NEWS & NOTES

PART - I

I. GENERATION / RELIEF PARTICULARS:

The Generation / Relief particulars for the month of March 2013 were as follows:

Sl.No.	Particulars	in Million Units
I.	TNEB GENERATION (Gross)	
	Hydro	267.036
	Thermal	2035.058
	Gas	223.594
	Wind & Solar	0.125
	TNEB TOTAL	2525.813
II	NET PURCHASES FROM CGS	2068.379
III	PURCHASES	
	IPP	545.686
	Windmill Private	269.194
	CPP, Cogeneration & Bio-Mass (Provisional)	430.855
	Solar (Private)	2.025
	Through Traders (Nett Purchase)	940.663
	TOTAL PURCHASES	2188.422
IV	TOTAL (Gross generation + Net import + Purchases)	6782.614
V	Load shedding & . Pr. cut relief Approx	1554.64
VI	Less energy used for Kadamparai pump	16.220
	Less Aux. consumption for Hydro, Thermal & Gas	174.223
VII	AVERAGE PER DAY REQUIREMENT	269
VIII	DETAILS OF NET PURCHASES FROM CGS & OTHERS REGIONS:	
	Neyveli TS-I	331.832
	Neyveli TS-I Expansion	155.605
	Neyveli TS-II Stage-1	123.927
	Neyveli TS-II Stage-2	186.032
	MAPS APS	83.575
	Kaiga APS	94.498
	NTPC (Stage 1 & 2)	380.831
	NTPC (Stage 3)	90.820
	Eastern region	28.576
	Talcher Stage-II	264.213
	Simhadri Stage-II (Unit 1)	113.999
	NTPC - Kayamkulam (TNEB share)	159.643
	Solar bundled NVVN Power from NTPC stations	3.350
	Unscheduled Interchange	48.797
	Intra State ABT UI	2.680
	TOTAL NET PURCHASES	2068.379

IX DETAILS OF PURCHASES FROM IPPs

GMR	65.022
SPCL	28.844
MPCL	32.957
PPN	178.472
ST-CMS	159.303
Lanco Tanjore Power Company Ltd. (ABAN)	49.620
Pioneer (Penna)	31.468
TOTAL	546.686

X DETAILS OF OTHER PURCHASES

Through Traders	940.663
CPPs	175.000
Co-generation	135.855
Bio-Mass	120.000
Wind Mill (Pvt.)	269.194
Solar (Pvt.)	2.025
TOTAL	1642.736

XI SWAP POWER RETURN / BANKING BY TNEB

0.000

XII	Maximum Grid demand met in MW/Date	10,790	04.03.2013.
	Maximum consumption reached in M.U./Date	227.195	05.03.2013.

XIII. STORAGE POSITION:

The Storage equivalent in M.U.as on 01.04.2013 is compared with that of the storage equivalent as on the same day last year as below (Figs. in MU):-

Sl. No.	Name of the Group	As on 1st of the month this year	As on 1st of the month previous year	Difference
1.	Nilgiris	421.069	612.24	(-)191.173
2.	P.A.P.	29.155	69.65	(-) 40.49
3.	Periyar	17.622	7.29	10.333
4.	Papanasam & Servalar	14.964	5.42	9.546
5.	Suruliyar	5.017	11.06	(-) 6.045
6.	Kodayar	41.949	49.26	(-) 7.314
7.	Total Excluding Mettur	529.776	754.919	(-)225.143
8.	For Mettur	1.88	65.27	(-) 63.39

Superintending Engineer/LD & GO.

PERFORMANCE OF THERMAL STATIONS FOR MARCH 2013.

i) TUTICORIN (5 x 210 MW):

The details of generation at Tuticorin T.P.S. during March 2013 were as follows:

	Unit	Availability Factor (%)	Generation in MU	Plant Load Factor (%)
I	(210 MW)	98.6	154.77	99.1
II	(210 MW)	96.0	148.27	94.9
III	(210 MW)	99.4	156.42	100.1
IV	(210 MW)	100.0	158.27	101.3
V	(210 MW)	100.0	157.47	100.8
	STATION	98.8	775.20	99.2

ii) METTUR (4 x 210 MW):

The details of generation at Mettur T.P.S. during March 2013 were as follows:

	Unit	Availability Factor (%)	Generation in MU	Plant Load Factor (%)
I	(210 MW)	93.06	142.090	90.94
II	(210 MW)	100.00	149.150	95.46
III	(210 MW)	100.00	155.914	99.79
IV	(210 MW)	94.78	147.402	94.34
	STATION	96.96	594.556	95.14

iii) NORTH CHENNAI (3 x 210 MW):

The details of generation at North Chennai T.P.S. during March 2013 were as follows:

	Unit	Availability Factor (%)	Generation in MU	Plant Load Factor (%)
I	(210 MW)	96.62	149.745	95.84
II	(210 MW)	80.71	121.485	77.76
III	(210 MW)	98.96	149.535	95.71
	STATION	91.96	420.765	89.77

iv) ENNORE (2 x 60 MW + 3 x 110 MW) :

The details of generation at Ennore T.P.S. during March 2013 were as follows :-

	Unit	Availability Factor (%)	Generation in MU	Plant Load Factor (%)
I	(60 MW)	74.40	16.773	37.57
II	(60 MW)	79.30	20.829	46.66
III	(110 MW)	0.00	0.000	0.00
IV	(110 MW)	71.10	29.013	35.45
V	(110 MW)	0.00	0.000	0.00
	STATION	37.90	66.615	19.90

GENERAL :

S.No.	Details	T.T.P.S.	M.T.P.S.	N.C.T.P.S.	E.T.P.S.
1.	Specific Coal Consumption (Kg./ug.)	0.766	0.733	0.71	1.28
2.	Specific Oil consumption (ml/ug)	0.29	0.496	1.36	6.50
3.	Auxiliary consumption (%)	7.67	8.35	8.6	17.20

Superintending Engineer/Betterment Thermal.

