Annexure-I

Need for the proposal:

Laptop procured for EE/R/IT has served its full life period and is not in working condition. Since EE/R/IT has to attend several meetings/workshops connected to implementation of Smart Meters and IPDS works, a laptop is highly essential. EE/R/IT is presently using the PC supplied for Data Centre by ITIA (IT Implementing Agency) under R-APDRP Scheme. Hence 1 no. Laptop is essentially required for the use of EE/R/IT.

The 4 nos. PCs (AEE/Smartgrid, AE/Smartgrid, AE/Shift and AE3/ITCELL) and 1 no. HP Laserjet P3015 Printer supplied by ITIA have served their full life period. Since the R-APDRP Project is under arbitration, for awarding AMC for these 4 nos. PCs and 1 no. Printer, consent of the arbitrator has to be obtained which will be a time consuming process.

New PCs and Printer are to be procured by TANGEDCO for these 4 nos. PCs and 1 no. Printer supplied by ITIA also, since on failure of any of these PCs/Printer, the Engineers will be left without workstations/printer.

Out of the remaining 3 nos. PCs, 2 nos. PCs have to be procured one each for EE/ CC and EE/SA, O/o SE/IT Projects, for whom PCs have not been allotted till now.

The remaining 1 no. PC used by AEE2/ITCELL and 1 no. Samsung Printer procured by TANGEDCO have served their full life period and not in working condition.

Hence 1 no. Laptop, 7 nos. new PCs and 2 nos. Printers are essentially required for the officials of IT Projects Wing.
