Memo.No.081966/53/G.58/G.582/2005-1, (Administrative Branch), dated 9.9.2005.

Sub: Contractors' Labourers - Issue of Employment Certificate to the Contract Labourers by the Field Officers - Instructions issued - Regarding.

The attention of the Superintending Engineers is invited to the Circular Memo.No.049818/564/I.R.1(1)/Adm.Br./87-1, dated 12.6.1987, wherein the issuance of Employment/Service Certificate to the Contract Labourers by the Junior Engineer/Assistant Engineers/Assistant Executive Engineers has been prohibited.

2) It has come to the notice of the Board that Assistant Engineers/Junior Engineers and other Officers are continuing the habit of issuing employment/service certificate to the Contract Labourers in violation of the orders of Board. Even though based on such certificate, a Contract Labourer cannot be deemed to have worked continuously for 480 days in 24 calendar months as such certificate cannot be taken as evidence for the purpose of the attendance, invariably all the Inspector of Labour rely upon these certificate and pass orders in favour of the petitioner.

3) The Superintending Engineers are therefore once again requested to adhere to the above instructions scrupulously. In case, if any Officer/Official is found to have issued Employment/Service Certificate to the Contract Labourers, the matter will be viewed very seriously and responsibility will be fixed for the disobedience of instructions of the Board.

4) These instructions, may be brought to the notice of all the Officers/Staff to ensure strict adherence of the instructions of the Board.

5) The receipt of this Memo. may be acknowledged.

S. Ayyadurai,
Chief Engineer/Personnel.

- 4) Chairman's Note Approval dated 20.7.2005.
- 5) Chairman's Note Approval dated 28.8.2005.

Due to capacity addition, the wind generation witnessed a phenomenal growth and hence in depth planning is required for the development of new substations and for co-ordination of the execution of schemes. Hence the post of Chief Engineer/NCES and R&DSM was re-designated as the Chief Engineer/R&DSM, vide ref (1) cited. It was therefore considered necessary that a separate post of the Chief Engineer/NCES is required and it was intimated in the B.P. cited under ref (2) that the same may be reviewed after a period of six months. It was also mentioned in the B.P. that till such time the services of the retired Chief Engineer, Thiru. G. Ramakrishnan who has got rich experience in the field of GCC, will be availed to look after the subject of NCES.

Consequent to suppression of the post of the Chief Engineer/NCES, a post of the Superintending Engineer/NCES was created at Head Quarters, vide B.P. cited under Ref (3) for a period upto 28.2.2006. Since the post of the Chief Engineer/NCES was suppressed, approval was obtained from Chairman that the following works carried out so far by the Chief Engineer/NCES may be done by the Superintending Engineer/NCES, on approval of the same by the CONSULTANT.

- 1) The registration of new windmill applications and Name transfer of windmill applications.
- 2) The Name transfer of Noted for Record letter.
- 3) The Name transfer of existing wind farm HT services.
- 4) Change in wheeling and banking arrangements of existing wind farm services.

Further based on the tie up approval issued from this office, wind mills are tied up to the nearby feeder. These works are carried out by the developers themselves on the supervision of Board officials on DCW basis. For the same Board collects 11% of the estimated cost of the works. The estimates for the above works are sanctioned by the Additional Chief Engineer/WEDC/Tirunelveli, if it is within his power. If it exceeds the power delegated to a Superintending Engineer, the estimates are sent to Head Quarters office for sanction. Hitherto these estimates were sanctioned by the Chief Engineer/NCES and R&DSM. In addition to the above, various sanctions such as acquisition of land for substations, construction of buildings at substations, approval for sanction of estimates for various vehicles used by field staff including Additional Chief Engineer/WEDC/Tirunelveli etc. are being sent to Head Quarters Office for sanctioning.

As per Sl.No.4, Section 20.1 (of Powers of sanction of Officers, in page 6), Full power is delegated to the Chief Engineer and only an amount of Rs. 2 lakhs has been delegated to Superintending Engineer for DCW works.

Hence after careful consideration, the Chairman has approved the proposal of delegation of powers delegated to a Chief Engineer in Sl.No.4 Section 21 of power of sanction to officers, to the Superintending Engineer/NCES, as a special case. The Chairman has further instructed that the above powers may be delegated to the Superintending Engineer/NCES, until creation of a post of the Chief Engineer for Non Conventional Energy Sources (i.e.) on creation of a post of the Chief Engineer/NCES, the powers delegated to the Superintending Engineer/NCES automatically gets lapsed.

6. (Per.) B.P. (F.B.) No. 2 Adm.Br. dt. 24.1.2005.

Proceedings:-

In the B.Ps 1st and 2nd cited, orders were issued to adopt the revised procedures for entry level training period for six months to the newly recruited Assistant Engineers and a sum of Rs. 2500/- per Month (Rupees Two thousand five hundred only) was fixed as consolidated pay. Based on the above, orders were issued during the year 1995 for 550 candidates appointing them as Assistant Engineer/Electrical, Mechanical and Civil (Trainee) with a consolidated pay of Rs. 2500/- Per Month (Rupees two thousand five hundred only) for six months. After completion of successful training, they were appointed as Regular Assistant Engineers and placed on probation for 2 years in the time scale of pay.

