#### PROCEEDINGS:

1. Severe Cyclonic storm 'GAJA' struck over Bay of Bengal crossed Tamil Nadu and Puducherry coast between Nagapattinam and Vedaranyam during 00:30 to 02.03 hrs on 16<sup>th</sup> November 2018 with heavy wind speed of 110-120 Kmph, bringing with it heavy rain that lashed coastal Tamil Nadu devastating the electrical infrastructure. Due to this, electrical infrastructure comprising of EHT, HT/LT lines, HT/LT Poles, Distribution Transformer etc have been extensively damaged in Nagapattinam, Thiruvavarur, Pudukottai, Thanjavur, Karur, Dindigul, Ramanthapuram, Cuddalore, Trichy, Sivaganga, Madurai and other districts too.
2. Works were carried out round the clock on war footing for restoration of power supply to the entire affected District 99% restoration works have been completed in all the affected districts of Trichy Region and 100% restoration works completed in the other affected districts.
3. Sanction of estimates is necessary in order to regularize the transaction of materials utilized for the rectification works for which estimate sanction is necessary, but as per (per) B.P.Ms (FB) No:20 (SB) dated 13.05.1999 and subsequent B.P vide (Per) FB TANGEDCO Proceedings No.19 dated 05.04.2014, the power has been delegated to sanction the estimate for rectification of works for Board's properties damaged during floods, cyclone which are as follows.

Sl. No	Authority	As per per (per) B.P.Ms (FB) No:20(SB) dated 13.05.1999	As per (Per) FB TANGEDCO Proceedings No.19 dt.05.04.2014
1.	Chairman	Full powers	Full powers
2.	Chief Engineer	Rs.1 Lakh	Rs.10 Lakhs
3.	Superintending Engineer	Rs.25,000/- in each case	Rs.5 Lakhs
4.	Executive Engineer	Rs.5,000/- in each case. Rs.25,000/- in a year	Rs.5,000/- in each case. Rs.25,000/- in a year

4. Since the materials utilized for rectification works are enormous, the above delegated Powers for sanction of estimates are not sufficient to regularize the transaction of materials drawn under T.Note under emergency from the respective Stores and from various circles.
5. In order to sanction the estimates for the rectification works executed to restore the destructions made by Cyclone Gaja, TANGEDCO directs that the existing powers of sanction of Chief Engineer/D/Trichy and Madurai Region, concerned Superintending Engineers/ and Executive Engineers are enhanced as one time measure up to 31.03.2019 in respect of the rectification works carried out for Cyclone Gaja in Nagapattinam, Thiruvavarur, Thanjavur, Pudukottai, Trichy, Karur, Madurai, Sivaganga and Dindigul Districts as follows.

EE/O&M	:	<b>Rs. 50 Lakhs</b> for sanction of estimates in respect of works of replacement of HT, LT Lines, DTs, etc.,
SE's/Distribution	:	<b>Full powers</b> for sanction of all estimates for replacement of HT, DT, LT and allied materials, Providing amenities (viz.,) food, accommodation to staff, hiring of vehicle, transportation of materials, pocket money, Temporary advance, Procurement of SS Spares.
