To

All Principal Secretaries to Government/
All Secretaries to Government,
Departments of Secretariat,
Secretariat,
Chennai - 9.

Sir/Madam,

Sub: Fake communication issued in the name of Cabinet Secretary - Issue of certain instructions by joint Secretary to Government, Cabinet Secretariat, Rashtrapati Bhavan, New Delhi - Reg.

Ref: From Dr.Taradatt, Cabinet Secretariat, Rashtrapati Bhavan, D.O.Lr.No.281/50/2/2/2010-TS New Delhi dt.7.12.2010.

I am directed to invite your kind attention to the reference cited, wherein it has been brought to the notice that in a recent instance of a fake communication issued in the name of the Cabinet Secretary, investigations to identify its origin reached a dead end due to lack of certain crucial evidence. The authority investigating the matter expressed its helplessness in view of the fact that the envelope carrying the fake communication was not preserved by the receiver of the letter. It further opined that availability of the envelope could have facilitated identifying the culprit.

The joint Secretary to Government, Cabinet Secretariat, New Delhi, has also requested that suitable instructions may kindly be issued to all concerned to preserve the envelopes carrying the communication in cases where there is doubt as regards its authenticity. The copy of the instructions given in the above D.O. letter is enclosed herewith. The instructions given in the letter cited, may kindly be adhered scrupulously.

Yours faithfully,

D. Vasanthi,
Deputy Secretary to Government.

Memo. No.6344/A10/A101/2011-1, (BOSB) dt.25.1.2011.

Sub: TANGEDCO BLTC - Submission of action taken report on the minutes of the BLTC - Instruction - Issued - Reg.

The BLTC has directed that the action taken report on the proposals decided at BLTC are to be submitted in the next Board Level Tender Committee meeting itself. However, on going-through the action taken report furnished by the unit heads, it is seen that the replies given are too general in nature eg. "action will be taken", "same will be submitted", "the minutes has been communicated to the field" "being put up" etc. and such replies could not be submitted to BLTC.

2. Therefore it is requested that,

- i) the action taken
- ii) the references under which the action taken,
- iii) in case the action is not taken the reasons for pendency

has to be specifically furnished to A-10/Secetariat Branch for consolidation and submission to Board Level Tender Committee.

Company Secretary (Addl. Charge).

As a revenue augmentation measure, the participants are to be called from other electrical utilities along with the participants from TANGEDCO Ltd. The number of TANGEDCO participants will be limited to 8 Numbers.

In this context, the Deputy General Manager/Thermal Training Institute/Chennai has proposed a 2 day National Level Workshop on **"Best practices in Coal Handling Systems in Thermal Power Stations"** for totally 30 participants from other Electrical utilities & TANGEDCO for 2 days (Non-residential) to be conducted by Thermal Training Institute / Chennai at an expenditure of Rs.68,000/- (Rupees Sixty eight thousand only) as in Annexure A.

The following subjects may be discussed in the above workshop:

1. Operation & Maintenance of Stacker & Reclaimer.
2. Conveyor Belt Maintenance & Cleaning System.
3. Performance of Equipment like Crushers, Paddle Feeders, Gear Boxes, Fluid Couplings, Conveyor Belts.
4. Safe & Clean Handling of Bulk Material
5. Weighing Systems in Coal Handling Plant
6. Environmentally safe practices for Coal Handling
7. PLC Automation System in CHP
8. Maintenance of Wagon Loaders, Tipplers & Locomotives
9. Inspection & Checking of Structures of CHP for Safe operation
10. Various Interlocks & Protections in Coal Handling Plant & System
11. Problems faced & Solutions adopted and modification carried out
12. Unloading Problems in Port Shipment
13. Imported Coal
14. Problems in Surface Transport (Railways)

The participation charges per participant has been fixed at Rs.4,000/- (Rupees four thousand only) for participants from other Electrical utilities and free of cost for TANGEDCO participants for 2 days programme.

After careful consideration, approval is hereby accorded to conduct a National Level Workshop on **"Best practices in Coal Handling Systems in Thermal Power Stations"** for participants from other Electrical utilities & TNEB for 2 days by Thermal Training Institute/Chennai by incurring an expenditure of Rs.68,000/- (Rupees Sixty eight thousand only) as in Annexure A and to collect Rs.4,000/- per participant from the participants from other Electrical utilities.

The expenditure sanctioned above is debitable to TNEB funds - Revenue Expenses-76. Administration & General expenses-76-154. Training expenses - Training programme for Board's personnel and the amount collected towards the participation fee shall be remitted to account head "Income from Training - 62:958".

ANNEXURE - II

INSTRUCTION FOR TRAINEES (Stipulated by NPTI)

I. ATTENDANCE:

As the Training in Live Line Maintenance Techniques up to 220KV using Hot Stick Method is highly comprehensive and intensive, the attendance for the complete course is compulsory and no leave of any kind will be sanctioned to the trainees during the course of training. It is advisable to sponsor only such candidates who will be punctual and regular in attendance. Absence by candidates will be viewed seriously and HLTC will not be in a position to issue Course Certificates in such cases.