COAL PARTICULARS FOR MARCH 2013:

PART – II

TELEPHONES - Provision of 5 numbers Nokia 100 basic model mobile phones with 5 numbers new sim cards under CUG Scheme among mobile connections from BSNL, 3 numbers for the use of control room in Erode Load Despatch Centre and 2 numbers for the use of control room in Madurai Load Despatch Centre and to convert the broadband connection in the land line phone from the existing Business plan BBG 700 to BBG Combo plan ULD 850 in Madurai Load Despatch Centre - Sanction - Accorded.

(Administrative Branch)

(Per.) CMD TANTRANSCO Proceedings.No.7 Dated the 4th March, 2013.
Maasi - 20, Nanthana Aandu,
Thiruvalluvar Aandu 2044.

Read:

- 1) Note approved by CMD on 14.02.2013.
- 2) SE/LD & GO U.O.No.SE/LD&GO/EE/LD/AEE/EMS/F.61/
D.52/2013, dated 21.02.2013

PROCEEDINGS:

The CMD/TANTRANSCO has approved the proposal for provision of 5 numbers Nokia 100 basic model mobile phones with 5 numbers new sim cards under CUG Scheme among mobile connections from BSNL, 3 numbers for the use of control room in Erode Load Despatch Centre and 2 numbers for the use of control room in Madurai Load Despatch Centre and to convert the broadband connection in the land line phone from the existing Business plan BBG 700 to BBG Combo plan ULD 850 in Madurai Load Despatch Centre.

2) Accordingly approval is hereby accorded for provision of 5 numbers Nokia 100 basic model mobile phones with 5 numbers new sim cards under CUG Scheme among mobile connections from BSNL, 3 numbers for the use of control room in Erode Load Despatch Centre and 2 numbers for the use of control room in Madurai Load Despatch Centre and to convert the broadband connection in the land line phone from the existing Business plan BBG 700 to BBG Combo plan ULD 850 in Madurai Load Despatch Centre.

3) Sanction is also accorded for recurring and non-recurring expenditure as indicated below:-

i) Madurai Load Despatch Centre:

Sim cards

The Non-Recurring Expenditure:-

2 Nos. Nokia 100 basic model
mobile phones Rs.1170x2 = Rs.2340/-

(Rupees Two thousand three hundred and forty only)

The Recurring Expenditure:-

Monthly CUG Rent : Rs.49 X 2 = Rs.98.00 per month.

Landline phone:

To convert the existing Business plan = Rs.850.00+ServiceTax (12.36%)
BBG 700 to BBG Combo plan ULD 850 per month.

ii) Erode Load Despatch Centre:Sim cardsThe Non-Recurring Expenditure:-

3 Nos. Nokia 100 basic model
mobile phones Rs.1170x3 = Rs.3510.00

(Rupees Three thousand five hundred and ten only)

The Recurring Expenditure:-

Monthly CUG Rent : Rs.49 X 3 = Rs.147.00 per month.

4) It is also ordered that as a contingency arrangement for emergencies, existing landlines may be retained.

5) The expenditure is chargeable to the Head of account code No.76-111 and 28-914.

6) The date of activation of the above 5 numbers sim cards alongwith indication numbers and Broadband connection shall be communicated to all concerned under intimation to the Chief Engineer/Personnel/Administrative Branch/ TANGEDCO/ Chennai-2.

(By Order of the Chairman - cum - Managing Director)

R. Srinivasan,
Chief Engineer/Personnel.

Establishment - TANGEDCO - Delegation of powers to Chief Engineers/Distribution Region to sanction contingent expenditure for maintenance for uninterrupted power supply during the visit/temporary stay of Honourable Chief Minister/equal(or) higher ranked VVIPs Orders - Issued.

(Secretariat Branch)

(Per.) CMD TANGEDCO Proceedings.No.60

Dated the 6th March, 2013.
Maasi - 22, Nanthana Aandu,
Thiruvalluvar Aandu 2044.

Read:

From the Superintending Engineer/Rural Electrification and
Improvement (Distribution)/Chennai-2 U.O. No.SE/
RE&I(D)/EA/F.Genl/D16/13, dt. 27.02.13.

PROCEEDINGS:

Uninterrupted power supply has to be maintained in an area during the visit/ temporary stay of Honourable Chief Minister/equal or higher ranked VVIPs by posting of personnel round the clock. This involves provision of food, snacks and other amenities to the personnel for which certain expenditure will be incurred. Hence, the Chief Engineer/Planning and Resource Centre, Chennai has suggested that powers may be delegated to the Chief Engineers/Distribution Region to sanction such contingent expenditure, if required. He has also requested to ratify the action of the Chief Engineer/ Distribution/Coimbatore Region towards the expenditure of Rs.41,400/- incurred for

the food and snacks provided to the officers/staff who have been posted on duty at Kodanadu Service Point for maintenance of uninterrupted power supply during the visit of Honourable Chief Minister of Tamil Nadu to Kodanadu between 21.06.12 to 05.08.12 in anticipation of approval of the Chairman-cum-Managing Director/TANGEDCO. The suggestion has been accepted by the Chairman-cum-Managing Director/TANGEDCO.

2. Accordingly, it is hereby ordered that the Chief Engineers/Distribution Region shall be delegated with the powers to sanction contingent expenditure to be incurred for maintenance of uninterrupted power supply during the visit/temporary stay of Honourable Chief Minister/equal or higher ranked VVIPs.

- iii) (Per) B.P. (FB) No. 35 (SB) dt. 4.10.2010.
- iv) (Per) CMD TANGEDCO Proceedings No. 24, (SB) dt. 1.11.2012.

PROCEEDINGS:

In the Board's Proceedings first to third cited, orders were issued fixing the ceiling limit on BSNL CUG Mobile phone call charges for various officers of the Board. As per the Proceedings in the reference fourth cited, a Committee has been formed to study the enhancement of ceiling limit of BSNL/CUG Landline and extension of the facility to the new areas/offices.

