iv) (Per) CMD TANGEDCO Proceedings No.52 (SB), dated.02.03.2018.

In the reference first cited, orders have been issued that an officer/employee of TANGEDCO whose increment falls due on the day following superannuation, on completion of one full year of service which are countable for increment under regulation 36 (a) of Tamil Nadu Electricity Board Service Regulations, be sanctioned with one notional increment at the rate described under regulation 6 of TANGEDCO Revised Pay (Workmen) and (Officers) Regulations, 2011, purely for the purpose of pensionary benefits and not for any other purpose. Clarifications have also been issued in the reference second cited that the notional increment ordered in the reference first cited can be reckoned for calculation of terminal leave salary i.e. Encashment of Earned Leave and Unearned Leave on Private Affairs at credit at the time of retirement.

2. It has been brought to the notice that the increment ordered in the reference first cited has not been taken into account for calculation of Gratuity. 3. All the pension sanctioning authorities are therefore instructed that an increment ordered notionally, 'only for the purpose of pensionary benefits', the retirement benefits such as pension, commutation of pension, encashment of Earned Leave and Unearned Leave on Private Affairs and Gratuity, have to be sanctioned taking into account the said notional increment.

4. Any deviation in this regard will be viewed seriously.
