Audit Branch for recoupment as often necessary, i.e. as soon as 50% of the amount is spent and invariably on the 25th of each month, including the transaction up to that date.

3. Receipt of the Proceedings shall be acknowledged.

(By Order of the Chairman)

G. Gnanaselvam,
Secretary.

(Permanent) Memorandum No.116371/A7/A72/2001-1, (Secretariat Branch), dated 19.12.2001.

Sub: Loans & Advances - Technical Education Loan - Sanctioned to Class III Employees - One or two instalments released - Subsequently promoted to Class II Service - Levy of interest - Clarification - Issued.

Ref: i) (Per.) B.P. (FB) No.6, (SB), dated 3.2.95.
ii) From Chief Engineer/Distribution/Erode Lr.No.16450/862/Adm.I (2)/2001-1, dated 15.11.2001.

In the Board's Proceedings cited, it was ordered that Technical Education Loan may be granted to Class II Employees also and to the Employees in Class III and IV, even if their spouse is a Class II Employee, but with interest as applicable for House Building Advance.

2.0) The Chief Engineer/Distribution/Erode has requested to confirm his presumption that no interest should be charged to the employees who have been accorded formal sanction of Technical Education Loan and one or two instalments of loan have been released when they were working in Class III Service and subsequently promoted to Class II Service.

3.0) The matter has been examined in detail. It is clarified that when formal sanction of Technical Education Loan is granted and one or two instalments of loan are also released when the employee is in Class III Service and the remaining instalments of loan are released when the employee is promoted to Class II Service, interest need not be charged in such cases.

4.0) Receipt of the memorandum shall be acknowledged.

(By Order of the Chairman)

G. Gnanaselvam,
Secretary.

2. G.O. (Ms.) Energy Dept. No.96, dated 05.12.2001.

The Honourable High Court of Judicature, Madras, while hearing the above referred case has directed that the Government Order No.95, dated 28.11.2001 and G.O.Ms.No.96, dated 05.12.2001, shall not be operated for the period upto the first reading after 1st December, till disposal of the W.P.23807/2001.

2. Therefore instructions are hereby issued to assess the Current Consumption Charges in respect of High Tension Services and Low Tension C.T. Meter Services for the month of December 2001 under the pre-revised tariff rates (G.O.Ms.No.3, dated 7.1.2000).

3. Similarly, Current Consumption Charges in respect of other Low Tension Services for the reading to be taken during the month of December 2001 and January 2002 may also be assessed under the pre-revised tariff rates (G.O.Ms.No.3, dated 7.1.2000).

4. Subsequent assessments (both for LT and HT SCs.) after those in para 2 and 3 above may be billed under the revised rates contained in the G.Os. cited under reference 1 and 2 above.

5. Further instructions will be issued after the Judgement is delivered in the above W.P.No.23807/2001.

6. Receipt of this Memo. may be acknowledged to the Financial Controller/Revenue/Accounts Branch forthwith.

Sub: Eley. - Payment of Low Tension Current Consumption Charges for the Assessments made during 12/2001 - Extension of due date ordered - Reg.

The due date for the payment of Current Consumption Charges for low Tension Consumers for the assessments made during 12/2001 is 17.1.2002 (since 15th and 16th January 2002 are holidays). Due to the consecutive holidays from 12.1.2002 to 16.1.2002 there will be heavy rush in collection centres on 17.1.2002. Therefore the LT consumers shall be permitted to pay the CC Charges for their service connections up to and inclusive of 19.1.2002 without interest on delayed payment. The date of disconnection for non-payment of C.C. Charges for the assessments made during 12/2001 for Low Tension service connections shall be 21.1.2002 (20.1.2002 holiday).

Electricity - Review of additional current consumption deposit in respect of L.T. Industrial Services (L.T. Tariff III (b) - Regarding.

(Per.) B.P. (FB) No.18

(Accounts Branch)

Dated 29.12.2001,
Maarkazhi 14, Vishu Aandu,
Thiruvalluvar Aandu 2032.

