ABSTRACT

Government Servants – Avoidance of suspension on the last date of retirement – Announcement made by the Hon’ble Chief Minister on the floor of Assembly under Rule 110 of the Tamil Nadu Legislative Assembly Rules – Orders – issued.

1. Government Order (Ms.) No.768, Personnel and Administrative Reforms (Personnel-N) Department, dated 02.07.1979.
2. Government Letter (Ms.) No.1118/Per-N/198, Personnel and Administrative Reforms (Per-N) Department, dated 22.12.1987.
3. D.O. Letter No.44626/2004-1, Personnel and Administrative Reforms (N) Department, dated 03.08.2004.
4. Government Order (Ms.) No.144, Personnel and Administrative Reforms (N) Department, dated 08.06.2007.

ORDER:

Considering various demands of the service associations of the Government Employees / Teachers, on the floor of the Assembly on 07.09.2021 under Rule 110 of the Tamil Nadu Legislative Assembly Rules among others the Hon’ble Chief Minister has made the following announcement:-

“ஓய்வுபெறும் நாளில் அரசுப் பணியாளர்கள் தற்காலிகப் பணி நீக்கத்தில் வைக்கும் நடைமுறை தவிர்க்கப்படும்”.

2. Disciplinary action is initiated against the erring Government servants to deter and mend them. On finalization disciplinary action, appropriate punishment is imposed to the delinquents for the proven charges. In some cases, the disciplinary proceedings are prolonged and dragged till the date of retirement of the Government servants and they are placed under suspension for the pending disciplinary proceedings. To avoid such delay in finalizing the disciplinary proceedings, the Government have issued necessary instructions / guidelines in the references first to third read above.

3. In the Government Order first read above, instructions were issued that the competent authority should personally assess the situation and satisfy himself that the charges pending against the Government servants are serious enough to warrant a dismissal or removal and that there is prima facie to prove such charges, before arriving at a decision to place them under suspension. Even in these cases, it should be possible for the authorities to undertake disciplinary action well in advance of the impending date of retirement, since it is very rare that a person commits such major irregularities during the last 2 or 3 months of his service. When such a lapse is noticed, the competent authority should pursue the disciplinary action against the person quickly and vigorously so that it may be completed as far as possible by the retirement date.

4. In the letter second read above, time limit have been set for the various procedures to be followed in disciplinary proceedings so as to avoid delay in processing of disciplinary cases against the Government servants.

5. Instructions have also been issued in the D.O. letter third read above to make a bimonthly review of all disciplinary cases pending at all levels including at the Government level, to speed up the disciplinary cases.

6. In spite of the above instructions, it was noticed that in many of the long pending disciplinary cases, the disciplinary authority issues suspension orders on the date of retirement of the Government servants which causes much hardship to them. Therefore, the Government have decided that as a general principle, issue of suspension orders on the date of retirement of a Government servant should be avoided by examination of the cases well in advance (i.e.) three months prior to the Accordingly, in the Government Order fourth read above, detailed guidelines were of their retirement and to examine each and every case and to take a decision whether the Government servants be allowed to retire or otherwise well in advance (i.e.) 3 months prior to the date of retirement of the Government servants concerned.

7. Now, based on the announcement made by the Hon'ble Chief Minister on the floor of the Assembly on 07.09.2021 under Rule 110 of the Tamil Nadu Legislative Assembly Rules, the Government reiterate the instructions issued in Government Order fourth read above and also direct that the following guidelines be strictly followed to avoid suspension orders on the date of retirement of the Government servants:-

(i) Before initiating disciplinary action under Rule 17(b) of Tamil Nadu Civil Services (Discipline and Appeal) Rules, the competent authorities should personally assess whether the charges / allegations against the Government servants warrant imposition of major penalties such as dismissal or removal from service. Because, proper application of rule reduces unnecessary delay in processing the disciplinary cases.

(ii) The disciplinary authority should follow the time frame stipulated in the Government letter second read above, which ensures, issue of final orders without inordinate delay. The time limit given in the above Government letter is in general. Considering the date of retirement of the Government servant against whom disciplinary proceeding is pending, the concerned disciplinary authority should prescribe suitable calendar of activities subject to principle of natural justice in terms of providing opportunities to defend for each case in line with the general instructions. The reason for non adherence should be recorded in writing by the disciplinary authority and same should be monitored by the inspection Cell concerned.