2) Based on the B.Ps. 3rd and 4th cited, the candidates who were recruited to the post of Assistant Engineer/Electrical were initially appointed as Assistant Engineer/Trainees for a period of 2 years, including "Induction training" for 3 months, with a consolidated pay of Rs. 7,500/- (Rupees Seven thousand five hundred only) and on completion of two years training period he/she will be appointed as Regular Assistant Engineer and placed on probation for 2 years in the time scale of pay.

3) Representations have been received from the Assistant Engineers/Trainee stating that the training period with consolidated pay may be reduced to 3 months as they are independently attending to works attached to the post of Assistant Engineers and after 3 months Induction/Intensive training period, they may be appointed as regular Assistant Engineers with all attendant benefits.

4) In the reference 5th cited, the matter has been examined in detail and ordered to reduce the period of training of newly appointed Assistant Engineers/Trainee under direct recruitment during December, 2000 and March, 2001 from 2 years to 3 months and also ordered in the B.P. 6th cited under reference to reduce the training period of Assistant Engineer (Trainee) recruited during the year 1995 from 6 months to 3 months.

5) Now, it is considered to reduce the training period for the Assistant Engineers appointed under the scheme of providing employment assistance to the dependant of the deceased Board employees who died in harness while in service from 6 months to 3 months up to the year 2000 and thereafter from 2 years to 3 months.

6) After careful examination, the Tamil Nadu Electricity Board ordered that the training period is reduced to 3 months for all those Assistant Engineers (Trainee) (Electrical/Mech/Civil) who have been selected from 1995 onwards on compassionate grounds on par with the directly recruited Assistant Engineer/Electrical, Mechanical and Civil.

7) Accordingly, the following orders are issued:

- i) On completion of three months Induction/ Intensive training the Assistant Engineers/Trainee shall be designated as Assistant Engineers with the duties and responsibilities for the regular Assistant Engineers.

- ii) The Assistant Engineers selected under compassionate grounds from 1995 onwards shall be given the time scale of pay on par with the directly recruited Assistant Engineers, after completion of 3 months Induction/Intensive training.
- iii) Their probation period shall commence from the date of joining in the Board will be for a period of two years within a continuous period of three years.

Amendment No. 3/2005

Regulations - Tamil Nadu Electricity Board Service Regulations - Abolition of the category of Senior Revenue Supervisor - Amendment to Regulation 88, 92 and 93 of Tamil Nadu Electricity Board Service Regulations - Issued.

(Permanent) B.P. (FB) No.46,

(Secretariat Branch),

Dated 20th Sept. 2005,
Puratasi 4, Parthiba Aandu,
Thiruvalluvar Aandu 2036.

Proceedings:

In (Per) B.P. (FB) No. 5 (SB) Dated 25.1.1994, orders were issued for re-naming the post of Special Grade Revenue Supervisor as Senior Revenue Supervisor. Amendment to the Tamil Nadu Electricity Board Service Regulations to this effect has not been issued so far.

2. Subsequently in (Per) B.P. (FB) No. 69 (SB), dated 25.11.2002, orders were issued abolishing the category of "Senior Revenue Supervisor" duly creating the post of "Assessment Officer". In the said B.P., it was also ordered that necessary amendment to the Tamil Nadu Electricity Board Service Regulations would be issued separately.

3. In Government Order (Ms) No. 53, Energy (B2) Department, dated 9.6.2005, notification has been issued under the proviso to clause (a) of section 172 of the Electricity Act, 2003 (Central Act 36 of 2003) authorising the Tamil Nadu Electricity Board to function as the State Transmission Utility and a Licensee under the provisions of the said Act for a further period of six months beyond the 9th day of June 2005. Therefore, the Board constituted under the Electricity (Supply) Act, 1948 (Central Act 54 of 1948) will continue to function as the State Transmission Utility and a licensee and can exercise its administrative function as was done earlier.

4. Accordingly, by virtue of the authorisation given under the proviso to clause (a) of section 172 of the Electricity Act, 2003 (Central Act, 36 of 2003) in terms of G.O. Ms.No. 53, Energy (B2) Department, dated 9.6.2005, read with section 185 of said Act, the Tamil Nadu Electricity Board hereby makes the following amendments to the Tamil Nadu Electricity Board Service Regulations with reference to the orders referred to paragraphs 1 and 2 above.

AMENDMENTS

In the said Regulations,-

1) in regulation 88, under Class III, in division VIII, against category-1, in column (2),-

(a) for the entry "Revenue Supervisor including Special Grade Revenue Supervisor", the following entry shall be substituted, namely:-

"Senior Revenue Supervisor and Revenue Supervisor";

(b) for the entry as so substituted, the following entry shall be substituted, namely:-

"Revenue Supervisor";

2) in Annexure - I, under Class II, in Division VIII-A, below the existing entries in columns (1) (2) and (3), the following "Note" shall be added, namely:-

"Note:- The category of "Special Grade Revenue Supervisor" which was re-named with effect from 25.1.94 as "Senior Revenue Supervisor" (from which post the category of Assessment Officer was filled till 31.1.2002) was abolished with effect from 25.11.2002";

3) in Annexure-II, under the heading "Class III Service", in Division VIII, against item 39 in column (1), in column (2), -

- (a) for the entry "Special Grade Revenue Supervisor and Revenue Supervisor", the following entry shall be substituted, namely:-

"Senior Revenue Supervisor and Revenue Supervisor";

- (b) for the entry as so substituted, the following entry shall be substituted, namely:-

"Revenue Supervisor";

