In continuation of the Board's Memorandum First and Second cited, a copy of the Government's letter third cited is communicated to all officers of the Board to follow the modified instructions detailed therein.

2. The receipt of this Memorandum shall be acknowledged.

Encl.: As above

G. Ramamurthy,
Secretary.

Copy of Letter No.12679/FR.III/2005-2, Dated 26.4.2005 from Tmt. Lakshmi Pranesh, I.A.S., Chief Secretary to Government, Personnel and Administrative Reforms (FR.III) Department, Government of Tamil Nadu, Secretariat, Chennai-600 009 to All Secretaries to Government, Chennai-9, All Departments of Secretariat, Chennai-9, All Heads of Departments including All District Collectors/District Judges and etc.,

Sir,

Sub: Public Service - Voluntary Retirement and retirement on superannuation -
Obtaining clearance certificate from DVAC/CBCID/SBCID - Instruction issued
- Clarification raised - Modified instructions - Issued.

Ref: 1) Government Letter No.77839/FR.III/97-1, Personnel and Administrative
Reforms Department, dated 2.6.1998.
2) Government Letter No.50478/FR.III/2003-1, Personnel and Administrative
Reforms Department, dated 14.11.2003.
3) From the Director of Vigilance and Anti-Corruption, Chennai-28, Letter
No.00811/VAC.3/2004, dated 28.1.2004 and dated 9.2.2005.
4) From the ADGP(Intelligence), Chennai-4, Letter C.12 No.50/VR/2004/T,
dated 27.1.2004 forwarded by DGP, Chennai-4 in Letter RC.No.25151/
Pen.1/2004, dated 17.2.2004.

I am directed to invite attention to the Government letter second cited wherein instructions were issued that before accepting the notice for voluntary retirement or before accepting the notice for voluntary retirement or before allowing a Government servant to retire on superannuation, the appointing authority should also ensure that no criminal case or prosecution is contemplated or pending against the Government servant and the appointing authority should satisfy himself that the Government servant is free from such course of action by obtaining clearance from the Director of Vigilance and Anti-Corruption / Crime Branch C.I.D. / S.B.C.I.D. wherever necessary.

2. In the letter reference third cited, the Director of Vigilance and Anti-Corruption has now stated that the instructions issued in the above letter resulted in an ambiguous situation and the departmental authorities have started addressing the Director of Vigilance and Anti-Corruption for vigilance clearance for cases of retirement of normal superannuation in addition to cases of voluntary retirement. It is not possible for this Directorate to give clearance for these normal retirement cases also. Hence, the Director of Vigilance and Anti-Corruption

has requested to issue suitable instructions to the Heads of Departments and departmental authorities that they need not get clearance from Director of Vigilance and Anti-Corruption in respect of normal retirement on superannuation.

3. Similarly, in the letter fourth cited the Additional Director General of Police Intelligence (S.B.C.I.D.) has stated that verification reports are called for by all the Heads of Departments routinely who opt for voluntary retirement as well as retirement on superannuation. He added that an average of 150 verification rolls for voluntary retirements were received in a month. Consequent on the issue of instructions in Government letter, dated 14.11.2003, more than 2000 verification rolls are expected every month. As there is no sufficient manpower to do this job, there is a possibility of delay in proceeding the case. The Additional Director General of Police (Intelligence) has, therefore, requested to issue necessary instructions directing all Heads of Departments.

- (i) to get verification reports directly from the concerned Deputy Superintendents of Police / City Commissioners of Police as well as Vigilance and Anti-Corruption and C.B.C.I.D. if necessary, since they are dealing with criminal cases / criminal enquiry.
- (ii) Verification only on Special Branch C.I.D. point of view may be obtained directly from S.B.C.I.D. if necessary.

The Direction General of Police, Chennai-4 has forwarded and recommended the above suggestions of Additional Director General of Police, Intelligence, Chennai-4.

4. After careful consideration, the Government have decided to accept the suggestions of the Director of Vigilance and Anti-Corruption and Additional Director General of Police (Intelligence) recommended by the Director General of Police. In continuation of the instructions issued in Government letter, second cited the following modified instructions are issued to all Heads of Departments and appointing authorities for guidance;

- (a) The department authorities need not get clearance from the Director of Vigilance and Anti-Corruption in respect of normal retirement on superannuation. The departmental authorities should satisfy themselves that no such adverse aspects are pending against the Government servant.
- (b) The departmental authorities should maintain a register showing the details of officials against whom enquiries / investigation are pending in Director of Vigilance and Anti-Corruption. This register should be referred to before clearing the proposals of cases of retirement on superannuation.
- (c) It is enough if the appointing authority satisfies himself that no criminal case or prosecution is pending or contemplated against the Government servant who opt for voluntary retirement. In case where the departmental authorities consider that verification reports are absolutely necessary, such report may be obtained directly from the concerned District Superintendent of Police / City Commissioner of Police and C.B.C.I.D. as the case may be. The departmental authorities may obtain the verification report directly from the S.B.C.I.D. only in cases involving Special Branch point of view. However, as statutorily provided under FR.56(3)(e) it is mandatory on the part of the appointing authority that a report from DVAC should be obtained in cases of voluntary retirement in addition to satisfactory fulfilment of the other conditions laid down thereunder.