II. INDEMNITY BOND:

The trainees shall sign an Indemnity Bond on non-judicial stamp paper, which is duly counter signed by the sponsoring/controlling authority before joining the training course. The participants who have NOT executed the bond shall not be admitted to the training course.

III. INSURANCE COVERAGE:

It will be appreciated that the trainees shall be provided with adequate insurance cover for the training period.

IV. ACCOMMODATION:

A well furnished Hostel is available in the HLTC campus for the trainees. As the course is fully residential, the boarding and lodging are provided by HLTC. As far as possible the Hot Line Training Centre will make arrangements for the comfortable stay of the trainee.

V. PHOTOGRAPHS:

Trainees have to bring three Passport sized & two Stamp sized colour photographs duly signed on the back of the photograph at the time of reporting for training course.

VI. SAFETY SHOES AND SAFETY GLASSES:

As the nature of the training demands regular climbing and working on the towers, the trainees need to be equipped with a good quality of SAFETY SHOES with thick rubber soles for providing electrical insulation, be sturdy, robust and secure for with standing mechanical stresses. Non-availability of safety shoes will result in trainees not being able to take up hands – on training on towers. Also it is suggested that the sponsoring authority may provide the trainees with Safety Glass for protecting eyes from ultra violet rays before sending them for the training course.

VII. LOCATION:

The sponsored candidates may be directed to alight at Bangalore City Railway Station/City Bus Stand and report to this office, which is about 35 Km from there. It is situated next to 220 KV Sub-station of Karnataka Power Transmission Ltd (KPCL) and 400 KV Sub-station of POWERGRID on Kanakapura Road and opposite to Acharya Patasala College (APS) of Engineering Campus. Buses are available from Krishna Rajendra (K.R) Market which is about 3 Km from City Rail way station/City Bus Stand. HLTC can be reached by City Bus Route Nos.211, 211D,211G,211L, 213,213A, 213B, 213K, etc., For any assistance, contact NPTI office between 0.9.00 hrs. to 1730 hrs. Memo No.SE/RE&ID)/EE/RE/A1/F.2 lakh/D.98 /11, (Techl. Branch) dt.21.1.2011.

Sub: Electricity - Effecting of 2 lakhs agricultural pumpset connections - Further instructions - Reg.

Ref: Minutes of the meeting communicated vide this Office Lr.No. SE/RE&I(D)/EE/RE/A2/F. Review Meeting /D74/11, Dt.14.1.2011.

In continuation to the instructions already issued and based on the minutes communicated vide reference cited above, the following instructions are issued in effecting 2 lakhs agricultural service connections.

2.0. Agricultural readiness may be accepted with motor purchase bill as per the existing condition/practice.

2.1. Board side works may be completed in respect of all the ready parties as per readiness priority and supply to the parties as per priority effected. If the applicants do not produce motor pumpsets, Board side work may be completed and supply availability notice may be issued to them and then proceed to effect supply to the subsequent ready parties who have purchased motor pumpsets and ready to avail supply.

2.2 The extension of time upto 30 days totalling to 90 days (as normally given for 40000 pumpset) till 01.02.2011 have already been issued to the applicants. The question of further extension beyond 01.02.2011 may be decided based on the request of the applicants for another 30 days by EE/O&M concerned.

2.3 Due to non-availability of 4 star rated pumpset motors for above 20 HP in the market, Chief Engineers may accept ISI mark for above 20 HP motor pumpsets as stated by SIEMA.

2.4 Previously, instructions were issued to accept 4 star rated 4" submersible pumpsets in place of inefficient compressor sets. Since "star rated compressor sets" are not available in the market for lesser size 4½" dia bore wells and also costlier to convert the existing bore well to suit 4" star rated submersible pumpsets, ISI Compressor sets may be permitted..

2.5 Slow speed motor - ISI mark pumpsets may be accepted for the slow speed motor pumpsets area due to non-availability of star rated motors.

2.6 PWD (NABARD) Guidelines : Procedures so far followed in effecting 40,000 pumpsets target issued every year in the yesteryears may be followed for 2 lakh pumpsets schemes also.

2.7 Reduction of load may be permitted only for the cases based on the certificates issued by PWD authorities giving NOC by limiting the load. This is also applicable for cases involving main canals, distributories and Ayacut areas for which load restriction is insisted by PWD. Necessary certificate from the PWD regarding restriction of load should be obtained.

2.8 In the existing wells, if a service is already available in one of the Co-owner's name in different tariff and agriculture service connection is to be effected in the name of another Co-owner in the same Well, then agriculture service connection for agricultural purpose may be effected in the name of the co-owner with the condition that the discharged water of two pumpsets should be used for different area of cultivation (Free agricultural supply should not be used for other purposes) with clear boundaries and consumption accounted for separately.

2.9 Minor extension works may also be taken up immediately so as to achieve the target.

The Sl. Nos 2.3 to 2.8 is also applicable for all categories of agricultural applications. (Normal, RSFS schemes etc.)

S. Kalyani,
Chief Engineer/Planning & RC.