4. Receipt of the Proceedings shall be acknowledged.

Proceedings:

In the G.O. 1st read above, the Government have issued orders that the Rural Electric Co-operative Societies at Kumbakonam, Vandavasi and Thirumayam shall be wound up and that the distribution of power supply in these areas shall be entrusted to the Tamil Nadu Electricity Board. Subsequently, the Registrar of Co-operative Societies, in her D.O. letter 2nd read above to the Chairman/Tamil Nadu Electricity Board, has requested to take over the administration of 3 Rural Electric Co-operative Societies based on the G.O. 1st read above. Accordingly, the administrative functions of 3 Rural Electric Co-operative Societies at Kumbakonam, Vandavasi, and Thirumayam was taken over by the Tamil Nadu Electricity Board with effect from 6.4.2002. Pending finalisation of the process of absorption of employees, guidelines were issued in Administrative Branch Memo. No. 039942/01/G.44/G.442/2002-1, dated 16.4.2002 to run the day to-day administrative functions of Rural Electric Co-operative Societies at Vandavasi, Kumbakonam and Thirumayam.

2. The Superintending Engineer/Thiruvannamalai Electricity Distribution Circle has reported, in his letter 4th read above, that at Vandavasi Rural Electric Co-operative Society there is one Sub Division, 7 O&M

B.B.-2 (Sep.2005)

Distribution Sections, 379 Distribution Transformers and 39857 services. Whereas in the existing Vandavasi O&M Division, there are 2 O&M Sub-Divisions, 8 O&M Sections, 1 Nos. 110 KVSS 476 Distribution transformers and 34641 services and suggested to merge the Vandavasi Rural Electric Co-operative society with the existing Vandavasi O&M Division. The Superintending Engineer has also sent detailed proposal on the modalities of absorption of employees.

3. After careful consideration of the proposal of the Superintending Engineer/Thiruvannamalai Electricity Distribution Circle, it has been decided to merge the Vandavasi Rural Electric Co-operative Society with the existing Vandavasi O&M Division with Headquarters at Vandavasi and for permanent absorption of the 107 employees of the Vandavasi Rural Electric Co-operative Society, who were on the rolls on the vesting date (i.e.) 6.4.2002 and whose initial appointment is not irregular/illegal, and for termination of service of 5 employees whose appointment was made in violation of Rule 149 of Tamil Nadu Co-operative Society rules 1988 and in excess of cadre strength. Further, taking into account the cadre strength approved by Joint Registrar of Co-operative Societies, Thiruvannamalai for the erstwhile vandavasi Rural Electric Co-operative Society, the increased strength recommended by Deputy Registrar/Cheyar and the number of incumbents as on the vesting date (i.e.) 6.4.2002 including one vacant post of Assistant Executive Engineer, the Board has decided to accord sanction of posts so as to enable absorption of the employees of Vandavasi Rural Electric Co-operative Society into Board's service, Sanction is therefore accorded for creation of 113 posts with effect from 6.4.2002 as detailed below, which will include, one vacant post of Assistant Executive Engineer/Electrical, 1 Supernumerary Assistant and 4 Supernumerary Helpers.

| Sl.No. | Designation | No. of post |
|--------------------------|---|--------------|
| <u>PROVINCIAL</u> | | |
| 1. | ASSISTANT EXECUTIVE ENGINEER/ELECTRICAL | - 1 (VACANT) |
| 2. | JUNIOR ENGINEER/EL. I GRADE | - 1 |
| 3. | JUNIOR ENGINEER/EL. II GRADE | - 6 |
| 4. | ADMINISTRATIVE SUPERVISOR | - 1 |
| 5. | ACCOUNTS SUPERVISOR | - 1 |
| 6. | INSPECTOR OF ASSESSMENT | - 4 |

| 11. | LINEMAN | - 10 |
| 12. | COMMERCIAL INSPECTOR | - 2 |
| 13. | SENIOR DRIVER | - 1 |
| 14. | WIREMAN | - 12 |
| 15. | HELPER | - 40 |
| Total | | 113 |

The Superintending Engineer/Thiruvannamalai is informed that 1 Supernumerary Assistant and 4 Supernumerary Helpers excluding 4 Helpers to be terminated from service shall be adjusted against the arising vacancies in the circle.

4. The employees of the erstwhile Vandavasi Rural Electric Co-operative Society have submitted an option for permanent absorption into Board's service as called for by the Board. Similarly, as there is common cadre to deal with Administrative and Accounts matter in Vandavasi Rural Electric Co-operative Society, employees

of erstwhile Vandavasi Rural Electric Co-operative Society have submitted an option to come over to Administration or Accounts cadre on absorption into Board's service.

5. The Tamil Nadu Electricity Board, hereby directs that out of 112 employees, 107 employees of the Vandavasi rural Electric Co-operative Society be regularly absorbed into Board's service with effect from the vesting date (i.e.) 6.4.2002. A statement showing the number of persons in each category, their scale of pay and the category in which they are proposed to be absorbed and the scale of pay on their absorption into Board's service is also enclosed.

6. The Tamil Nadu Electricity Board hereby directs that the provision in Regulation 94(a) relating to the qualification shall be relaxed in favour of Thiru P. Nagamani, whose qualification is S.S.L.C. failed in order to enable his permanent absorption into Board's service as Assessor.

