Sub : Public Services - Departmental Proceedings pending at the time of superannuation - Issuance of conditional retirement order - Copy of Government's instructions - Communicated.

Ref : From the Principal Secretary to Government/P&AR(N) Department, Lr.(Ms) No.35/N/2012-1, dated 03.04.2013.

I am to enclose herewith a copy of the Government's letter cited and its enclosure for strict adherence and guidance, as the rule 17(b) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules mentioned in the said letter, is corresponding to Regulation 8(b) of TNEB Employee's Discipline and Appeal Regulations. The Standard Form of order for allowing the employee who faces Disciplinary Proceedings to retire from service and to continue the action under rule 9 of Tamil Nadu Pension Rules, 1978 by the Appointing Authority, which is in the Annexure to Government's letter, may be issued in the form of Memorandum in TANGEDCO.

Letter (Ms) No. 35/N/2012-1, Personnel and Adm.Reforms (N) Depart, Secretariat,
dated 03.04.2013.

Sub : Public Services - Departmental Proceedings pending at the time of superannuation - Issuance of conditional retirement order - Regarding.

Ref : Commercial Taxes and Registration Department
U.O.No.2082/E2/2011-1, dated 17.03.2011.

When a government servant is facing disciplinary action under rule 17(b) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules, and he reaches the age of superannuation, the appointing authority has to decide, depending on the gravity of the lapses, whether to allow him to retire and to continue the disciplinary proceeding under the Tamil Nadu Pension Rules, 1978 or to keep him under suspension and to retain him in service under FR 56(1) (c). When the lapses are not so grave and not warranting imposition of any of the major penalty viz. removal or dismissal for service or compulsory retirement, the delinquent officer is allowed to retire by mentioning in the retirement order that he is permitted to retire from service without prejudice to the disciplinary action pending against him.

2) The Division Bench of the Madurai Bench of Madras High Court, in its order dated 2.12.2010 in W.A. (MD) No. 698 of 2010 and W.A. (MD) No. 721 of 2010, while deciding the issue whether a government servant facing disciplinary proceedings can be allowed to retire from service on attaining the age of superannuation without prejudice to the pending disciplinary Proceedings, has observed that, the expression "without prejudice to the pending disciplinary action and other statutory actions" found in the impugned order should be constructed to mean that the disciplinary proceeding initiated under section 17(b) of the Rules shall be deemed to be a proceedings initiated under rule 9(2) (a) of the Pension Rules and the same may be continued, which may result in any order under Rule 9(1) of the Pension Rules.

3) Based on the said observation of the Madurai Bench of Madras High Court in W.A. (MD) No. 698 of 2010 and W.A. (MD) No. 721 of 2010. the government examined the issue in detail and decided not to use the expression "permitted to retire from service without prejudice to the disciplinary proceedings pending". Instead, in such cases, where the disciplinary authority decides that the lapses/charges are not so grave in nature and does not warrant imposition any of the major penalty like removal or dismissal or compulsory retirement, the authority may allow the delinquent officer to retire from service by specifically mentioning in the retirement order that the disciplinary proceedings pending shall be continued under rule 9 of the Tamil Nadu Pension Rules, 1978.

4) Taking into consideration the need for uniformity in this regard, the Government hereby prescribe a model format annexed to this letter.

5) The disciplinary authority concerned are requested to adopt the above format scrupulously.

Establishment - TANGEDCO - Creation of certain posts in Office of Chief Engineer/ Mechanical/Thermal Stations, Chennai for carrying out Renovation and Modernization works effectively in Thermal Power Stations of TANGEDCO - Orders - Issued.

(Secretariat Branch)

(Per.) CMD TANGEDCO Proceedings. No.240 Dated the 12th September, 2013.
Avani - 27, Vijaya Varudam,
Thiruvalluvar Aandu 2044.

Read:

- i) (Per) B.P (Ch) No.154 (SB) dated 08.08.2006.
- ii) Memo (Per) No.001538/16/G37/G371/2013-2, dt. 09-04-2013.
- iii) From the Chief Engineer/Mechanical/Thermal Stations, Chennai-2 U.O No.CE/ M/TS/ SE/T/P/SE(NI) /R&M/F.post sanction/D.1709/13, dated 07.09.2013.

PROCEEDINGS:

The main objective of Renovation and Modernization of power generating units is to make the operating units well equipped/ modified/augmented with latest Technology equipments/components/ systems with a view to improve their performance in terms of efficiency, output, reliability and availability to the original values, reduction in maintenance requirements and ease of maintenance and to overcome problems due to generic defects, design deficiency, ageing obsolescence of equipments, non availability of spares, inefficiency of generating units, stringent environment regulations and safety requirements, etc. The normal www.tanecol.org of a B.B.3 (Sep.13)

thermal unit varies from 25 to 30 years. The life of these units can be further extended to another 15 to 20 years by carrying out necessary Residual Life Assessment (RLA) & Life Extension (LE) studies followed by Renovation and Modernization works. The Central Electricity Authority has identified Tuticorin Thermal Power Station Units I, II, & III and Mettur Thermal Power Station Units I & II under National Perspective Plan for Renovation and Modernization and life extension of Thermal Stations, as the 210 MW Units have completed/are near completion of their normal design life. Moreover, proposal for conducting Energy audit in all Thermal Power Stations are under process to improve the performance of the Thermal Power Stations.