2. The Director/Operation/TANTRANSCO has recommended the proposal for enhancement of the CUG ceiling limit to the Assistant Executive Engineers/Assistant Engineers/Lines of Operation Circle. The above said Committee after detailed discussions has also recommended the proposal. The Chairman cum Managing Director/TANGEDCO has accepted the recommendation and approved the proposal.

3. Accordingly, the ceiling limit of CUG provided to Assistant Executive Engineers/Assistant Engineers/Lines of Operation wing is enhanced from Rs.49/- (including Tax) to Rs.200/- (including Tax) on par with the Assistant Executive Engineers/Assistant Engineers of Distribution Circles, with effect from 1.4.2013.

4) The expenditure towards payment of Cell phone charges is chargeable to the Head of Accounts No.76-111.

CEDC/Central defaulters' - Disconnection by Outsourcing through retired Board Personnel or other persons by paying Rs.5/- per service - Approval accorded on a trial basis - Regarding.

(Accounts Branch)

(Per.) CMD TANGEDCO Ltd Proceedings No.6

Dated the 25th March, 2013.

Panguni 12, Nandana Varudam,
Thiruvalluvar Aandu - 2044.

Read :

CMD's note approval dated 05.03.2013.

PROCEEDINGS:

The Chennai Electricity Distribution Circle/Central is one of the areas with high source of revenue to the TANGEDCO consisting of 5,64,273 low tension service connections yielding a revenue of 160.99 Crores per month and has higher number of defaulters in respect of "Others" category excluding State government, Central Government and Local Bodies due to dearth of the staff for disconnecting the defaulted services promptly, thus, having defaulting debtors of about few crores continuously.

2. In order to bring down the rate of unpaid bills in few of the high revenue fetching sections by prompt disconnection of service connections by utilizing the services of retired board staff and other reliable persons by paying a remuneration of Rs.5/- per service on a trial basis has been proposed by the Chief Engineer/Chennai North Region.

3. After careful and detailed examination of the above proposal, the Board has decided and issues the following orders.

i) To pay Rs.5/- per service for effecting disconnection of defaulted service under "Others" category (excluding the Government Department, Police Department, Local Body and Foreign Embassy) of the "Defaulters Report" available in the LT Billing software by utilizing the services of the Retired Board Staff and any other reliable person (s).

ii) To implement the proposal on trial basis for study purpose in any few of the high revenue fetching as well as defaulting sections of Chennai Central Electricity Distribution Circle.

iii) To enter the disconnection reading and the disconnection date by the respective section heads in the computer as well as other records by getting particulars from the outsourced staff within two days from the date of disconnection.

Electricity - Kancheepuram EDC - M/s. Jeppiaar Power Corporation Pvt Ltd - Thiruvankaranai village, Kancheepuram Dt coal based power plant-Permanent connectivity of 30 MW plant through the 110 KV SC line from their plant to 400/230-110 KV S.V Chatram SS - all the work to be executed by the company under the supervision of TANTRANSCO - Estt. & Supervision charges - Estimate sanction.

(Technical Branch)

(Per) (CH) TANTRANSCO Proceedings No.34,

Dated the 06th March 2013.
Maasi 22, Nanthana Varudam,
Thiruvalluvar Aandu - 2044.

Read:

Chairman's approval note dt. 6.03.2013.

PROCEEDINGS:

Load flow study was conducted for grid connectivity of M/s. Jeppiaar Power Corporation Pvt Ltd's proposed 30 MW Power Plant at Thiruvankaranai Village, Kancheepuram Dt with TANTRANSCO grid at 110 KV level to evacuate 27 MW surplus power and following are the load flow results.

"Proposed 30 MW plant of M/s. Jeppiaar Power Corporation Pvt Ltd can be connected to TANTRANSCO grid by erecting 110 KV SC line from their plant to 400/230-110 KV S.V. Chatram SS.

As per section 10(1) of Electricity Act 2003, the generator has to establish, operate and maintain the dedicated 110 KV transmission line from their power plant to SV Chatram 400/230-110 KV SS is to be laid by the company.

The 110 KV bay is to be provided at the SV Chatram 400/230-110 KV SS on DCW basis chargeable to the promoter for connecting their 110 KV line from their plant. The company have to pay the O&M charges of the 110 KV bay provided for their dedicated line from thier plant to SV Chatram SS."

The company have to pay Rs. 2,18,69,354.89 towards Supervision charges and service tax for the entire transmission scheme to be executed by them.

The request of the company to carry out the evacuation line works and bay provisions works by themselves was considered and advice has been issued to remit Rs 1,97,43,365.67/- (without service tax) towards the supervision charges, testing and commissioning charges and charges for JLDC equipments and the company have not paid the amount so far. Hence the total amount to be paid by the company for supervision charges and service tax is Rs 2,18,69,354.89 or say Rs 2,18,69,355/-.

The company have to provide the following.

a) Breakers and necessary protection arrangements at their end as per TANTRANSCO norms.

b) ABT meters for recording their supply of power at plant end.

c) Check meter (TOD type) has to be provided at power plant premises by TANGEDCO at TANGEDCO's cost.

d) The company has to provide Ethernet data at jurisdiction LD centre end by VSAT or any other communication at their own cost.

e) Speech Communication shall be provided by the company to adjacent stations either by land line or PLCC as per the infrastructure available at the plant.

Regarding the protection scheme at plant switchyard, clearance may be obtained from the P&C wing. Concurrence to be obtained from P&C wing for all the protection scheme for the transmission system before synchronizing with the grid.

The following works are involved in this connectivity estimate.

a) Provision of 110 KV S/C line on D/C tower from the 30 MW power plant to 400/230-110 KV S.V. Chatram SS.

b) 110 KV bay extension at 400/230-110 KV S.V. Chatram SS.

c) Provision of Check meter arrangements by TANGEDCO.

d) Provision of terminal equipments by TANTRANSCO at Jurisdiction I.D. centre end.

