### **"GREATER PARTICIPATION FOR A STRONGER DEMOCRACY"**

Letter No.8990/2010-2, Dated 21.10.2010.

From

Thiru Praveen Kumar, I.A.S.,  
Chief Electoral Officer &  
Secretary to Government.

To

All Secretaries to Government (w.e.)  
All Heads of Departments, (w.e.) etc.

Sir,

Sub: ELECTIONS - General Elections to Tamil Nadu Legislative Assembly, 2011 - Selection, appointment and training of polling personnel - Creation of Database - Requisitioning of staff for election duty - Regarding.

-----

I am directed to state that the Election Commission of India has directed to assess the manpower requirement at various levels for appointment of polling personnel like Sector/Zonal Magistrate, Presiding Officer, Polling Officer etc. Therefore, the preliminary work relating to the appointment of polling personnel for the General Elections to Tamil Nadu Legislative Assembly, 2011 has been taken up.

2. In this connection, I am to Inform that in accordance with the amended provisions of Section 159 of the Representation of the People Act 1951, it is obligatory on the part of the following authorities to make available the staff necessary for the performance of election duties in connection with the election:

(i) Every local Authority

- (ii) Every University establishment or incorporated by or under a central, Provincial or State Act.
- (iii) A Government Company as defined in Section 617 of the company Act 1956.
- (iv) Any other institution, concerned or undertaking which is established by or under a Central Provincial or State Act or which is controlled or financed wholly or substantially by funds provided, directly or indirectly, by the Central Government or a State Government.

Under Section 26 of the Representation of the People's Act 1951, the District Election Officer is the appointing authority for Presiding Officer and Polling Officers for the polling stations.

4. For the above purpose, particulars of officers/officials working in the Central/ State Government Offices, PSUs etc. based in the districts have to be obtained and compiled in an electronic database. Therefore, the basic details, category-wise in terms of number of eligible personnel available have to be provided to the District Election Officers concerned for inclusion in the database of polling personnel.

5. I am therefore to request you to issue suitable instructions to all HOD's/ PSUs/Subordinate offices/Regional Offices under your control in the state to furnish the details of staff working under their control, in the prescribed proforma annexed herewith to the District Election Officers concerned. (The details of staff normally exempted from election duty is also annexed herewith) Any changes due to Transfer or Promotion subsequently should be brought to the Notice of the District Election Officers for updation of the data base.

Praveen Kumar,  
Chief Electoral Officer & Secretary to Government.

Holidays - TANGEDCO - Holidays for employees of the TANGEDCO and TANTRANSCO for Calendar Year 2011 - Orders - Issued.

(Secretariat Branch)

(Per.) CMD TANGEDCO Proceedings No.19

Dated the 1<sup>st</sup> December, 2010.  
Karthigai 15, Vikruthi Varudam,  
Thiruvalluvar Aandu - 2041.

### **Proceedings:**

The TANGEDCO directs that the employees of the TANGEDCO, TANTRANSCO and Tamil Nadu Electricity Board Limited on time scale of pay, be granted holidays during the year 2011 as detailed in the Annexure.

2. The number of holidays allowed will not be a precedent for future years. If any one of the occasions mentioned in the Annexure, for which a holiday is declared happens to fall on normal holiday like Sunday in the future year, no substitute holiday on that account will be allowed. Besides, the TANGEDCO and TANTRANSCO shall also follow any other order that may be issued by the Government of Tamil Nadu, declaring holidays on special occasions and compensatory working days in lieu thereof, during the year 2011.

3. The monthly rated employees of the Board may also have holidays on Sundays or any other day in the week in lieu of Sundays.

4. The TANGEDCO also directs that the employees of the TANGEDCO, TANTRANSCO and Tamil Nadu Electricity Board Limited in a particular office or other unit, who have been allowed a holiday on Second Saturday of each month during the

previous years, may be granted a holiday on the Second Saturday of each month during the year 2011 also, if they continue to work in the same office or unit in the year 2011.