7. The inter-se-seniority of the employees of the Vandavasi Rural Electric Co-operative Society will be fixed separately by taking into account the date of their Joining in the post they were holding on the vesting date. Thereafter, they will be eligible for notional promotion from the date on which their Junior in the board was promoted and this will be subject to the condition that they are qualified to hold that promoted post as per provisions of Tamil Nadu Electricity Board Service Regulations. If their Junior was promoted prior to vesting date, the seniority of such Society employees will be fixed on the vesting date (viz) 6.4.2002 at the top of the existing Board employees of that corresponding absorbed post. The pay of promotees will be fixed under Tamil Nadu Electricity Board Service Regulations without any entitlement for arrears of pay and Monetary benefit will be given only from the date of actual Joining in the promoted post.

8. It is hereby ordered that with effect from 6.4.2002, the employees of Vandavasi Rural Electric Co-operative Society, who are absorbed into the Board will be treated as Tamil Nadu Electricity Board employees for all purposes and they will be fully governed only by the Rules and Regulations of the Tamil Nadu Electricity Board. It is further ordered that they will not be entitled with effect from 6.4.2002 (viz.) the vesting date, for any rights, privileges concession which are customary or contractual, expressed or implied, which they were enjoying in the Vandavasi Rural Electric Co-operative Society by Virtue of their service conditions under the said Vandavasi Rural Electric Co-operative Society.

9. The receipt of this B.P. shall be acknowledged.

4. (Per.) B.P. (FB) No.31, (Adm.Br.) dt.20.9.2005.

Proceedings:

In the B.P. 4th read above, orders have been issued for absorption of employees of erstwhile Vandavasi Rural Electric Co-operative Society into Board's Service with effect from the vesting date (i.e.) 6.4.2002.

2) It is hereby ordered that consequent on the absorption into Board's service, these employees shall be brought into Board's General Provident Fund scheme with effect from 6.4.2002 and their services in the Society shall be reckoned for pension. The Superintending Engineer / Thiruvannamalai Electricity Distribution Circle is requested to take necessary action to enroll them into Board's General Provident Fund scheme in consultation with the Chief Internal Audit Officer. He is also requested to address the Employees Provident Fund Organisation to get refund of the amount at credit in respect of these employees as on date. The employees contribution together with the interest accrued thereon shall be credited to individuals General Provident Fund account. The employers contribution together with interest accrued thereon shall be credited into Board's account. Further, the Loan/Part Final, if any availed by the employees out of 3.67% of employers contribution should be recovered from the employees in easy instalments and credited to Board's account. Further, if any contribution was made towards employees Deposit linked Insurance, the same may also be got refunded and the proceeds credited to Board's account.

3) The Superintending Engineer / Thiruvannamalai Electricity Distribution Circle is informed that as per payment of Gratuity Act 1972, under which these employees are governed, the Society has taken policy with Life Insurance Corporation of India under group Insurance scheme in favour of these employees. Consequent on absorption of these employees with effect from 6.4.2002, the policy may be surrendered and the surrender value shall be credited to Board's account.

4) The Superintending Engineer / Thiruvannamalai Electricity Distribution Circle is requested to take further necessary action in the above matter in consultation with Chief Financial Controller and Chief Internal Audit Officer and send a detailed report on the action taken in the matter.

5) The receipt of this B.P. shall be acknowledged.

Establishment - Tamil Nadu Electricity Board - Upgradation of certain posts of Accounts Officer in Distribution Circles as Deputy Financial Controller - Orders - Issued.

(Permanent) B.P. (Ch.) No.202,

(Secretariat Branch).

Dated 24th Sep. 2005.

Read:

From the C.F.C./General, Board Office Accounts Branch U.O.No. 1183/D23/
D231/2005, dated 12.09.2005

Proceedings:-

Based on the number of H.T/L.T services, quantum of revenue, capital expenditure, revenue expenditure, number of Divisions and number of Revenue Branches, the post of Deputy Financial Controllers were created. Now due to increase in the number of consumers which is in the order of 8 lakhs per annum, the quantum of revenue both under L.T. and H.T services have increased substantially and hence the internal control and supervision is to be strengthened to ensure 100% assessment/collection and to render accounts of circles to Headquarters and to furnish various MIS returns for planning and decision making. As the circle office is the accounting unit for the circle as a whole and render accounts to Headquarters and for the money collected from the consumers, the Deputy Financial Controller in the circle office shall assist the Superintending Engineer in all financial matters relating to execution of various capital works, procurement of materials duly following tender procedures, effectively monitoring the cash management to ensure collected money is properly accounted and transferred to Headquarters and no idle cash is kept at the circle office. It is, therefore, quite essential that the circle is headed by the Deputy Financial Controller on the financial side in order to have more control/supervision over the revenue assessment, collection and remittance, so that the Superintending Engineer will be able to concentrate more on technical matters.

- 2) The above proposal has been examined in detail and accepted. It is hereby ordered that the existing 17 post of Accounts Officers (Class-II) in the time scale of pay of Rs. 9,500-300-15,800 in Distribution Circles be upgraded as Deputy Financial Controller (Class - I) in the time scale of pay of Rs. 11,000-350-18,350

B.B.-3 (Sep.2005)

in the 17 Distribution Circles mentioned in the Annexure - I to this Board's Proceedings for a period from the date of utilisation of the posts and upto 28.02.2005.