The Superintending Engineer/GCCII/Chennai has to supervise the works for the evacuation line works and bay provision works at 400/230-110 KV S.V Chatram SS. Necessary undertaking in a stamped for Rs100/- to be obtained from the company for the following

1) to pay the amount if there is any deviation in the estimate and intimated later.

2) The work should be executed with the qualified contractors of TANTRANSCO/TANGEDCO.

3) To indemnify TANTRANSCO/TANGEDCO for any damage to equipments/ accidents of any type including loss of life during the line and bay provision works should be settled by the company.

4) For any damage to TANTRANSCO/TANGEDCO equipments if any during the line and bay provision works, the same should be replaced at company's cost and the company will not claim any refund of amount from TANTRANSCO.

5) To pay the Operation and maintenance charges and rental charges for the bay equipments regularly to TANTRANSCO.

6) The materials to be procured should be as per TANTRANSCO/TANGEDCO specifications and the same should be got approved before procurement of the same.

(By order of the Chairman - cum - Managing Director)

K. Viswanathan,
Director/Operation.

Read:

Extract of the minutes of the 35th Board meeting of the TANGEDCO held on 28.2.13 - Item No. 12.

PROCEEDINGS:

Approval of the TANGEDCO Board is accorded for making the following modifications in the Tender specification (Technical & Commercial) for the "1x660 MW Supercritical ETPS Expansion Project" Tender as mentioned below:

i) To include the construction of Fire station building in the Tender specification under the scope of EPC contractor. The Fire station equipments & Fire tender mentioned in Sl.No.1(a) to (e) of the note can be sourced through Tamil Nadu Fire Services Dept. at the O&M stage.

ii) To exclude the site filling work from the scope of the EPC contractor which is to be deleted from the Tender specification and the same may be carried out by TANGEDCO.

iii) To include the work of constructing a fly ash brick partition wall height 2.4 m of 230 mm thick in the project area to demarcate the project boundary from the existing station in the scope of EPC contractor in the Tender specification instead of temporary fencing provided in cl.2.1.6.1.55, page 16 of Vol VI.

iv) To modify the penalty clause in the Tender specification as "Delays beyond 47th month, penalty @ Rs.100 crores/month will be levied. The penalty leviable beyond 47th month will be restricted to Rs. 600 crores" instead of Rs. 200 crores/month to be leviable for the entire delay.

v) In case of bidder qualifying under cl. 4.1(A), can produce an unconditional letter of comfort from the qualified steam generator and qualified steam turbine generator manufacturer for successful performance of the equipments proposed to be supplied for this project in lieu of the Deed of joint undertaking specified. The Board approved and ratified the modifications proposed in the Tender specification (Technical and Commercial) with a direction that the modified formula pertaining to the penalty clause on account of loss of generation may be followed in all big thermal project tenders to be floated in future.

P. Gnanapalan,
Chief Engineer/Projects.

Electricity - Effecting New Agricultural service connection - Temporary overlooking of priority - Based on the minutes of the Distribution review meeting held on 14.2.13 - Guidelines issued - Regarding.

(Technical Branch)

(Per) CMD TANGEDCO Proceedings No.98,

Dated the 08th March, 2013.
Maasi 24, Nanthana Varudam,
Thiruvalluvar Aandu - 2044.

Read:

1. CMD/TANGEDCO Note Approval dt. 6.3.2013.
2. Memo.No.SE/RE&ID/3246/88 (Tech.Br.) dt. 16.9.88.
3. Circular Memo.No.SE/IEMC/EE3/H/D.106/89, (Tech.Br.) dt. 13.1.89.

PROCEEDINGS:

During the Distribution Review meeting held on 14.2.13 in the Head quarters by the CMD/TANGEDCO with all the CE's/Distribution and SE's/EDC, the discussions on the problems arising in effecting agricultural service connections due to way leave, legal or law and order problems was discussed and the following are decided.

"In case problems in extending supply to the agricultural ready parties, arise due to way leave, legal or law and order problems, SE's are permitted to proceed further to give service connection to the other ready parties as per seniority".

After careful examination, the following instructions are issued.

1. The SEs/EDC are empowered to overlook the priority in effecting service connection to the subsequent ready parties as per seniority, in case of problems that arises due to way leave, legal or law and order problems apart from the cases involving pending court cases and pending approval from DOT/Railway crossings alone communicated in the instructions issued vide ref (2) and (3).

2. In case of Way leave problem the concerned area should be inspected and genuineness should be ascertained and certified by the section officer.

3. 30 days notice should be issued to the individual by the concerned section officer for arranging alternate way leave with acceptance to bear the revised additional estimate cost in accordance with the Distribution code.

4. This notice shall be delivered to the party who has signed the readiness and acknowledgement obtained. Date and time of inspection should be specified in the inspection report by the section officer.

5. In case if it is found possible either by the party or by the department that service may be effected by rerouting, after getting concurrence for additional expenditure, necessary estimate may be prepared for rerouting. In that situation apart from the concurrence of the party for revised estimate, along with the consent of other parties if any along the revised route should be obtained and furnished by the applicant. After receiving the revised estimate the AEE/Concerned should inspect the area before recommending the same for getting approval of competent authority.

6. In the event of any objection for revised way leave (or) subsequent objection to the consent given by the party, a fifteen days notice to be issued from the AEE concerned to the party for solving the problems.

7. After expiry of the above said period, and if party could not resolve, a fifteen days notice should be issued from the EE concerned stating that if objection is not cleared within the stipulated period, his priority may have to be overlooked and subsequent ready parties in the section concerned will be effected with Agricultural service connection till the objection is cleared. The notice shall be served through Registered post.

8. After expiry of notice period, the EE/O&M concerned shall send the proposal to SE/EDC concerned for approval with all the details for overlooking the priority.

9. In the event of law and order problem in effecting service to the party, the party has to clear the problem and necessary NOC has to be produced by him from the RDO concerned for effecting supply.