Read:

1. (Per.) B.P. (FB) No.13, (Accounts Branch), dt. 12.9.2000.
2. (Per.) B.P. (FB) No.167, Technical Branch, dt. 11.10.2000.
3. Item 22 of the Minutes of the 849th Board Meeting held on 20.11.2001.

Proceedings:-

As per the instructions issued in B.P. cited under reference (1) & (2), the review of adequacy of current consumption deposit in respect of L.T. Services is to be made taking into account the average current consumption charges per month based on the last two assessments and to collect the current consumption deposit according to the slab system or the minimum current consumption deposit prescribed in the Terms and Conditions of Supply whichever is higher. Further, the duration of the review has been increased to five years instead of existing two years.

2. In B.P. (FB) No.189, dt. 16.10.99, the Board has revised the rate of initial current consumption deposit with effect from 1.11.99. In respect of L.T. Industrial services, initial current consumption deposit was increased from Rs.300 per H.P. to Rs.800 per H.P. with effect from 1.11.99. Therefore while reviewing adequacy of current consumption deposit during 2001 in respect of L.T. Industrial services (L.T. Tariff III (b)), demands were made taking into account the minimum of Rs.800 per H.P. or according to the slab prescribed based on the average current consumption charges per month, whichever is higher.

3. Various Industrial Associations and individual L.T. industrial consumers have represented that consequent on the increase of initial current consumption deposit from Rs.300 per H.P. to Rs.800 per HP, they have to pay huge amount as additional current consumption deposit since the average current consumption charges is far less than the minimum deposit to be held at the revised rate and therefore requested to retain the pre-revised rate of Rs.300 per HP for calculation of adequacy of current consumption deposit.

4. Therefore to mitigate the financial burden of the L.T. Industrial consumers when the industrial sector is in recession a proposal has been placed before the Board in its 849th Meeting and the Board has approved the proposal and accordingly the following instructions are issued.

i) The review of adequacy of current consumption deposit for L.T. Industrial services (L.T. Tariff-III(b)) including L.T. CT Services (except new consumers who have availed/are availing service connection by payment of revised current consumption deposit of Rs.800 per H.P. from 1.11.1999) may

be made taking into account the pre-revised minimum current consumption deposit of Rs.300/- per HP or three months current consumption charges taking into account the average current consumption charges for the preceding 12 months prior to the month of April of that year whichever is higher. In respect of new L.T. Industrial consumers (L.T. Tariff - III (b)) including L.T. CT consumers availed/availing service connection by payment of revised current consumption deposit of Rs.800/- per H.P. from 1.11.99 the review of adequacy of current consumption deposit is to be made based on the revised minimum current consumption deposit of Rs.800 per HP or three months current consumption charges taking into account the average current consumption charges for the preceding 12 months prior to the month of April of that year whichever is higher. The above procedure may be followed for the review made during 2001 onwards.

ii) Consequent on the above, a re-review of adequacy of current consumption deposit in respect of L.T. Industrial Services (i.e. L.T. Tariff-IIIb) including L.T. CT services for 2001 may be arranged to be made as outlined in para (i) above and revised demand sent to those consumers immediately.

iii) In the case of L.T. Industrial Services (L.T. Tariff III b) including L.T. C.T. Services where the additional current consumption deposit required consequent on the re-review of adequacy of current consumption deposit is less than the amount already collected from the consumers based on the demand already issued for the review made during 2001, then in such cases the excess current consumption deposit may be adjusted in future current consumption bills.

iv) The review of adequacy of current consumption deposit in respect of L.T. Industrial services (L.T. Tariff-IIIb) including L.T. CT services is to be made every year during the month of April/May.

5. Necessary amendment to Terms and Conditions of Supply incorporating the above provisions will be issued separately by Superintending Engineer/Commercial.

(By Order of the Board)

S. Nagalsamy,
Accounts Member.

Memo.No.SE/MM.II/EET/A2/F.102/D.124/2001, (Technical Branch), dated 15/30.11.2001.

Sub: Vehicles - Retreading/Recapping of tyres - List of Approved firms
with rates for the year 2001-02 - Communicated.