3) Consequent on the upgradation of the 17 posts of Accounts Officers as Deputy Financial Controller in Distribution Circles ordered in para 2 above, the existing post of 17 Accounts Officers continued in the respective Distribution Circles mentioned in the Annexure - II shall be abolished from the date of utilisation of the upgraded post in the Distribution Circles of Tamil Nadu Electricity Board.

4) The incumbent of the posts sanctioned in para 2 above will be eligible to draw the usual Pay, Dearness Allowance, House Rent Allowance, City Compensatory Allowance and other allowances at the rates admissible, under the orders inforce, wherever applicable.

5) The expenditure is debitable to "Tamil Nadu Electricity Board Funds - Revenue Expenses - 75 - Employees Costs - 75-1 - Salaries - 75-110 - Salaries Provincial".

6) Receipt of this Proceedings shall be acknowledged.

(By Order of the Chairman)

G. Ramamurthy
Secretary.

As the Rajiv Gandhi Grameen Vidyutikaran Yojana Scheme is having 90% subsidy from Government of

India with scheme period of 2 years, the implementation of the schemes are to be followed and all the sanctioned schemes should be completed within scheme period. Based on the revised R.E.C. guidelines 22 schemes formulated have been submitted to Government of Tamil Nadu covering five Districts to the tune of Rs. 275 crores. Further schemes are under formulation in respect of another batch covering eight Districts. On total, it is anticipated that schemes for about Rs. 500 crores will be sent to R.E.C for sanction at the 1st stage. Further batch of schemes may also to be formulated if situation warrants.

2) To follow up the schemes at each and every stage of implementation and to ensure that all the sanctioned schemes are completed within scheme period, the Chief Engineer/Planning has suggested to sanction one new division.

3) After careful consideration, sanction is hereby accorded for creation of one Division with the following posts in the Office of the Superintending Engineer/Rural Electrification and Improvement (Distribution) under the control of Chief Engineer/Planning for a period of one year from the date of utilisation for further follow up and for implementation of the RGGVY Scheme works and availing subsidy from Government of India through R.E.C. and for attending allied works like Tripartite agreement to be executed between Government of Tamil Nadu, Tamil Nadu Electricity Board and R.E.C. etc.:-

Sub: Elec. - Collection of ASD - From the services in the name of State Government
Departments - Orders issued by TNERC - For taking necessary action - Reg.

The Tamil Nadu Electricity Regulatory Commission has issued the following orders with regard to collection of Additional Security Deposit from the services in the name of State Government Departments.

"Collection of Security Deposit is to secure payment of all money due to the licensee by the consumers for the electricity supplied. The erstwhile Terms and conditions of supply of electricity as well as the Tamil Nadu Electricity Supply Code has provision to exempt the services in the name of State Government Departments from payment of initial security Deposit as the payment of dues for the electricity supplied to such Government Services are secured as the dues could be recovered from Government.

As the services in the name of State Government departments are exempted from payment of initial security Deposit, collection of Additional Security Deposit from such services does not arise".

The commission has further directed that the Additional Security Deposit need not be collected from SC.No. 436, in the new Hostel attached to Government Siddha Medical College, Palaymkottai. Therefore the Additional Security Deposit in respect of SC.No. 436, need not be collected. If already collected the same may be refunded through adjustment in further Current Consumption bills.

The consumer may be intimated the above fact with a copy to this office.

Thiruvalluvar Aandu 2036.

Read:

Item No. 11 of the 886th Meeting of the T.N.E.B. held on 24.9.2005.

Proceedings:

In earlier occassions, according to Electricity Supply Act 1948, Tamil Nadu Electricity Board has to get the approval of State Legislature for enhancement of borrowing limit. After enforcement of Electricity Act 2003 from 10.6.2003, State Government has directed the Board that the practice of obtaining approval of the Tamil Nadu State Legislative Assembly for enhancing the borrowing limit of Tamil Nadu Electricity Board be dispensed with since there is no provision in the Electricity Act, 2003. As per the orders of State Government regarding enhancement of borrowing limit of the Board, approval from Members of the Board will be sufficient.

2. Accordingly a proposal for enhancing the borrowing limit of the Board from Rs. 10,000 Crores to Rs. 12,000 Crores duly explaining the justification has been placed before the Board.

3. In its 886th Meeting, Tamil Nadu Electricity Board after careful consideration approved the proposal of enhancement of the borrowing limit from Rs. 10,000 Crores (Rupees Ten thousand Crores only) to Rs. 12,000 Crores (Rupees Twelve thousand crores only).

- 2) (Per) B.P. (FB) No. 3 (SB) Dated: 30.1.1997.
- 3) From the Chief Engineer/Projects/Civil/Masinagudi Letter No. 7996/700/
Adm.I/A2/F.C.I/05 Dated 29.8.2005.

Proceedings:

The Pykara Ultimate Stage Hydro Electric Project is likely to be commissioned on 6.9.2005. It has been decided to sanction commissioning incentive of one month Pay plus Dearness Allowance to the eligible employees of the Pykara Ultimate State Hydro Electric Project in recognition of their good work in successfully completing the project.

2) Accordingly, it is hereby ordered that the commissioning incentive of one month Pay plus Dearness Allowance relating to the month of completion of Pykara Ultimate Stage Hydro Electric Project to sanctioned to the eligible employees of the Pykara Ultimate Stage Hydro Electric Project, (including General Construction Circle/Coimbatore, P&C/Coimbatore), who were involved in the construction/completion of the project, subject to the fulfillment of the conditions laid down in (Per) B.P. (FB) No. 58 (SB) Dated: 17.8.1996, as amended in (Per) B.P. (FB) No. 3(SB) Dated : 30.1.1997, issued for the purpose of sanctioning of commissioning incentive and subject to the variation mentioned in para - 3 below.

