D.O. No. 526/TMMS/2001

21.11.2001.

Dear Thiru. Gnanadesikan,

Tamil Nadu Medical Services Corporation Limited is a pioneer institution serving the public through centralized purchase and distribution of drugs and other medical equipments to the various Government Medical Institutions throughout Tamilnadu through a streamlined tender procedure system with total transparency.

This Corporation is an unique one in the purchase, storage and distribution of drugs throughout the state. It is pertinent to mention here that other states are also emulating the principles of drug purchase from Tamilnadu following the procedures adopted by this Corporation. Towards providing total health care to the general public, TMMS is also extending diagnostic facilities to the Government Hospitals.

The Corporation is maintaining 2 Magnetic Resonance Imaging Systems (MRI) one at Government General Hospital, Chennai and the other at Government Rajaji Hospital, Madurai.

Similarly, TMMS is maintaining 21 CT Scan Centres as per the list enclosed. The Corporation is going to instal additional 13 CT Scan Centers in various Government Hospitals in Tamilnadu.

The charges levied by the Corporation is very nominal compared to the charges levied by the private institutions. The details of the charges levied is also enclosed.

These facilities are available not only to the In-patients at the respective Hospitals, but also to the general public and the patients referred from other Hospitals.

I am sure that your Organization will be incurring lot of expenditure towards the medical expenses of your employees. You may be referring employees or they themselves may be going to private scan centres for CT/MRI Scans where they have to pay huge sum. Hence I take this opportunity to give information about the facilities available in the Government Hospitals, which may be availed by your employees.

The CT/MRI Centers are manned by fully qualified Radiologists from the Government Hospitals and the patients referred from your Organization will be attended immediately and the report handed over to them.

I request you to kindly avail this opportunity and refer your employees to utilize the facilities available in the Government Hospitals at the comparatively cheaper cost thereby your employees as well as your Organization can save lot of expenditures.

With warm regards,

Yours sincerely,

Sd/- XXXXX  
(N. VASUDEVAN).

To

Thiru. K. Gnanadesikan, I.A.S.,  
Chairman,
