PART – II

Memo. No. 46955/A.3/A.31/2010-1, (Secretariat Branch) Dated : 2.7.2010.

Sub: Tamil Nadu Electricity Board - Deduction of Union Subscription and Donation to Trade Unions from the Salary of Willing employees - Extension of time for exercising option to deduct Union subscription - Granted.

Ref : (Per.) B.P. (Ch) No. 111 (SB) Dated 9.5.2007.

In the Board's Proceedings cited, detailed guidelines were issued for deduction of Annual Union Subscription and Donation from the salary of the willing employees. In the standard Terms and conditions annexed to the Board's Proceedings, it has been ordered that subscription shall be deducted from the Pay bill for May payable in June and donation shall be deducted from the pay bill for November payable in December, every year.

2) It has been represented that there are 4000 Mazdoors and 1672 Assessor Gr.II have been appointed from Temporary Casual Labourers during June 2010 and to enable them to give consent letters to deduct Union subscription from their salary, extension of time has been sought for.

3) The above request has been examined in detail. Accordingly, it is hereby ordered that the request for deduction of Union subscription from the willing Union members may be accepted before 15th August 2010 as a special case and Union subscription shall be deducted from the pay bill for August 2010 payable in September 2010.

4) All the Chief Engineers/Superintending Engineers and other Officers are, therefore, requested to instruct the pay Drawing Officers under their control to strictly adhere to the above order and to deduct the Union subscription from the pay bill for Aug. 2010 payable in Sep. 2010.

(By Order of the Chairman)

Era. Mathivanan
Secretary.

Read:

- 1) G.O.Ms.No.120 (L&E Dept.) dt.26.6.95.
- 2) Orders of Supreme Court of India dt.30.3.2010 made in W.P.No.10577/2005.

Proceedings:

Thiru. J. Karthick, S/o. (L) Thiru. K. Jaganathan, Helper, Chennai Electricity Distribution Circle/Central expired on 16.5.1998 while in service had applied for employment assistance on compassionate grounds. The request of Thiru. J. Karthick has been rejected on the ground that he has not completed 18 years of age within 3 years from the date of death of employee of the Board as per the rule prescribed by the Board under the scheme in force.

2. Thiru. J. Karthick filed W.P.No.10577/2005 before the High Court / Madras against the rejection orders issued to him and obtained orders on 24.7.2006 in his favour. The above said single judge order has been challenged by the Board by filing W.A.No.1206/2006. The Division Bench of Madras High Court in its order dated 29.9.2006 has set aside the orders of the Single Judge dated 24.7.2006 made in W.P.No.10577/2005 in favour of Board.

3. The above said Division Bench order has been challenged by the applicant before the Supreme Court of India in filing SI.P(C)No.5068-5069/2009 and the Hon'ble Supreme Court of India in its order dated 30.3.2010 has set-aside the impugned Judgement of the Division Bench and restore the judgement of the learned Single Judge dated 24.7.2006 made in W.P.No.10577/2005 in favour of the individual. Hence the matter has been placed before Full Board.

4. After careful consideration, it is hereby ordered that Thiru. J. Karthick S/o. (Late) K. Jaganathan, Helper, Chennai Electricity Distribution Circle/Central be selected as Helper (Trainee) for a period of 2 (Two) years and thereafter on regular time scale on satisfactory completion of training period. This will not be considered as a precedent for all such cases, and the case is to be considered based on Supreme Court direction.

Letter No. 76397/Po-VIII/2004-2, Dated 10.06.2005.

From
Pavan Raina, I.A.S.,
Principal Secretary to Government.

To
The Director General of Police,
Chennai - 600 004.

Sir,

Sub : Electricity - Theft of energy by illegal tapping for public functions/meetings/processions/Festivals. etc. - NOC from TNEB - Regarding.