3) The Pykara Ultimate Stage Hydro Electric Project was scheduled to be commissioned in 11/2003. However the delay is due to the complexity such as geological surprises during tunnelling which could not be anticipated. In view of the above, it is further ordered that the 10% reduction in commissioning incentive need not be effected in the sanction ordered in para-2 above.

4) The Tamil Nadu Electricity Board also directs that the pay for the incentive shall include special pays. In the case of employees who are eligible for the incentive but left the project/station prior to completion of the project, incentive shall be on the basis of admissible pay plus Dearness Allowance for the month in which they left the project/station.

5) The expenditure is debitable to "Tamil Nadu Electricity Board Funds - Revenue Expenditure I - Hydro Electric Scheme - Pykara Ultimate Stage Hydro Electric Project - 75 Employee Costs - 75 - 502 - Ex-gratia payment".

6) The receipt of this Board proceedings should be acknowledged.

Sub: Electricity - Extension of 24 hours three phase supply to LT Commercial Service connection at the request of the consumers - Reg.

Of late requests have been received for extension of 24 hrs three phase supply to LT commercial Service Connections. In the changing scenario of power distribution, in the interest of consumers and in the

revenue point of TNEB, it is decided to extend 24 three phase supply to LT commercial SCs also at the request of the consumer at their cost.

Hence, 24 hours three phase supply may be extended to LT Commercial SC at the party request subject to collection of difference in extension cost between urban/industrial feeder and rural feeder or by 4th wire extension after collecting entire estimated cost (including improvement and other charges if any) from the consumer ensuring that Agricultural Service Connections do not enjoy 24 hours 3 phase supply due to such extension, cost of segregation of Agricultural loads if any shall also be collected.

Minutes of the 885th Board meeting held on 3.9.2005. (item No. 35)

Proceedings:

The Tamil Nadu Electricity Board after careful consideration has approved the proposal for considering an amendment to the power transformer purchase orders in force, to increase the limit of price variation ceiling from $\pm 10\%$ to $\pm 30\%$, for the power transformer supplied from 1.4.2005, in view of critical inventory position and also due to the fact that the exercising the re-tender option will lead to delay and extra cost in view of the present market trend of the raw materials.

2. The above approved proposal is for considering amendment to following running purchase orders.

Tamil Nadu Electricity Board - Evaluating the performance of Distribution Region/Circles - Awarding marks - Assessment of performance of officers - Orders - Issued.

(Permanent) B.P. (Ch) No.195,

(Secretariat Branch),

Dated 8th Sep. 2005.

Avani 23, Parthiba Aandu,
Thiruvalluvar Aandu 2036.

Read:

(Per.) B.P. (Ch.) No. 127 (SB), dated 3.5.01.

Proceedings:

In the Board's Proceedings cited, orders were issued stipulating certain parameters for evaluating the performance of Distribution Regions/Circles.

2. In order to improve the image of the Board and also to prepare the field engineers to meet the statutory requirements laid down by Tamil Nadu Electricity Regulatory Commission, the parameter presently followed for performance evaluation has to be suitably modified to include the standards of performance and to remove certain items where targets have been withdrawn.

3. Accordingly, it has been decided that the performance of Distribution Regions/Circles shall be evaluated based on the following 17 activities, every month:

| Sl. No. | Service area covered | Weightage |
|---------|--|-----------|
| 1. | Restoration of supply during interruption | |
| | a. Due to HT break down | 4 |
| | b. Due to fault transformer structure | 3 |
| | c. Due to fault in pillar box | 2 |
| | d. Due to fault in individual service connections | 1 |
| 2. | Replacement of failed distribution transformers | 7 |
| 3. | Giving new supply/additional load | 5 |
| 4. | Refund of balance deposit in temporary supply | 5 |
| 5. | Shifting of service | 5 |
| 6. | Change of tariff | 5 |
| 7. | Transfer of service connection | 5 |
| 8. | Complaints in billing | 5 |
| 9. | Replacement of meters | 8 |
| 10. | Voltage fluctuation & Voltage complaints | 5 |
| 11. | Effecting LT Agricultural services | 5 |
| 12. | Effecting LT OHT services | 5 |
| 13. | Effecting LT public lighting services in Town Panchyats and Village Panchayats | 5 |
| 14. | Failure of distribution transformers | 10 |
| 15. | Sub station Cumulative tripping index | 15 |
| 16. | The interface with local bodies on street lights | 10 |
| 17. | Performance of the Circle for "Project Best" | 10 |
| Total | | 120 |

The method of assigning marks is given in the Annexure, the tasks can be varied any time depending on the needs of the organisation.

4. A monthly review of the performance of the Circles and Regions will be prepared by the DATA Cell before 15th of every month and submitted to the Chairman on 15th of every month. The Chief Engineers of

regions and Superintending Engineers of Circles should review the performance of divisions and sections on 10th of every month. All officers are requested to take note of performance while writing the performance Assessment Report. This performance will also be taken into account while assessing the performance of the officers.

5. It was also decided to award medals to the first three best performing regions and first three best performing circles at the end of the financial year for encouraging the officers for better performance.