All the Procedures in para 1 to 8 mentioned above should be followed for legal or law and order problems also.

10. Finally the SE/EDC will issued 7 days notice to the party concerned stating that his priority will be overlooked if objection or legal or law and order problem, as the case may be, is not cleared within the stipulated period. The notice shall be issued through the concerned AE's office to the party or representative of the party and acknowledgement obtained.

11. Thereafter SEs/EDC may accord approval to overlook such cases and to effect service to the subsequent ready parties and a letter shall be sent to the party referring all the correspondences to the effect that his priority has been overlooked temporarily in view of the objections etc and his inability to arrange for alternate way leave. The party may also be informed that once the way leave (or) legal or law & order problems are cleared his seniority will be restored and service could be effected to the party on priority.

12. The restoration of seniority shall be made for overlooked person once objections are cleared.

(By Order of the Chairman - cum - Managing Director)

dt. 02.02.2013.
- 3) CIRE/REC, Hyderabad letter dated 05.03.2013.
- 4) Note approved by Chairman - cum - Managing Director
dated 09.03.2013.

PROCEEDINGS:

CIRE/REC has requested TANGEDCO to conduct further 5 Nos. of National Training Programmes for C&D employees of TANGEDCO/TANTRANSCO in all Variants (Variant I, II & III) during the month of March 2013 in addition to 20 Nos. of above programmes approved vide B.P. under ref. (1) & ref. (2) cited, during the year 2012-13.

The financial assistance committed by CIRE/REC is limited to Rs.700/- per participant per day towards conducting the training programme and Rs. 400/- per participant towards Course kit.

MoU has already been signed between Addl. Director, CIRE/REC, Hyderabad and Chief Engineer/I.C. R&D, Chennai for conducting National Training Programmes for C&D employees of TANGEDCO/TANTRANSCO during the year 2012-13.

The estimate for conducting 5 Nos. of 3 days National training funded programmes in all Variants for C&D employees of TANGEDCO/TANTRANSCO by our Technical Training & Development Centres works out to Rs.1,38,500/- (Rupees One Lakh, Thirty eight thousand, Five hundred only).

Under the above circumstances, after careful consideration, approval is hereby accorded for:

1. Conducting additional 5 Nos. of 3 days programmes (25 participants per programme) on three Variants (Variant I, II, & III) during the month of March 2013 in this year 2012-13 for C&D employees (Class III & IV) of TANGEDCO/TANTRANSCO by our Technical Training & Development Centres as per the schedule indicated in the Annexure - I.

2. Conducting the above said 5 programmes at 5 Technical Training & Development Centres as per the detailed estimate in Annexure II at a total cost of Rs.1,38,500/- (Rupees One Lakh, Thirty eight thousand, Five hundred only) and claim reimbursement for CIRE/REC at Rs.700/- per participant per day and Rs.400/- per participant towards Training Course kit amounting to a total of Rs.3,12,500/- (Rupees Three lakhs, Twelve thousand, Five hundred only).

3. The Officers, authorized to sanction and payment of the temporary advance towards conducting the Training programmes by each Training Centre and the Officers, authorized to nominate the persons in whose name the temporary advance to be opened are furnished in Annexure - III.

4. As the reimbursement from CIRE/REC will be based on the number of participants attending the training programme, the Superintending Engineers/Executive Engineers (nominating authorities) shall ensure that the number of trainees requested by Technical Training & Development Centres are nominate without fail.

5. The expenditure sanctioned is debit to TANGEDCO - Funds - Revenue expenses - Training expenses - A/c. NO. 76.154 - Training to TANGEDCO/TANTRANSCO Personnel.

(By Order of the Chairman - cum - Managing Director)

P. Sachithanatham,
Chief Engineer/I.C., R&D.

Encl: Annexure I to III

ANNEXURE - I

Additional 5 Nos. of 3 Days National Training Programmes for Class C&D (Class III & IV) employees of TANGEDCO / TANTRANSCO funded by CIRE/ REC in the year 2012-13 to be conducted at Technical Training & Development Centres

Sl. No	Name of the Centres	Variants		
		Variant I (Lineman Training Programme)	Variant II (Meter Readers Training Programme)	Variant III (UDC, LDC, Store clerks Training Programme)
1	TT&DC Korattur	26.03.2013 28.03.2013	to	
2	TT & DC/ Tiruvannamalai	25.03.2013 to 27.03.2013		
3	TT&DC/ Pasumalai			20.03.2013 to 22.03.2013
4	TT&DC/ Trichy	25.03.2013 to 27.03.2013		
5	TT&DC/ Tirunelveli		21.03.2013 to 23.03.2013

APPRENTICESHIP TRAINING - Under Apprentices Act (Amendment Act 1973 and 1986) - Engagement of Engineering Graduates / Technicians (Diploma Holders) as Apprentices in TANGEDCO / TANTRANSCO for the year 2012 - 13 - Approval - Accorded.

(Technical Branch)

(Rt) CMD Proceedings No.15,

Dated the 19th March, 2013.
Panguni 6, Nanthana Varudam,
Thiruvalluvar Aandu - 2044.

Read:

1. Lr.No.BAT/SRD/78-466/06 dated 26.02.2013 received from the Director/Board of App.Trng/Chennai
2. N.F. No 00661-1/GM/HRD/SM I/SDM//2012-13 approved by Chairman cum Managing Director dated 16.03.2013.

PROCEEDINGS:

1. The Director / Board of Apprentice Training / Chennai has requested that the TNEB may engage 3000 Engineering Graduate apprentices and 5000 Diploma Holder apprentices during the year 2012 - 2013.

2. Taking into consideration of the prevailing financial condition, General Manager/ Human Resource Development / Chennai has evolved a proposal for engaging 800 Engineering Graduates and 1200 Diploma Holders by TANGEDCO / TANTRANSCO as apprentices for the year 2012 - 2013 for imparting training to them to meet the statutory requirement of Apprentice Act.

