(Per.) B.P. (F.B.) No.46 (Adm. Branch), dated 13.10.1995.

Proceedings :

Tmt. P. Visalakshi has represented for providing employment assistance to her son Thiru. P. Bharanikumar, on compassionate grounds, stating that her husband Thiru. K. Parthasarathy, Foreman I Gr./ Mangalapuram Section/ Chennai Electricity Distribution Circle/ West, expired on 13.07.94, while in service. She has stated that her 1st daughter is a mentally retarded and that she has applied for employment assistance in 2006 on compassionate grounds for her son Thiru. P. Bharanikumar, M.B.A. 1st class. But, the same was rejected by the CE/ Personnel, Chennai-2, stating that she has applied belatedly, beyond the prescribed period of 3 years from the date of death of her husband. Even after that she has represented for employment assistance stating that due to their poverty position and the prolonged illness of her spotic daughter for whom medical expenditure is incurred which is unbearable, to be met from the meagre family pension received by her.

2. The serious concern of the Court is only immediacy in giving employment assistance to the legal heirs of the deceased Government/Board servants in harness, for which the Courts observe then and there that the time limit of 3 years fixed for presenting application for employment on compassionate grounds need not be extended observing that the very basis of compassionate appointment is to see that the family gets immediate relief. This case squarely falls within the said observation of the Courts of Law. However, the acute poverty of the family on the recurring medical expenditure towards the treatment to the spotic daughter, the son of the Board's servant may be given employment by condoning the delay in preferring job assistance within the prescribed time limit.

3. After careful consideration, the Board is hereby ordered that the employment assistance on compassionate grounds be provided to Thiru. P. Bharanikumar, S/O. (L) K. Parthasarathy, Foreman I Gr., Chennai Electricity Distribution Circle/ West, by relaxing the condition of submission of application for providing

employment assistance within three years, as a special case, in favour of Thiru. P. Bharanikumar, S/o (L) K.Parathasarathy, Foreman IGr., expired on 13.07.94.

Lr.No.CE/D/Tirunelveli/No.27094/E2/1429/2007, dt.13.9.2007.

Proceedings :

The proposal for waiver of BPSC in respect of HTSC No.54/Tuticorin EDC M/s.Benix Chemical was received from the Chief Engineers/Distribution/Tirunelveli vide letter dt.13.9.2007. It was requested to consider the waiver of BPSC upto 31.8.2007 of Rs.16,35,133/- since the consumer has settled the CC charges arrears of Rs.4,90,065/- on 31.8.2007.

The Chief Engineer/Distribution/Tirunelveli has stated in his letter as below:-

The Superintending Engineer/Tuticorin EDC has furnished the current consumption charges arrears details as below:-

Date of disconnection	19.10.1991	
Current consumption charges arrears		Rs. 4,90,065/-
Dismantling charges		Rs. 1,815/-
Total		Rs. 4,91,880/-
less dues realised through sale of land/ property under RD/RR Act		Rs. 3,85,000/-
Balance current consumption charges dues as on 31.8.2007.		Rs. 1,06,880/-

and requested waiver of BPSC upto 31.8.2007 for an amount of Rs. 16,35,133/-.

While scrutinising the proposal for waiver of BPSC it is found that the BPSC accrual at the time of Account closure was not adjusted against the SD first as per the terms and condition of supply of Electricity clause 20.08 for an amount of Rs.16,429.

Therefore the SE/Tuticorin EDC was intimated to collect the balance current consumption charges arrears amount of Rs.16,429/- from the above consumer for considering the request for waiver of BPSC. As such the short collection of current consumption charges arrears amount of Rs.16,429/- was collected from the above consumer on 22.1.2008.

Instruction had been issued to all the Chief Engineer/Distribution and Superintending Engineer/Electricity Distribution Circle vide Circular Memo.No.CFC/FC/DFC/Rev/AAO/HT/E6/78-1/2006, dt.29.7.2006 that where the collection of arrears and Belated Payment Surcharge could not be made even after continuous efforts taken for collection and also such consumers are not in a position to get the service reconnected, proposal may be sent for waiver of Belated Payment Surcharge after collecting the current consumption charges arrears in one lumpsum. It is instructed in the above circular memo. vide para (1) that the waiver of Belated Payment Surcharge may be considered in respect of consumer of disconnected services who do not require resumption of supply and request for closure of account and ready to pay all the outstanding arrears due to Board in one lumpsum except Belated Payment Surcharge viz. after two years from the date of termination of agreement where collection could not be made inspite of taking effective action to realise the arrears.

The HTSC No.54 of Tuticorin EDC was disconnected on 19.10.1991 and account was closed. The consumer has cleared the entire dues of Rs.5,08,309 (realised by auction sale of property Rs.3,85,000,

Rs.1,08,880 collected on 31.8.2007 and Rs.16,429 on 22.1.2008).

After 16 years (i.e.) on 31.8.2007 the Board have collected the remaining current consumption charges arrears after realising the dues from sale of property under the RR/RD Act, and an amount of Rs.1,23,309/- was collected after persuading the consumer that the BPSC will be waived if the arrears is cleared.

The Board in its 911th meeting held on 29.3.2008 has approved the proposal for waiver of the BpSC of Rs.16,35,133/- (upto 31.8.2007) in respect of HTSC No.54 of Tuticorin EDC. M/s.Benix Chemical whose service connection was disconnected on 19.10.1991 and was permanently dismantled subsequently since the current consumption charges arrears of Rs.1,23,309/- was settled by the consumer of M/s.Benix Chemicals on 31.8.2007 & 22.1.2008.

Therefore, the Superintending Engineer/Tuticorin Electricity Distribution Circle shall arrange to withdraw the Belated Payment Surcharge of Rs.16,35,133/- by adjustment in respect of HTSC No.54 of Tuticorin Elec. Distribution Circle, M/s.Benix Chemicals.