6. As the above system of evaluation of performance on the basis of objective criteria is only in the interest of the organisation, all officers are requested to co-operate, conduct critical reviews and improve their performance. It should also be noted that anyone giving false data to show their performance will be taken to task and that there will be periodical inspections by the Headquarters officers, to verify the veracity of the data.

7. Accordingly, the Tamil Nadu Electricity Board hereby directs that the above instructions be followed scrupulously in future.

8. The receipt of this proceedings shall be acknowledged.

(By Order of the Chairman)

G. Ramamurthy,
Secretary.

Memo. No. CE/Comml. EE.3/AEE.2/F.A.(51)/2005, (Technical Branch) dt. 13.9.2005

Sub: Electricity - Effecting advance supply to some selected applicants leads to corruption pointed out by Vigilance Cell - Issue of instructions - Reg.

The Vigilance Cell has pointed out that in Chennai City, advance supply is being given to some selected applicants due to delay in erecting new transformer. which is not in accordance with either Electricity Act 2003 or Terms and Conditions of Supply of Electricity. This will give room for corruption.

The remarks of the Vigilance Cell are examined in detail and following instructions are issued.

In as much as, there is no provision to effect advance supply either in Electricity Act 2003 or Tamil Nadu Electricity Supply Code and also to avoid malpractice as suggested by Vigilance Cell, advance supply need not be effected where extension works are pending to be completed by TNEB.

Receipt of the memo. may be acknowledged.

Circular Memo. No. CFC/FC/DFC/Rev/AO/Rev/1075/2005, (Accounts Branch) dt. 15.9.2005

Sub: Electricity - Tamil Nadu Electricity Distribution Code - Application Form for electricity service connection - Obtaining of signature from approved wiring contractor - Instructions Issued.

As per Clause 27(3) of Tamil Nadu Electricity Distribution Code, the application form for Low Tension supply (except agricultural category) including hut service shall be in Form No. 1&3 of annexure-III. In the application form, there is no provision with regard to obtaining the signature of licensed wiring contractor. Therefore, the field officers are not obtaining the signature of the wiring contractors in the application form.

2. Some of the Licensed Wiring Contractor's Associations have represented that the signature of the approved wiring contractors is not obtained by the Board in the application form prescribed in the Tamil Nadu Distribution Code and requested to instruct the field officers to obtain the signature of the approved wiring contractors.

3. In this connection, the Tamil Nadu Electricity Regulatory Commission in its letter addressed to Chief Electrical Inspector to Government has stated that.

- i. as per Section 53 (a) of Electricity Act 2003, the authority in consultation with the State Government specify suitable measures protecting the public (including the persons engaged in the generation, transmission or distribution or trading from dangers arising from generation, transmission or distribution or trading of electricity or use of electricity supplied or installation, maintenance or use of any electric line or electrical plant;
- ii. the provision in the note appended to the format in the Distribution Code clearly indicates that the electrical installation works shall be carried out only by an authorized person specified

by the authority. So far the authority has not made any regulation under the said section 53 of the Act;

- iii. as per Section 185(2) of Electricity Act 2003, the Indian Electricity Rule 1956 made under Section 37 of the Indian Electricity Act 1910 as it stood before such repeal, shall continue to be in force till the regulation under Section 53 of the Act are made;
- iv. in view of said Section 185(2) © of the Act, the rule 45(1) of I.E. Rules 1956 is still applicable. The Tamil Nadu Distribution Code and in particular the note appended to the format has not dispensed with the statutory requirement as laid down in the said rule 45 (1) of the I.E. Rule 1956.

4. Since, so far, the authority has not made any regulation under the Section 53 of Electricity Act 2003, the Indian Electricity Rule 1956 made under Section 37 of the Indian Electricity Act 1910 as it stood before such repeal, shall continue to be in force.

5. Therefore, inasmuch as I.E. Rule 1956 is in force and the Tamil Nadu Electricity Distribution Code, has not dispensed with the statutory requirement as laid down in the said rule 45(1) of I.E. Rule 1956, the field officers may be instructed, to obtain the signature of the electrical wiring contractors who are licensed under Rule 45(1) of I.E. Rule 1956 in the application form notified in the Tamil Nadu Electricity Distribution Code and in the Test Report to comply with the statutory requirement as laid down under Rule 45(1) of I.E. Rule 1956.

6. Receipt of the circular memo. may be acknowledged to financial Controller/Revenue.

Thiruvalluvar Aandu 2036.

Read:

Extract from the minutes of 886th meeting of the Board held on
24.9.2005, Item No. 18.

Proceedings :

Time extension for 8 weeks for payment of Dev. and other charges has been granted by the Chairman as per the powers delegated in the Per. B.P. (F.B.) No. 10 (Techl.Br.) Dt. 12.1.2005 to M/s. Alomex Profiles Pvt. Ltd. Sipcot Industrial Park, Sriperumpudur, Kancheepuram District for a new HT service for a demand of 300 KVA.

M/s. Alomex Profiles (P) Ltd., Sriperumpudur in their letter dt. 30.7.2005 has requested to grant further extension of 12 weeks time for payment of Dev. & other charges for availing new HT supply 300 KVA demand informing that their Director has not yet recovered from ailment and unable to attend the office to sign the agreement.