Yours faithfully,
Sd./-xxx
for Secretary to Government.

ANNEXURE - I

TERMS & CONDITIONS OF DEPUTATION OF BOARD ENGINEERS FOR STUDYING DIPLOMA COURSE IN INDUSTRIAL SAFETY AT BOARD'S COST:

1. The period of deputation shall be from the date of commencement of the course in the academic year in which the Officers are deputed to the date of completion of the course in the last semester.

The date of commencement and completion of the course would be as intimated by the Regional Labour Institute, Chennai.

2. The period of deputation shall be treated as on duty. The pay of the Officer shall be claimed against the post from which he was deputed and has to be disbursed by the respective pay disbursing Officer directly according to the rules in force. The Officer deputed will continue to be allowed to draw during the period of deputation, besides their pay and D.A. other allowances like HRA, CCA, etc. as applicable to that place where he worked prior to deputation excluding special pay, if any. They are not eligible for any other allowances during the period of deputation.

3. (i) The Officer deputed should arrange to pay all the fees himself to avoid delay in payment and get it reimbursed from the concerned pay disbursing officer on production of the receipts issued by the Institution.

(or)

The officer deputed should draw an advance amount from the pay disbursing Officer and make the payment to Institute and immediately settle the advance by producing the receipts issued by the Institute.

(ii) The payment towards admission fees, application fees, tuition fees, special fees, examination fees, students aid fund fee, fee for mark sheets and grade certificates is to be met by Board.

(iii) It is the responsibility of the Official deputed to get refund of the Caution deposit, if any remitted, at the end of the Course and remit it back to the Board.

(iv) Payment towards Co-operative Society etc. has to be met only by the Officer deputed and it will not be reimbursed. The pay disbursing Officer can refer to the Institute in case of any doubt.

(v) The other expenses which are not specified above and are trivial in nature have to be met only by the Officer deputed.

4. The Officer deputed should himself meet the deposits, expenses etc. of the hostel accommodation.

5. (i) The Officer deputed is eligible for TA and DA as applicable for normal transfer according to TA regulations in force.

(ii) The Officer deputed is eligible for only the actual journey time and is not eligible for joining time.

6. (i) The Officer deputed should execute a bond on-judicial stamp paper to the Tamil Nadu Electricity Board with condition to continue in the employment of service to which he belongs or to which he may be transferred subsequently by the competent authority, for a period of 7 years after the completion of the course and also to refund the entire cost to Tamil Nadu Electricity Board in case he fails to qualify for the degree or if he happens to quit the service of the Board before expiry of 7 years from the completion of the course.

(ii) The value of stamp paper shall be Rs.40.00 and the amount of bond is for the actual cost of training plus actual salary etc. received during the Training period.

- (iii) The sureties should be of departmental employees only.
- (iv) The Officer deputed will be relieved from the post to the deputation only on submission of the surety bonds.
- (v) The bonds should be sent to Director of Training for acceptance and for custody.
- (vi) The provision for recovery of the bond amount is intended only to meet contingencies which make it impossible for the Board to ensure the continued service of the individual for the prescribed period. The provision as above does not mean that the individual on return from studies should expect the Board to willingly send him on deputation elsewhere during the prescribed period accepting his plea that he will refund the cost of training etc. The Board would expect the Officer who enjoy such special privileges of additional education at the Board's expense to be loyal to the Board and allow the Board to have the benefit of their additional education.

A specimen copy of Bond is enclosed.

7. The Officer deputed should complete the course within the period fixed by the Institution. No extension of time is permissible. Otherwise all costs incurred consequent to the deputation including salary etc., will be recovered.

8. Since the individual is deputed for additional education at Boards cost, no lumpsum or advance increment will be awarded after successful completion of the course.

PART – III

Lr.No.1994/X/CFC/FC/P/DFC/S/D.42/2005, (Accounts Branch), Dt.1.6.2005.

Sub: Maximum Inventory level to be maintained for the year 2005-2006 -
Communicated - Reg.

