It is also hereby ordered that if the total arrears already paid due to fixation in the Revised pay structure 2015 as per original option is more than the arrears payable under revised option, the pay fixing authorities may inform the individual to remit the excess amount (difference) to be recovered from him. After the difference of excess amount was remitted by the individual, the pay drawing officer shall claim the revised pay admissible to the employees as per the revised option.
- iii. If the total arrears already paid due to fixation of pay in the Revised pay structure 2015 as per the original option is less than the arrears payable under revised option, the pay drawing officer shall claim the Revised pay admissible duly adjusting the amount already paid.

Sub: Pension – Wage Revision to the Officers/Workmen w.e.f. 01.12.2015 – Fixation of Pension at the time retirement Instructions - Issued.

- Ref: (i) (Per) FB TANGEDCO Proceedings No.4 (SB), dated 11.01.2014.
- (ii) (Per) FB TANGEDCO Proceedings No.52 (SB), dated 02.03.2018.
- (iii) Secretariat Branch's Memo No.15602/A3/A31/2018-1, dated 08.05.2018.

In the proceedings first cited, orders were issued revising the wages to the officers of TANGEDCO with effect from 01.12.2011. In the said proceedings, among other things, orders were issued allowing annual increment to those who have reached the maximum of the Pay Band, so as to alleviate stagnation in drawal of increments to such officials.

2. In the proceedings second cited, orders were issued revising the Pension and Pensionary Benefits to the pensioners of TANGEDCO who retired before 01.12.2015. Among other things, the ceiling limit for Pension, Family Pension and Enhanced Family Pension was revised from Rs.38,250/- to Rs.1,11,650 (i.e. 50% of maximum pay in Pay Matrix of Rs.2,23,300/-), from Rs.22,950/- to Rs.66,990/- (i.e. 30% of maximum pay in Pay Matrix of Rs.2,23,300/-) and 38,250/- to Rs.1,11,650/- respectively.

3. In the Memo third cited, clarifications have been issued to the effect that, where the last level of Pay Matrix exceeds to the Employees/Officers and stagnated, they shall be allowed increment annually by arriving 3% to the last level and the same shall be shown as Personal Pay.

4. In view of relaxation of the maximum ceiling limit, certain officials have earned increments over and above the maximum of the highest Pay Matrix introduced with effect from 01.12.2015. Now, a question has arisen as to whether the pension may be fixed at the rate of 50% of the last pay drawn by the TANGEDCO (i.e. Rs.1,11,650) or at the rate of half of the last pay drawn by the Employees/Officers over and above the maximum of the highest pay in the Pay Matrix. The issue has been examined in detail and it has been decided to issue a suitable clarification to all the Pension Sanctioning Authorities.

5. Accordingly, all the Pension Sanctioning Authorities are hereby instructed to adhere to proviso 2 to rule 43 (2A) and proviso to rule 43 (4) of Tamil Nadu Pension Rules, 1978 (i.e. 50% of average emoluments drawn during last ten months of service rendered or fifty percent of pay last drawn, whichever is higher) and not to restrict the maximum ceiling while fixing the pension at the time of retirement.