5. The TANGEDCO further directs that in addition to the holidays mentioned in the Annexure, Thiruvalluvar Day on 16<sup>th</sup> January 2011, May Day on 1<sup>st</sup> May, 2011, Krishna Jayanthi on 21<sup>st</sup> August, 2011, Gandhi Jayanthi on 2<sup>nd</sup> October, 2011 and Christmas on 25<sup>th</sup> December, 2011 which fall on Sundays shall be the holidays for the shift operation staff for whom those days are not holidays.

(By Order of the Chairman cum MD)

Encl: Annexure.

 5) From the Deputy Secretary to Govt. Energy (OP) Dept., Letter No.9995/OP/2010-2, dated:26.11.2010.

-----

In the Circular Memo. first cited, the Chief Engineers/Superintending Engineers have inter-alia, been requested to issue instructions to field staff to watch the court cases closely and to obtain the judgement (and decree) copy (or orders, etc.) on the day when it is ready for dispatch by Court so as to file appeals in time, wherever necessary. In the Circular Memo. second cited, instructions have been issued in the matter of avoidance of Contempt applications against the Board and its officials. Pursuant to the Government's letter third cited, which was based on the observations of the First Bench of the Hon'ble High Court, Madras, instructions have been issued to the Chief Engineers/Superintending Engineers and all Heads of Department in Circular Memo. fourth cited to ensure that appeals, wherever necessary, shall be filed within the limitation period and to circulate the instructions to all officers under their control for strict compliance.

2. Now, the Government in the reference fifth cited, enclosing the orders of the Hon'ble Supreme Court of India dated 1.10.2010 in SLP No.29275 of 2010, have, inter-alia, directed to undertake necessary remedial measures and to look into the aspects of the delay in filing appeals and to initiate disciplinary action against the persons responsible for the same before filing appeals. In this connection, the observations of the Hon'ble Supreme Court of India in the said order are as below:

"xxxxxx

2. In this case second appeal before the High Court was filed after 501 days. In this Court also the petition has been filed after delay of more than one year.

3. It appears that cases are coming up before this Court, and probably before the High Courts also, where appeals or writ petitions are filed after inordinate delay and an explanation is sought to be given in the application for condonation of delay in such cases filed by the government or the State Authorities that the file was moved from one desk to another or the approval was sought from the higher authority which took considerable time. We feel that the beneficiary of the judgement may be hand in glove with the officials in the Government Department who deal with the files the files are suppressed for a long period and then the appeal before the High Court or Supreme Court is filed after a long delay to get the appeal dismissed on the ground of delay. Huge amounts of public money or public property may be involved and the Government will be the loser on the technical point of limitation in such cases. This racket has been going on for a long time not only before the Supreme Court but also before the High Courts. Now the time has come that this racket should [www.taneef.org](http://www.taneef.org) end and the officials responsible for this be given severe punishment.

4. The Chief Secretary for the State of Jharkhand will file an affidavit explaining what action has been taken against the officials causing the delay. In case no action has been taken reasons for the same be mentioned.

5. This practice is often adopted by officials of various State Governments and has become a regular feature. The explanation usually given for the delay is the red tape in government offices.

6. It is high time that this mal-practice be severely rooted out and an effectual mechanism be adopted all over the country so that such delays do not occur in future.

xxxxxx"

3. Therefore, the Chief Engineers/Superintending Engineers and all Heads of Department are once again directed to ensure that appeals, wherever necessary, shall be filed within the limitation period by taking note of the all the aforesaid position besides circulating the same to all officers and staff under their control for strict compliance.

(By Order of the Chairman-cum-Managing Director)

A. Arunagiri,  
Legal Adviser.

### Proceedings:

The monetary limit on Chit Agreements exercised by the erstwhile Assistant Divisional Engineers (Assistant Executive Engineers) have been enhanced from Rs.1,000/- to Rs.5,000/- and subsequently, the same has been enhanced from Rs.5,000/- to Rs.15,000/- for executing Chit Agreement and was also ordered that the three quotation policy and executing the Chit Agreement in an Rs.80/- stamp paper be dispensed with since the works are executed only at approved rates in the Board's Proceedings first and second read above.