A statement showing the maximum inventory level fixed to the Circles for the year 2005-2006, is enclosed herewith for strict adherence. Actual inventory level in the Circles should not exceed the level now fixed at any point of time during the year 2005-2006. Excess inventory results in unnecessary lock up of Board's money and other associated costs such as interest cost, inventory carrying cost, obsolescence etc. At the same time it should also be ensured that required materials for effective new service connections, for executing budgetted Capital programmes, for routine maintenance are available in time to achieve the target.

2. Further in view of the tight financial conditions prevailing in the Board, the Superintending Engineers and Chief Engineers are requested to ensure that all efforts should be made to control the inventory to keep it within the prescribed level, by adhering to the following:

- i) To be more cost conscious in inventory management.
- ii) By regulating the P.Os. and delivery schedules to suit the work schedule requirement, the inventory is kept for minimum period in stores. Wherever necessary, the delivery can be rescheduled after getting Competent Authority's approval. The concept of "Just in Time (JIT)" inventory management can be achieved over a period so that the inventory cost gets considerably reduced.
- iii) Scraps and empties must be disposed-off then and there and money realised to Board's account without any delay.
- iv) Periodical review and inspection of stores by Superintending Engineers/Chief Engineers and other inspecting officers may be ensured to keep a watch over the inventory level and to ensure that the level is maintained within the limits prescribed. The materials arrived in stores should be taken in to stock immediately for beneficial use and should not wait for more than three days for want of check measurement etc.
- v) Maximum inventory level fixed should not be taken as an authorisation to keep the inventory at that level.
- vi) SEs/CEs must bestow their personal attention on the usage of IMS package and the various output reports designed in the programme to control the inventory.

3. The maximum inventory level should not exceed the limit prescribed for 2005-'06 under any circumstances and proposal for ratification of the excess stock held in the Circles will not be entertained.

4. Receipt of this letter may be acknowledged to D.F.C./Store, Chennai - 2.

Thiruvalluvar Aandu - 2036.

Read:

- i) (Per) B.P. (FB) No. 61, (SB) dated 15.7.1986
ii) G.O.Ms.No. 124 Housing and Urban Development (HBA.1) Department, Dated
11.4.2005.

Proceedings:-

In the Board's proceeding first cited, Orders were issued that all the employees of the Board including the persons on deputation or on foreign service who have obtained House Building Advance under the Tamil Nadu Electricity Board House Building Advance Rules and have more than 5 years of service left for retirement shall be required to pay a subscription at the rate of 1% of their total monthly instalment recovered towards repayment of House Building Advance. The subscription shall continue till the date of superannuation or the date of repayment of advance together with interest thereon whichever is earlier. In the event of death of an employee before repayment of the House Building Advance in full together with interest thereon, the amount due from him towards repayment of the loan shall be met by the Board, provided the subscription from the employee has been commenced and continued till the month of his death.

2. The Government have examined the question that when a Government servant dies in harness in the middle of the month, whether the monthly instalment towards repayment of the principal/interest amount of the House Building Advance need be recovered for that month from the duty pay/leave salary of the deceased Government servant. After examination, the Government have issued orders in the Government order second cited to the effect that if a Government servant, enrolled under the Tamil Nadu Government Employees House Building Advance Special Family Benefit Fund Scheme and eligible for grant, dies in harness in the middle of a month before the repayment of the entire advance amount, the monthly instalment intended to be recovered for that month towards the principal/interest shall be recovered in full if there is sufficient amount available in the monthly salary; and the recovery shall be ignored if the amount available is insufficient to make the recovery

and in such cases, the remaining dues of House Building Advance including that month's instalment can be waived under the above scheme.

3. It has been decided to follow the Orders of the Government issued in the Government Order second cited by the Tamil Nadu Electricity Board.

4. Accordingly it is hereby ordered that if a Board employee, including the person on deputation or on foreign service, who has obtained House Building Advance under the Tamil Nadu Electricity Board House Building Advance Rules and enrolled in Tamil Nadu Electricity Board Employees House Building Advance Special Family Benefit Fund Scheme and eligible for grant as per the orders in (Per.) B.P. (FB) No. 61 (SB) dated 15.7.1986, dies in harness in the middle of the month before the repayment of the entire advance amount, the monthly instalment intended to be recovered for that month towards the principal/interest shall be recovered in full if there is sufficient amount available in the monthly salary and the recovery shall be ignored if the amount available is insufficient to make the recovery and in such cases, the remaining dues of House Building Advance including that month's instalment can be waived under the scheme.

5. Necessary amendments to Tamil Nadu Electricity Board House Building Advance Rules will be issued separately.

6. Receipt of the Board's Proceeding shall be acknowledged.

Sub: Electricity - LT service - Tariff applicable for Pumping of Water for Betel
Cultivation - clarification - Regarding.

Ref. Lr. No. CE/D/Ty./AO/A1/Accts./1485/05 dt. 8.6.2005.