The List of approved firms with rates for retreading/recapping of tyres under both Conventional/Precured process for the year 2001-02 received from the Director/Tamil Nadu Motor Vehicle Maintenance Department, Shopping Centre, II Floor, Ashok Nagar, Chennai - 83 is enclosed.

2. The rates for retreading/recapping of various sizes of tyres in each district are shown in Annexure. The rates are nett and inclusive of repair charges, Taxes and other levies etc. and will be effective from 1.4.2001 to 31.3.2002.

3. The rates approved for private tyre retreading firms are made applicable to State Transport Undertakings in the respective districts.

4. The vehicle using Officers are requested to ensure that the tyre retreading works are entrusted only to approved firms at the rates approved as shown in the Annexure.

5. In places where no retreading tyre Unit of the approved Companies exist and for remaining sizes, the work of retreading should be entrusted to the tyre units approved in the nearby Districts.

6. The to and fro transportation charges for entrusting the tyre for retreading/recapping will be borne by the respective tyre retreading agency.

7. To avoid any hardship to the tyre retreading firms, suitable instructions may be given to the vehicle using officers for making payment within 30 days on receipt of bills in as much as vehicle using Officers have been delegated with Powers to make payment as per G.O.Ms.No.2503, Transport Department, dated 18.9.91.

8. Any undue delay in completing the tyre retreading/recapping work within the stipulated time of seven days for both under Conventional and Precured process may be brought to the notice of this Office for taking suitable action against the firm.

9. The tyres retreaded shall serve the Kilometres noted below:-

Sl.No.	Details	Conventional	Precured
1.	Tyre of Light vehicle	16,000 Kms.	20,000 Kms.
2.	Tyre of Heavy vehicle	20,000 Kms.	25,000 Kms.

If the performance of tyre is not satisfactory, the defect shall be rectified free of cost/proportionate cost of Retreading refunded by the firm.

10. No Objection Certificate from State Transport Undertakings before entrustment of tyre retreading/recapping both under Conventional/Precured methods with the Private Firms need not be obtained.

11. The vehicle using Officers shall decide the process (Conventional/Precured) for even the first retreading/recapping of tyres.

12. The above information may be communicated to the subordinate vehicle using Officers for their information/guidance and strict adherence.

The above instructions are communicated to the field Officers for their information and strict adherence.

Circular Memo.No.3/CE/NCES/EE/IMCS/AO/2000-1, (Technical Branch), dated 6.12.2001.

Sub: Electricity - Dismantling of lines after termination of agreement - Dismantle within 5 years/2 years of HT/LT Services respectively - Orders issued.

Ref: 1. (Per.) B.P. (FB) No.22, (TB), dated 14.2.2001.
2. S.E./Comml.Circular Memo. No.SE/Comml./EE1/AEE/F.DCRC/D.75/2001, dated 15.2.2001.

The Study on L.T. Services disconnected for more than 3 months and prompt dismantling of disconnected services assigned by the Executive Director/Planning, Privatisation and Co-ordination in a review meeting was undertaken by the In-house Management Consultancy Services and a report with necessary recommendations were submitted.

In this connection it is already instructed in Superintending Engineer/Commercial Circular Memo. dated 15.2.2001 vide reference (2) cited not to dismantle the lines of disconnected services for a period of five years in case of H.T. consumers and two years in case of L.T. consumers from the date of disconnection so as to enable the consumer to avail reconnection immediately at any point of time during this period.

In the above circumstances, it is further instructed that the dismantling may be done within the stipulated period of 2/5 years, if the consumer comes forward for closing the accounts or if the lines are likely to be stolen or the lines are in precarious conditions etc. after getting specific approval of the Chief Engineer for such cases.

Circular No.510/2001/X/DFC/Works/AO/C/, (Accounts Branch), dated 28.11.2001 / 7.12.2001.

Sub: Imprest and Temporary Advances - Works Expenditure through Imprest and Temporary Advance - Detailed instructions on curbing of Expenditure - Issued.