2. Now, the Government of Tamil Nadu has announced to energise 2,00,000 new pumpsets to farmers whose applications are pending for more than 10 years in a time bound manner as detailed below:-

Sl.No.	No. of Pumpsets	Date for completion
1.	50,000/-	Before 30.12.2010.
2.	50,000/-	Before 31.03.2011.
3.	50,000/-	Before 30.06.2011.
4.	50,000/-	Before 30.09.2011.

3. The Director / Finance / TANGEDCO, has stated that in the absence of entrusting the works under the Chit Agreement, works of energizing new pumpsets cannot be executed through contract labourers as per the Schedule. Since the target date is nearer, the Director / Finance / TANGEDCO has suggested to enhance the powers of Assistant Executive Engineers from Rs.15,000/- to Rs.25,000/- for entering Chit Agreement on nomination basis at approved rates to carry out the said works in time. The proposal has been accepted.

4. Accordingly, the TANGEDCO hereby directs that the monetary powers of Assistant Executive Engineers be enhanced from Rs.15,000/- to Rs.25,000/- for executing the Chit Agreement to carry out the works mentioned in para 2 above.

Sub: Establishment - TANGEDCO - Collection and delivery of tappals in different offices in TANGEDCO all over the state and outside of State - Further instructions - Issued.

Ref: Circular No.27407/AO/Estt.D25/2009, dated 2.7.2009.

-----

It has already been instructed to communicate/sending letters, tappals etc. by "Professional Couriers".

2. In spite of the above instruction, the Chairman cum Managing Director has observed that many officers in the Vigilance Cell and elsewhere all over the state still send letters, tappals by Registered post with Ack. Due spending amounts ranging between Rs.30/- and Rs.50/- per tappal which are not at all necessary and also no urgency involved.

3. It is now instructed that the existing procedure of sending tappals/letters by "Professional Couriers" shall be adopted in other offices also. The officers should issue proper instructions to their sub-ordinates to avoid wastage of money in these matters.

In case of urgency, e-mail facilities can be utilized.

Circulation Board Note approved by the Board of  
Director of TANGEDCO ON 02.12.2010.

-----

Tamilnadu Generation and Distribution Corporation Ltd., (TANGEDCO) is incorporated under the Companies Act, 1956 (No.1 of 1956) on 1<sup>st</sup> December 2009. Subsequently based on the Tamil Nadu Electricity (Reorganisation and Reforms) Transfer Scheme, 2010 and as per the provisions of the Electricity Act, 2003, the GoTN have issued orders in G.O. (Ms.) No.100, Energy (B2) Department, Dt.19.10.2010 that the TNEB has been classified into three undertakings with effect from 01.11.2010 as (i) Tamil Nadu Generation and Distribution Corporation Limited (TANGEDCO) (ii) Tamil Nadu Transmission Corporation Limited., (TANTRANSCO) and (iii) TNEB Limited.

2. The capital expenditure, repayment of loan and payment of interest and also part of other revenue expenses of TANGEDCO are to be met out through borrowing funds as there is no internal source of funds, since then TNEB was incurring loss since 2003 onwards. The repayment of commitments are on increasing trend and the Board was forced to meeting the above commitments only on borrowed funds, since the monthly revenue gap is Rs.1500 crores approximately.

3. The Board of Directors of TANGEDCO is empowered to borrow loans on behalf of TANGEDCO. As per the Section 285 of the Companies Act, a meeting of its Board of Directors shall be held at least once in every three calendar months and there is no restriction for holding number of meetings. Generally the Board of Directors meeting would be held once in a month after getting convenient date and time of the Board of Directors, whereas TANGEDCO's commitments have to be discharged then and there, i.e., on due dates. In order to avoid delay it is proposed to form a 'Borrowing Committee'.