Ref : 1) From the Chairman, TNEB, D.O. letter NO. 08406/CE/Comm/EE.1/AEE1/F.ADGP/D.No. 233/04, dt. 22.5.2004.
2) Your Office Lr.Rc.No. 16819/A&R(2)/2005, dt.21.2.2005.

I am directed to refer your office letter 2nd cited wherein it has been requested to make suitable amendment to Section 41 (3) of the CCP Act 1888 to insist of NOC from TNEB/ Licencee before granting any permission to organizers of Meetings, Processions, Festivals, etc. for convening the meetings as suggested by the Chairman, TNEB, in his letter 1st cited.

2. In this connection, it is pointed out that as per Section 41(3) (a) of CCP Act, 1888, any person who intends to conyene or collect any assembly or meeting in any public place or to direct to promote any procession, shall make an application to the Commissioner for permission. The application shall be in such form and contain such particulars as may be specified by the Commissioner in this behalf. As the application should contain all the particulars required by the Commissioner of Police, the Commissioner of Police/ the authority concerned may insist in furnishing NOC from TNEB. It is therefore, considered that the existing provision is sufficient to insist on furnishing NOC from TNEB along with the application.

3. In view of the above, I am to request you to issue suitable instructions to Commissioner of Police/the Authority concerned to insist on furnishing NOC from TNEB along with the application for getting permission for conducting Meeting/Festival, etc.. This may be made as a pre condition for granting permission for conducting Meeting/Festival.

4. Action taken in the matter may kindly be intimated to the Government, immediately.

Package IV	:	50 MVA, 110/33 KV	:	3 Nos.

- 1.0) a) The Tendered should be a manufacturer of Power Transformers of respective or higher capacity and rating and should have successfully manufactured 25% of tendered quantity (i.e)

- i) 2 nos. for Package I
- ii) 20 nos. for Package II
- iii) 6 nos. for Package III and
- iv) 1 no. for package IV

of the respective or higher capacity / higher voltage class of power transformers and supplied satisfactorily along with On-load tap changer arrangement to any of the State Electricity Boards/ Govt. Power Utilities/Govt. Generating Companies.

- b) Minimum of 10 % of tendered quantity of transformers of the respective or higher capacity/ higher voltage class (i.e)

- i) 1 no. for Package I
- ii) 8 nos. for Package II
- iii) 2 nos. for Package III and
- iv) 1 no. for Package IV

with On-load tap changer arrangement manufactured & supplied by the tenderer, shall be in satisfactory operation for a continuous period of 2 years as on the date of tender opening. Documentary evidence for satisfactory supply and execution of the contract and satisfactory performance of the transformers supplied shall be furnished from the end user along with the tender.

- c) Type test report shall be submitted along with the tender for respective or higher capacity/ voltage class.

2.0) The annual turnover of the bidder shall be furnished for the last 3 financial years (2007-2008, 2008-2009 and 2009 - 2010). The turn over for atleast any one of the last 3 financial years shall be more than

- i) Rs. 10 Crores for Package I
- ii) Rs. 15 Crores for Package II
- iii) Rs. 15 Crores for Package III and
- iv) Rs. 15 Crores for Package IV

The bidders quoting for more than one Package shall have a minimum Annual Turn-over of Rs.15 Crores for any one of the last 3 financial years. The bidder shall furnish audited P&L account and Balance sheet for the respective financial year as proof for annual turnover duly certified by the auditor.

3.0) New Entrants:

TANTRANSCO has the right to place order upto 10% of tendered quantity on each new entrants provided.