Of late, it is seen that huge expenditure running to Lakhs and Crores of rupees towards maintenance and other works are paid out of Imprest and by Temporary Advances in Chennai Elec. Distn. Circles. The payment for works through Temporary Advance is not susceptible of check for genuineness and reasonableness.

The subject was discussed at a meeting of Deputy Financial Controllers/Accounts Officers in charge of expenditure in the Distribution Circles of Chennai Region on 11.10.2000. It was observed that no uniform procedure is followed by all the circles for sanctioning payment for expenditure through Temporary Advance. Each circle has different limits and being dealt in different wings.

It was also observed that these huge expenses by opening Temporary Advance are for routine maintenance works and for purchase of materials required for such maintenance including fault rectification in Chennai Circles. However, in Chingleput Elec. Distn. Circle, only unforeseen and emergent expenditure are met with through Temporary Advance. It was brought to the notice that the Temporary Advance in Chennai Distn. Circles are opened for the works already completed and not for the works proposed. Thus there is time gap between the time of completion of work and payment. In the same time gap, (between execution of work and payments through Temporary Advance) the works could be measured, check measured, bills prepared and sent to Central Office to be passed and paid. Hence opening of Temporary Advances can be avoided/minimised for routine maintenance and other extension works so that required check can be enforced.

After careful consideration of the issues involved in the matter of meeting works expenditure through Temporary Advance/Imprest, the following instructions are issued for strict compliance without omission.

As far as possible, opening temporary advance to meet the works expenditure may be avoided by adhering to the following instructions.

1. All materials required for routine maintenance shall be procured periodically/annually by the Chief Engineer/Distr. Chennai Region and stocked in all the sub stores and to be drawn by the Section Officers on proper O&M estimate cards approved by the E.E. of the O&M Division.
2. All the available RWE employees sanctioned for the sections shall be fully utilised for routine maintenance works including fault rectification.
3. Wherever the sections have full strength of sanctioned RWE staff, no routine maintenance and fault work should be given in contract. Wherever there are vacancies of RWE staff in the sections, works could be given on contract to the extent of vacancies.
4. Wherever temporary advance is required to be opened by the exigencies of circumstances monthly ceiling of Rs.10000/- for the works through Temporary Advance/Imprest may be fixed for each city section. This ceiling can be increased to Rs.15000/- in deserving cases with the approval of concerned Superintending Engineer.
5. No Temporary Advance shall ordinarily be opened for payment of works expenses. The works executed shall be measured, recorded in M.Book, check measured and bills for the completed works prepared and sent to Central Office with 'M' Book entries for pass order and payment within 10 days after completion of the work and the bills so received at the Central Office shall be passed and paid within 10 days of receipt.
6. In awarding contracts, Chit/K2 Agreement (according to volume/value of work) has to be necessarily executed and all measurements and check measurements should be recorded in 'M' Book.
7. Deputy Financial Controller/Accounts Officers shall cause for detailed verification of the bills to avoid false and duplicate claims. They shall test check the works completed at the work-spots at random, for the genuineness of the claims after intimating the fact to the Superintending Engineers.
8. If there are repeated claims made by Asst. Engineers/Junior Engineers or Asst. Exe. Engineers for the same work or for the same fault and in respect of claims of dubious nature, the Superintending Engineer shall investigate such cases and initiate D.P. against the erring officials.
9. The statement of expenditure under imprest and temporary advance may be obtained from the circles each month and reviewed by the Chief Engineers effectively to restrict the expenditure.
10. The Chief Engineers shall review the expenditure in the review meeting and emphasis the Executive Engineers of the Division for exercising proper checks, discipline and control over the expenditure.
11. Receipt of this Circular instructions may be acknowledged to the Deputy Financial Controller/Works.

Accounts Member.

Tamil Nadu Electricity Board - Purchase of power from Independent Power Projects, Captive Power Plants and from Co-generation Power Plant - Passing of bills - Delegation of powers - Regarding.

Permanent B.P. (Ch.) No.17

(Accounts Branch)

Dated 7.12.2001,
Karthigai 22, Vishu Aandu,
Thiruvalluvar Aandu 2032.