3. After careful consideration, approval is hereby accorded to engage 800 Graduate Engineers and 1200 Diploma Holders in various disciplines as per Annexure-2 for Apprenticeship training in TANGEDCO / TANTRANSCO for the year 2012 - 2013 by incurring an initial expenditure of Rs.7,06,08,000/- (Rupees Seven Crores, Six lakhs, and Eight thousand only) and claim a reimbursement of 50% share of stipend amount of Rs.3,53,04,000/- (Rupees Three Crores, Fifty Three lakhs and Four thousand only) from Board of Apprenticeship Training, Taramani, Chennai.

4. The apprentices are eligible for the stipend as detailed below, The rate of monthly stipend payable to the apprentices fixed by the Govt. of India, Gazette Notification G.S.R.228 (E), dt.23.03.11 of Ministry of Human Resource Development is furnished below:

- a) Engineering Graduate Apprentices - Rs.3560/- p.m
 b) Technician Apprentices (Diploma Holders in Engg.) - Rs.2530/- p.m

Government of India will be bearing 50% of share of stipend payment which will be reimbursed by the Board of Apprenticeship Training, Taramani, Chennai and TANGEDCO / TANTRANSCO will bear the balance 50% of expenditure incurred towards stipend payment for imparting training to the apprentices.

5. The procedures to be adopted for selection and engagement of the prospective candidates are indicated in Annexure 1 to 6.

6. The expenditure is debitable to A/C head 75 - Employees costs-75.170-Salaries - Apprentices.

(BY ORDER OF THE CHAIRMAN - cum - MANAGING DIRECTOR)

P. Sachithanatham,
 Chief Engineer/IC, R & D.

Encl: Annexure 1 to 6

ANNEXURE - 1

The following procedures as listed below shall be adopted for the selection and engagement of the prospective candidates.

(I) Region-wise allotment in respect of various branches of Engineering, as indicated in the Annexure - 2, 3 & 4 will be communicated to Board of Apprenticeship Training, Chennai. Selections shall be made in line with the following norms/quota as in force now and as per the latest amendment / supplement notification, if any, by the Chief Engineers of Distribution Region viz., Chennai North (for North & South Region), Vellore, Coimbatore, Trichy, Madurai, Villupuram, Tirunelveli, Erode & Chief Engineer / Gas Turbine Schemes / Chennai.

- | | | |
|-------|---|---------|
| (i) | Ratio of SC apprentices to the total apprentices | : 1: 6 |
| (ii) | Ratio of ST apprentices to total apprentices | : 1: 20 |
| (iii) | As per the latest recommendations of
Central Apprenticeship Council, reservation to
be given for physically handicapped candidates
irrespective of the marks obtained by them in
all branches in each region. | : 3.0% |

(iv) As per the Govt of India notification "Supplement to Apprenticeship Rules 1992, The Apprentices (Amendment) Act 2007 (Act No 36 of 2007), 27% reservation is to be given for OBC candidates.

(v) As a welfare measure, the sons and daughters of the TANGEDCO/ TANTRANSCO employees in service / retired will be given preference during selection irrespective of the marks obtained by them subject to a maximum of 10% of the total vacancies in all branches in each region.

(vi) All other clauses come under the category of open competition. Additional Annexures- 2A & 2B with the overall breakup details of the total number of Apprentices for selection under various categories (SC/ST/OBC/PH & OC) for the various disciplines of engineering as per the norms/rules in force is provided as an example to follow during selection of the candidates at the time of interview for each region in consultation with the member of BOAT present.

(II) An Interview Committee shall be constituted with 3 members, one each from TANGEDCO and TANTRANSCO in the level of Superintending Engineers and one from Board of Apprenticeship Training (BOAT). In the committee to be constituted by the Chief Engineer, Distribution (North) Region, Chennai, one member from North Region and one member from South Region shall be represented. For Generation circle to be constituted by the Chief Engineer / Gas Turbine Schemes / Chennai, One Superintending Engineer from Thermal / Gas Turbine Stations and One Superintending Engineer from Hydro area shall be the members.

(III) This committee shall conduct the interview for the candidates, to whom call letters will be issued directly by the BOAT, Chennai as per the allocation indicated in the Annexure 3 & 4 with a request to report at the respective Regional Head Quarters. During the above interview, the overall fitness of the candidates & their certificates shall be 100% verified and candidates shall be strictly ranked according to marks by the Interview Committee. Such lists will be prepared separately for SC/ST/OBC/OC Candidates.

(IV) The Chief Engineer of the respective Distribution regions & CE/GTS, will arrange for all official machinery, man power, stationery etc. for conducting the interview.

(V) The dates for conducting interview and the norms to be adopted for selection of graduate and diploma apprentices will be communicated by Board of Apprentice Training(Southern Region) well in advance

(VI) In the case of Graduate & Diploma apprentices, the Chief Engineer / Distribution Region concerned and Chief Engineer/ GTS shall issue Engagement order as Apprentice Trainee as recommended by interview committee to the selected candidate by obtaining proper acknowledgement, on the next day of the interview. The Chief Engineers indicated shall be the competent authority to issue order as per the allotment to the various Wings / Substations / Generating stations as given in Annexure 5 & 6.

(VII) While issuing the "reposting orders" to the apprentices the Superintending Engineers concerned are responsible to fill up the contract Registration form to be sent directly to the Director/BOAT that the individual has reported for duty. Their date of joining may be taken as the date for the commencement of apprenticeship training.

(VIII) The date of joining of Graduate / Diploma apprentice has to be reported to BOAT by the Superintending Engineers concerned and they have to follow up for obtaining the Registration card / number of the apprentice. The Registration card/ number may be obtained from BOAT early within a maximum of three months from the date of joining.

(IX) The Superintending Engineers concerned are requested to claim the 50% reimbursement amount from BOAT for Graduate and Diploma apprentices for the entire circle instead from the Division offices now in practice. 50% reimbursement amount claim from BOAT may be followed up regularly by the Superintending Engineer concerned for the realization of the same into TANGEDCO / TANTRANSCO account without fail and the same shall be reviewed by the Chief Engineers concerned every month for avoiding any lapses.