4. As per the provision of Companies Act - under Sec.292(i) a 'Borrowing Committee' be formed and powers be delegated to 'Borrowing Committee' for borrowing and to pass necessary resolutions on behalf of the TANGEDCO for availing loans from Banks/Financial Institutions like - REC, PFC, TNPFC, HUDCO, LIC of India and others, after getting the approval from the Directors of TANGEDCO through Circular Resolution on 02.12.2010 the following resolutions have been passed.

- (i) RESOLVED THAT 'Borrowing Committee' is formed under the Chairmanship of CMD/TANGEDCO.
- (ii) RESOLVED THAT powers may be delegated to the Borrowing Committee for giving approval and pass resolution, for availing loans from Banks / Financial Institutions /PFC / REC / TNPFC / HUDCO / LIC of India [www.tanef.org](http://www.tanef.org) The

Director-Finance/ TANGEDCO may be authorized to execute the loan documents and other relevant papers for availing the loan.

(iii) RESOLVED THAT 'Borrowing Committee' was formed under the leadership of CMD/TANGEDCO with the following Members of TANGEDCO:

- (1) Chairman & MD / TANGEDCO,
- (2) Director - Finance / TANGEDCO,
- (3) Director - Generation / TANGEDCO and
- (4) Director - Distribution / TANGEDCO

(iv) RESOLVED THAT the loan may be availed from the above institutions based on the approval of the Borrowing Committee and issue the necessary Board resolution on behalf of the Board of Directors of the Corporation and to give approval for execution of relevant loan documents and other related agreements.

(v) RESOLVED THAT the approval may be given on behalf of the Board of Directors of the TANGEDCO to affix the common seal in the loan documents and other related agreements and papers.

-----

1.0 In the memo first cited, among other things, powers have been delegated to the Chief Engineers/Distribution/Region to deal with the representations relating to new agriculture service connection received from the purchases of agricultural lands from the original applicants, wherein, it has been specifically ordered that persons who purchased the agricultural land from the original applicant after expiry of 90 days notice period shall not be allowed to enter readiness to avail service connection.

1.1. We have received several representations from the purchasers of the agricultural lands from the original applicants after expiry of 90 days notice period requesting for consideration of their cases for entering readiness to avail the new agricultural service connection.

2.0. After careful consideration, it is hereby ordered that:

The purchasers of the agricultural land from the original applicants, (who had applied with the then Tamil Nadu Electricity Board now TANGEDCO) after expiry of 90 days readiness notice issued to the original applicants, may be allowed to enter readiness for availing of the new agricultural service connection upto a period of five (5) years from the date of expiry of such 90 days readiness notice originally issued, treating such purchaser(s) as the original applicant with the Board subject to the condition that such purchaser(s) furnishing an undertaking to the effect that he is aware that the new agricultural service connection will be effected for the well/borewell originally applied for and that no change in SF number of the well/borewell will be entertained.

3.0. The order issued herein is in addition to the instructions already in force in this regard.

Item 39 of Minutes of 006<sup>th</sup> Meeting of TANGEDCO held on  
7.12.2010.

### **Proceedings:**

Tamil Nadu Generation and Distribution Corporation Limited approve and ratify the instruction issued to the field as stated below under Sl.No.1.0 to 2.10 and to incur an expenditure of Rs.2,700 Crores by availing loan from funding agency (REC) in order effect 2 lakhs service connections as per the announcement made by the Government of Tamil Nadu.

#### **1.0 Instructions/Relaxations given to the field**

**1.1.** Normally agricultural services are released as per the seniority of registration and services effected as per the "readiness priority". The extension of supply to agriculture service connections involves mere sc, one pole extension cases, minor extension cases and major extension cases involving Distribution Transformers.

**1.2.** If the services are effected based on the existing procedures/seniority principles then it is not possible to effect the 2 lakh services in time as announced by the GOTN and also appears difficult to programme material procurement immediately for the cases involving minor and major extensions to the Distribution Systems.