(iii) To avoid suspension on the date of their retirement, decision should be taken well in advance (i.e.) Three months prior to the date of retirement on superannuation, if final orders could not be issued in a pending disciplinary case against a Government servant retiring from service due to administrative grounds.

(iv) If an irregularity or an offence committed by the Government servant comes to notes within a period of three months prior to the date of retirement, the disciplinary authority shall process the case on war footing manner and take a decision either to permit the Government servant to retire from service so as to continue the disciplinary case pending against him under the Tamil Nadu Pension Rules, 1978 or to place him under suspension based on gravity of the irregularities committed by him.

(v) In cases where charges have been framed and the disciplinary authority is of the view that a pension cut or withholding of pension under the Tamil Nadu Pension Rules, 1978 would suffice for the delinquency committed, the disciplinary authority may allow the

Government servants to retire from service so as to continue the same as deemed departmental proceedings.

(vi) Any failure on the part of the disciplinary authority to issue final orders three months before the date of retirement of a delinquent officer will be viewed seriously and it will entail severe action to be initiated against the officials responsible for dragging on the case to the date of retirement of Government servant concerned.

(vii) Where the delinquency committed by a Government servant is very grave which warrant imposition of major penalty such as dismissal or removal from service and if it is not possible to frame charges to initiate action before retirement or to pass final orders in such departmental proceedings, then it is necessary to suspend the Government Servant from service and not to permit him to retire on attaining the age of superannuation under Fundamental Rule 56(1)(c). In such cases also the disciplinary authorities have to ensure that the suspension orders are not issued on the date of retirement of the Government servants.

(viii) In respect of Directorate of Vigilance and Anti-Corruption and Tribunal for Disciplinary Proceedings cases, if any delay on their part, the disciplinary authorities should take up the matter with the Directorate of Vigilance and Anti-Corruption or Tribunal for Disciplinary Proceedings to expedite such cases and issue of final orders within the time limit prescribed. In unavoidable circumstances, if final orders could not be issued, even in such cases, the disciplinary authorities should take a decision well in advance and not to place him under suspension on the date of retirement.

(ix) The above instructions shall not be made applicable to cases of Directorate of Vigilance and Anti-Corruption enquiry and criminal cases.

Establishment – TANGEDCO – Regulations – Constitution of a Committee to review the existing TNEB Service Regulations - Orders – Issued.

(Secretariat Branch)

(Per.) CMD TANGEDCO Proceedings No.262

Dated 29th December 2021.
Margazhi- 14.
Thiruvalluvar Aandu-2052.

PROCEEDINGS

The TNEB Service Regulations are framed based on the General Rules of Tamil Nadu State and subordinate Service Rules and the Fundamental Rules of Government of Tamil Nadu. If, the Government makes any amendments to the said rules, corresponding regulations in TNEB Service Regulations are amended after obtaining approval from the Board of TANGEDCO. The service Regulations contains the rules relating to method of appointments to various posts, appointing Authority and Qualifications. The amendments to the service Regulations are being made whenever situation warrants or need arises. It is felt that the existing method of appointments and the qualifications prescribed for

appointment/promotion to various posts are not commensurate with the present trend and hence, the same needs to be reviewed.

2. It has been proposed to constitute a Committee for reviewing the TNEB service Regulations. Accordingly, the Committee is constituted for reviewing of TNEB Services Regulations with the following members with immediate effect:-

1.	Secretary/TANGEDCO	Chairman of the Committee
2.	Chief Engineer/Personnel	Members of the Committee
3.	Chief Financial Controller/General	
4.	Chief Internal Audit Officer/Audit Branch	
5.	Deputy Secretary/Personnel	Convenor

3. The Committee is directed to submit its report along with its recommendation within a period of 3 months from the date of receipt of this order.

 3. (Per) CH TANTRANSCO Proceedings No.79, dated 26.05.2020.
 4. Note approved by the Chairman dated. 13.12.2021.

PROCEEDINGS:

The AEE/Shift/SLDC requires more skill set ad responsibility when compared to the skill set and responsibilities of AEE/Shift's in 400, 230 KV substation and hence the remuneration of AEE/Shift in SLDC could not be treated on par with AEE/Shift in 400,230 KV substation. Further, the SLDC/shift work is totally different from shift duty of 400, 230 KV substation work. More over experienced SLDC trained skill set person is essentially required to operate the grid economically in SLDC.