2. Further, heat rate target has been fixed by the Bureau of Energy Efficiency under Perform, Achieve and Trade (PAT) scheme which has to be achieved by all Thermal Stations before March 2015 or otherwise the Central Electricity Authority will impose penalty for non achievement of heat rate target fixed by them. In order to carry out the Renovation and Modernization works effectively in the Thermal Power Stations of TANGEDCO, the Chief Engineer/Mechanical/Thermal Stations, Chennai has proposed for creation of one post of Superintending Engineer/ Mechanical, one post of Assistant Executive Engineer /Mechanical and regularization of the existing upgraded post of Executive Engineer/ Mechanical/Renovation and Modernization for speedy processing, monitoring and timely execution of the Renovation and Modernization activities in Boiler, Turbine, Generator, Balance of Plant equipments, Conveyors systems, etc at Tuticorin Thermal Power Station, Mettur Thermal Power Station and North Chennai Thermal Power Station so as to achieve the heat rate target fixed by BEE before March 2015 and as well as to run the units efficiently by extending their life for another 15 – 20 years. The Chairman-cum-Managing Director/ TANGEDCO has approved the proposal.

3. PROCEEDINGS:

The Coal Wing was formed to look after the arrangement of coal to the existing Thermal Power Stations right from the Coal mines to the destination power station through the ports in coordination with other agencies. The coal requirement of the existing Thermal Power Stations of 2970 MW capacity was 13.58 MTPA initially and the coal requirement has gone upto 15.5 MTPA per annum approximately. The Ministry of Coal/Ministry of Power have reduced the coal supply to the Thermal Power Stations

across the country due to heavy scarcity of coal availability and requested the Power Utilities to meet the balance quantity of coal by import.

2. The procurement and logistics involved for both Indian coal and Imported coal upto the designated power station requires constant monitoring with various agencies like, Coal India Limited, Coal Companies, zonal Railways, Ports, M/s. PSC, TANGEDCO's Power Station, handling contractors, Import coal suppliers, Customs Department, CEA, Ministry of Power, Ministry of Coal, Ministry Railways, etc and attending meetings convened by the above agencies. In order to maintain uninterrupted power generation to avoid loss of generation at TANGEDCO's Power Stations and to look after the procurement of Indigenous coal and Imported coal for smooth functioning of coal wing, the Chief Engineer/ Mechanical/Coal has proposed for creation of one post of Superintending Engineer/Mechanical in the coal wing and designate the post as Superintending Engineer/Mechanical/ Coal and also proposed to re-designate the existing post of Superintending Engineer/Electrical/Coal as Superintending Engineer/ Electrical/ Coal Handling to look after the works related to coal handling contract and PSC. The Chairman-cum-Managing Director/TANGEDCO has approved the proposal.

3. Accordingly, sanction is hereby accorded for creation of one post of Superintending Engineer/Mechanical in the scale of pay of Rs.38,200 - 67,000 + Grade Pay Rs.8,700/- designated as Superintending Engineer/ Mechanical/Coal for a period of one year from the date of utilization of the post to look after the works related to procurement of Indigenous coal and Imported coal in the Office of the Chief Engineer/ Mechanical/Coal, Chennai and redesignating the existing post of Superintending Engineer/ Electrical/Coal last continued in the memorandum first read above in the Office of the Chief Engineer/Mechanical/Coal, Chennai as Superintending Engineer/Electrical/Coal Handling to look after the works related to coal handling contract and PSC.

4. The incumbent of the post ordered in para 3 above will be eligible to draw the usual Pay, Grade Pay, Dearness Allowance, House Rent Allowance, City Compensatory Allowance and other allowances at the rates admissible under the orders in force wherever applicable.

5. The expenditure is debitable to "TANGEDCO Funds – Revenue Expenses – 75 – Employees Costs – 75.1 – Salaries – 75.110 – Salaries Provincial".

Government of Tamil Nadu

Personnel and Administrative
Reforms (N) Department,
Secretariat, Chennai - 9.

Letter (Ms) No.92/N/2013-1, dated 17.07.2013.

Sir/Madam,

Sub : Public Services - Expeditious action on the disciplinary cases and avoidance of sending disciplinary cases to Government at the fag end of retirement - Instructions issued - Regarding.

Ref : 1. Government Letter (Ms) No,1118/Per-N.87, dt.22.12.87.
2. G.O.Ms.No.144, P&AR (N) Department, dt.08.06.2007.
3. Government Letter No.14820/N/2010-1, dt.04.11.2010.

In the Government letter (Ms) first cited, detailed instructions were issued fixing the time limit for disposal of disciplinary cases at various levels.

2. Further, in the Government Order second cited, instructions were issued to avail delay in processing the disciplinary cases and to ensure that suspension orders are not issued on the date of retirement of the Government Servant.

3. In the letter third cited, instructions were issued to follow the time limit in finalising the Disciplinary/Vigilance cases without fail so as to avoid delay.

4. In spite of the above instructions/guidelines, certain Heads of Departments are still sending the proposal at the eleventh hour to the Government leaving no time to examine the case in a detailed manner. It also causes much administrative inconvenience to the Government. Further, prolonged delay in finalizing the disciplinary proceedings has also been adversely commented by the Hon'ble High Court in various judgments.

5. In view of the above, all the Departments of Secretariat and Head of Department are requested to follow the instructions issued in the references cited and finalise the disciplinary proceedings within the prescribed time limit. If at all the Heads of Department feel that the Government Orders are necessary in a disciplinary proceedings, the proposal should be sent to Government well in advance. It is also reiterated that, it is the responsibility of the Disciplinary authority to ensure that the above instructions are followed scrupulously.

Yours Faithfully