**1.3.** Thus, in order to effect supply to all the 2 lakh applicants as per time schedule by proper planning of material, it has been decided to categorize the "**ready parties**" based on the type of extensions involved and the readiness seniority is programmed to be further sub-divided in the following manner.

##### **1.3.1 "Online Services" :**

Service connections are effected immediately on entering the readiness since there is no extension to the system or materials are needed. Total approximate number will be 25000.

##### **1.3.2. "One Pole Extension", "One Pole Insertion with One Pole Extension", "Insertion of Pole" and "Conversion of line" etc.:**

Service connections are effected within a week on entering readiness since the materials required are lesser and work involved is also meagre. Approximately, No. of applicants falling in this categories will be 25000.

##### **1.3.3. Minor Extensions:**

The action is being taken to procure the materials and services will be effected on supply of materials; Total No. of applicants getting connections under this category will be 1,00,000.

### **1.3.4. Major Extension with Distribution Transformer:**

Action has been taken to procure the materials and it is expected that the supply of materials will materialize only after 2 or 3 months from the date of placing orders. Hence, this type of service connections will be taken up in the last quarter. Approximate number-falling in this category will be 50,000.

Hence, supply to all the 2 lakhs applications will be effected as per the time schedule and on the whole there will be no overlooking of seniority.

### **2.0 Ratification sought for conditions relaxed:-**

2.1. For the cases involving On line, One Pole Extension, One Pole Insertion with One Pole Extension, Insertion of Pole and Conversion of line cases, instructions were issued to the field to effect services with the conditions that the Distribution Transformer capacity should be adequate and there is no need to consider the voltage regulation since maximum extension involved in these cases are 70 metres only.

2.2. The GOTN has been addressed to approve the above procedures and in anticipation of the approval, necessary instructions have been issued to the field.

2.3 Normally the time limit given to produce the relevant documents and to enter the readiness to the applicant has been prescribed as 90 days. Considering the time span available and to generate more 'ready parties' immediately, the readiness period has been limited to 30 days. However, If the applicants required extension of time the same will be given by the EE/O&M for further 30 days period.

2.4. The estimates are being sanctioned based on the readiness reported by the applicants normally, Considering the time span available the field has been instructed to sanction the estimates immediately without waiting for the entering of readiness by the applicants and to keep the same ready in all respects in order to effect supply as soon as the applicants entered readiness.

2.5. Based on the advice given by Bureau of Energy Efficiency (BEE), it has been requested to procure 4 star and above rated pump sets by the farmers. Only for certain category of pumps and compressor sets, for which 4 star and above rated capacities are not available, as informed by SIEMA, Coimbatore, it has been instructed to accept 3 star rated motor pumpsets.

2.6 District Collectors have been requested to ensure that all the Needy applicants are given necessary documents in a hassle-free manner.

2.7 Government have amply clarified that Meters will not be provided and the field has been instructed accordingly.

2.8. It has been informed by the field that applicants are approaching the Section Offices along with the Star rated motor pumpset bills stating that the dealers will procure the motors from the manufacturers within a week's time.

Hence the field has been instructed to accept the readiness from the applicants based on the submission of 4 or 5 Star rated motor pumpset bill by getting undertaking from the applicant to procure and produce the motor pumpsets within 10 days. The Asst.Engineers/Junior Engineers have been instructed to verify the 4 or 5 star rated motor pumpsets before effecting supply and necessary verification may be entered in the readiness register.

2.9. To generate more applicants as requested by CE's/Distributions, the

Executive Engineers/O&M are empowered to approve the Shifting of well due to dryness and due to land acquisition by the Government authorities after obtaining necessary NOC, relevant documents etc., as per the existing procedures in vogue and after inspecting the sites.

2.10 It has been instructed to effect more than one agricultural service connections to the same owner in the SF No. to his independent wells and it was informed to adopt and follow the specing norms issued by NABARD guidelines based on the letter received from CE/PWD (Ground Water Resource.) The above instruction was issued to avoid depletion of water.