Memo. No.CE/Comml/EE3/AEE2/F.Planning Permission/D.184/13, (Tech.Br.)

dated 19.03.13.

Sub : TANGEDCO - Provision of power connection to the Special and Multistoried buildings on production of Planning permit and Compliance Certificate issued by the competent authority - Definition of Special buildings as per the Development regulations for Second Master Plan for Chennai Metropolitan Area - Instructions issued - further clarifications - Regarding.

- Ref : 1) Memo No. CE/Comml/EE3/AEE2/F.Planning Permission/D.653/12, dt. 03.12.2012.
2) CMDA, Letter No. EC1/15998/Spl./2012, dated 18.3.2013.

Please refer to the instructions issued under ref. 1 cited on insisting of Planning Permit and Compliance Certificate for effecting of electricity service connection to the Special buildings as per the Development regulations for Second Master Plan for Chennai Metropolitan Area.

Based on the clarifications raised by the Superintending Engineers of Chennai North and South regions, the Member Secretary/CMDA has furnished clarifications on the definition of Special buildings in ref. 2 cited. Copy of the CMDA letter (ref.2) is enclosed herewith for strict compliance, while effecting electricity service connections to the Special buildings.

P. Bagavathiraj,
Chief Engineer/Commercial.

CHENNAI METROPOLITAN DEVELOPMENT AUTHORITY
Thalamuthu Natarajan Building, No.1 Gandhi Irwin Road, Egmore.

Lr.No.EC1/15998/Spl.2012, dated 18.3.2013.

Sub : CMDA - Enforcement Cell - Provision of power connection to the buildings on production of Planning Permission/Completion Certificate issued by the competent Authority - Clarification - Furnished - Regarding.

- Ref : 1) D.O. letter from the Vice-Chairman (i/c), CMDA addressed to the Chairman, TNEB, in letter No. EC1/15998/Spl./2012, dated 15.10.2012.
2) D.O. letter from the Principal Secretary/Chairman & Managing Director, TANGEDCO & TNEB Ltd. No. CE/Comml./EE3/AEE2/F.Planning Permission/D.678/12 dated 12.12.2012 addressed to the Vice-Chairman i/c, CMDA.
3) Letter from the Director (Distribution), TANGEDCO, No. CE/Comml./EE3/AEE2/F.CMDA Spl.Bldg/D.43/13 dated 18.1.2013 addressed to the Chief Planner, CMDA.

With reference to your letter in the reference 3rd cited, requesting clarification on the definition of Special and Multi-storeyed Buildings, the following clarification is furnished:

It is clarified that the Basement Floor + Stilt Floor not treated as floors for the purpose of calculating number of floors. Hence, two floors means Ground Floor + First floor or Stilt parking floor + two floors irrespective of provision of Basement floor. It is further clarified that in some cases, the applicant opt for part of the regular floor and part of stilt floor parking at the ground floor level. In such cases, the ordinary building with reference to number of floors consist of ground floor, (in Ground Floor level will be stilt for parking and part will be for habitable use) first floor and second floor (Part) over the area of stilt floor (part) at the ground floor level. Thus, the applicants are permitted to construct the second floor part only on the portion approved as stilt floor (part). As long as the building conforms to this profile, it is considered as an ordinary building. For easy reference, it is further suggested that the profile of the building should be sent whether any part of the building exceeds Ground Floor + First Floor or stilt Floor + 2 Floors.

Relating to industrial buildings, it is to be clarified that insistence of Completion Certificate for issue of service connections was introduced based on the High Court Order which stipulates that all the special buildings of residential and commercial and Multi storied building should be provided service connections only on obtaining completion Certificate. This order does not cover industrial building. While incorporating this provisions as part of Development Regulations in the 2nd Master Plan, the same is adopted. As per the Development Regulations (5), Completion Certificate required to be obtained Special Buildings, Group development and Multi-stores building. Industrial building irrespective of height not exceeding 15.25 mtrs. or number of floors not exceeding GF+3 floors or stilt floor + 4 floors is not considered as Special Building.

It is clarified that for the buildings approved as an ordinary building by the Local Bodies, Completion Certificate need not be insisted for providing service connections, as of now, as the Local Bodies do not issue Completion Certificate for the ordinary buildings issued by them.

TANGEDCO - Project BEST - Replacing the existing IDE Flash EPROM of 64 MB by procuring new 1 GB Flash EPROM in Thin clients and developing a new Thin Linux Operating system Master Image including deployment in all 3000 Nos. of Thin client PCs, Approval - Accorded.

(Technical Branch)

(Per) CMD TANGEDCO Proceedings No.115,

Dated the 25th March, 2013.
Panguni 12, Nanthana Varudam,
Thiruvalluvar Aandu - 2044.

Read:

Note approved by the Chairman on 21.3.2013.

PROCEEDINGS:

After careful consideration TANGEDCO hereby approves the proposals

(i) For replacing the existing 64 MB IDE Flash EPROM by procuring new 1 GB Flash EPROM in Thin client machines available in (Project BEST) Collection Centres at an estimated cost of Rs.60 Lakhs in order to carryout the implementation of MBC (Metering, Billing and Collection) module being developed under R-APDRP scheme by the Chief Engineer/Information Technology through open tender process,

and

(ii) For developing a new Thin Linux Operating System Master Image by obtaining quotations from local vendors (as per the specification enclosed) at an estimated cost of Rs. 50,000/- by the Chief Engineer/IT and deploying the same in all 3000 Nos. of Thin client PCs after providing them with 1 GB IDE Flash EPROM.