- a) the firm shall be declared as New Entrant who have no previous experience of supply for the tendered items and have no financial Turn-over but have infrastructure/manufacturing facility as per the Inspection report of third party Inspection or Board Engineers but should satisfy the BQR conditions stipulated in SI.No. 1.0 above for
 - i) 8 MVA, 33 KV class power transformers in respect of Package - I
 - ii) 10 MVA, 110 KV class power transformers in respect of Package - II
 - iii) 16 MVA, 110 KV class Power transformers in respect of Package - III
 - iv) 25 MVA, 110 KV class Power transformers in respect of Package - IV
- b) the firm who has lesser quantity of supply experience in the tendered item and lesser financial Turn-over criteria then prescribed in the tender document may also be considered under New Entrant category provided it has required infrastructure/manufacturing facility as required for the New Entrant.
- c) the firms are eligible to be considered for placement of orders under New Entrant category, provided they are evaluated L1 tendered.
- d) the firms who have been considered under New Entrant category shall satisfy all technical, commercial and BQR conditions except BQR condition of quantity of previous experience of supply and financial turnover criteria.
- e) TANTRANSCO has the right to place order upto 10% of the tendered quantity on a New Entrant. In case more than one firm qualified under New Entrant category are evaluated L1 tendered, TANTRANSCO has the right to place order upto 10% of the tendered quantity on each such New entrant.

- f) A firm who has got orders in earlier tender/tenders under New Entrant category in TNEB, is eligible to be considered under regular category provided it has satisfied satisfactory period of service of minimum 2 years for the ordered item even though the quantity supplied is lesser than the quantity stipulated in S.No. (1.0) above. However the firm as above is eligible to be considered as New Entrant again for the tendered items if they do not satisfy the satisfactory period of service of 2 years in respect of the earlier supplies as New Entrant.
- g) Any bidder who has type tested, supplied and commissioned a lower capacity power transformer to TNEB in 33 KV class or 110 KV class, (even if the unit commissioned has not completed the satisfactory performance period) may quote as a new entrant for a higher capacity (ie. for 16 MVA and above capacity) power transformer in the same voltage class. The lower capacity is 8 MVA in the case of 33 KV class and 10 MVA in the case of 110 KV class.

Note

- 1) The offers of bidders not satisfying above "bid qualification requirements" will be summarily rejected.
- 2) The offer of bidders who have stated to be previous suppliers to TNEB will be considered for further evaluation even though they have not enclosed copies of Purchase orders or end user certificates etc. after verifying with concerned purchase order placing authorities.

Item No.3 of minutes of 936th meeting of the Board held on 15.7.2010.

Proceedings:

Tamil Nadu Electricity Board approves the proposal of the Chief Engineer/Planning & Resource Centre to permit the transportation of water through pipe lines from agricultural services to the lands of the same owner with the following conditions:-

(1) The applicants/existing service connection owners should obtain permission for laying pipelines from,

- For the Government Lands/Poramboke Lands - Not below the rank of Tahsildar;
- For Government Roads - Not below the rank of Divisional Engineer/Highways Department or other roads NOC from the concerned Government Department, as the case may be.
- For the PWD lands - Not below the rank of EE/PWD;
- For project areas and other Government lands - NOC from the concerned Government Departments; and
- Necessary NOC from Private land owners, if necessary.

(2) Shall also give indemnity Bond to the Board stating that

- a) he will utilize the water transported only for the agricultural activities of his own land. If it is found to be used for other than agricultural purposes/sold to others agricultural lands, then it will be treated as "unauthorized use of electricity" and necessary action will be taken as per Electricity Act, 2003 and penal charges levied.
- b) The capacity of the pump set should be within the sanctioned load and if it exceeds the sanctioned load then necessary action will be taken as per the provision in Electricity Act, 2003.
- c) He will not request TPDT (triple Pole Double Throw) switching arrangement.
- d) He will submit the renewal of track permission, NOC from concerned authorities well before expiry of the same and TNEB will not be responsible for the consequences if any, if the consumer fails to produce the renewal of track permission / NOC.
- e) Once the concerned authority revokes the permission accorded for the pipe lines laid then he will not be permitted to transport water through pipeline and he shall not cite the provision of TNEB Supply for contesting in the courts.
- f) Once the service is converted into commercial tariff due to misuse/unauthorized usage, the service will not be reverted back to agricultural tariff as per TNERC Distribution Standards of Performance Chapter 2, Clause (9) (Change of Tariff).