In the letter cited under reference, Chief Engineer/Distribution/Trichy has requested to clarify the applicability to tariff to Betel cultivation.

In this connection it is clarified as follows.

Since Betel cultivation is an Agricultural activity which comes under neither Floriculture nor Horticulture, Pumping of Water for Betel cultivation may be treated as an agriculture operation and hence be clarified under LT Tariff IV, provided the application for supply is registered under agriculture tariff and service is obtained following the queue system.

ii) Circular Lr.No. CFC/GL/DFC/BS/I.T/D.51/F.20B/BCTT/05, dt. 17.6.2005.

In this office letter under reference 1st cited above, certain guidelines were issued to minimize Banking Cash Transaction Tax newly introduced through Finance Bill 2005 with effect from 1.6.2005, which provides for levy of Tax @0.1% on cash withdrawals from Banks exceeding one lakh rupees on a single day from accounts other than a Saving Bank account.

In this office letter under reference 2nd cited above, further guidelines were issued stressing that payment of staff entitlements by issue of Individual Name cheques, shall be considered/adopted only at the willingness/option of the employees concerned and payment by Cheque need not be insisted.

B.B. - 4 (June 2005)

However, representations are received at Headquarters that employees are being persuaded to furnish their option / willingness, in some quarters, for receiving their entitlements by cheque.

After careful consideration and taking into account of the difficulties of the employees in receiving their entitlements by cheque, it is informed that the existing procedure in the mode of payment of staff entitlements only by cash shall be continued without any change.

The receipt of this circular letter shall be acknowledged to the Financial Controller (Accounts) by Name without fail.

Memo No. CFC/GI/Dir/Tf.Cell/AO/F.Insuring Meters/D.1395/05 (Accounts Branch), dt. 23.6.2005.

Sub: Electricity - TNERC - Insuring TNEB's Energy meters by consumers against damage - TNERC's direction - wide Publicity Regarding.

Ref: 1) TNEB's Lr. No. TNERC/Dir. (Eng)/ADC/F.supply code/D.476/ 2005 dated. 7.6.2005.

Based on the representation made by the Secretary & Chairman of Vandavasi Taluk Rice Mill Owners & Rice traders Association in their letter dated 21.10.2004 to the Tamil Nadu Electricity Regulatory Commission to permit their members to insure the Board's meter against damages, as their meters are frequently burnt for various reasons, the Tamil Nadu Electricity Regulatory Commission has issued the following directions:

"The consumer may be permitted to insure the Tamil Nadu Electricity Board's meters provided to their service connection, by paying required premium by the consumer themselves, subject to the condition that, this provision would in no way affect the existing procedure relating to replacement of meters, collection of meters cost/Average Current Consumption charges etc. as specified in the Tamil Nadu Electricity Board supply code or in any other regulation formed under Electricity Act 2003. This directive may be given wide publicity so as to facilitate consumer to avail this facility on his option".

A copy of the Tamil Nadu Electricity Regulatory Commission's Lr. Dt. 7.6.2005 is enclosed herewith.

The Chief Engineers/Distributions and Superintending Engineers/Electricity Distribution Circles are instructed to make necessary arrangements to give wide publicity to the commissions directions so as to facilitate the consumers to avail this facility.

The receipt of the Memo may be acknowledged to Director/Tariff Cell.

Sub: Insuring TNEB's Energy Meter by Consumers against damage - Regarding.

Ref: CFC/GL/Dir/Tf.Cell/AAO/F. Insuring meters/D.224/05 dt. 14.03.2005.

The Secretary and Chairman of Vandavasi Taluk Rice Mill Owners & Rice Traders Association in their latter dated 21.10.2004 requested the Commission to permit their members to insure the Board's meter against damages as their meters are frequently burnt for various reasons.

2. The regulation 7(10)(ii) of the "Tamil Nadu Electricity Supply Code" issued by the Commission, states that:

"Since the safe custody of the meter is the consumer's responsibility, replacement of meter due to damages shall be at the cost of consumer. The cost of replacement of burnt meters shall be met by the Licensee unless it is proved otherwise that the burning out is due to the fault of the consumer."

3. Since the meters are the properties of Tamil Nadu Electricity Board (except in those cases where consumer opt to supply the meter) TNEB's opinion/remarks was called for the TNEB have agreed to such a proposal.

4) The Commission issues the following directive:

The Consumers may be permitted to insure the Tamil Nadu Electricity Board's meters provided to their service connection, by paying required premium by the consumer themselves, subject to the condition that, this provision would in no way affect the existing procedure relating to replacement of meters, collection of meter cost/Average CC charges etc as specified in the Tamil Nadu Electricity Supply Code or in any other regulations formed under Electricity Act 2003. This directive may be given wide publicity so as to facilitate the consumer to avail this facility on his option.