Hence, the Chief Engineer/Grid Operation has submitted a proposal to increase the remuneration from Rs.1,000/- to 1,500/- per shift for engaging the retired Assistant Executive Engineer in shift duty in State Load Despatch Centre (SLDC) under the control of Chief Engineer/Grid operation, Chennai.

The Chairman/TANTRANSOCO has approved the proposal.
Accordingly, approval is hereby accorded for the following:-

1. The remuneration for the retired Assistant Executive Engineer for attending the shift duty at State Load Despatch Centre (SLDC) shall be eligible for the payment of Rs.1,500/- per shift subject to a maximum utilization of 26 days per month (Rs.1,500*26 days = Rs.39,000/-)
2. All Other conditions stipulated in the B.P. mentioned in reference (1) above remains unaltered.

4.CE/NCES note approved by CMD/TANGEDCO on date:14.12.2021.

PROCEEDINGS:

- 1.0 Approval has been accorded for the creation of 1 No of AEE/AMR/NCES, 3 Nos. of AE/AMR/NCE and 1No of JE-II/AMR exclusively for the AMR project in the O/o.CE/NCES/Chennai vide (Per) CMD TANGEDCO Proceedings No.186, dt:31.10.2017.
- 2.0 The AMR subdivision functioning under the O/o.CE/NCES has initiated the AMR project for all the wind generators initially. In the AMR project, modems and DCU were installed in all Wind, Solar, Biomass, Bagasse & Thermal generators and with the support of IT wing open access billing was rolled out on 1st February 2019 for wind generators and Open access billing was rolled out to Solar generators on 1st July 2019. Subsequently on successful implementation of AMR/Open access billing for Wind and Solar, the AMR/Open access billing has

been implemented to Biomass, Baggasse and Thermal generators. Further the meter data from the Modern and DCU installed in the Substation feeders are used for forecasting of Wind and Solar energy by the REMC wing.

3.0 Subsequently for attending modern related issues in the field, redeployment of two posts of Assistant Engineers/AMR from the O/o. of the CE/NCES Chennai was done and one post was allotted to SE/NCES/Tirunelveli and SE/NCES Udumalpet was done vide (Per) CMD TANGEDCO Proceedings No.51, dt:20.03.2020.

4.0 As on date AMR facility provided both in TANGEDCO/TANTRANSCO is tabulated below.

S.No	SECTION	Total
1	GENERATOR	10268
2	SUBSTATION	388
3	DSM	94
	Grand Total	10750

The main role of AMR subdivision at the O/o.CE/NCES/Chennai was

- 5.0 Co ordination with M/s.Digilog Micro solutions – vendor for the establishment of AMR project regarding the updating of billing logics in AMR software, resolving communication issues in the Wind/Solar or transferring of data from meter to TANGEDCO HQ server.
- 6.0 As almost 95% of the generators and in particular 100% with respect to wind and Solar generator works are completed, now the works related only to maintenance of Hardware, Software security and payment issues.
- 7.0 As a holistic approach, the centralized AMR maintenance of server and handling of the Software, MDAS, MDM at the NCES wing is complicated and time consuming. Also the data from the AMR server is sent to open access (OA) server for billing. Hence, in order to have better operation of AMR subdivision it is suggested that the AMR subdivision in the O/o CE/NCES/Chennai may be attached to the IT wing so as to provide effective support to the AMR project in future.

The above suggestion was discussed in the meeting on 30.10.2021 chaired by MD/TANTRANSCO and attended by Director Distribution/ TANGEDCO, Director operation TANTRANSCO, along with the Chief Engineers concerned.

Based on the MOM dt:30.12.2021 and after consideration TANGEDCO hereby approves that

- The project shall be handed over to the Executive Engineer/SA/CC under the control of Superintending Engineer/IT/O/o. the Chief Engineer IT by P&C
- CE/NCES shall hand over the AMR related posts ie, 1 No AEE (Elec) and 1 No AE (Elec)/JE (Elec) Gr-I at the office of CE/NCES/Chennai and 1 No AE (Elec)/JE (Elec) Gr-I each at the office of the SE/NCES/Tirunelveli and SE/NCES/Udumalpet and 1No JE Gr-II

(Elec) along with the present incumbents and entire works hitherto looked after by NCES wing to CE/IT for further maintenance of the AMR scheme”.

- c. P&C wing will continue the handling of PO and contract management till its logical closure.
- d. The server, software and data will be handled and maintained by the IT wing.