(By Order of the Chairman - cum-Managing Director)

Encl: Detailed Proposal

H. Mythili,
Chief Engineer/Information Technology.

Detailed proposal

HP make Thin client machines are available in Collection Centres established under Project BEST Phase I in all Regions. The R-APDRP (covered under Project BEST Phase - I) includes 700 Nos. of Project BEST Collection centres. Each Collection Centre comprises of 3 or 4 Nos. of Thin Client machines along with 9 pin Epson Printers and 1 No. local server for LT Billing.

The Thin Client PCs available in the section office are presently working on Customized Linux 1.2 Operating system (RedHat Flavour) including Mozilla Firefox 2.0 browser.

The Linux version 1.2 OS (RedHat flavour) and Mozilla firefox browser of version 2.0 are embedded into the IDE-Flash EPROM to enable security aspect and to prevent user from working with other unauthorized Operating System and browser settings. The Thin client PCs supplied under Phase - I are having IDE - FLASH EPROM of 64 MB capacity and those supplied under Phase - II are having IDE flash EPROM of 512 MB capacity.

In the Minutes of meeting held among RAPDRP ITIA and TANGEDCO officials on 20.11.2012, the ITIA has proposed to carryout the following:

"To test and create a Proof of Concept (POC) for the current thin client environment for ensuring the feasibility of the integration of the thin client with the R-APDRP module at HQ and further at Pudupalayam".

In response, M/s. Navayuga Infotech Pvt. Ltd, ITIA requested vide letter dated 23.12.2012 to provide the existing Thin Client system with the "Mozilla Browser version 4 or Higher".

In view of this, a test environment comprising of equipments such as 1 no. HCL make Thin Client machine of 64 MB Flash EPROM/512 Mb flash EPROM/40 GB IDE Hard disk (diverted from CEDC/Central) & 1 No. 9 Pin EPSON Printer (diverted from CEDC/North Data Centre) was created. The Thin client machines were also connected with 1 No. Bar code Reader which was supplied by M/s. Navayuga Info Tech Ltd.

The initial observations made while accessing the MBC Web Module (Meter, Billing & Collection Module) being developed at M/s. Navayuga Info Tech Ltd's remote office, through the existing Thin Client PC are furnished below:

(1) Environment (64 MB Flash drive): Thin Client PC provided with thin client linux 1.2 version with Mozilla fire fox 2.0 embedded in 64 MB flash drive:

- Supporting Bar code Reader
- "Add Payment record" is not working in the bill payment interface since HTML 5 tags are not supporting with the Mozilla fire fox 2.0 browser.
- Since the printing is based on Applet, which requires JRE Plugin, the receipt printing is not working.

(2) Environment (512 MB flash drive) : Thin Client PC provided with linux 1.2 version with Mozilla firefox 2.0 and JRE 1.4 embedded in 512 MB flash drive and the following are observed:

- Supporting Bar code Reader
- "Add Payment record" is not working in the bill payment interface since the HTML 5 tags are not supporting with the Mozilla fire fox 2.0 browser.
- Since the printing is based on Applet, which requires JRE Plugin 1.7, the receipt printing is not working.

(3) Environment (40 GB IDE Hard disk) : Thin Client PC provided with the 40 GB IDE Harddisk loaded with RHEL 5.0 Operating System, Mozilla Fire Fox 17.0 version with JRE 1.7 Plug and the following are observed:

- Supporting Bar code Reader and tested OK.
- All the collection functions are working well.
- Receipt printing tested satisfactorily.
- Collection reports are generated, tested and viewed in PDF.

The detailed report furnished by M/s. Navayuga Infotech Pvt Ltd is enclosed vide dated 23.1.12 is enclosed in the annexure.

From the above it may be seen that the Thin Client PCs with RHEL 5 with Mozilla Firefox 17.0 version and with JRE plugin 1.7 is required for enabling the MBC module of RAPDRP.

However the above environment could not created in a 512 MB IDE Flash EPROM, since the strip down version of RHEL 5 flavour OS needs minimum 200 MB,
B.B. - 5 (Mar. 2013)

the Mozilla Browser version 17.0 needs 20 MB and the JRE plugin requires 45 MB. However, Considering the future scalability, 1 GB EPROM is preferable than 512 MB EPROM, so that any future requirement could be achieved easily without changing the Hardware.

On conclusion, the following charges/upgradation to be made in both hardware configuration and OS software are suggested:

i) To replace the existing 64 MB IDE - FLASH EPROM by 1 GB IDE - FLASH EPROM so as to cater the requirement of R-APDRP MBC module which requires Mozilla firefox version 4.0 or higher (Mozilla web browser 17), Java Plug ins (Jre 1.7), RedHat Flavour based Linux Thin Operating System. The Cost implication for providing 1 GB IDE flash EPROM in the Thin clients with 64 MB IDE Flash available at 110 Town in arrived at as follows:

It is ascertained from field officer that there are about 3000 Nos. of Thin Client Machines available with 64 MB IDE EPROM at 110 Towns : 3000 Nos.

Total Cost required to replace the existing 64 MB EPROMS with 1 GB EPROM works out to Rs. 60 Lakhs (approx.) as given below. (i.e) 3000 Nos. x Rs.2,000 per 1 GB EPROM (approx) = Rs. 60 Lakhs approx.

(ii) To develop a new Thin Linux Operating System Master Image having REDHAT Flavour Linux OS Client with latest version of Mozilla web browser including JRE Plugins version 1.7. x. The tentative cost of developing thin client linux master image OS is assessed as Rs.50,000/- (Rupees fifty Thousand only). This master image would be deployed in all the 3000 thin client PCs after providing them with 1 GB IDE Flash EPROM.

In view of the above the following have been proposed:-

a) Replacing the existing IDE Flash EPROM 64 MB at an estimated cost of Rs. 60 Lakhs, by procuring new 1 GB Flash EPROM by CE/IT through open tender process.

b) Developing a new Thin Linux Operating System Master Image by obtaining quotations from local vendors (Technical Specification is enclosed) at an estimated cost of Rs.50,000/- by the CE/IT, and deploying the same in all the 3000 thin client PCs after providing them with 1 GB IDE Flash EPROM.