Board in its 877th meeting held on 8.1.2005 has delegated powers to Chairman for revival of cancelled HT application and for granting of time extension once not exceeding six months only for payment of Dev. and other charges and execution of agreement to the prospective and existing consumers for new service or additional demand in the existing service for genuine cases in future. And orders on the above have been issued vide Per. B.P.(F.B.) No. 10 (Techl. Br.) dt. 12.1.2005.

As per the above B.P. time extension to the HT applicants for payment of dev. & other charges are being granted once by Chairman with BPSC at 1.5% per month as per the TNERC supply code Regn. No. 5(4)(vi) from the day following the due date for payment of 1st notice till to the date of payment. In the instant case, time extension has already been given once to the applicant for 8 weeks, but the intending consumer has requested further time extension due to illness of the Director.

CE/D/Vellore Region vide letter dt. 20.8.2005 has informed that the request of this HT applicant appears to be genuine, further time extension may be granted for making payment and execution of agreement as the extension of HT supply will fetch additional revenue to the Board. For granting of further time extension to the applicant in the revenue point of view of Board and in the interest of consumers, Per. B.P. (F.B.) No. 10 (Tech. Br.) Dt. 12.1.2005 has to be relaxed.

Board after careful consideration has accorded approval to revive the new HT application of M/s. Alomex Profiles (P) Ltd., Sriperumpudur for 300 KVA demand and to grant further time extension of 12 weeks from the date of time extension notice to be issued from the field for payment of Dev. & other charges with BPSC at 1.5% per month as per the TNERC supply code Regn. No. 5(4)(vi) from day following the due date for payment of 1st notice till to the date of payment relaxing Per. B.P. (F.B.) No. 10 (Tech.Br.) Dt. 12.1.2005.

Board has also delegated powers to Chairman for revival of cancelled HT application more than once and for granting of time extension not exceeding six months only for payment of Dev. and other charges and execution of agreement to the prospective and existing consumers for new services or additional demand in the

existing service for genuine cases in future with BPSC at 1.5% per month as per the TNERC supply code Regn. No. 5(4) (vi) from day following the due date for payment of 1st notice till to the date of payment relaxing the Board's earlier order issued vide Per. B.P. (F.B.) No. 10 (Tech.Br.) dt. 12.1.2005.

Tender - Tamil Nadu Transparency in Tenders Rules 2000 - Amendment to Rule. 29 in Sub-rule (2), in Clause (d) in item. iv - Orders - Issued.

(Permanent) B.P. (Ch) No.3, (Accounts Branch), Dated 29.9.2005,
Purattasi 13, Parthiba Aandu,
Thiruvalluvar Aandu 2036.

- Ref: 1) G.O. Ms.NO. 412, Dated 9th October, 2003 of Finance (Salaries) Department.
2) (Per) B.P. (Ch) No. 8 (Accounts Branch) Dt. 29.12.2003.
3) G.O.Ms.No. 17 Dt. 17th January, 2005.

In the B.P. under reference cited read with G.O under reference 1st cited, it has been instructed that as per Rule 29, in Sub-rule (2), in Clause (d), in Item. (iv), in a tender where the tenderers are both from the State of Tamil Nadu as well as from outside the State of Tamil Nadu, the Sales Tax shall be excluded for the evaluation of price.

In the G.O. under reference 2nd cited, the Government of Tamil Nadu have issued amendment in said rules, in Rule. 29, in Sub-rule. (2), in Clause (d), in item. (iv), for the expression "Sales Tax". The expression "Sales Tax under the Tamil Nadu General Sales Tax Act, 1959 (Tamil Nadu Act 1 of 1959) shall be substituted.

Hence, in view of the above amendment in a tender where the tenderers are both from the State of Tamil Nadu as well as from outside the State of Tamil Nadu. the TNGST quoted by the tenderers situated in the State of Tamil Nadu shall be excluded and CST quoted by the tenderers situated outside the State of Tamil Nadu shall be included for the evaluation of the offers received to determine the L1 tenderer.

All the P.O. placing authorities are hereby ordered that the above amendment shall be incorporated in the tender documents under instructions to tenderers - evaluation criteria and finalise the tender.

The above amendment shall be made applicable for the future tenders to be floated and tender enquiry to be issued.

Read:

1. Per B.P. (FB) No. 40 (Tech Branch) dt. 01.03.1999
2. Minutes of the 886th meeting of Tamil Nadu Electricity Board held on 24.09.2005 (Item No.13)

Proceedings :

Board after careful consideration has accorded approval for the following:

1. To revise the water consumption charges for the drawal of return cooling water (Hot water) from Ennore Thermal Power Station at the rate of Rs. 0.83 (Eighty three paise only) per m³ with effect from 23.5.2003 to 22.5.2004 and Rs. 0.91 (Ninety one paise only) per m³ with effect from 23.5.2004 to 22.5.2005

2. To waive the way-leave charges with effect from 23.05.2003 for the old suction pipe line installed at Board's premises and later abandoned due to sea erosion, since M/s. EID Parry (India) Ltd have re-routed their pipe line and are paying Rs. 15,500/- per month towards rental charges from 9/2000.
3. To collect water consumption charges from 23.5.2005 upto the date of termination with 10% escalation and rental charges for the period from 09/2005 upto the date of termination with 10% escalation if M/s. TNPCB deny the company's request for the extension of agreement with the Board.
4. If it is decided to renew the contract with the company on receipt of clearance from M/s. TNPCB, separate proposal shall be evolved with regard to water consumption charges and rental charges to be collected from the company through mutual discussions and shall be placed before the Board for approval.