- Ref: 1) Permanent B.P. (Ch.) No.16, (Accounts Branch), dt. 7.4.2001.
2) Chairman's order dated 10.04.2001.

Proceedings:-

In the references cited, powers have been delegated to Financial Controller/Revenue for passing of power purchase bills in respect of Co-generation, Captive Power Plants and Independent Power Project Bills, after scrutiny by the Superintending Engineer/LD & G.O. and in respect of Independent Power Project by Superintending Engineer/I.P.P. It is further ordered that in absence of the Financial Controller/Revenue the Deputy Financial Controller/Cost shall pass the power purchase bills in respect of Co-generation, Captive Power Plants and Independent Power Projects.

(By Order of the Chairman)

S. Kathiresan,
Chief Financial Controller/General.

Memo.No.12005/SE/Comm./EE.1/AEE.1/F.APTS/D77/2001, (Technical Branch)), dated 14.12.2001.

Sub: Theft of energy - Provision of Standard Double Compartment box in LT services - Instruction Issued - Reg.

Ref: Circular Memo.No.26756/VC7/86-1, (Sectt.Br.), dated 22.7.88.

It has been brought to the notice of the Board that non standard double compartment box have been fixed in the LT Industrial services without view glass and a metal plate fixed in that place and sealed. Also the Foreman who goes along with the Assessor for resealing the box after taking readings uses A.E.'s sealing plier. This should not be done.

Hence the following instructions are issued for strict adherence.

1.0: Standard double compartment meter boxes are to be provided in the LT Industrial services with view glass in it for taking reading without covering the view glass by a metal plate as per the drawing enclosed vide memo. cited above.

2.0: In the case of check meters, the view glass provided for taking meter reading, may be covered with metal cover since there is possibility of breaking the view glass as the check meters are provided outside the consumer's premises/on the public road.

3.0: The sealing pliers are to be used only by the officers authorized to hold it. The pliers provided for AE/JE should not be allowed to be used by Foreman.

The instructions may be brought to the notice of all field officers and replace the non standard double compartment meter box into standard double compartment meter box with view glass in all LT Industrial services.

The action taken may be reported.

A. Balasubramanian,
Member (Distribution).

Memo.No.SE/Comm./EE.1/AEE.1/F.APTS/D78/2001, (Technical Branch), dated 15.12.2001.

Sub: APTS - Inspection of services - Detection of theft and Malpractices - Procedure - Certain modification in case of Inspection involving Nil revenue - Entering of data in the Service Inspection Monitoring System (SIMS) - Reg.

Ref: 1. Circular Memo.No.17748-VC7/83-1, dt.28.9.84.
2. M (D)'s M.No.17748/ACE/IEMC/EE.1/AEE.1/D.1256/99, dt.18.12.99.

In the memo. under reference (2) cited, a detailed procedure has been prescribed for preparing and forwarding of inspection reports of the services inspected by Assistant Executive Engineers/APTS involving Nil Revenue Recovery.

Now, the Board has developed a web-based Service Inspection Monitoring System (SIMS) to overcome the poor-supervision by O&M supervisory ranks. To operate this user-friendly system, we have necessary hardware in all the offices and hence it may be easy to ensure removal of defects in services and this prevent revenue leakage going unnoticed using the above SIMS.

The following revised procedure is prescribed and to be followed with immediate effect in the case of inspection of services involving "Nil Revenue Recovery" and only rectification of certain important defects, which when carried out will go a long way in prevention of energy thefts as well as leakage of revenue loss to the Board.

(i) All the Assistant Executive Engineers/APTS will enter the details of the services inspected by them as and when they inspect the services in the (computer) systems available at the Distribution Circle Offices.

(ii) Assistant Executive Engineer/General of the Circle will take the print out containing the details of the defective services and send it to the Division office concerned for carrying out the rectification work.

(iii) Executive Engineer/O&M will take necessary action by forwarding the details to the Assistant Engineer/Junior Engineer/O&M concerned and send the report on completion of work to the Circle office.

(iv) On receipt of the action taken report from the Division office, the Assistant Executive Engineer/General of the Circle since will enter the details in the system of the Circle office.
